TEXAS VETERANS LAND BOARD • CHAIRWOMAN DAWN BUCKINGHAM, M.D.

Date: February 3, 2026

To: Dawn Buckingham, MD, Chairwoman
Judson Scott, Member
James Rothfelder, Member

From: John Barton, Director of VLB Bond Funds Management

Subject: Agenda Item 13 a - Quarterly Veterans Land, Housing and Home Improvement Program Update for Fiscal Year 2026 1st Quarter.

Recommendation: This agenda item requires no action from the Board.

Prior Board Meeting Item Updates

In November, VLB sold 70 mortgages to Gateway First Bank, with proceeds totaling \$24.5 million, our next loan sale is expected to close in March 2026.

Loan Demand – Housing

In 1983, the Legislature created the VLB Veterans Housing Assistance Program to assist Texas Veterans and Military Members in purchasing a home. Through this program, eligible Texas Veterans and Military Members have an opportunity to purchase a home with a low-interest loan with little or no money down.

Consumer demand for home loans was higher in the first quarter of the fiscal year compared to the previous year. December was the third consecutive rate cut by the Federal Reserve which reduced the benchmark interest rate each time by 25 basis points (0.25%) in September, October, and December. Despite easing at the short end of the curve, the long end of the curve has exhibited a more limited response, maintaining higher yields relative to short-term movements. Demand for FY2026 Q1 averaged \$38.4 million per month and increased 29.56% from FY2025 Q1 versus FY2025 Q1.

	FY2026 Q1	FY2025 Q1	Variance
Housing Loan Value	\$115,112,469	\$81,082,987	\$34,029,665
Housing Loans Closed	279	199	80

Since 2018, VLB loans have been made in 180 of 254 Texas Counties.

Loan Demand – Home Improvement

VLB offers qualified veterans or military members loans to help pay for home repairs or upgrades through the Texas Veterans Home Improvement Program (VHIP). This program was introduced

in 1986 and provides the same below-market interest rate as the housing loans. The program demand has been steadily declining over the last four years.

For FY2026 Q1, VLB issued 15 loans under the VHIP totaling \$361,843, which was a 51.4% decrease in loan value from FY 2025 Q1, with an average loan value of \$24,123.

	FY2026 Q1	FY2025 Q1	Variance
Home Improvement Loan Value	\$361,843	\$743,774	(\$381,931)
Home Improvement Loans Closed	15	29	(14)

Housing and Home Improvement Loan Interest Rate Setting Process

VLB’s current weekly rate setting process revolves around setting a "base" rate that is 15-150 basis points (0.15% to 1.50%) below the benchmark. Eligible borrowers with a service-connected disability rating of 30% or higher are then allowed a 50-basis point (0.50%) reduction to the "base" rate. FY2026 Q1 base/discounted rates averaged 5.77%/5.27% while FY2025 Q1 base/discounted rates averaged 6.05%/5.55%.

Since FY 2018 nearly 88% of VLB Home Loan borrowers qualified for the discounted interest rate and 46% of borrowers were first time homebuyers. Through FY 2026 Q1, 95% of borrowers qualified for the discounted rate and 49% of all borrowers were first time homebuyers.

Loan Demand – Land

The VLB Veterans Land Loan Program is the only one of its kind in the nation. It provides Texas Veterans and Military Members with the opportunity to borrow money to purchase land at favorable interest rates and terms while only requiring a minimum 5% down payment.

Demand for land loans is lower than a year ago but remains consistent with historical program levels.

	FY2026 Q1	FY2025 Q1	Variance
Land Loan Value	\$16,121,085	\$20,006,074	(\$3,884,989)
Land Loans Closed	145	191	(46)

The current loan rate for the land program is 7.25%.

From: John Barton, Director of VLB Bond Funds Management

Subject: Agenda Item 13 b - Consideration and possible action on increasing the maximum allowable loan amount in the Veterans' Housing Assistance Program and the Veterans' Land Program, and other related matters.

Recommendation: Staff recommends approval of the increase in maximum Land Loan amounts to \$200,000 for single Veteran loans and \$275,000 for dual spouse Veterans for new loan requests effective on or after February 4, 2026. If approved, the new limits would take effect once the VLB technical systems are updated and the new amounts are published to the public.

Veterans Land Program History

The Veterans Land Loan Program (VLP) is the only one of its kind in the nation. It provides Texas Veterans and Military Members with the opportunity to borrow money to purchase land at favorable interest rates (current loan rate is 7.25%) and terms while only requiring a minimum 5% down payment.

Through inception to December 2025, the VLP has provided 137,283 land loans totaling \$2.969 billion.

As shown in the table below, the loan limit in the VLP has been increased several times from its original \$20,000 amount to today's current limit of \$150,000 maximum loan amount

Year	VLP Limit	VLP Dual Spouse
1949	\$20,000	\$-
1996	\$40,000	-
2005	\$60,000	-
2007	\$80,000	-
2012	\$100,000	-
2015	\$125,000	-
2017	\$150,000	-
2024	\$150,000	\$225,000
2026 (Proposed)	\$200,000	\$275,000

The average loan size in the VLP for the last three fiscal years is approximately \$108,000 and for the first four months of the current fiscal year is approximately \$111,000. It is difficult to estimate with any certainty what the impact on loan demand will be from increasing the loan limit to \$200,000, but historically the impact has been minimal. The table below shows the average loan size and the percentage of loans that were in an amount of \$135,000 or higher of the maximum amount.

Fiscal Year	Average Loan Size	\$135K or higher Percentage
2020	\$87,207	11.0%
2021	\$92,949	14.2%
2022	\$102,788	20.6%
2023	\$107,932	28.5%

MEMORANDUM

TEXAS VETERANS LAND BOARD • CHAIRWOMAN DAWN BUCKINGHAM, M.D.

Date: February 3, 2026

To: Dawn Buckingham, M.D., Chairwoman
James Rothfelder, Member
Judson Scott, Member

From: John Barton, Director of VLB Bond Funds Management

Subject: Agenda Item 13 c - Consideration and possible action on the adoption of a resolution authorizing the issuance and sale of State of Texas Veterans Bonds, Tax-Exempt Series 2026, in one or more series and installments, in an aggregate principal amount not to exceed \$250,000,000, and providing for other matters relating to the subject.

Recommendation

Staff recommends that the Board authorize the issuance up to \$250,000,000 in new-money tax-exempt general obligation bonds in the Veterans Housing Assistance Program (VHAP) between February 4, 2026, and February 3, 2027. In addition, staff recommends that the final maturity of the bonds not exceed December 1, 2057, and that the bond True Interest Cost not exceed 6.00%.

Summary

The Veteran's Land Board (VLB) is limited by federal tax law to a maximum of \$250,000,000 in new-money, tax-exempt general obligation bond issuance per calendar year, and demand is such that staff expects to continue to issue \$250,000,000 per calendar year for the foreseeable future. Staff annually requests for Board approval of a resolution authorizing the issuance of up to \$250,000,000 in tax-exempt new-money general obligation bonds for a one-year period.

In June 2024, the Board approved a one-year resolution authorizing the issuance of up to \$250,000,000 in tax-exempt, new-money general obligation bonds in the VHAP during 2025. In April 2025, VLB issued a \$250,000,000 tax-exempt bond transaction to fund additional loan purchases. Through December 2025, approximately 58% or \$146,000,000 of the bond issuance has been used to purchase mortgages. Staff contemplates the next issuance to be executed in spring 2026.

The bond issues are typically structured as synthetic fixed-rate bonds created by issuing variable-rate bonds that are effectively converted to fixed-rate bonds through the use of floating-to-fixed interest rate swap. While the Board has used this structure almost exclusively in the past, staff works with the Board's financial advisor and bond counsel prior to each issuance to determine the structure best suited to meet the Board's current financing needs considering market conditions and other factors at that time.

BY THE VETERANS' LAND BOARD OF THE STATE OF TEXAS AUTHORIZING THE ISSUANCE AND SALE OF STATE OF TEXAS VETERANS BONDS, SERIES 2026 IN ONE OR MORE SERIES AND INSTALLMENTS IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$250,000,000, AND PROVIDING FOR OTHER MATTERS RELATING TO THE SUBJECT

(a) With respect to each series of Series 2026 Bonds, the Board shall keep or cause to be kept at the designated corporate trust office of the Person named in the related Pricing Certificate or Purchase Contract, or at the designated office of any other banking institution named in accordance with the provisions of Section 5.2(a) hereof (in any event, a "Registrar"), books or records of the registration and transfer of such Series 2026 Bonds (each, a "Bond Register"), and each Registrar shall act as registrar and transfer agent to keep such Bond Register and make such transfers and registrations under such reasonable regulations as the Board may prescribe, and to convert and exchange or replace the applicable Series 2026 Bonds; and the Registrar shall make such transfers and registrations as herein provided. It shall be the duty of a Registrar to obtain from the Holder of each applicable Series 2026 Bond and record in the related Bond Register the address of such Holder to which payments with respect to the applicable Series 2026 Bonds shall be mailed, as herein provided. Each Registrar shall keep the related Bond Register confidential and, unless otherwise required by law, shall not permit their inspection by any entity other than the Board or its designee, which shall have the right to inspect such Bond Register during regular business hours of such Registrar. Registration of each Series 2026 Bond may be transferred in the applicable Bond Register only upon presentation and surrender of such Series 2026 Bond to the applicable Registrar for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to such Registrar, evidencing the assignment of such Series 2026 Bond, or any portion thereof in any Authorized Denomination, to the assignee or assignees thereof, and the right of such assignee or assignees to have such Series 2026 Bond or any such portion thereof registered in the name of such assignee or assignees. Upon the assignment and transfer of any Series 2026 Bond or any portion thereof, a new substitute Series 2026 Bond or Series 2026 Bonds of the same series and maturity shall be issued in conversion and exchange therefor in the manner herein provided.

(b) The entity in whose name any Series 2026 Bond shall be registered in the related Bond Register at any time shall be treated as the absolute owner thereof for all purposes of this Resolution, whether or not such Series 2026 Bond shall be overdue, and the Board and the applicable Paying Agent and Registrar shall not be affected by any notice to the contrary; and

payment of, or on account of, the principal of and premium, if any, and interest on any such Series 2026 Bond shall be made only to such Holder. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Series 2026 Bond to the extent of the sum or sums so paid.

(c) Unless otherwise set forth in a Pricing Certificate or Purchase Contract, the Board hereby appoints the Comptroller in Austin, Texas, or any banking institution named in accordance with the provisions of Section 5.2(a) hereof (in either case, the “Paying Agent”), to act as the paying agent for paying the principal of and premium, if any, and interest on the Series 2026 Bonds, all as provided in this Resolution. Each Paying Agent shall keep proper records of all payments made by the Board and such Paying Agent with respect to the applicable Series 2026 Bonds, as provided in this Resolution. For any Series 2026 Bond that has a CUSIP number, the applicable Paying Agent shall provide the CUSIP number for such Series 2026 Bond with each payment of interest on and the principal or the redemption price of such Series 2026 Bond, specifying the amount paid in respect of such CUSIP number.

(d) Each Series 2026 Bond may be converted into and exchanged for fully registered bonds in the manner set forth herein. Each Series 2026 Bond may, upon surrender thereof to the applicable Registrar, together with a written request therefor duly executed by the Holder or the assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Registrar, at the option of the Holder or such assignee or assignees, as appropriate, be converted into and exchanged for a substitute Series 2026 Bond or Series 2026 Bonds having the same series, maturity date, bearing interest at the same rate and in any Authorized Denomination which may be requested in writing by such Holder or such assignee or assignees, in an aggregate principal amount equal to the principal amount of the Series 2026 Bond or Series 2026 Bonds so surrendered, and payable to the appropriate Holder, assignee, or assignees, as the case may be. If only a portion of any Series 2026 Bond shall be redeemed prior to its scheduled maturity as provided herein, a substitute Series 2026 Bond or Series 2026 Bonds having the same series, maturity date, bearing interest at the same rate, in any Authorized Denomination at the request of the Holder, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder upon surrender thereof for cancellation. If any Series 2026 Bond or portion thereof is assigned and transferred or converted, each Series 2026 Bond issued in exchange therefor shall have the same series, principal maturity date and bear interest at the same rate as the Series 2026 Bond for which it is being exchanged. Each substitute Series 2026 Bond shall bear a number to distinguish it from each other Series 2026 Bond. Each Registrar shall convert and exchange or replace Series 2026 Bonds as provided herein, and each fully registered bond delivered in conversion of and exchange for or replacement of any Series 2026 Bond or portion thereof as permitted or required by any provision of this Resolution shall constitute one of the Series 2026 Bonds for all purposes of this Resolution, and may again be converted and exchanged or replaced. It is specifically provided, however, that any Series 2026 Bond delivered in conversion of and exchange for or replacement of another Series 2026 Bond prior to the first scheduled Interest Payment Date of the related series of Series 2026 Bonds shall be dated the same date as such Series 2026 Bond, but each substitute Series 2026 Bond so delivered on or after such first scheduled Interest Payment Date shall be dated as of the Interest Payment Date preceding the date on which such substitute Series 2026 Bond is delivered, unless such Series 2026 Bond is delivered on an Interest Payment Date therefor, in which case it shall be dated as of such date of delivery;

provided, however, that if at the time of delivery of any substitute Series 2026 Bond the interest on the Series 2026 Bond for which it is being exchanged has not been paid, then such Series 2026 Bond shall be dated as of the date to which such interest has been paid in full; and provided, further, that any Series 2026 Bond issued in exchange for an Initial Series 2026 Bond shall be dated the date specified in the related Pricing Certificate or Purchase Contract. On each substitute Series 2026 Bond issued in conversion of and exchange for or replacement of any Series 2026 Bond or Series 2026 Bonds there shall be printed a Registrar's Authentication Certificate, in the form hereinafter set forth. An authorized representative of the applicable Registrar shall, before the delivery of any such Series 2026 Bond, date such Series 2026 Bond in the manner set forth above, and manually sign and date the Registrar's Authentication Certificate, and no such Series 2026 Bond shall be deemed to be issued or Outstanding unless such Registrar's Authentication Certificate is so executed and dated. Each Registrar promptly shall cancel all applicable Series 2026 Bonds surrendered for transfer, conversion and exchange or replacement. No additional orders or resolutions need be passed or adopted by the Board or any other body or Person so as to accomplish the foregoing conversion and exchange or replacement of any Series 2026 Bond or portion thereof, and each Registrar shall provide for the execution and delivery of substitute Series 2026 Bonds in the manner prescribed herein. Pursuant to Chapter 1201, and particularly Sections 1201.061 through 1201.063 and 1201.067 thereof, the duty of conversion and exchange or replacement of Series 2026 Bonds as aforesaid is hereby imposed upon the related Registrar, and, upon the execution and dating of the above described Registrar's Authentication Certificate, the transferred, converted and exchanged or replaced Series 2026 Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Series 2026 Bonds which originally were delivered pursuant to this Resolution, approved by the Attorney General, and registered by the Comptroller. Except in the case of tenders of Weekly Rate Bonds pursuant to Section 9.4 hereof or of the remarketing of Purchased Bonds, neither the Board nor any Registrar shall be required (i) to issue, transfer, replace or exchange any Series 2026 Bond subject to redemption in whole or in part during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of such series of Series 2026 Bonds and ending at the close of business on the day of such mailing, or (ii) to replace, transfer or exchange any Series 2026 Bond so selected for redemption, in whole or in part, when such redemption is scheduled to occur within 30 calendar days; except that at the option of the Holder of at least \$1,000,000 in principal amount of a series of Series 2026 Bonds, the applicable Registrar shall be required to transfer or exchange any such Series 2026 Bond of such Holder which has been selected, in whole or in part, for redemption upon surrender thereof. A Registrar may make such arrangements as it deems appropriate for notation on each new Series 2026 Bond issued in exchange for or upon the transfer of the Series 2026 Bond so selected for redemption of an appropriate legend to the effect that such new Series 2026 Bond has been so selected for redemption.

(e) All Series 2026 Bonds issued in conversion and exchange or replacement of any other Series 2026 Bond or portion thereof, (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Series 2026 Bonds to be payable only to the Holders thereof, (ii) may be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Series 2026 Bonds, (v) shall have the characteristics, (vi) shall be signed and sealed, (vii) shall be authenticated, and (viii) shall provide that the principal of and interest on such Series 2026 Bonds shall be payable, all as provided, and in the manner required or indicated, in this Resolution.

(f) The Board shall pay each Registrar's reasonable and standard or customary fees and charges for making transfers of Series 2026 Bonds, but the Holder of any related Series 2026 Bond requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto. The Holder of any Series 2026 Bond requesting any conversion and exchange shall pay the applicable Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Series 2026 Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Series 2026 Bond or Series 2026 Bonds or any portion or portions thereof in any Authorized Denomination, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Series 2026 Bond that has been redeemed in part prior to maturity, as provided in this Resolution, such fees and charges will be paid by the Board.

