Spring Cleanup Recap!

The 38th annual Spring Coastwide Cleanup was held on Saturday, April 20th. This year, 5,483 volunteers participated in the cleanup to help keep Texas beaches beautiful by removing 59,040 pounds of trash from the coast.

"As Land Commissioner and a Texan who lived on the Texas coast for over a decade, preserving our beautiful coastline and vital habitats is a mission near and dear to my heart," said Commissioner Buckingham. "The GLO's Adopt-A-Beach cleanups are a crucial part of this mission. During this year's Adopt-A-Beach Coastwide Spring Cleanup, over 5,400 incredible volunteers picked up 29.5 tons of trash across the Texas coast. I look forward to the continued growth of this essential program as we work to preserve our beaches for recreational use and protect coastal habitats for the wildlife that calls them home."

Get the Adopt-A-Beach License Plate!

The Texas General Land specialty license plate design features a photo by Texas' own **Kenny Braun**. Braun's work has been featured in Garden and Gun, Texas Monthly, Wired, Southern Living, Texas Highways, This Old House Magazine and more.

The plates are available to purchase for \$30 in addition to your annual registration fee, with \$22 of that donated to the Adopt-A-Beach program's all-volunteer effort to keep trash off Texas beaches.

The license plate was designed by the Texas General Land Office in coordination with the Texas Department of Motor Vehicles. To order a specialty Adopt-A-Beach license plate and get yours, visit <https://texasadoptabeach.org/contribute/license-plates/index.html>.

Many employers offer charitable matching gifts programs for their employees. This means they will either match a charitable donation made by one of their employees, or they will make a donation to a charity where their employees volunteer. Check with your Human Resources department! Your donation to Texas Adopt-A-Beach may be tax deductible - check with your tax advisor.
