GLO Contract # 08-017 and 09-039-000-3356
 (Fishing Pier, CMP Cycles 12 & 13)

The City of Port Lavaca has completed construction of fishing pier improvements at Lighthouse Beach Park. The construction fulfills the grant requirements of two current Coastal Management Program grants administered by the Texas General Land Office:

CMP Cycle 12: GLO contract 08-017
CMP Cycle 13: GLO contract 09-039-000-3356

Documentation of expenses incurred has been submitted to satisfy the local match requirements for Cycles 12 and 13. Please browse the pictures on the following pages for visual details of the construction. The City is thankful for the assistance from the Texas General Land Office and looks forward to continuing the pier extension with the Cycle 14 grant award.