Section 2.7. Damaged and Missing Bonds. (a) In the event any Outstanding Series 2026 Bond is damaged, mutilated, lost, stolen, or destroyed, the applicable Registrar shall cause to be printed, executed, authenticated and delivered, a new Series 2026 Bond of the same series, principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Series 2026 Bond in the manner hereinafter provided.

(b) Application for replacement of a damaged, mutilated, lost, stolen, or destroyed Series 2026 Bond shall be made by the Holder thereof to the applicable Registrar. In every case of loss, theft, or destruction of a Series 2026 Bond, the Holder applying for a replacement Series 2026 Bond shall furnish to the Board and to the applicable Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Series 2026 Bond, the Holder shall furnish to the Board and to the applicable Registrar evidence to their satisfaction of the loss, theft, or destruction of such Series 2026 Bond, as the case may be. In every case of damage or mutilation of a Series 2026 Bond, the Holder shall surrender to the applicable Registrar for cancellation the Series 2026 Bond so damaged or mutilated.

(c) Notwithstanding the foregoing provisions of this Section, in the event any such Series 2026 Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of and premium, if any, or interest on the Series 2026 Bond, the Board may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Series 2026 Bond, provided security or indemnity is furnished as provided above in this Section.

(d) Prior to the issuance of any replacement Series 2026 Bond pursuant to the provisions of this Section, the applicable Registrar shall charge the Holder of such Series 2026 Bond with all legal, printing, and other expenses in connection therewith. Every replacement Series 2026 Bond issued pursuant to the provisions of this Section by virtue of the fact that any Series 2026 Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Board whether or not the lost, stolen, or destroyed Series 2026 Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Series 2026 Bonds duly issued under this Resolution.

(e) In accordance with Section 1201.062 of Chapter 1201, this Section shall constitute authority for the issuance of any such replacement Series 2026 Bond without the necessity of further action by the Board or any other body or Person, and the duty of the replacement of such Series 2026 Bond is hereby authorized and imposed upon the applicable Registrar, and such Registrar shall authenticate and deliver such replacement Series 2026 Bonds in the form and manner and with the effect, as provided in Section 2.6(d) of this Resolution for Series 2026 Bonds issued in conversion and exchange for other Series 2026 Bonds.

Section 2.8. Sale and Delivery of Series 2026 Bonds. The Series 2026 Bonds may be sold publicly or privately on a negotiated basis, as determined by the Authorized Representatives to assure that the Series 2026 Bonds are sold on advantageous terms. Pursuant to Chapter 1371, the Authorized Representatives are hereby severally authorized and directed to act for and on behalf of the Board in connection with other matters relating to the issuance of the Series 2026 Bonds. In such capacity, the Authorized Representatives, acting for and on behalf of the Board, shall determine the date of issuance and sale of each series of the Series 2026 Bonds, and are also hereby severally authorized and directed to approve, execute and deliver the related Purchase Contract or Pricing Certificate, and to approve the principal amounts and maturities of such Series 2026 Bonds and whether such Series 2026 Bonds shall be issued initially as Fixed Rate Bonds, Weekly Rate Bonds or Variable Rate Bonds, the redemption provisions and such other terms applicable to such Series 2026 Bonds, the Purchase Contract or Pricing Certificate to be approved by the Authorized Representative executing the Purchase Contract or Pricing Certificate, such approval to be conclusively evidenced by such Authorized Representative's execution thereof; provided that (i) the final maturity and aggregate principal amount of such Series 2026 Bonds shall comply with Section 2.2 hereof, and (ii) the interest rate on such Series 2026 Bonds shall not exceed the Ceiling Rate, subject to the unqualified approving opinion as to the legality of such Series 2026 Bonds of the Attorney General and of Bond Counsel. The Authorized Representatives and all other officers, agents and representatives of the Board are hereby authorized to do any and all other things necessary or desirable to satisfy the conditions set out in the Purchase Contract or otherwise required by the Initial Purchaser and to provide for the issuance and delivery of Series 2026 Bonds. One definitive Series 2026 Bond for each series and maturity date, in the principal amount for such series and maturity date as set forth in the related Purchase Contract or Pricing Certificate, shall be delivered to or as directed by the Initial Purchaser thereof. It is further provided, however, that notwithstanding the foregoing provisions, a series of Series 2026 Bonds shall not be delivered unless prior to delivery such Series 2026 Bonds have been rated by a Rating Agency in one of the four highest rating categories for long-term obligations or in one of the three highest rating categories for short-term obligations, as required by Chapter 1371.

Section 2.9. Preliminary Official Statement and Official Statement. For any Series 2026 Bonds to be sold initially in a public offering, prior to the execution of the Purchase Contract, the Chairwoman of the Board, acting for and on behalf of the Board, (i) if requested by the Initial Purchaser thereof, shall cause a preliminary official statement (the "Preliminary Official Statement") to be prepared for distribution by the Underwriters to prospective purchasers of such Series 2026 Bonds, such document to be in the form as an Authorized Representative may deem necessary or appropriate, and each Authorized Representative is hereby authorized for and on behalf of the Board to approve and deem final the Preliminary Official Statement as of its date, except for such omissions as are permitted by the Rule (as

defined in Section 8.1 hereof); within seven business days after the execution of the related Purchase Contract, the Chairwoman of the Board, acting for and on behalf of the Board, shall cause the final Official Statement, in substantially the form of the Preliminary Official Statement, with such changes as the Chairwoman of the Board may approve, such approval to be conclusively evidenced by her execution thereof, to be provided to the Underwriters in compliance with the Rule, or (ii) if such Initial Purchaser does not request a Preliminary Official Statement, the Chairwoman of the Board, acting for and on behalf of the Board, shall cause an official statement to be prepared for distribution by the Underwriters to prospective purchasers of such Series 2026 Bonds, such document to be in the form as an Authorized Representative may deem necessary or appropriate.

Section 2.10. Book-Entry System. As provided in Section 2.8 of this Resolution, each series of Series 2026 Bonds initially shall be delivered against payment to the Initial Purchaser thereof. The Series 2026 Bonds so delivered to such Initial Purchaser shall be registered in accordance with the instructions of such Initial Purchaser. Each Initial Purchaser shall be required to promptly surrender any Initial Series 2026 Bond received by such Initial Purchaser for exchange. Series 2026 Bonds issued in exchange shall be registered in the name of Cede & Co., as nominee of DTC, as Holder, and held in the custody or on behalf of DTC. Unless otherwise requested by DTC, a single certificate will be issued and delivered to DTC or its designee for each series and maturity and of the Series 2026 Bonds. Beneficial owners of Series 2026 Bonds will not receive physical delivery of Series 2026 Bond certificates except as provided hereinafter. For so long as DTC shall continue to serve as securities depository for the Series 2026 Bonds as provided herein, all transfers of beneficial ownership interests therein will be made by book entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Series 2026 Bonds is to receive, hold or deliver any Series 2026 Bond certificate.

With respect to Series 2026 Bonds registered in the name of Cede & Co., as nominee of DTC, none of the Board or the applicable Paying Agent or Registrar shall have any responsibility or obligation to any DTC Participant or to any Person on whose behalf a DTC Participant holds an interest in the Series 2026 Bonds. Without limiting the immediately preceding sentence, none of the Board or any Paying Agent or Registrar shall have any responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Series 2026 Bonds, (ii) the delivery to any DTC Participant or any other Person, other than a Holder, as shown on the Bond Register, of any notice with respect to the Series 2026 Bonds, including any notice of redemption, and (iii) the payment to any DTC Participant or any other Person, other than a Holder, of any amount with respect to principal of and premium, if any, or interest on the Series 2026 Bonds.

Replacement Series 2026 Bonds may be issued directly to beneficial owners of Series 2026 Bonds other than DTC, or its nominee, but only in the event that (i) DTC determines not to continue to act as securities depository for the Series 2026 Bonds (which determination shall become effective no less than 90 days after written notice to such effect to the Board and the applicable Paying Agent and Registrar), or (ii) the Board has advised DTC of its determination (which determination is conclusive as to DTC and the beneficial owners of the Series 2026 Bonds) that DTC is incapable of discharging its duties as securities depository for the Series 2026 Bonds, or (iii) the Board has determined (which determination is conclusive as to

DTC and the beneficial owners of the Series 2026 Bonds) that the interests of the beneficial owners of the Series 2026 Bonds might be adversely affected if such book entry only system of transfer is continued. Upon occurrence of any event described in (i) or (ii) above, the Board shall use its best efforts to attempt to locate another qualified securities depository. If the Board fails to locate another qualified securities depository to replace DTC, the Board shall cause to be executed, authenticated and delivered replacement Series 2026 Bonds, in certificated form, to the DTC Participants having an interest in the Series 2026 Bonds as shown on the records of DTC provided by DTC to the Board. In the event that the Board makes the determination noted in (iii) above and has made provisions to notify the beneficial owners of the Series 2026 Bonds of such determination by mailing an appropriate notice to DTC, it shall cause to be issued replacement Series 2026 Bonds in certificated form to the DTC Participants having an interest in the Series 2026 Bonds as shown on the records of DTC provided by DTC to the Board. The Board undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the Board to make any determination described in (ii) or (iii) above.

Whenever, during the term of the Series 2026 Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), the requirements in this Resolution of holding, registering, delivering, exchanging or transferring Series 2026 Bonds shall be deemed modified to require the appropriate Person to meet the requirements of DTC (or such successor securities depository) as to holding, registering, delivering, exchanging or transferring the book entry to produce the same effect.

Whenever, during the term of the Weekly Rate Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), tenders of Weekly Rate Bonds shall be made pursuant to DTC's (or any successor securities depository's) deliver order procedures or repayment option procedures, as applicable, as are in effect from time to time. Upon remarketing of Weekly Rate Bonds, payment of the Purchase Price thereof shall be made to DTC (or any successor securities depository), and no surrender of Weekly Rate Bonds is required. Such sales shall be made through the DTC Participants (which may include the Remarketing Agent) to the new beneficial owners of such Weekly Rate Bonds, and the DTC Participants shall transmit payment to beneficial owners whose Weekly Rate Bonds were purchased pursuant to a remarketing. The Board and each Registrar, Paying Agent, Tender Agent, Liquidity Provider and Remarketing Agent are not responsible for transfer of payment to the DTC Participants or beneficial owners.

If at any time DTC ceases to hold the Series 2026 Bonds, all references herein to DTC shall be of no further force or effect.

Anything to the contrary contained herein notwithstanding, this Section 2.10 shall not apply to a series of the Series 2026 Bonds if so provided in the Pricing Certificate therefor.

ARTICLE III

REDEMPTION OF SERIES 2026 BONDS

Section 3.1. Redemption. (a) Series 2026 Bonds (including Purchased Bonds) shall be subject to scheduled mandatory sinking fund redemption and shall be redeemed on the dates and

in the respective principal amounts set forth in the related Purchase Contract or Pricing Certificate, at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date fixed for redemption. The principal amount of Series 2026 Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall be reduced, at the option of the Board, by the principal amount of any Series 2026 Bonds of the same series and having the same stated maturity which (A) at least 45 days prior to such mandatory sinking fund redemption date, (1) shall have been acquired by the Board and delivered to the applicable Registrar for cancellation, or (2) shall have been acquired and canceled by such Registrar at the direction of the Board, or (3) shall have been redeemed pursuant to any redemption provision set forth below and (B) shall have not been previously credited against a scheduled mandatory sinking fund redemption.

(b) The Weekly Rate Bonds (including Purchased Bonds) shall be subject to redemption prior to maturity on the first Business Day of any month, at the option and direction of the Board, in whole or in part, at a redemption price of par plus accrued interest. In the case of any such redemption, the Board shall select the maturity or maturities of the Weekly Rate Bonds to be redeemed and the amounts thereof in Authorized Denominations.

(c) Any series of Series 2026 Bonds issued as other than Weekly Rate Bonds shall be subject to redemption prior to maturity, at the option and direction of the Board, during the periods and at the redemption prices set forth in the related Purchase Contract or Pricing Certificate, plus accrued interest to the date fixed for redemption.

(d) Converted Fixed Rate Bonds shall be subject to redemption prior to maturity, at the option and direction of the Board, during the periods specified below, in whole at any time or in part from time to time, at the redemption prices (expressed as a percentage of principal amount) hereinafter indicated, plus accrued interest, if any, to the redemption date:

<u>Length of Fixed Interest Rate Period (expressed in years)</u>	<u>Redemption Prices</u>
greater than 15	after 10 years at 102%, declining by 1% every year to 100%
less than or equal to 15 and greater than 10	after 7 years at 102%, declining by 1% every year to 100%
less than or equal to 10 and greater than 7	after 5 years at 102%, declining by 1% every year to 100%
less than or equal to 7 and greater than 4	after 3 years at 101%, declining by 1% after a year to 100%
less than or equal to 4	after 2 years at 100%

In the case of any such redemption, the Board shall select the maturity or maturities of the Fixed Rate Bonds to be redeemed and the amounts thereof in Authorized Denominations.

(e) In the case of any redemption of less than all of the Series 2026 Bonds of a particular series and maturity, the particular Series 2026 Bonds within each such series and maturity to be redeemed shall be selected by the applicable Registrar by lot in such manner as such Registrar shall deem fair and appropriate; provided that during any period in which ownership of such Series 2026 Bonds is determined only by a book entry at a securities depository, if less than the entire principal amount Outstanding of all Series 2026 Bonds of the same series and maturity is to be redeemed, the interests to be redeemed of the beneficial owners of such Series 2026 Bonds shall be selected in accordance with the arrangements between the Board and the securities depository.

(f) Anything in this Section 3.1 to the contrary notwithstanding, in the event of any (i) optional redemption of Weekly Rate Bonds, Purchased Bonds of the same series shall be selected first for such redemption to the extent there are any such Purchased Bonds, provided that the Board may select the maturity or maturities of Purchased Bonds to be so redeemed and the amounts thereof in Authorized Denominations, and (ii) mandatory sinking fund redemption of Weekly Rate Bonds, Purchased Bonds of the same series and maturity being redeemed shall be selected first for such redemption to the extent there are any such Purchased Bonds.

Section 3.2. Notice of Redemption. At least 30 days prior to the date fixed for any redemption of Series 2026 Bonds, a written notice of such redemption shall be sent by first class mail, postage prepaid by the Registrar to the Holders of the applicable series of Series 2026 Bonds to be redeemed on such date. All notices of redemption shall state: (1) the date of redemption and general mailing of such notices; (2) the redemption price; (3) the identification (including complete official name and series designation and issue date), the CUSIP number, if any, certificate number (and in the case of partial redemption, the respective principal amounts), interest rates and maturity dates of the Series 2026 Bonds to be redeemed; (4) that on the redemption date the redemption price will become due and payable on each such Series 2026 Bond, and that interest thereon shall cease to accrue from and after such date; and (5) the name and address of the applicable Paying Agent, including the name and telephone number of a contact person and the place where such Series 2026 Bonds are to be surrendered for payment of the redemption price. By the date fixed for any such redemption, due provision shall be made by the Board with the applicable Paying Agent for the payment of the required redemption price for such Series 2026 Bonds or the portions thereof which are to be so redeemed. If such written notice of redemption is given, and if due provision for such payment is made, all as provided above, such Series 2026 Bonds, or the portions thereof which are to be so redeemed, thereby automatically shall be redeemed prior to their scheduled maturities, and shall not bear interest after the date fixed for their redemption, and shall not be regarded as being Outstanding except for the right of the Holders thereof to receive the redemption price therefor from the applicable Paying Agent out of the funds provided for such payment. The applicable Registrar shall record in the related Bond Register all such redemptions of principal of the Series 2026 Bonds or any portion thereof. If only a portion of any Series 2026 Bond shall be redeemed, a substitute Series 2026 Bond or Series 2026 Bonds, having the same series and maturity date, bearing interest at the same rate, in any Authorized Denomination which may be requested by the Holder thereof, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder thereof upon the surrender thereof for cancellation, at the expense of the Board, all as provided in this Resolution. For all purposes of this Resolution, unless the context otherwise requires, all provisions relating to the redemption of Series 2026 Bonds shall relate, in

the case of any Series 2026 Bond redeemed or to be redeemed only in part, to the portion of the principal of such Series 2026 Bond that has been or is to be redeemed.

In addition to the notice of redemption required above, the applicable Registrar shall send notice of redemption by certified or registered mail, return receipt requested, postage prepaid, or by overnight delivery service contemporaneously with such mailing: (1) to any Holder of \$1,000,000 or more in principal amount of the applicable series of Series 2026 Bonds; (2) to two or more information services of national recognition that disseminate redemption information with respect to municipal bonds; and (3) to any securities depository that is a Holder of such Series 2026 Bonds. In addition, in the event of a redemption caused by an advance refunding of Series 2026 Bonds, the applicable Registrar shall send a second notice of redemption to all Holders of such Series 2026 Bonds at least thirty (30) days but not more than ninety (90) days prior to the actual redemption date. Any notice required to be sent to any registered securities depositories or national information services shall be sent so that it is received at least two (2) days prior to the general mailing date of such notice. A Registrar shall also send a notice of redemption to the Holder of any applicable Series 2026 Bond called for redemption who has not sent such Series 2026 Bond in for redemption sixty (60) days after the redemption date.

Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this Section or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Series 2026 Bonds.

ARTICLE IV

Section 4.1. Establishment of Fund II. The Comptroller (as successor to the Treasurer of the State) has established in the State Treasury the “Veterans’ Housing Assistance Fund II,” referred to herein as “Fund II.” The Board hereby confirms and ratifies the establishment of Fund II and agrees to maintain Fund II until all Bonds have been paid in full.

Section 4.2. Deposits to Fund II. Fund II is and shall be comprised of, and where feasible it is the duty of the Board, and the officers of the Board are hereby authorized and directed, to deposit into Fund II, the following:

- (iv) income, rents, and any other pecuniary benefit received by the Board as a result of making Home Loans;

(v) sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any Bonds to comply with the person's bid and accept and pay for such Bonds;

(vi) payments received by the Board under bond enhancement agreements with respect to the Bonds;

The Board may deposit other moneys to the credit of Fund II, including moneys transferred by the Board from the Veterans' Land Fund and Fund I, which are eligible under the Constitution and applicable laws of the State for such deposit or transfer.

Section 4.3. Home Loans. (a) Money in Fund II, including the proceeds from the sale of Bonds, may be used by the Board in the making of Home Loans as provided in the Act, the payment of Expenses Attributable to Home Loans and Expenses Attributable to Bonds, and, as herein provided, the payment of the principal of and premium, if any, and interest on the Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds; provided, that the language of this paragraph shall not be construed to prevent the investment of the moneys in Fund II when permitted by the Constitutional Provision or the Act.

(b) The Board will fix interest rates to be charged Veterans receiving Home Loans from the Board which will assure that the proceeds from payments and repayments of Home Loans, together with other legally available moneys, including, without limitation, anticipated transfers from the Veterans' Land Fund or Fund I, will exceed the amount of payments the Board is required to make from Fund II for the payment of interest on and principal of the Bonds as such come due and mature, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, and to the extent permitted by the Constitution and applicable laws of the State, the Board covenants to transfer such amounts from the Veterans' Land Fund and Fund I as are necessary to cause available amounts in Fund II to be sufficient for such payment.

Section 4.4. Source of Payment. (a) The principal of and interest on the Series 2026 Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Series 2026 Bonds, shall be and are hereby made general obligations of the State pursuant to the Constitutional Provision, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and interest on each of the Series 2026 Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Series 2026 Bonds, when due the resources of the Board to the extent herein provided and the full faith and credit of the State are hereby pledged.

(b) All payments of the principal of and interest on the Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the

Bonds, shall be made from Fund II; provided, that if the Legislature of the State shall later provide additional sources from which the principal of or the interest on the Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, may be paid, the Board, its officers, the Comptroller and all other officers and employees of the State are hereby authorized and requested, and, to the extent that they are under the jurisdiction of this Board, directed to take all steps necessary to accomplish the use of such additional funds for such purpose, without releasing the continuing right of the Holders to the present sources prescribed by the Constitutional Provision and the Act for the payment of such principal and interest.

(c) The Board recognizes the absolute and ultimate obligation of the State to provide during each Fiscal Year all moneys necessary to pay the principal of and interest on the Bonds, including money to make payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, and recognizes that the Constitutional Provision provides that to the extent there is not money in Fund II available for payment of principal of and interest on the Bonds, including money to make payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, “there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, an amount that is sufficient to pay the principal of and interest on the general obligation bonds that mature or come due during that fiscal year or to make bond enhancement payments with respect to those bonds.”

Section 4.5. Other Uses of Fund II Moneys. (a) The Constitutional Provision provides that receipts of all kinds of Fund II determined by the Board not to be required for the payment of principal of and interest on Bonds or other general obligation bonds hereafter authorized by the Constitution of the State to provide money for Fund II, including payments by the Board under bond enhancement agreements with respect to principal of or interest on Bonds and such other general obligation bonds, may be used by the Board, to the extent not inconsistent with the proceedings authorizing such bonds, to (1) make temporary transfers to either the Veterans’ Land Fund or Fund I to avoid a temporary cash deficiency in that fund or make a transfer to either of those funds for the purposes of that fund; (2) pay the principal of and interest on general obligation bonds issued to provide money for either the Veterans’ Land Fund or Fund I or make bond enhancement payments with respect to such bonds; or (3) pay the principal of and interest on revenue bonds of the Board or make bond enhancement payments with respect to such bonds. In accordance with the Constitutional Provision, the Board reserves the right to use the moneys in Fund II for such purposes, or for any other purpose from time to time authorized by the Constitutional Provision.

(b) The Constitutional Provision also provides that if the Board determines that assets from Fund II are not required for the purposes of Fund II, the Board may (i) transfer the assets to either the Veterans’ Land Fund or Fund I, (ii) use the assets to secure revenue bonds issued by the Board under the Constitutional Provision, (iii) use the assets to plan and design, operate, maintain, enlarge or improve veterans cemeteries, or (iv) use the assets to plan and design, construct, acquire, own, operate, maintain, enlarge, improve, furnish, or equip veterans homes. In accordance with the Constitutional Provision, the Board reserves the right to use the assets from Fund II for such purposes, or for any other purpose from time to time authorized by the Constitutional Provision.

Section 4.6. Program Administration. The Program may be administered on behalf of the Board by one or more administrators, each of which shall be a nationally recognized institution with previous experience in the administration of mortgage lending programs, and whose duties shall be specified in an agreement between the Board and the administrator named therein. Currently, the Program administrators are Gateway Mortgage Group, LLC as “Loan Origination Administrator” and Nationstar Mortgage LLC as “Master Servicer.” Home Loans may (i) be originated by the Board, or (ii) be originated and serviced through qualified lending institutions in the State, which shall be subject to the approval of the Board.

Section 4.7. Investments. The moneys of Fund II which are not immediately committed to the payment of principal of and interest on the Bonds, the making of Home Loans as herein provided, or the payment of expenses as herein provided may be invested in Eligible Investments until such funds are needed for such purposes.

ARTICLE V

COVENANTS OF THE BOARD

Section 5.1. Payment Procedures. (a) The Board hereby covenants that it shall establish procedures with the Comptroller whereby sufficient moneys shall be withdrawn from Fund II and forwarded to each Paying Agent for the payment of interest on and principal of the Series 2026 Bonds coming due on each interest or principal payment date. In addition, the Board covenants that as of each principal payment date and Interest Payment Date for a series of Series 2026 Bonds it will make available to the applicable Paying Agent the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due. Notwithstanding the foregoing, during any period in which ownership of a series of Series 2026 Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, payments made to the securities depository, or its nominee, shall be made in accordance with arrangements between the Board and the securities depository.

If the date for the payment of the principal of or interest on the Series 2026 Bonds is a day other than a Business Day, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

Section 5.2. Paying Agent and Registrar. (a) The Board covenants with the Holders that at all times while the Series 2026 Bonds are Outstanding, the Board will provide a competent and legally qualified Paying Agent and Registrar for each series of Series 2026 Bonds under this Resolution, and that the Paying Agent and Registrar for such series shall be one entity, except during any period when such Series 2026 Bonds are registered only by means of a book entry at a securities depository. The Board reserves the right to, and may, at its option, change any Paying Agent or Registrar upon not less than 30 days written notice to such Paying Agent or Registrar. In the event that an entity at any time acting as Paying Agent or Registrar (or the successor thereto by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Board covenants that it will appoint promptly a competent and legally qualified national or state banking institution which shall be an entity organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise

trust powers, subject to supervision or examination by federal or state authority, and, if the previous Paying Agent or Registrar was a banking institution, whose qualifications substantially are similar to the previous Paying Agent or Registrar, as appropriate, to act as Paying Agent or Registrar under this Resolution. Upon any change in a Registrar, the previous Registrar promptly shall transfer and deliver the related Bond Register (or a copy thereof), along with all other pertinent books and records relating to the applicable Series 2026 Bonds, to the new Registrar designated and appointed by the Board. Upon any change in a Paying Agent, the previous Paying Agent promptly shall transfer and deliver the records regarding payments of principal of and interest on the applicable Series 2026 Bonds (or a copy thereof) it has kept and maintained, along with all other pertinent books and records relating to payments made regarding such Series 2026 Bonds, to the new Paying Agent designated and appointed by the Board. Upon any change in Paying Agent or Registrar, the Board promptly will cause a written notice thereof to be sent by the new Registrar to each applicable Holder by first class mail, postage prepaid, which notice also shall give the address of the new Paying Agent or Registrar, as appropriate. By accepting the position and performing as such, each Paying Agent and Registrar shall be deemed to have agreed to the provisions of this Resolution, and a certified copy of this Resolution shall be delivered to each Paying Agent and Registrar.

In addition, the Board hereby covenants with the Holders that it will (i) pay the reasonable and standard or customary fees and charges of each Paying Agent for its services with respect to the payment of the principal of and interest on the Series 2026 Bonds, when due, and (ii) pay the fees and charges of each Registrar for services with respect to the transfer of registration of Series 2026 Bonds solely to the extent provided in Section 2.6(f), and with respect to the conversion and exchange of Series 2026 Bonds solely to the extent provided in Section 2.6(f).

Section 5.3. Tax Covenants. (a) Definitions. The following terms shall have the meanings given below when used in this Section 5.3:

“Code” means the Internal Revenue Code of 1986, as amended, and, with respect to a specific section thereof, such reference shall be deemed to include (a) the Regulations promulgated under such section, (b) any successor provision of similar import hereafter enacted, (c) any corresponding provision of any subsequent Internal Revenue Code and (d) the regulations promulgated under the provisions described in (b) and (c).

(b) General Tax Covenant. The Board covenants not to take any action, or knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the interest on any Series 2026 Bonds to be includable in gross income for federal income tax purposes. In furtherance thereof, the Board covenants to comply with section 103

and 141, 143, and 146 through 150 of the Code and the provisions set forth in the Federal Tax Certificate executed by the Board in connection with an issue of Series 2026 Bonds. The Board will not be required to comply with any of the federal tax covenants set forth in this Section 5.3 if the Board has received a Favorable Opinion of Bond Counsel regarding such noncompliance.

(c) Use of Proceeds. The Board covenants that at least 95% of the Net Proceeds of each series of Series 2026 Bonds will be used to finance Home Loans for Qualified Veterans. The Board further covenants that (i) no portion of the proceeds of a series of Series 2026 Bonds will be used in a way that would cause such Series 2026 Bonds to meet the private business use tests set forth in Section 141(b)(1) and (2) of the Code and applicable Regulations thereunder and (ii) no portion of the proceeds of a series of Series 2026 Bonds will be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(d) Mortgage Eligibility Requirements.

(i) The Board covenants: (A) to attempt in good faith to meet, with respect to each Home Loan, before the execution thereof, the mortgage eligibility requirements of Section 143(c), (g), (i)(1) and (l) of the Code (as more fully described below in this Section), by placing restrictions in the Origination Agreement that permit the origination and purchase of Home Loans only in accordance with such requirements and by establishing reasonable procedures to ensure compliance with such requirements including investigation by the Participants and the Program administrator (or its agent) to determine that each Home Loan meets such requirements; and (B) to correct any failure to meet such requirements within a reasonable period after such failure is first discovered by causing the non-qualifying Home Loan to be accelerated or to be replaced with a Home Loan that meets such requirements if the non-qualifying Home Loan defect cannot be cured within such reasonable period.

(ii) The Board covenants to require, and the Origination Agreement and the Program Guide require, with respect to each Home Loan, a certification of the mortgagor and other appropriate evidence demonstrating that the mortgagor is a Qualified Veteran. In determining whether a person is a Qualified Veteran, the Board may rely on copies of the mortgagor's Certificate of Discharge indicating that the mortgagor served on active duty at some time, and stating the date on which the mortgagor left active service, provided that neither the Board nor the Participant originating the Home Loan knows or has reason to believe that such certificate is false.

(iii) The Board covenants to require, and the Origination Agreement and the Program Guide require, with respect to each Home Loan, a certification of the mortgagor and other appropriate evidence demonstrating that the residence being financed with the proceeds of such Home Loan is a Single Family Residence located within the State that the mortgagor reasonably expects to occupy as his or her principal residence within a reasonable time (e.g., 60 days) after the financing is provided.

(iv) The Board covenants to require, and the Origination Agreement and the Program Guide require, with respect to each Home Loan, a certification of the mortgagor and other appropriate evidence demonstrating that, in accordance with Section 143(i) of the Code, the Home Loan is not made for the purpose of acquiring or replacing an existing mortgage (i.e., that the mortgagor does not have an existing mortgage (whether or not paid off) on the residence securing the Home Loan at any time prior to the execution of the Home Loan), except for a mortgage falling within the Contract for Deed Exception or a mortgage securing a construction period loan or a bridge loan or other similar temporary initial financing having a term of 24 months or less. The Board further covenants not to permit the assumption of any Home Loan unless the requirements described in this Section 5.3(d) are met with respect to such assumption.

(v) The Board covenants to require, and the Origination Agreement and the Program Guide require, that each Home Loan include provision for acceleration in the event that the Board discovers that any of such mortgage eligibility requirements described in this Section 5.3(d) have not been met with respect to such Home Loan.

(vi) The following terms used in this Section 5.3(d) shall have the respective meanings set forth in Section 143 of the Code and applicable Regulations thereunder: mortgage, principal residence, residence and single-family residence.

(e) Mortgage Rate. The Board will take all actions necessary to ensure that the blended Yield on the Home Loans properly allocable under Sections 1.148-1 through 1.148-10 of the Regulations to an issue of Series 2026 Bonds will not exceed the Yield on such issue of Series 2026 Bonds (all as computed by or on behalf of the Board in accordance with Section 143(g) of the Code and Sections 1.148-1 and 1.148-10 of the Regulations) by more than 1.125%. To the extent that the Yield on the Home Loans allocable to an issue of Series 2026 Bonds exceeds the Yield on such issue of Series 2026 Bonds by more than 1.125%, the Department will make “yield reduction payments” to the federal government as set forth in Section 1.148-5(c) of the Regulations.

(f) No Arbitrage Covenant. The Board covenants that it will make such use of the Gross Proceeds of an issue of Series 2026 Bonds and related revenues, regulate investments of proceeds of any issue of Series 2026 Bonds and related revenues, and take such other and further action as may be required so that an issue of Series 2026 Bonds will not be “arbitrage bonds” within the meaning of Section 148(a) of the Code.

(g) Rebate of Arbitrage Profits. Pursuant to Section 143(g)(3)(D) of the Code, the Board hereby elects to pay to the United States any amounts described in Section 143(g)(3)(A) of the Code. The Board will pay to the United States such amounts at the times described in, and in such manner and accompanied by such forms or other information as is or may be required by the Regulations. Specifically, the Board will (i) maintain records regarding the investment of the Proceeds of each issue of Series 2026 Bonds as may be required to calculate the amount earned on the investment of the Proceeds of such issue of Series 2026 Bonds separately from records of amounts on deposit in the funds and accounts of the Board allocable to other bond issues of the Board or moneys that do not represent Proceeds of any bonds of the Board, (ii) calculate at such times as are required by applicable Regulations, the amount earned from the investment of the

Proceeds of such issue of Series 2026 Bonds that is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of such issue of Series 2026 Bonds or on such other dates as may be permitted under applicable Regulations, all amounts required to be rebated to the federal government. Further, the Board will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any Person other than the federal government by entering into any investment arrangements with respect to the proceeds of an issue of Series 2026 Bonds which results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield on such issue of Series 2026 Bonds not been relevant to either party.

(h) Limitations on Issuance Costs. The Board covenants that the Costs of Issuance financed with the proceeds of an issue of Series 2026 Bonds will not exceed two percent of the Sale Proceeds of such issue of Series 2026 Bonds.

(i) No Federal Guaranty. The Board covenants not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause any Series 2026 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code, except as permitted by Section 149(b) of the Code.

(j) Information Reporting. The Board covenants to file or cause to be filed with the Secretary of the Treasury, not later than the fifteenth day of the second calendar month after the close of the calendar quarter in which an issue of Series 2026 Bonds is issued, an information statement concerning such issue of Series 2026 Bonds, all under and in accordance with Section 149(e) of the Code, and to file or cause to be filed such additional information reports as may be required by Section 149(e) of the Code. The Board further covenants to file or cause to be filed with the Secretary of the Treasury the information required by Treas. Reg. § 1.103A-2(k)(2)(ii) regarding the borrowers of the Proceeds of an issue of Series 2026 Bonds (using the format set forth in Treas. Reg. § 1.103A-2(k)(3)(iii)) not later than the fifteenth day of the second calendar month after the close of each reporting period. For purposes of the preceding sentence, a reporting period with respect to an issue of Series 2026 Bonds is the one-year period beginning the first day of the month in which the related Settlement Date occurs and ending the last day of the month preceding the month in which such Settlement Date occurs.

