You've entered the application plant view Submitted Applications and allow you to see	
If you are a resident of the City of Houston or Harris County, please do not proceed with this application. The City of Houston and Harris County are developing and implementing their own Hurricane Harvey recovery programs. For more information regarding their programs, please visit:	
http://recovery.texas.gov/programs/harris-county/index.html (Harris County - Direct Allocation)	
http://recovery.texas.gov/programs/houston/index.html (City of Houston - Direct Allocation)	
The Homeowner Assistance Program is providing rehabilitation and reconstruction services for primary, single family residences impacted by Hurricane Harvey. Each application submitted will be individually evaluated by the GLO and its partners to determine eligibility and funding availability. Before you begin the application, we encourage you to gather items such as your photo I.D., property tax records, IRS tax returns and other recovery documents. The application will require you to fill out all fields and upload required documentation prior to submission. Those fields include general applicant information, detailed information about previous housing assistance, and various documents that will be used to confirm eligibility. Please review the following checklist to ensure you have documents to satisfy each of the categories. http://www.glo.texas.gov//recovery/files/hap-checklist.pdf (Homeowner Assistance Program Application Document Checklist)	t
Please visit http://recovery.texas.gov for additional details regarding program eligibility for the Homeowner Assistance Program and other Hurricane Harvey Recovery programs administered by the GLO.	
The GLO is committed to assisting Texans in the recovery process through this program.	
Should you have additional questions, please email cdr@glo.texas.gov or call 1-844-893-8937 or 512-475-5000.	

The Complete an Existing Draft page is displayed. Find the application that you need to complete, click the down arrow at the end of the row and select Edit DRRP Application.

National Objective tab

This national objective to be met is predetermined based on the preliminary application submitted. The questions displayed on this tab are related to the national objective and beneficiary information.

Here is a screenshot of the national objective section (this example is when the national objective to be met is principally benefitting low to moderate income persons):

DRRP Application - Edit

General 424 Questions National Objective Activity Project Grant Program Questionaires						
	General	424 Questions	National Objective	Activity	Project	Grant Program Questionaires

Identify the National Objective to be met upon completion of the proposed project.

LMI

Principally benefit low- and moderate-income persons. (To qualify an application activity under the national objective of principally benefitting low- and moderate-income (LMI) persons, at least fifty-one percent (51%) of the beneficiaries of the activity must be LMI.)

Yes

Describe activities benefit to low - to - moderate income people.

Method(s) used to determine the beneficiaries

- 🗆 LMI Area Benefit
- □ LMI Housing Activity
- LMB Buyout
- LMH Down Payment Assistance
- 🗆 LMH Housing Benefit
- □ LMHI Housing Incentive
- LMI Limited Clientele
- 🗆 LMI Jobs

Any locality receiving CDBG-DR funds must certify that it will affirmatively further fair housing. Using the fields below, identify the activities already achieved to affirmatively further fair housing, and those new activities to be undertaken if a CDBG-DR award is made, together with an estimate of when that activity will be complete. Localities should be aware that, in the event of funding, these fair housing efforts will be monitored. Other activities may be eligible, and the applicant may contact the GLO to determine eligibility.