(k) Changes in Use of Mortgage Property. The Board acknowledges that the provisions of Section 150(b) of the Code (relating to changes in use of property financed with the proceeds of private activity bonds) will apply to the Home Loans, and covenants to advise each mortgagor with respect to a Home Loan of such provisions.

(l) Volume Limitation. The aggregate amount of the Series 2026 Bonds increased by the aggregate amount of all other "qualified veterans' mortgage bonds" issued by the Board during calendar year 2026 does not exceed (a) the aggregate amount of qualified veterans' mortgage bonds issued by the Board during the period beginning on January 1, 1979, and ending on June 22, 1984 (not including the amount of any qualified veterans' mortgage bonds actually issued during the calendar year, or the applicable proportion of 1984, in such period for which the amount of such bonds was the lowest), divided by (b) the number (not to exceed five) of

calendar years after 1978 and before 1985 during which the Board issued qualified veterans' mortgage bonds (excluding any qualified veterans' mortgage bonds issued after June 22, 1984).

(m) Hedge Bonds. The Board covenants that not more than 50 percent of the Sale Proceeds of an issue of Series 2026 Bonds will be invested in nonpurpose investments having a substantially guaranteed yield for four years or more within the meaning of Section 149(g)(3)(A)(ii) of the Code, and the Board reasonably expects that at least 85 percent of the spendable proceeds of such issue of Series 2026 Bonds will be used to carry out the governmental purposes of such issue of Series 2026 Bonds within the three year period beginning on the Settlement Date of the issue of Series 2026 Bonds.

(n) Record Retention. The Board will retain all pertinent and material records relating to the use and expenditure of the Proceeds of an issue of Series 2026 Bonds until three years after the last such issue of Series 2026 Bond is redeemed, or such shorter period as authorized by subsequent guidance issued by the Department of Treasury, if applicable. All records will be kept in a manner that ensures their complete access throughout the retention period. For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the Board to retrieve and reproduce such books and records in the event of an examination of any issue of Series 2026 Bonds by the Internal Revenue Service.

(o) Continuing Obligation. Anything in this Resolution to the contrary notwithstanding, the Board's obligations under the covenants and provisions of this Section 5.3 will survive the defeasance and discharge of an issue of Series 2026 Bonds for as long as such matters are relevant to the excludability of interest on such issue of the Series 2026 Bonds from gross income for federal income tax purposes.

ARTICLE VI

SUPPLEMENTS AND AMENDMENTS

Section 6.1. Amendment of Resolution With Consent of Holders. (a) The Holders of a series of Series 2026 Bonds aggregating a majority in principal amount of the aggregate principal amount of such Series 2026 Bonds at the time Outstanding (but not including in any case Series 2026 Bonds which may then be held or owned by or for the account of the Board) shall have the right from time to time to approve an amendment of this Resolution affecting such Series 2026 Bonds which may be deemed necessary or desirable by the Board; provided, however, that nothing herein contained shall permit or be construed to permit the amendment of the terms and conditions contained in this Resolution or in such Series 2026 Bonds so as to:

- (i) make any change in the maturity of any of the Series 2026 Bonds of such series;
- (ii) reduce the rate of interest borne by any of the Series 2026 Bonds of such series;

(iii) reduce the amount of the principal payable on any of the Series 2026 Bonds of such series;

(iv) modify the terms of payment of principal of or interest on such Series 2026 Bonds, or any of them, or impose any conditions with respect to such payment;

(v) change the minimum percentage of the principal amount of such Series 2026 Bonds necessary for consent to such amendment; or

(vi) affect the rights of the Holders of less than all of the Series 2026 Bonds of such series then Outstanding,

unless such amendment or amendments be approved by the Holders of all of such Series 2026 Bonds at the time Outstanding.

(b) If at any time the Board shall desire to amend this Resolution under this Section, the Board shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in the City of New York, New York, or the City of Austin, Texas, once during each calendar week for at least four successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Board and the designated office of the Registrar for inspection by all holders of such Series 2026 Bonds. Such publication is not required, however, if notice in writing is given to each Holder of the applicable series of Series 2026 Bonds.

(c) Whenever at any time, within one year from the date of this publication of said notice or other service of written notice, the Board shall receive an instrument or instruments executed by the Holders of a majority in aggregate principal amount of Series 2026 Bonds of the applicable series then Outstanding, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and approve such amendment in substantially the form of the copy thereof on file with the Registrar, the Board may adopt the amendatory resolution in substantially the same form.

(d) Any consent given by the Holder of a Series 2026 Bond pursuant to the provisions of this Resolution shall be irrevocable for a period of six months from the date of the first publication or mailing of the notice provided for in this Resolution, and shall be conclusive and binding upon all future Holders of the same Series 2026 Bond during such period. Such consent may be revoked at any time after six months from the date of the first publication or mailing of such notice by the holder who gave such consent, or by a successor in title, by filing notice of such revocation with the Registrar and the Board, but such revocation shall not be effective if the Holders of a majority in aggregate principal amount of the Series 2026 Bonds of the applicable series Outstanding as in this Section defined have, prior to the attempted revocation, consented to and approved the amendment.

(e) For the purposes of this Section, proof of ownership of any Series 2026 Bond shall be established by the registration of any such Series 2026 Bond on the Bond Register kept and maintained by the applicable Registrar.

Section 6.2. Amendment of Resolution Without Consent of Holders. The foregoing provisions of this Article notwithstanding, the Board may, without the consent of the Holders, pursuant to amendatory resolution, from time to time:

- (i) impose conditions or restrictions additional to, but not in diminution of, those contained in this Resolution, respecting the issuance of Bonds;
- (ii) undertake covenants additional to but not inconsistent with those contained in this Resolution;
- (iii) correct any ambiguity or correct or supplement any inconsistent or defective provision contained in this Resolution or any amendatory resolution;
- (iv) adopt amendments to this Resolution that become effective as to a series of Series 2026 Bonds following a mandatory tender of all of such Series 2026 Bonds then Outstanding; or
- (v) adopt amendments to this Resolution that, in the opinion of Bond Counsel, do not adversely affect the Holders.

Section 6.3. Effect of Amendatory Resolutions. Upon the adoption of any amendatory resolution pursuant to the provisions of this Section, this Resolution shall be deemed to be amended in accordance with such amendatory resolution, and the respective rights, duties and obligations of the Board under this Resolution and all the holders of Outstanding Series 2026 Bonds of the applicable series shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such amendments.

Section 6.4. Bonds May Bear Notation of Changes. Series 2026 Bonds of the applicable series authenticated and delivered after the execution of any amendatory resolution pursuant to this Article may bear a notation in form approved by the applicable Registrar as to any matter provided for in such amendatory resolution. If the Board or the applicable Registrar shall so determine, new Series 2026 Bonds of the applicable series so modified as to conform, in the opinion of the Board and such Registrar, to any such amendatory resolution may be prepared and executed by the Board and authenticated and delivered by such Registrar in exchange for Series 2026 Bonds of the applicable series then Outstanding.

ARTICLE VII

FIXED RATE BONDS DEEMED PAID

Section 7.1. Fixed Rate Bonds Deemed Paid. Any Fixed Rate Bond shall be deemed to be paid and no longer Outstanding when payment of the principal of and premium, if any, on such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity, redemption, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided by irrevocably depositing with a paying agent, in trust and irrevocably set aside exclusively for such payment, (1) money sufficient to make such payment or (2) Defeasance Obligations, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such

amounts and at such times as will insure the availability, without reinvestment, of sufficient money to make such payment, and all necessary and proper fees, compensation and expenses of such paying agent for such Fixed Rate Bonds, with respect to which such deposit is made, shall have been paid or the payment thereof provided for. At such time as a Fixed Rate Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Resolution, except for the purposes of any such payment from such money or Defeasance Obligations.

Section 7.2. Application of Trust Money. (a) The deposit under clause (ii) of Section 7.1 shall be deemed a payment of a Fixed Rate Bond as aforesaid when proper notice of redemption of such Bond shall have been given, in accordance with this Resolution. Any money so deposited with a paying agent as provided in this Section may at the discretion of the Board also be invested in Defeasance Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Obligations in possession of a paying agent pursuant to this Section which is not required for the payment of such Bond and premium, if any, and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Board.

(b) Notwithstanding any provision of any other Section of this Resolution which may be contrary to the provisions of this Section, all money or Defeasance Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the particular Fixed Rate Bonds and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Fixed Rate Bonds and premium, if any, and interest thereon, with respect to which such money or Defeasance Obligations have been so set aside in trust.

(c) Notwithstanding anything elsewhere in this Resolution contained, if money or Defeasance Obligations have been deposited or set aside with a paying agent pursuant to this Section for the payment of Fixed Rate Bonds and such Fixed Rate Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Section shall be made without the consent of the Holder of each Fixed Rate Bond affected thereby.

The Board shall notify the MSRB, in a timely manner, of any failure by the Board to provide financial information or operating data in accordance with Section 8.2 of this Resolution by the time required by such Section.

Section 8.4. Limitations, Disclaimers and Amendments. The Board shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the Board remains an “obligated person” with respect to a series of Series 2026 Bonds within the meaning of the Rule, except that the Board in any event will give the notice required by Section 8.3 of any Series 2026 Bond calls and defeasance of the applicable series that cause the Board to be no longer such an “obligated person.”

The provisions of this Article are for the sole benefit of the Holders and beneficial owners of the Series 2026 Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Board undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Board’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The Board does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Series 2026 Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE BOARD BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY SERIES 2026 BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE BOARD, WHETHER FROM NEGLIGENCE OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the Board under federal and state securities laws.

The provisions of this Article may be amended by the Board from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Board, but only if (1) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Series 2026 Bonds in the primary offering of a series of Series 2026 Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Resolution that authorizes such an amendment) of the Outstanding Series 2026 Bonds of the applicable series consent to such amendment or (b) a Person that is unaffiliated with the Board (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the applicable series of Series 2026 Bonds. If the Board so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 8.2 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

Anything in this Resolution to the contrary notwithstanding, the provisions of this Article may be modified for a particular series of Series 2026 Bonds as set forth in the Pricing Certificate relating thereto.

Section 8.5. Continuing Disclosure Relating to Other Obligated Persons. The Board hereby determines that an Other Obligated Person would be an “obligated person” (as defined in the Rule) for whom financial information and operating data would be presented in any final official statement relating to a series of Series 2026 Bonds had such Person been known at the time of the offering thereof. Based upon the objective criteria specified in the definition of Other Obligated Person, the Board concludes that no Veteran eligible to participate in the Program would be an Other Obligated Person.

Section 8.6. Agreement Regarding Assumption of Certain Home Loans. The Board agrees not to permit the assumption of any Home Loan that would cause any Person to become an Other Obligated Person.

ARTICLE IX

ADDITIONAL PROVISIONS RELATING TO SERIES 2026 BONDS

Section 9.1. Interest Rates and Payment. (a) General. Each Outstanding Weekly Rate Bond shall bear interest at the Weekly Interest Rate therefor, each Fixed Rate Bond shall bear interest at the Fixed Interest Rate therefor, each Purchased Bond shall bear interest at the Purchased Bond Rate therefor, and each Variable Rate Bond shall bear interest as provided in the related Purchase Contract or Pricing Certificate; provided, however, that in no event shall the interest rate on any Series 2026 Bond exceed the Ceiling Rate; and provided further that in no event shall the Purchased Bond Rate exceed the Maximum Purchased Bond Rate. Unless provided to the contrary in the related Purchase Contract or Pricing Certificate, each Series 2026 Bond shall bear interest from its date (except for an Initial Series 2026 Bond that is not a Fixed Rate Bond, which shall bear interest from the Settlement Date), and interest on each Series 2026 Bond for each Interest Accrual Period shall be payable on each Interest Payment Date applicable to such Series 2026 Bond; provided, however, that the Holder (other than a Liquidity Provider) of a Weekly Rate Bond shall be paid interest thereon for an Interest Accrual Period only in the amount that would have accrued thereon at the Weekly Interest Rate, regardless of whether such Weekly Rate Bond was a Purchased Bond during any portion of such Interest Accrual Period, and the amount, if any, accrued as interest on such Weekly Rate Bond at the Purchased Bond Rate in excess of the amount required to be paid to such Holder shall be paid by the Board to a Liquidity Provider in accordance with the related Liquidity Facility.

(b) Payment and Calculation of Interest. Interest on the Series 2026 Bonds shall be paid in arrears. Interest on Weekly Rate Bonds (including Purchased Bonds) shall be computed on the basis of a 365/366-day year, for the number of days actually elapsed. Interest on Fixed Rate Bonds shall be computed on the basis of a 360-day year consisting of twelve (12) thirty (30) day months. Interest on Variable Rate Bonds shall be computed as set forth in the related Purchase Contract or Pricing Certificate.

(c) Ceiling Rate. Anything to the contrary contained herein notwithstanding, the maximum rate of interest on the Series 2026 Bonds at any time shall be the Ceiling Rate.

(d) Purchased Bonds. All Purchased Bonds shall bear interest at the Purchased Bond Rate therefor, which shall be payable at such times, in such amounts and in such manner as is provided in the related Liquidity Facility. The maximum rate of interest permitted on Purchased Bonds shall be the Maximum Purchased Bond Rate. Any determination of the Purchased Bond Rate pursuant to a Liquidity Facility shall be conclusive and binding on the Board.

Section 9.2. Determination of Weekly Interest Rate. (a) Weekly Rate Bonds shall bear interest at the Weekly Interest Rate, which shall be determined by the applicable Remarketing Agent by 4:30 p.m., New York City time, on Tuesday of each week during such Weekly Interest Rate Period, or if such day shall not be a Business Day, then on the next succeeding Business Day, provided that the first Weekly Interest Rate for a series of Weekly Rate Bonds shall be determined by the Initial Purchaser thereof on the date of execution of the related Purchase Contract in the manner set forth in this paragraph. The first Weekly Interest Rate for a series of Weekly Rate Bonds shall apply to the period commencing on the Settlement Date therefor and ending on the next succeeding Tuesday. Thereafter, each Weekly Interest Rate shall apply to the period commencing on Wednesday and ending on the next succeeding Tuesday, unless such Weekly Interest Rate Period shall end on a day other than Tuesday, in which event the last Weekly Interest Rate for such Weekly Interest Rate Period shall apply to the period commencing on the Wednesday preceding the last day of such Weekly Interest Rate Period and ending on the last day of such Weekly Interest Rate Period. The Weekly Interest Rate for a series of Weekly Rate Bonds shall be the rate of interest per annum determined by the Remarketing Agent therefor (based on then prevailing market conditions) to be the minimum interest rate which, if borne by such Weekly Rate Bonds, would enable such Remarketing Agent to sell such Weekly Rate Bonds on such date of determination at a price (without regarding accrued interest) equal to the principal amount thereof. In the event that such Remarketing Agent fails to establish a Weekly Interest Rate for any week, then the Weekly Interest Rate for such week shall be the same as the Weekly Interest Rate for the immediately preceding week if the Weekly Interest Rate for such preceding week was determined by such Remarketing Agent. In the event that the Weekly Interest Rate for the immediately preceding week was not determined by such Remarketing Agent, or in the event that the Weekly Interest Rate determined by such Remarketing Agent shall be held to be invalid or unenforceable by a court of law, then the interest rate for such week shall be equal to the most recently available SIFMA Index plus 0.25% per annum, or if such index is no longer available, or no such index was so made available for the week preceding the date of determination, 75% of the interest rate on 30-day high grade unsecured commercial paper notes sold through dealers by major corporations as reported in The Wall Street Journal on the day the Weekly Interest Rate would otherwise be determined as provided herein for such Weekly Interest Rate Period.

(b) The first Interest Rate Period for a series of Weekly Rate Bonds shall commence on the Settlement Date and shall be a Weekly Interest Rate Period. The initial Weekly Interest Rate to be borne by such Weekly Rate Bonds shall be determined by the Initial Purchaser thereof in the manner set forth in the preceding paragraph.

(c) Notices. On each date on which a Remarketing Agent determines the interest rate on any Weekly Rate Bond, such Remarketing Agent shall give the Board and the applicable Tender Agent, Paying Agent and Liquidity Provider notice by facsimile or e-mail transmission of the interest rate determined by such Remarketing Agent on such date. Upon telephonic request, such Remarketing Agent will give any Holder of the applicable series of Weekly Rate Bonds notice of the interest rate on such Weekly Rate Bonds owned by such Holder.

(d) Binding Effect. Each determination of the interest rate for the Weekly Rate Bonds, as provided herein, shall be conclusive and binding upon the owners of the Weekly Rate Bonds, the Board and the applicable Remarketing Agent, Tender Agent, Liquidity Provider and Paying Agent. Upon telephonic request to a Remarketing Agent from the Board, the Paying Agent, the applicable Liquidity Provider or any Holder of any Weekly Rate Bond of the applicable series, the Remarketing Agent shall inform such Person of the interest rate then in effect on such Weekly Rate Bonds. Failure of such Remarketing Agent to give any notice described in this Section, or any defect therein, shall not affect the interest rate to be borne by any of any Weekly Rate Bonds of the applicable series nor in any way change the rights of the Holders of such Weekly Rate Bonds to tender their Weekly Rate Bonds for purchase in accordance with this Resolution.

Section 9.3. Fixed Interest Rate. (a) Determination of Fixed Interest Rate. During a Fixed Interest Rate Period, each Series 2026 Bond shall bear interest at the Fixed Interest Rate therefor. The Fixed Interest Rate for each stated maturity of Series 2026 Bonds issued as Weekly Rate Bonds shall be determined by the applicable Remarketing Agent on a Business Day not less than 15 days prior to the effective date of the Fixed Interest Rate Period therefor. The Fixed Interest Rate for each stated maturity shall be the rate of interest per annum determined by such Remarketing Agent (based on then prevailing market conditions) to be the minimum interest rate, if any, at which such Remarketing Agent will agree to purchase the applicable series of Series 2026 Bonds on such effective date for resale at a price (without regarding accrued interest) equal to the principal amount thereof. If, for any reason, the Fixed Interest Rate for each stated maturity is not so determined for such Series 2026 Bonds by such Remarketing Agent at least 15 days prior to the first day of the Fixed Interest Rate Period therefor, then such Series 2026 Bonds shall bear interest at a Weekly Interest Rate as provided in Section 9.2, and shall continue to bear interest at a Weekly Interest Rate determined in accordance with Section 9.2 until such time as the interest rate on such Series 2026 Bonds shall have been adjusted to a Fixed Interest Rate, and such Series 2026 Bonds shall continue to be subject to purchase upon notice from the Holders thereof as described in Section 9.4(a). The related Liquidity Facility shall be terminated as to such Fixed Rate Bonds.

(b) Adjustment to Fixed Interest Rate Period.

(i) At any time, the Board, by written direction to the applicable Registrar, Tender Agent, Paying Agent, Liquidity Provider and Remarketing Agent, may elect, subject to Section 9.3(e), that a series of Weekly Rate Bonds shall be subject to a Fixed Interest Rate Period. The direction of the Board required by the first sentence of this paragraph (i) shall specify the effective date of the Fixed Interest Rate Period, which date shall be (A) a Business Day not earlier than the 30th day following the second Business

Day after receipt by the applicable Registrar of such direction, and (B) the day immediately following the last day of a Weekly Interest Rate Period.

(ii) Such direction of the Board shall be accompanied by a Favorable Opinion of Bond Counsel and by a form of the notice to be mailed by the applicable Registrar to the Holders of the series of Weekly Rate Bonds to be converted as provided in Section 9.3(c).

(iii) If the Board shall deliver to the applicable Registrar, Remarketing Agent and Tender Agent on or prior to the date that the interest rate for the Fixed Interest Rate Period is determined a notice to the effect that the Board elects to rescind its election to have the series of Weekly Rate Bonds to be converted become subject to a Fixed Interest Rate Period, then such Series 2026 Bonds shall not become subject to a Fixed Interest Rate Period, and such Series 2026 Bonds shall bear interest at a Weekly Interest Rate as in effect prior to such event.

(c) Notice of Adjustment to Fixed Interest Rate Period. The applicable Registrar shall give notice by first class mail of an adjustment to a Fixed Interest Rate Period to the Holders of the series of Weekly Rate Bonds to be converted not less than 30 days prior to the effective date of such Fixed Interest Rate Period. Such notice shall state: (1) that the Interest Rate Period on such Series 2026 Bonds shall be adjusted to a Fixed Interest Rate Period unless (x) Bond Counsel fails to deliver to the Board, the applicable Tender Agent and the applicable Remarketing Agent a Favorable Opinion of Bond Counsel as to such adjustment in the Interest Rate Period on the effective date of such adjustment, or (y) the Board shall elect, on or prior to the date of determination of the Fixed Interest Rate, to rescind its election to cause the adjustment of the Interest Rate Period on such Series 2026 Bonds to the Fixed Interest Rate Period, in which case such Series 2026 Bonds shall continue to bear interest at a Weekly Interest Rate as in effect immediately prior to such proposed adjustment in the Interest Rate Period, (2) the effective date of the Fixed Interest Rate Period, (3) that such Series 2026 Bonds are subject to mandatory tender for purchase on such effective date and the purchase price applicable thereto, (4) that the related Liquidity Facility will be terminated as of the effective date of such Fixed Interest Rate Period, and (5) if ownership of such Series 2026 Bonds is no longer determined only by a book entry at a securities depository for the Series 2026 Bonds, information with respect to the required delivery of bond certificates and payment of purchase price under Section 9.4(f) hereof.

(d) If the Board elects to convert a series of Weekly Rate Bonds to Fixed Rate Bonds, then the written direction furnished by the Board to the applicable Liquidity Provider, Registrar, Tender Agent and Remarketing Agent shall be made by registered or certified mail, or by e-mail or fax, confirmed by registered or certified mail. Any such direction of the Board shall be accompanied by a copy of the notice required to be given by the applicable Registrar pursuant to Section 9.3(c) hereof.

(e) Notwithstanding anything herein to the contrary, in connection with any conversion of a series of Weekly Rate Bonds to Fixed Rate Bonds, the Board shall cause to be provided to the applicable Tender Agent and Remarketing Agent a Favorable Opinion of Bond Counsel on the effective date of such conversion. In the event that Bond Counsel fails to deliver

a Favorable Opinion of Bond Counsel on any such date, then the Interest Rate Period on such Series 2026 Bonds shall not be adjusted, and such Series 2026 Bonds shall continue to be Weekly Rate Bonds. In any event, if notice of such adjustment has been mailed to the Holders of such Series 2026 Bonds and Bond Counsel fails to deliver a Favorable Opinion of Bond Counsel on the effective date as herein described, such Series 2026 Bonds shall continue to be subject to mandatory purchase on the date which would have been the effective date of such adjustment as provided in this Section.

Section 9.4. Purchase of Weekly Rate Bonds. (a) Optional Tender for Purchase. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, a Beneficial Owner (through its DTC Participant) may tender his interest in a Weekly Rate Bond of such series on any Business Day at a purchase price equal to the principal amount thereof plus accrued interest, if any, from and including the Interest Payment Date immediately preceding the date of purchase through and including the day immediately preceding the date of purchase, unless the date of purchase shall be an Interest Payment Date, in which case at a purchase price equal to the principal amount thereof, payable in immediately available funds, upon delivery to the applicable Tender Agent at its designated corporate trust office for delivery of notices, with a copy to the applicable Remarketing Agent, of an irrevocable written notice or telephonic notice, promptly confirmed in writing, which states the principal amount of such Weekly Rate Bond and the date on which the same shall be purchased, which date shall be a Business Day not prior to the seventh day next succeeding the date of the delivery of such notice to such Tender Agent. Any notice delivered to such Tender Agent after 4:00 p.m., New York City time, shall be deemed to have been received on the next succeeding Business Day.

Such Tender Agent shall promptly (but no later than the next Business Day) send a copy of any notice delivered to it pursuant to this Section 9.4(a) by fax or other electronic means to the applicable Remarketing Agent and Liquidity Provider. On the date for purchase specified in the notice, the Beneficial Owner shall effect delivery of such Series 2026 Bonds by causing the DTC Participant through which such Beneficial Owner owns such Series 2026 Bonds to transfer its interest in such Series 2026 Bonds equal to such Beneficial Owner's interest on the records of DTC to the participant account of the applicable Tender Agent with DTC.

If ownership of a series of Weekly Rate Bonds is not determined only by a book entry at a securities depository for such Series 2026 Bonds, a Holder of a Weekly Rate Bond of such series may tender its Series 2026 Bond by delivery of the notice described above by the time set forth above and shall also deliver such Series 2026 Bond to the Tender Agent on the date specified for purchase.

(b) Mandatory Tender for Purchase on First Day of Fixed Interest Rate Period. A series of Weekly Rate Bonds shall be subject to mandatory tender for purchase on the first day of the Fixed Interest Rate Period therefor, or on the day which would have been the first day of such Fixed Interest Rate Period had one of the events specified in Section 9.3(b)(iii) or Section 9.3(e) not occurred which resulted in the interest rate on such Series 2026 Bonds not being adjusted, at a purchase price, payable in immediately available funds, equal to the principal amount of such Series 2026 Bonds, plus accrued interest (if any).

(c) Mandatory Tender for Purchase Upon Termination, Expiration, Suspension, Modification or Replacement of Liquidity Facility. If at any time the Registrar for a series of Weekly Rate Bonds shall give notice in accordance with Section 9.7 that such Weekly Rate Bonds which, at such time, are subject to purchase under the related Liquidity Facility as then in effect, shall on the date specified in such notice cease to be subject to purchase from such Liquidity Facility as a result of (A) the termination or expiration of the term of such Liquidity Facility, or (B) such Liquidity Facility being suspended, replaced or modified with the effect that the purchase price of such Series 2026 Bonds is no longer payable from such Liquidity Facility (in each case, whether or not any Alternate Liquidity Facility has been obtained), then on the Business Day the Board specifies to such Registrar that is at least five days and no more than 15 days (or, if no such date is specified, the fifth calendar day (or the immediately preceding Business Day if such day is not a Business Day)) preceding any termination, expiration, suspension, modification or replacement of such Liquidity Facility each such Series 2026 Bond or Series 2026 Bonds shall be purchased or deemed purchased as provided herein. The purchase price for such Series 2026 Bonds shall be equal to the principal amount thereof, plus accrued interest (if any).

(d) Mandatory Tender for Purchase Following Event of Default Under Liquidity Facility. All Weekly Rate Bonds of a series shall be subject to mandatory tender for purchase on the tenth day (or the next succeeding Business Day if such day is not a Business Day) following receipt by the applicable Tender Agent of notice from the applicable Liquidity Provider that an “Event of Default” has occurred under the applicable Liquidity Facility and directing the mandatory purchase of such Weekly Rate Bonds. No later than the third Business Day following receipt of such notice described above, such Tender Agent shall give notice by first class mail, postage prepaid, to the Holders of such Series 2026 Bonds, the Board and the applicable Remarketing Agent stating that an “Event of Default” has occurred under the Liquidity Facility and that such Series 2026 Bonds are subject to mandatory tender for purchase.

(e) Notice of Mandatory Tender for Purchase. In connection with any mandatory tender for purchase of a series of Weekly Rate Bonds in accordance with Section 9.4(b) or Section 9.4(c), the applicable Registrar shall include notice of a mandatory tender for purchase as a part of the notice given pursuant to Section 9.3(c) or Section 9.7 hereof. Each notice of mandatory tender for purchase shall state (A) in the case of a mandatory tender for purchase pursuant to Section 9.4(c) hereof, that the applicable Liquidity Facility will expire, terminate, be suspended, be replaced or be modified and that the purchase price of such Weekly Rate Bonds shall no longer be payable from such Liquidity Facility then in effect and that any rating applicable thereto may be reduced or withdrawn; (B) in the case of a mandatory tender for purchase pursuant to Section 9.4(d) hereof, that an “Event of Default” has occurred under such Liquidity Facility; (C) that the purchase price of any Weekly Rate Bond so subject to mandatory purchase shall be payable only upon (i) if ownership of such Weekly Rate Bonds is not determined only by a book entry at a securities depository for such Weekly Rate Bonds, surrender of such Weekly Rate Bond to the applicable Tender Agent at its designated corporate trust office for delivery of Weekly Rate Bonds, accompanied by an instrument of transfer thereof, in form satisfactory to such Tender Agent, executed in blank by the Holder thereof or his duly authorized attorney, with such signature guaranteed by a bank, trust company or member firm of the New York Stock Exchange or (ii) if ownership of such Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds,

registration of the ownership rights in such Weekly Rate Bond to the applicable Tender Agent on the records of DTC; (D) that, provided that moneys sufficient to effect such purchase have been provided through the remarketing of such Weekly Rate Bonds by the applicable Remarketing Agent or through the applicable Liquidity Facility or otherwise, all Weekly Rate Bonds so subject to mandatory tender for purchase shall be purchased on the mandatory purchase date, and that if any Holder of a Weekly Rate Bond subject to mandatory tender for purchase shall not surrender such Weekly Rate Bond to the applicable Tender Agent for purchase (or if ownership of such Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds, effect the transfer of ownership rights to the applicable Tender Agent on the records of DTC) on such mandatory purchase date, and moneys sufficient to pay the purchase price thereof are on deposit with the applicable Tender Agent, then such Weekly Rate Bond shall be deemed to be an Undelivered Bond, and that no interest shall accrue thereon on and after such mandatory purchase date and that the Holder thereof shall have no rights under this Resolution other than to receive payment of the purchase price thereof; and (E) in the event that moneys sufficient to pay the purchase price of such Weekly Rate Bonds have not been provided to the applicable Tender Agent either through the remarketing of such Weekly Rate Bonds or from the applicable Liquidity Facility or otherwise, that such Weekly Rate Bonds shall not be purchased or deemed purchased and shall bear interest at the rate described in Section 9.15 hereof. In connection with any mandatory tender for purchase of Weekly Rate Bonds in accordance with Section 9.4(c) hereof as a result of the replacement, termination or expiration of a Liquidity Facility, such notice also shall contain the information required by Section 9.7. The Board shall provide the applicable Registrar with a form of any such notice.

(f) Delivery of Tendered Weekly Rate Bonds. Subject to the provisions of Section 2.10 hereof if ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds, for payment of the purchase price of any such Weekly Rate Bond required to be purchased pursuant to this Section 9.4 on the date specified, such Weekly Rate Bond must be delivered, at or prior to 10:00 a.m., New York City time, on the date specified in such notice, to the applicable Tender Agent at its designated corporate trust office for delivery of Weekly Rate Bonds, accompanied by an instrument of transfer thereof, in form satisfactory to such Tender Agent, executed in blank by the Holder thereof or his duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange. In the event any such Weekly Rate Bond is delivered after 10:00 a.m., New York City time, on such date, payment of the purchase price of such Weekly Rate Bond need not be made until the Business Day following the date of delivery of such Weekly Rate Bond, but such Weekly Rate Bond shall nonetheless be deemed to have been purchased on the date specified in such notice and no interest shall accrue thereon after such date.

(g) Irrevocable Notice Deemed to be Tender of Weekly Rate Bond; Undelivered Bonds.

(i) The giving of notice by an owner of a Weekly Rate Bond as provided in Section 9.4(a) hereof shall constitute the irrevocable tender for purchase of each such Weekly Rate Bond with respect to which such notice shall have been given, regardless of whether such Weekly Rate Bond is delivered to the applicable Tender Agent for purchase on the relevant purchase date as provided in Section 9.4 hereof provided that moneys

sufficient to pay the purchase price of such Weekly Rate Bonds are on deposit with the applicable Tender Agent for such purpose.

(ii) A Tender Agent may refuse to accept delivery of any Weekly Rate Bonds for which a proper instrument of transfer has not been provided; such refusal, however, shall not affect the validity of the purchase of such Weekly Rate Bond as herein described. If any owner of a Weekly Rate Bond who shall have given notice of tender of purchase pursuant to Section 9.4(a) hereof, if ownership of the related series of Weekly Rate Bonds is not determined only by a book entry at a securities depository for such Weekly Rate Bonds, shall fail to deliver such Weekly Rate Bond to the applicable Tender Agent at the place and on the applicable date and at the time specified, or shall fail to deliver such Weekly Rate Bond properly endorsed, or if ownership of such Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds, shall fail to cause its beneficial ownership to be transferred to the applicable Tender Agent on the records of DTC, and moneys sufficient to pay the purchase price thereof are on deposit with such Tender Agent for such purpose, such Weekly Rate Bond shall constitute an Undelivered Bond. If funds in the amount of the purchase price of the Undelivered Bonds (including the Undelivered Bonds referred to in Section 9.4(e) hereof) are available for payment to the owner thereof on the date and at the time specified, from and after the date and time of that required delivery, (1) each Undelivered Bond shall be deemed to be purchased and shall no longer be deemed to be outstanding under this Resolution; (2) interest shall no longer accrue thereon; and (3) funds in the amount of the purchase price of each such Undelivered Bond shall be held by the applicable Tender Agent for the benefit of the owner thereof (provided that the owner shall have no right to any investment proceeds derived from such funds), to be paid on delivery (and proper endorsement) of such Undelivered Bond to such Tender Agent at its designated office for delivery of Weekly Rate Bonds. Any funds held by such Tender Agent as described in clause (3) of the preceding sentence shall be held uninvested and not commingled.

Section 9.5. Amendments to Liquidity Facility. Except with the consent of all the Holders of a series of Weekly Rate Bonds, neither the Board nor the applicable Tender Agent shall permit any amendment, supplement, modification or waiver to the applicable Liquidity Facility that would result in the rating assigned to such Weekly Rate Bonds by the applicable Rating Agency being withdrawn or reduced below that in effect prior to such amendment, supplement, modification or waiver.

Section 9.6. Alternate Liquidity Facility. If at any time there shall be delivered to a Tender Agent (i) an Alternate Liquidity Facility, (ii) a Favorable Opinion of Bond Counsel, (iii) written evidence from the applicable Rating Agency stating the ratings of the applicable series of Weekly Rate Bonds after substitution of such Alternate Liquidity Facility, or a statement of the Board that no ratings have been obtained, and (iv) an opinion of counsel to the effect that such Alternate Liquidity Facility is a valid and enforceable obligation of the issuer or provider thereof, then such Tender Agent shall accept such Alternate Liquidity Facility and, if the applicable Liquidity Facility then in effect is a letter of credit, promptly surrender such Liquidity Facility to the Liquidity Provider that issued such Liquidity Facility in accordance with its terms for cancellation. Anything in this Resolution to the contrary notwithstanding, following

satisfaction of the requirements set forth in this Section 9.6 and the mandatory tender for purchase of a series of Weekly Rate Bonds pursuant to Section 9.4(c) hereof in connection with the provision of any Alternate Liquidity Facility, (i) such Alternate Liquidity Facility may at any time thereafter specified by the Board to the applicable Tender Agent become the Liquidity Facility for such Weekly Rate Bonds for all purposes of this Resolution, and (ii) the Liquidity Facility replaced by such Alternate Liquidity Facility may be terminated at any time after such replacement.

Section 9.7. Notice of Termination or Other Change in Liquidity Facility. The applicable Registrar shall give notice by mail to the Holders of a series of Weekly Rate Bonds on or before the 15th day preceding (i) the expiration of any applicable Liquidity Facility in accordance with its terms, or (ii) any termination, replacement or modification of the terms of the applicable Liquidity Facility, which notice shall, to the extent applicable, (1) state the date of such replacement, termination, expiration or modification and the date of the proposed substitution of the Alternate Liquidity Facility (if any), and (2) state the date that such Weekly Rate Bonds will be purchased pursuant to Section 9.4(c) hereof as a result of such replacement, termination, expiration or modification. The Board shall provide the applicable Registrar with written notice of any information required to enable such Registrar to give the foregoing notice and shall provide such Registrar with the form of such notice at least five days before such notice is required to be given.

Section 9.8. Remarketing Agent and Tender Agent. (a) Subject to execution of a Remarketing Agreement, the initial Remarketing Agent for a series of Weekly Rate Bonds shall be as designated in the applicable Purchase Contract or Pricing Certificate. The Board shall appoint any successor Remarketing Agent subject to the conditions set forth in Section 9.9(a) hereof. Each Remarketing Agent shall designate its designated office (other than the initial Remarketing Agent whose designated office is listed in Section 9.16 hereof) and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Board under which such Remarketing Agent will agree, particularly, to keep such books and records with respect to its duties as Remarketing Agent as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Board at all reasonable times.

(b) The initial Tender Agent for a series of Weekly Rate Bonds shall be as designated in the applicable Purchase Contract or Pricing Certificate. The Board shall appoint any successor Tender Agent, subject to the conditions set forth in Section 9.9(b) hereof. Each Tender Agent shall designate its designated office(s) for delivery of notices and delivery of Weekly Rate Bonds and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Board and the applicable Registrar, Liquidity Provider and Remarketing Agent. By acceptance of its appointment hereunder, each Tender Agent agrees:

(i) to hold all Weekly Rate Bonds delivered to it pursuant to Section 9.4 hereof, as agent and bailee of, and in escrow for the benefit of, the respective owners which shall have so delivered such Weekly Rate Bonds until moneys representing the purchase price of such Weekly Rate Bonds shall have been delivered to or for the account of or to the order of such owners;

(ii) to establish and maintain a separate segregated trust fund designated as the “State of Texas Veterans Bonds, Series 2026 Bond Purchase Fund” (each, a “Bond Purchase Fund”) (with the specific series designation to replace “2026,” if applicable), and to establish and maintain therein a remarketing account (the “Remarketing Account”) and a liquidity facility account (the “Purchase Account”), until such time as it has been discharged from its duties as Tender Agent hereunder;

(iii) to hold all moneys (without investment thereof) delivered to it hereunder in the Bond Purchase Fund for the purchase of Weekly Rate Bonds pursuant to Section 9.4 hereof, as agent and bailee of, and in escrow for the benefit of, the Person which shall have so delivered such moneys until the Weekly Rate Bonds purchased with such moneys shall have been delivered to or for the account of such Person;

(iv) to hold all moneys delivered to it by the Board for the purchase of Weekly Rate Bonds pursuant to Section 9.4 hereof, as agent and bailee of, and in escrow for the benefit of, the owners or former owners who shall deliver Weekly Rate Bonds to it for purchase until the Weekly Rate Bonds purchased with such moneys shall have been canceled;

(v) to hold all Weekly Rate Bonds registered in the name of the new owners thereof which have been delivered to it by the applicable Registrar for delivery to the applicable Remarketing Agent in accordance with the provisions of this Resolution; and

(vi) to keep such books and records as shall be consistent with standard industry practice and to make such books and records available for inspection by the Board, the applicable Liquidity Provider and the applicable Remarketing Agent at all reasonable times.

Section 9.9. Qualifications of Remarketing Agent and Tender Agent; Resignation; Removal.

(a) Each Remarketing Agent shall be a member of the Financial Industry Regulatory Authority, having a combined capital stock, surplus and undivided profits of at least \$250,000,000 and authorized by law to perform all the duties imposed upon it by this Resolution. Any successor Remarketing Agent shall have, or be a subsidiary of another entity or a partnership which includes as a general partner an entity which shall have, senior unsecured long-term debt which shall be rated, so long as the Weekly Rate Bonds shall be rated by the Rating Agency, at least Baa3/P-3 (or its equivalent) or otherwise qualified by the Rating Agency. A Remarketing Agent may at any time resign and be discharged of its duties and obligations hereunder upon providing the Board and the applicable Tender Agent, Liquidity Provider, Paying Agent and Registrar with at least 30 days’ (or such number of days as is required by the applicable Remarketing Agreement) prior written notice. A Remarketing Agent may be removed at any time, at the direction of the Board with the written consent of the applicable Liquidity Provider, by an instrument signed by the Board and filed with the applicable Tender Agent, Registrar, Liquidity Provider and Remarketing Agent at least 30 days prior to the effective date of such removal. In the event that a Remarketing Agent has resigned or been removed and no successor Remarketing Agent has been appointed by the Board, the applicable

Tender Agent shall perform, or engage a Person to perform, the duties of such Remarketing Agent until a successor Remarketing Agent has been appointed by the Board.

(b) Each Tender Agent shall be a bank with trust powers or a trust company duly organized under the laws of the United States of America or any state or territory thereof, and authorized by law to exercise corporate trust powers and otherwise perform all the duties imposed upon it by this Resolution. A Tender Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least 60 days' written notice to the Board and the applicable Registrar, Liquidity Provider and Remarketing Agent. A Tender Agent may be removed at any time by an instrument signed by the Board, filed with the applicable Tender Agent, Registrar, Liquidity Provider and Remarketing Agent. Such resignation or removal shall take effect on the day a successor Tender Agent shall have been appointed by the Board and the successor Tender Agent shall have accepted such appointment.

(c) Upon the effective date of resignation or removal of a Tender Agent, such Tender Agent shall deliver any Weekly Rate Bonds and moneys held by it in such capacity to its successor.

(d) So long as any series of Weekly Rate Bonds are Outstanding, the same entity shall be the Tender Agent and Registrar therefor.

Section 9.10. Notice of Weekly Rate Bonds Delivered for Purchase; Purchase of Weekly Rate Bonds. (a) The Tender Agent for a series of Weekly Rate Bonds shall determine timely and proper delivery of Weekly Rate Bonds of such series pursuant to this Resolution and the proper endorsement of such Weekly Rate Bonds. Such determination shall be binding on the owners of such Weekly Rate Bonds, the Board, the applicable Remarketing Agent and the applicable Liquidity Provider, absent manifest error. Such Tender Agent shall give notice by telephone, e-mail or fax, promptly confirmed by a written notice if given by telephone, to the Board and the applicable Registrar, Remarketing Agent and Liquidity Provider specifying the principal amount of Weekly Rate Bonds, if any, as to which it shall receive notice of tender for purchase in accordance with Section 9.4(a) hereof.

(b) Weekly Rate Bonds required to be purchased in accordance with Section 9.4 hereof shall be purchased from the owners thereof, on the date and at the purchase price at which such Weekly Rate Bonds are required to be purchased. Funds for the payment of such purchase price shall be derived from the following sources in the order of priority indicated:

(i) proceeds of the sale of such Weekly Rate Bonds remarketed to any Person pursuant to Section 9.11 hereof and furnished to the applicable Tender Agent by the purchasers or by the applicable Remarketing Agent for deposit into the Remarketing Account of the applicable Bond Purchase Fund;

(ii) moneys furnished to such Tender Agent for deposit into the Purchase Account of the applicable Bond Purchase Fund representing moneys received from draws on the applicable Liquidity Facility; and

(iii) moneys furnished to such Tender Agent for deposit into the applicable Bond Purchase Fund representing moneys provided by the Board in its discretion.

A Tender Agent may establish separate accounts or sub-accounts within the Bond Purchase Fund for such purposes as such Tender Agent may deem appropriate.

(c) (i) If ownership of a series of Weekly Rate Bonds is no longer determined only by a book entry at a securities depository for such Series 2026 Bonds, the applicable Registrar shall authenticate a new Series 2026 Bond or Series 2026 Bonds of such series in an aggregate principal amount equal to the principal amount of Series 2026 Bonds purchased in accordance with Section 9.10(b) hereof, whether or not the Weekly Rate Bonds so purchased are presented by the owners thereof, bearing a number or numbers not contemporaneously outstanding. Every Series 2026 Bond authenticated and delivered as provided in this Section shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Series 2026 Bonds of the same series duly issued hereunder. The applicable Registrar shall maintain a record of the Weekly Rate Bonds purchased as provided in this Section, together with the names and addresses of the former owners thereof. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, on any date on which beneficial ownership in such Weekly Rate Bonds is tendered at the option of the owner of such beneficial interest (acting through its DTC Participant) in accordance with Section 9.4(a) hereof (including transfer of the beneficial ownership interest of the tendering owner to the account of the applicable Tender Agent at DTC), the applicable Tender Agent shall transfer ownership of such beneficial ownership on the records of DTC as provided in Section 9.12 hereof. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, on any date on which beneficial ownership interest in such Weekly Rate Bonds is subject to mandatory tender in accordance with Section 9.4 hereof, the applicable Tender Agent shall transfer beneficial ownership of such Series 2026 Bonds on the records of DTC as provided in Section 9.12 hereof, regardless of whether the owners of the beneficial interests subject to mandatory tender transfer their beneficial ownership of such Weekly Rate Bonds to such Tender Agent on the records of DTC, and moneys for the purchase of the beneficial interests subject to mandatory tender shall be transferred by such Tender Agent to DTC for transfer to the owners of such beneficial interests subject to mandatory purchase.

(ii) If ownership of a series of Weekly Rate Bonds is no longer determined only by a book entry at a securities depository for such Series 2026 Bonds, in the event any such Weekly Rate Bonds purchased as provided in this Section shall not be presented to the applicable Tender Agent, such Tender Agent shall segregate and hold the moneys for the purchase price of such Weekly Rate Bonds in trust for the benefit of the former owners of such Weekly Rate Bonds, who shall, except as provided in the following sentence, thereafter be restricted exclusively to such moneys for the satisfaction of any claim for the purchase price of such Weekly Rate Bonds. Any moneys which such Tender Agent shall segregate and hold in trust for the payment of the purchase price of any Weekly Rate Bond and remaining unclaimed for three years after the date of purchase shall, subject to the unclaimed property laws of the State and upon the Board's written request to such Tender Agent, be paid to the Board. After the payment of such unclaimed moneys to the Board, the former owner of such Weekly Rate Bond shall look only to the Board for the payment thereof, and the Board shall not be liable for any

interest thereon and shall not be regarded as a trustee of such moneys. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, if such Weekly Rate Bonds are subject to mandatory tender in accordance with the terms of this Resolution, then the applicable Tender Agent shall transfer beneficial ownership of such Series 2026 Bonds on the records of DTC as provided in Section 9.12 hereof, regardless of whether the owners of the beneficial interests subject to mandatory tender transfer their beneficial ownership of such Weekly Rate Bonds to such Tender Agent on the records of DTC, and moneys for the purchase of the beneficial interests subject to mandatory tender shall be transferred by such Tender Agent to DTC for transfer to the owners of such beneficial interests subject to mandatory purchase.

Section 9.11. Remarketing of Series 2026 Bonds; Notice of Interest Rates. (a) Upon notice of the tender for purchase of Weekly Rate Bonds, the applicable Remarketing Agent shall offer for sale and use its best efforts to sell such Weekly Rate Bonds, any such sale to be made on the date of such purchase in accordance with Section 9.4 hereof at the price determined in accordance with Section 9.4 hereof. Each Remarketing Agent agrees that while a Liquidity Facility is in effect it shall not sell knowingly any Series 2026 Bonds tendered to it for purchase pursuant to Section 9.4 hereof to the Board, or to any Person who controls, is controlled by, or is under common control with, the Board. In addition, each Remarketing Agent shall offer for sale and use its best efforts to sell any applicable Weekly Rate Bonds that are Purchased Bonds.

(b) Each Remarketing Agent shall determine the rate of interest to be borne by the applicable Series 2026 Bonds during each Interest Rate Period and shall furnish to the Board and the applicable Registrar on the Business Day of determination each rate of interest so determined by e-mail, telephone or fax, promptly confirmed in writing if given by telephone, or shall make such information available to the Board and such Registrar by other readily accessible electronic means.

(c) Each Remarketing Agent shall advise the applicable Tender Agent and Liquidity Provider in writing or by telephone (promptly confirmed by e-mail or fax if given by telephone) not later than the Business Day preceding the Business Day on which any applicable Weekly Rate Bonds are to be purchased pursuant to Section 9.4 hereof of the aggregate principal amount of such Weekly Rate Bonds subject to purchase that have not been remarketed as of such time, provided that such Remarketing Agent may continue to remarket such Weekly Rate Bonds thereafter. Each Remarketing Agent shall give e-mail or telephonic notice, promptly confirmed by a written notice if given by telephone, to the applicable Registrar and Tender Agent on each date on which applicable Weekly Rate Bonds shall have been purchased pursuant to Section 9.10(b) hereof, specifying the principal amount of Series 2026 Bonds, if any, sold by it pursuant to Section 9.11(a) hereof along with, if the applicable series of Series 2026 Bonds are not registered as described in Section 2.10 hereof, a list of such purchasers showing the names and denominations in which such Series 2026 Bonds shall be registered, and the addresses and social security or taxpayer identification numbers of such purchasers. Each Remarketing Agent will transfer the proceeds received from the purchasers named in such notice to the applicable Tender Agent by 10:00 a.m., New York City time, on the Business Day on which such Weekly Rate Bonds are purchased.

Section 9.12. Delivery of Series 2026 Bonds. (a) Weekly Rate Bonds purchased with moneys described in clause (i) of Section 9.10(b) hereof shall be made available by the applicable Tender Agent to the applicable Remarketing Agent for delivery to the purchasers thereof against payment therefor.

(b) Except as otherwise provided in a Liquidity Facility, Weekly Rate Bonds purchased with moneys described in clause (ii) of Section 9.10(b) hereof shall be held by the applicable Tender Agent on behalf of the applicable Liquidity Provider as Purchased Bonds, and shall not be released following the remarketing thereof unless such Tender Agent has received written confirmation from such Liquidity Provider that the applicable Liquidity Facility has been reinstated with respect to such Series 2026 Bonds.

(c) Weekly Rate Bonds purchased with moneys described in clause (iii) of Section 9.10(b) hereof shall be canceled.

(d) Series 2026 Bonds delivered as provided in this Section shall be registered in the manner directed by the recipient thereof.

Section 9.13. Delivery of Proceeds of Sale. The proceeds of the sale by a Remarketing Agent of any applicable Weekly Rate Bonds delivered to it by any Holder shall be turned over to the applicable Tender Agent.

Section 9.14. Draws on Liquidity Facility to Pay Purchase Price of Weekly Rate Bonds. Each Tender Agent, on each day on which applicable Weekly Rate Bonds are required to be purchased pursuant to Section 9.4 hereof, is directed to make drawings under the applicable Liquidity Facility by such times and in such manner as shall be required to receive in immediately available funds on such date amounts sufficient (based upon the amount on deposit in the Remarketing Account of the applicable Bond Purchase Fund by 10:00 a.m., New York City time, on such day) to pay the purchase price plus accrued interest, if any, of Weekly Rate Bonds tendered for purchase or required to be purchased pursuant to the provisions of this Resolution and that have not been remarketed by the applicable Remarketing Agent, and to deposit the proceeds of such drawings or cause such proceeds to be deposited in the Purchase Account of the applicable Bond Purchase Fund pending application of such moneys to the payment of the purchase price of such Weekly Rate Bonds. In determining the amount of any such purchase price then due, such Tender Agent shall not take into consideration any purchase price due on such Weekly Rate Bonds held by the Board or any affiliate thereof, and no drawings under such Liquidity Facility shall be made or be used to pay the purchase price of any Purchased Bonds or Weekly Rate Bonds held by the Board or any affiliate thereof.

Section 9.15. Insufficient Funds for Purchase of Weekly Rate Bonds. If payment of the purchase price of any Weekly Rate Bond shall not be made to the Holder thereof on any date such Weekly Rate Bond has been tendered for purchase pursuant to Section 9.4 hereof, such Weekly Rate Bond shall be returned by the applicable Tender Agent to the Holder thereof, and shall continue to bear interest at a Weekly Interest Rate determined as provided in Section 9.2 hereof.

Section 9.16. Notices. (a) Except as otherwise expressly provided in this Resolution or set forth in the applicable Purchase Contract or Pricing Certificate, it shall be sufficient service of any notice, request, complaint, demand or other paper if the same shall be duly mailed by registered or certified mail, return receipt requested, postage prepaid, or by overnight delivery service, addressed as follows or delivered by facsimile to the numbers provided as follows:

THE SERIES OF BONDS of which this is one shall be and is hereby made a general obligation of the State of Texas, pursuant to the Constitutional Provision and the Act, and for the faithful performance of all covenants, recitals and stipulations herein contained, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and interest on this Bond when due, the full faith and credit of the State of Texas are hereby pledged.

⁶ The original aggregate principal amount of a series of the Series 2026 Bonds set forth in the related Purchase Contract or Pricing Certificate should be set forth here.

PAYMENTS OF THE PRINCIPAL OF and premium, if any, and interest on this Bond, shall be made primarily from the Veterans' Housing Assistance Fund II ("Fund II") governed by the Constitutional Provision, which fund shall be comprised of (a) any interest of the Board in all Home Loans made from money in Fund II pursuant to the Program, including proceeds of any insurance thereon or on the homes, (b) the proceeds derived from the sale or other disposition of the Board's interests in Home Loans, (c) the money attributable to any Housing Assistance Bonds (defined below) (except for certain expenses related to the issuance of Housing Assistance Bonds) issued and sold by the Board to provide money for Fund II which shall include but shall not be limited to the proceeds from the issuance and sale of such Housing Assistance Bonds, (d) income, rents, and any other pecuniary benefit received by the Board as a result of making Home Loans, (e) sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any Housing Assistance Bonds to comply with the person's bid and accept and pay for such Housing Assistance Bonds, (f) payments received by the Board under bond enhancement agreements with respect to the Housing Assistance Bonds, (g) interest received from investments of any such money, and (h) any equitable interest of the Board in properties encumbered by Home Loans and attributable to Fund II. The Bonds and all other bonds issued by the Board pursuant to the Constitution of the State to augment Fund II or to refund any such bonds are referred to herein as "Housing Assistance Bonds." The Constitutional Provision provides that to the extent there is not money in Fund II available for payment of principal of and interest on the Housing Assistance Bonds, there is appropriated out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by the Texas Constitution, an amount which is sufficient to pay the principal of and interest on such Housing Assistance Bonds that mature or become due during that fiscal year.

THE BONDS will initially be issued as Weekly Rate Bonds bearing interest at a Weekly Interest Rate. Thereafter, each Bond, at the election of the Board, may be changed to a Fixed Rate Bond bearing interest at a Fixed Interest Rate determined by the Remarketing Agent in accordance with the Resolution; provided, however, that in no event shall the interest rate on any Bond, including Purchased Bonds, exceed the Ceiling Rate. In addition, the interest rate on Purchased Bonds shall not exceed the Maximum Purchased Bond Rate. The terms of this Bond shall not apply to Fixed Rate Bonds, and as used in this Bond, the term "Bond" or "Bonds" shall not include Fixed Rate Bonds.

THE WEEKLY INTEREST RATE for the Bonds shall be determined by the Remarketing Agent by 4:30 p.m., New York City time, on Tuesday of each week during such Weekly Interest Rate Period, or if such day shall not be a Business Day, then on the next succeeding Business Day. The interest rate so determined shall be effective at the times set forth in the Resolution.

IN DETERMINING each Weekly Interest Rate for the Bonds, the Remarketing Agent shall set such rates at the respective interest rates that, in the sole and exclusive judgment of the Remarketing Agent, would equal (but not exceed) the interest rates necessary to enable the Remarketing Agent to sell such Bonds (exclusive of accrued interest, if any) on the relevant determination date, at a price equal to the principal amount thereof; provided, however, that such interest rate shall not exceed the Ceiling Rate.

NOTWITHSTANDING anything to the contrary contained herein, this Bond, if held by or for the account of the Liquidity Provider as a Purchased Bond, shall bear interest at the Purchased Bond Rate, payable at the times and in the manner and calculated on the basis provided in the Liquidity Facility; provided, however, that the Purchased Bond Rate shall not exceed the Maximum Purchased Bond Rate as provided in the Resolution.

THE BONDS (including Purchased Bonds) shall be subject to scheduled mandatory sinking fund redemption and shall be redeemed on the first Business Day of the months and in the respective principal amounts set forth in the table below, at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date fixed for redemption:

<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u> ⁷
------------------------	-------------------------	------------------------	--------------------------------------

The principal amount of Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall be reduced, at the option of the Board, by the principal amount of any Bonds [of the same stated maturity]⁸ which (i) at least 45 days prior to such mandatory sinking fund redemption date, (a) shall have been acquired by the Board and delivered to the Registrar for cancellation, or (b) shall have been acquired and canceled by the Registrar at the direction of the Board, or (c) shall have been redeemed pursuant to any redemption provision set forth below and (ii) shall have not been previously credited against a scheduled mandatory sinking fund redemption.

THE BONDS (including Purchased Bonds) shall be subject to redemption prior to maturity on the first Business Day of any month, at the option and direction of the Board, in whole or in part, at a redemption price of par plus accrued interest. [In the case of any such redemption, the Board shall select the maturity or maturities of the Bonds to be redeemed and the amounts thereof in Authorized Denominations.]⁸

IN THE EVENT of any redemption of less than all of the Bonds [of a particular maturity]⁸, the particular Bonds [within each such maturity]⁸ to be redeemed are to be selected by the Registrar by lot in such manner as the Registrar shall deem fair and appropriate. During any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, if less than the entire principal amount Outstanding of all the Bonds is to be redeemed, the interests to be redeemed of the beneficial owners of the Bonds [of such maturity]⁹ shall be selected in accordance with the arrangements between the Board and the

⁷ The amounts set forth in the Purchase Contract or Pricing Certificate should be included in the table. securities depository. In the event of any redemption of Bonds, Purchased Bonds shall be selected first for redemption in the manner described in the Resolution.

AT LEAST 30 days prior to the date fixed for any such redemption of this Bond, a written notice of such redemption shall be sent by first class mail, postage prepaid, by the Registrar to the Holder hereof. By the date fixed for any such redemption, due provision shall be made by the Board with the Paying Agent for the payment of the required redemption price for this Bond or the portion hereof which is to be so redeemed. If such written notice of redemption is given, and if due provision for such payment is made, all as provided above, this Bond, or the portion hereof which is to be redeemed, thereby automatically shall be redeemed prior to its scheduled maturity, and shall not bear interest after the date fixed for its redemption, and shall not be regarded as being Outstanding except for the right of the Holder to receive the redemption price plus accrued interest to the date fixed for redemption from the Paying Agent out of the funds provided for such payment. The Registrar shall record in the Registration Books all such redemptions of principal of this Bond or any portion hereof. If a portion of any Bond shall be redeemed, a substitute Bond [having the same maturity date,]⁹ in any Authorized Denomination that may be requested by the Holder thereof, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Resolution.

IN ADDITION to the notice of redemption required above, the Registrar shall send notice of redemption of Bonds by certified or registered mail, return receipt requested, postage prepaid, or by overnight delivery service contemporaneously with such mailing: (a) to any registered owner of \$1,000,000 or more in aggregate principal amount of Bonds; (b) to two or more information services of national recognition that disseminate redemption information with respect to municipal bonds; and (c) to any securities depository that is a registered owner of the Bonds. In addition, in the event of a redemption caused by an advance refunding of the Bonds, the Registrar shall send a second notice of redemption to all registered owners of the Bonds at least 30 days but not more than 90 days prior to the actual redemption date. Any notice required to be sent to any registered securities depositories or national information services shall be sent so that it is received at least two (2) days prior to the general mailing date of such notice. The Registrar shall also send a notice of redemption to the registered owner of any Bond who has not sent the Bonds in for redemption 60 days after the redemption date. Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this paragraph or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Bonds.

ANY BONDS, subject to the requirements regarding timely notice and delivery, will be purchased, in accordance with the provisions of the Resolution, on the demand of the Holder thereof as provided in the Resolution and delivery to the Tender Agent of such Bond, endorsed in blank by the Holder thereof or accompanied by an instrument of transfer thereof in form satisfactory to the Tender Agent, executed in blank by the Holder thereof (the Tender Agent being able to refuse to accept delivery of any such Bond not endorsed in blank or for which an instrument of transfer satisfactory to it has not been provided). THE TIMELY DELIVERY OF A PROPERLY COMPLETED TENDER REQUEST NOTICE SHALL CONSTITUTE AN IRREVOCABLE TENDER OF THE BONDS COVERED THEREBY.

THE BONDS WILL BE SUBJECT to mandatory tender for purchase on the Business Days and under the circumstances specified in the Resolution.

EACH BOND SHALL BE SUBJECT to mandatory tender for purchase on the Fixed Rate Conversion Date.

IF THE HOLDER HEREOF FAILS TO DELIVER THIS BOND OR ANY PORTION HEREOF TO THE TENDER AGENT AFTER GIVING NOTICE OF AN OPTIONAL TENDER, OR UPON A MANDATORY TENDER, AND MONEYS SUFFICIENT TO PAY THE PURCHASE PRICE OF THIS BOND ARE ON DEPOSIT WITH THE TENDER AGENT, THIS BOND OR PORTION HEREOF SHALL BE DEEMED TO HAVE PURCHASED, AND THEREAFTER NO FURTHER INTEREST SHALL ACCRUE ON THIS BOND OR SUCH PORTION. THE HOLDER HEREOF SHALL THEREAFTER HAVE RECOURSE SOLELY TO THE FUNDS HELD BY THE TENDER AGENT FOR THE PURCHASE OF THIS BOND, AND THE TENDER AGENT SHALL NOT RECOGNIZE ANY FURTHER TRANSFER HEREOF.

WHENEVER, during the term of the Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), tenders of Bonds shall be made pursuant to DTC's (or any successor securities depository's) deliver order procedures or repayment option procedures, as applicable, as are in effect from time to time. Upon remarketing of Bonds, payment of the purchase price thereof shall be made to DTC (or any successor securities depository) and no surrender of Bonds is required. Such sales shall be made through the DTC Participants (which may include the Remarketing Agent) to the new beneficial owners of such Bonds, and the DTC Participants shall transmit payment to beneficial owners whose Bonds were purchased pursuant to a remarketing. The Board and the Registrar, the Paying Agent, the Tender Agent, the Liquidity Provider and the Remarketing Agent are not responsible for transfer of payment to the DTC Participants or beneficial owners.

THIS BOND or any portion or portions hereof in any Authorized Denomination may be assigned and shall be transferred only in the Registration Books of the Board kept and maintained by the Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof, in any Authorized Denomination, to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. A new Bond or Bonds payable to such assignee (which then will be the new registered owner of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds. Except in the case of tenders of Bonds pursuant to the Resolution or of the

remarketing of Purchased Bonds, neither the Board nor the Registrar shall be required (a) to issue, replace, transfer, or exchange any Bond during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (b) to replace, transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days; except that at the option of the registered owner of at least \$1,000,000 in principal amount of Bonds, the Registrar shall be required to transfer or exchange any Bond of such owner which has been selected in whole or in part for redemption upon surrender thereof. The Registrar may make such arrangements as it deems appropriate for notation on each new Bond issued in exchange for or upon the transfer of the Bond so selected for redemption of an appropriate legend to the effect that such new Bond has been so selected for redemption. The registered owner of this Bond shall be treated by the Issuer, the Board, the Paying Agent and the Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the Issuer, the Board, the Paying Agent and the Registrar shall not be affected by any notice to the contrary. The Board shall pay the Registrar's reasonable and standard or customary fees and charges for making such transfer, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto.

AS PROVIDED in the Resolution, this Bond, or any portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, in the same Interest Mode, bearing interest at the same rate, and in any Authorized Denomination, as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Resolution. The one requesting such conversion and exchange shall pay the Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or any portion or portions thereof in any Authorized Denomination, as described in the previous paragraph, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Bond which has been redeemed in part prior to maturity, as provided herein, such fees and charges will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined only by a book entry at a securities depository for the Bonds, the foregoing requirements of registering, holding, delivering, exchanging or transferring this Bond shall be modified to require the appropriate Person to meet the requirements of the securities depository as to registering, holding, delivering, exchanging or transferring the book entry to produce the same effect.

IN THE EVENT that the initial Paying Agent or Registrar for the Bonds is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, whose qualifications comply with the requirements of the Resolution, and that one entity will

serve as Paying Agent and Registrar, except during periods when the Bonds are registered only by means of a book entry at a securities depository, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE BOARD reserves the right to amend the Resolution, as deemed necessary or desirable by the Board, with the consent of the registered owners of a majority in aggregate principal amount of the Bonds then Outstanding under the terms and conditions stated in the Resolution. The Board may, without the consent of the registered owners of the Bonds, adopt certain amendments to the Resolution as set forth in the Resolution.

IN THE EVENT of any conflict or inconsistency between the terms and provisions of this Bond and the terms and provisions of the Resolution, the terms and provisions of the Resolution shall control.

IT IS HEREBY CERTIFIED and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, that the series of Bonds of which this is a part does not exceed any Constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part by a pledge of the credit of the Issuer and of the funds specified herein.

necessary to provide for the prompt payment of principal of and interest on this Bond when due, the full faith and credit of the State of Texas are hereby pledged.

PAYMENTS OF THE PRINCIPAL OF and premium, if any, and interest on this Bond, shall be made primarily from the Veterans' Housing Assistance Fund II ("Fund II") created by the Constitutional Provision, which fund shall be comprised of (1) any interest of the Board in all Home Loans made from money in Fund II pursuant to the Program, including proceeds of any insurance thereon or on the homes, (2) the proceeds derived from the sale or other disposition of the Board's interests in Home Loans, (3) the money attributable to any Housing Assistance Bonds (defined below) (except for certain expenses related to the issuance of Housing Assistance Bonds) issued and sold by the Board to provide money for Fund II which shall include but shall not be limited to the proceeds from the issuance and sale of such Housing Assistance Bonds, (4) income, rents, and any other pecuniary benefit received by the Board as a result of making Home Loans, (5) sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any Housing Assistance Bonds to comply with the person's bid and accept and pay for such Housing Assistance Bonds, (6) payments received by the Board under bond enhancement agreements with respect to the Housing Assistance Bonds, (7) interest received from investments of any such money, and (8) any equitable interest of the Board in properties encumbered by Home Loans and attributable to Fund II. The Constitutional Provision provides that to the extent there is not money in Fund II available for payment of principal of and interest on the Housing Assistance Bonds, there is appropriated out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by the Texas Constitution, an amount which is sufficient to pay the principal of and interest on such Housing Assistance Bonds that mature or become due during that fiscal year.

THE BONDS are subject to scheduled mandatory sinking fund redemption, and shall be redeemed on the dates and in the respective principal amounts set forth in the table below, at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date fixed for redemption:

IN ADDITION to the notice of redemption required above, the Registrar shall send notice of redemption of Bonds by certified or registered mail, return receipt requested, postage prepaid, or by overnight delivery service contemporaneously with such mailing: (1) to any registered owner of \$1,000,000 or more in aggregate principal amount of Bonds; (2) to two or more information services of national recognition that disseminate redemption information with respect to municipal bonds; and (3) to any securities depository that is a registered owner of the Bonds. In addition, in the event of a redemption caused by an advance refunding of the Bonds, the Registrar shall send a second notice of redemption to all registered owners of the Bonds at least 30 days but not more than 90 days prior to the actual redemption date. Any notice required to be sent to any registered securities depositories or national information services shall be sent so that it is received at least two (2) days prior to the general mailing date of such notice. The Registrar shall also send a notice of redemption to the registered owner of any Bond who has not sent the Bonds in for redemption 60 days after the redemption date. Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this paragraph or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Bonds.

THIS BOND or any portion or portions hereof in any Authorized Denomination may be assigned and shall be transferred only in the Registration Books of the Board kept and maintained by the Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof, in any Authorized Denomination, to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. A new Bond or Bonds payable to such assignee (which then will be the new registered owner of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds. Neither the Board nor the Registrar shall be required (1) to issue, replace, transfer, or exchange any Bond during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (2) to replace, transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days; except that at the option of the registered owner of at least \$1,000,000 in principal amount

⁶ Bracketed text to be deleted if there only one stated maturity of the series of Series 2026 Bonds.

of Bonds, the Registrar shall be required to transfer or exchange any Bond of such owner which has been selected in whole or in part for redemption upon surrender thereof. The Registrar may make such arrangements as it deems appropriate for notation on each new Bond issued in exchange for or upon the transfer of the Bond so selected for redemption of an appropriate legend to the effect that such new Bond has been so selected for redemption. The registered owner of this Bond shall be treated by the Issuer, the Board, the Paying Agent and the Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the Issuer, the Board, the Paying Agent and the Registrar shall not be affected by any notice to the contrary. The Board shall pay the Registrar's reasonable and standard or customary fees and charges for making such transfer, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto.

AS PROVIDED in the Resolution, this Bond, or any portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, bearing interest at the same rate, and in any Authorized Denomination, as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Resolution. The one requesting such conversion and exchange shall pay the Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or any portion or portions thereof in any Authorized Denomination, as described in the previous paragraph, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Bond which has been redeemed in part prior to maturity, as provided herein, such fees and charges will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined only by a book entry at a securities depository for the Bonds, the foregoing requirements of registering, holding, delivering, exchanging or transferring this Bond shall be modified to require the appropriate Person to meet the requirements of the securities depository as to registering, holding, delivering, exchanging or transferring the book entry to produce the same effect.

IN THE EVENT that the initial Paying Agent or Registrar for the Bonds is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, whose qualifications comply with the requirements of the Resolution, and that one entity will serve as Paying Agent and Registrar, except during periods when the Bonds are registered only by means of a book entry at a securities depository, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such

terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE BOARD reserves the right to amend the Resolution, as deemed necessary or desirable by the Board, with the consent of the registered owners of a majority in aggregate principal amount of the Bonds then Outstanding under the terms and conditions stated in the Resolution. The Board may, without the consent of the registered owners of the Bonds, adopt certain amendments to the Resolution as set forth in the Resolution.

IN THE EVENT of any conflict or inconsistency between the terms and provisions of this Bond and the terms and provisions of the Resolution, the terms and provisions of the Resolution shall control.

IT IS HEREBY CERTIFIED and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, that the series of Bonds of which this is a part does not exceed any Constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part by a pledge of the credit of the Issuer and of the funds specified herein.

UNLESS THE REGISTRAR'S AUTHENTICATION CERTIFICATE hereon has been executed by the Registrar by manual signature, this Bond shall not be entitled to any benefit under the Resolution or be valid or obligatory for any purpose.

IN TESTIMONY HEREOF, this Bond is executed with the manual or facsimile signatures of the Chairwoman of the Board and of the Executive Secretary of the Board, and the seal of said Board impressed, lithographed or printed hereon.

The payment of interest on this Bond shall be made by the Paying Agent to the registered owner hereof as shown by the Registration Books kept and maintained by the Registrar for the Bonds, which is initially _____, at the close of business on the Business Day immediately preceding each Interest Payment Date (including each redemption date) (each, a “Record Date”) by check drawn by the Paying Agent on, and payable solely from, funds of the Board required to be on deposit with the Paying Agent for such purpose as hereinafter provided; and such check shall be sent by the Paying Agent by first class United States mail, postage prepaid, on each such Interest Payment Date, to the Holder hereof at its address as it appears on the Registration Books kept and maintained by the Registrar, as hereinafter described. The Paying Agent shall make payment of the principal of and premium, if any, or interest on any Bond by wire transfer in immediately available funds to a bank account located within the United States of Federal Reserve Funds to the Liquidity Provider (in the case of any Purchased Bond) and to any Holder of \$1,000,000 or more in aggregate principal amount of Bonds requesting such payment and providing the necessary wire information to the Paying Agent at least 15 days prior to the applicable Record Date. The Board covenants with the Holder of this Bond that as of each Interest Payment Date for this Bond it will make available to the Paying Agent the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due. Notwithstanding the foregoing, during any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, payments made to the securities depository, or its nominee, shall be made in accordance with arrangements between the Board and the securities depository.

THIS BOND is one of a series of bonds of like tenor and effect except as to number, principal amount and scheduled maturity, aggregating _____²⁴ Dollars (\$_____)⁷ (the “Bonds”), issued for the purpose of making Home Loans to Texas Veterans, all in accordance with the provisions of the Constitutional Provision, the Act and Chapter 1371, and pursuant to a resolution authorizing the issuance of the series of Bonds of which this is one, adopted by the Board and duly of record in the minutes of the Board (the “Resolution”). The Bonds are issuable solely as fully registered bonds, without interest coupons, in denominations of _____²⁵ (each, an “Authorized Denomination”).

THE SERIES OF BONDS of which this is one shall be and is hereby made a general obligation of the State of Texas, pursuant to the Constitutional Provision and the Act, and for the faithful performance of all covenants, recitals and stipulations herein contained, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and interest on this Bond when due, the full faith and credit of the State of Texas are hereby pledged.

²⁴ The original aggregate principal amount of a series of the Series 2026 Bonds set forth in the related Purchase Contract or Pricing Certificate should be set forth here.

²⁵ The Authorized Denominations set forth in the related Pricing Certificate should be set forth here.

PAYMENTS OF THE PRINCIPAL OF and premium, if any, and interest on this Bond, shall be made primarily from the Veterans’ Housing Assistance Fund II (“Fund II”) governed by the Constitutional Provision, which fund shall be comprised of (a) any interest of the Board in all Home Loans made from money in Fund II pursuant to the Program, including proceeds of any insurance thereon or on the homes, (b) the proceeds derived from the sale or other disposition of the Board’s interests in Home Loans, (c) the money attributable to any Housing Assistance Bonds (defined below) (except for certain expenses related to the issuance of Housing Assistance Bonds) issued and sold by the Board to provide money for Fund II which shall include but shall not be limited to the proceeds from the issuance and sale of such Housing Assistance Bonds, (d) income, rents, and any other pecuniary benefit received by the Board as a result of making Home Loans, (e) sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any Housing Assistance Bonds to comply with the person’s bid and accept and pay for such Housing Assistance Bonds, (f) payments received by the Board under bond enhancement agreements with respect to the Housing Assistance Bonds, (g) interest received from investments of any such money, and (h) any equitable interest of the Board in properties encumbered by Home Loans and attributable to Fund II. The Bonds and all other bonds issued by the Board pursuant to the Constitution of the State to augment Fund II or to refund any such bonds are referred to herein as “Housing Assistance Bonds.” The Constitutional Provision provides that to the extent there is not money in Fund II available for payment of principal of and interest on the Housing Assistance Bonds, there is appropriated out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by the Texas Constitution, an amount which is sufficient to pay the principal of and interest on such Housing Assistance Bonds that mature or become due during that fiscal year.²⁶

THE BONDS shall be subject to scheduled mandatory sinking fund redemption and shall be redeemed on _____²⁷ and in the respective principal amounts set forth in the table below, at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date fixed for redemption:

<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u> ²⁸
------------------------	-------------------------	------------------------	---------------------------------------

The principal amount of Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall be reduced, at the option of the Board, by the principal amount of any Bonds [of the same stated maturity]²⁹ which (i) at least 45 days prior to such

²⁷ Text specified in related Pricing Certificate to be added here.

²⁸ The amounts set forth in the Purchase Contract or Pricing Certificate should be included in the table. Additional tables shall be added if there is more than one stated maturity of the series of Series 2026 Bonds, with a heading above each table identifying the stated maturity of the Series 2026 Bonds to which such table relates.

mandatory sinking fund redemption date, (a) shall have been acquired by the Board and delivered to the Registrar for cancellation, or (b) shall have been acquired and canceled by the Registrar at the direction of the Board, or (c) shall have been redeemed pursuant to any redemption provision set forth below and (ii) shall have not been previously credited against a scheduled mandatory sinking fund redemption.³⁰

IN THE EVENT of any redemption of less than all of the Bonds [of a particular maturity]³¹, the particular Bonds [within each such maturity]¹⁴ to be redeemed are to be selected by the Registrar by lot in such manner as the Registrar shall deem fair and appropriate. During any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, if less than the entire principal amount Outstanding of all the Bonds is to be redeemed, the interests to be redeemed of the beneficial owners of the Bonds [of such maturity]¹⁴ shall be selected in accordance with the arrangements between the Board and the securities depository. In the event of any redemption of Bonds, Purchased Bonds shall be selected first for redemption in the manner described in the Resolution.

AT LEAST 30 days prior to the date fixed for any such redemption of this Bond, a written notice of such redemption shall be sent by first class mail, postage prepaid, by the Registrar to the Holder hereof. By the date fixed for any such redemption, due provision shall be made by the Board with the Paying Agent for the payment of the required redemption price for this Bond or the portion hereof which is to be so redeemed. If such written notice of redemption is given, and if due provision for such payment is made, all as provided above, this Bond, or the portion hereof which is to be redeemed, thereby automatically shall be redeemed prior to its scheduled maturity, and shall not bear interest after the date fixed for its redemption, and shall not be regarded as being Outstanding except for the right of the Holder to receive the redemption price plus accrued interest to the date fixed for redemption from the Paying Agent out of the funds provided for such payment. The Registrar shall record in the Registration Books all such redemptions of principal of this Bond or any portion hereof. If a portion of any Bond shall be redeemed, a substitute Bond [having the same maturity date,]¹⁴ in any Authorized Denomination that may be requested by the Holder thereof, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Resolution.

IN ADDITION to the notice of redemption required above, the Registrar shall send notice of redemption of Bonds by certified or registered mail, return receipt requested, postage prepaid, or by overnight delivery service contemporaneously with such mailing: (a) to any registered owner of \$1,000,000 or more in aggregate principal amount of Bonds; (b) to two or more information services of national recognition that disseminate redemption information with respect to municipal bonds; and (c) to any securities depository that is a registered owner of the Bonds. In addition, in the event of a redemption caused by an advance refunding of the Bonds, the Registrar shall send a second notice of redemption to all registered owners of the Bonds at least 30 days but not more than 90 days prior to the actual redemption date. Any notice required to be sent to any registered securities depositories or national information services shall be sent so that it is received at least two (2) days prior to the general mailing date of such notice. The

³⁰ Optional redemption provisions, if any, specified in the related Pricing Certificate to be added here.

³¹ Bracketed text to be deleted if there is only one stated maturity of the series of Series 2026 Bonds.

Registrar shall also send a notice of redemption to the registered owner of any Bond who has not sent the Bonds in for redemption 60 days after the redemption date. Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this paragraph or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Bonds.

WHENEVER, during the term of the Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), tenders of Bonds shall be made pursuant to DTC's (or any successor securities depository's) deliver order procedures or repayment option procedures, as applicable, as are in effect from time to time. Upon remarketing of Bonds, payment of the purchase price thereof shall be made to DTC (or any successor securities depository) and no surrender of Bonds is required. Such sales shall be made through the DTC Participants (which may include the Remarketing Agent) to the new beneficial owners of such Bonds, and the DTC Participants shall transmit payment to beneficial owners whose Bonds were purchased pursuant to a remarketing. The Board and the Registrar, the Paying Agent, the Tender Agent, the Liquidity Provider and the Remarketing Agent are not responsible for transfer of payment to the DTC Participants or beneficial owners.

THIS BOND or any portion or portions hereof in any Authorized Denomination may be assigned and shall be transferred only in the Registration Books of the Board kept and maintained by the Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof, in any Authorized Denomination, to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. A new Bond or Bonds payable to such assignee (which then will be the new registered owner of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds. Neither the Board nor the Registrar shall be required (a) to issue, replace, transfer, or exchange any Bond during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (b) to replace, transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days; except that at the option of the registered owner of at least \$1,000,000 in principal amount of Bonds, the Registrar shall be required to transfer or exchange any Bond of such owner which has been selected in whole or in part for redemption upon surrender thereof. The Registrar may make such arrangements as it deems appropriate for notation on each new Bond issued in exchange for or upon the transfer of the Bond so selected for redemption of an appropriate legend to the effect that such new Bond has been so selected for redemption. The registered owner of this Bond shall be treated by the Issuer, the Board, the Paying Agent and the Registrar

as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the Issuer, the Board, the Paying Agent and the Registrar shall not be affected by any notice to the contrary. The Board shall pay the Registrar's reasonable and standard or customary fees and charges for making such transfer, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto.

AS PROVIDED in the Resolution, this Bond, or any portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, in the same Interest Mode, bearing interest at the same rate, and in any Authorized Denomination, as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Resolution. The one requesting such conversion and exchange shall pay the Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or any portion or portions thereof in any Authorized Denomination, as described in the previous paragraph, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Bond which has been redeemed in part prior to maturity, as provided herein, such fees and charges will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined only by a book entry at a securities depository for the Bonds, the foregoing requirements of registering, holding, delivering, exchanging or transferring this Bond shall be modified to require the appropriate Person to meet the requirements of the securities depository as to registering, holding, delivering, exchanging or transferring the book entry to produce the same effect.

IN THE EVENT that the initial Paying Agent or Registrar for the Bonds is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, whose qualifications comply with the requirements of the Resolution, and that one entity will serve as Paying Agent and Registrar, except during periods when the Bonds are registered only by means of a book entry at a securities depository, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE BOARD reserves the right to amend the Resolution, as deemed necessary or desirable by the Board, with the consent of the registered owners of a majority in aggregate principal amount of the Bonds then Outstanding under the terms and conditions stated in the Resolution. The Board may, without the consent of the registered owners of the Bonds, adopt certain amendments to the Resolution as set forth in the Resolution.

IN THE EVENT of any conflict or inconsistency between the terms and provisions of this Bond and the terms and provisions of the Resolution, the terms and provisions of the Resolution shall control.

IT IS HEREBY CERTIFIED and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, that the series of Bonds of which this is a part does not exceed any Constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part by a pledge of the credit of the Issuer and of the funds specified herein.³²

Subject: Agenda Item 13 d - Consideration and possible action on the adoption of a resolution authorizing the issuance and sale of State of Texas Veterans Bonds, Taxable Series 2026, in one or more series and installments, in an aggregate principal amount not to exceed \$250,000,000, and providing for other matters relating to the subject.

Recommendation

Staff recommends that the Board authorize the issuance up to \$250 million in new-money taxable general obligation bonds in the Veterans Housing Assistance Program (VHAP) between February 4, 2026 and February 3, 2027. In addition, staff recommends that the final maturity of the bonds not exceed December 1, 2057, and that the bond True Interest Cost not exceed 6.00%.

Summary

The Board has historically issued \$250 million (the maximum amount per calendar year that is permissible under federal income tax law) in tax-exempt new-money general obligation bonds for the VHAP each year. The Board typically originates more than \$250 million in VHAP loans annually, and the combination of bond proceeds and prepayments on existing mortgage loans has been sufficient to meet borrower demand. However, the rise in interest rates has reduced the amounts of prepayments received on existing mortgage loans, as high mortgage rates reduce borrower refinancing opportunities and the historically low interest rates from the previous few years make borrowers reluctant to move and take out a loan at a significantly higher rate.

To ensure sufficient funds to meet borrower demand, staff is requesting Board approval to issue \$250 million in taxable new-money general obligation bonds for the VHAP. The issue is expected to be substantially similar to the Board's typical tax-exempt issue, with variable rate bonds issued that are effectively converted to fixed-rate bonds with a floating-to-fixed interest rate swap. The amortization of the bonds will match the amortization of the swap. The synthetic fixed-rate bond structure has historically achieved a lower true interest cost than a traditional taxable fixed-rate mortgage bond structure. While the Board has used this structure almost exclusively in the past, staff works with the Board's financial advisor and bond counsel prior to each issuance to determine the structure best suited to meet the Board's current financing needs considering market conditions and other factors at that time.

In June 2024, the Board approved a one-year resolution authorizing the issuance of up to \$250 million in taxable new-money general obligation bonds in the VHAP. As prepayments have increased from their lows, the VLB has been able to meet the current demand through its tax-exempt issuance and prepayments. The ability to issue taxable bonds provides maximum flexibility to meet demand and take advantage of any opportunities in the market.

Each series of Variable Rate Bonds shall be numbered consecutively from VR-1 upward by the Registrar, and no two such Series 2026 Bonds shall be given the same number. Notwithstanding the foregoing, the Initial Series 2026 Bond for any series of Series 2026 Bonds shall be numbered T-1. Unless otherwise specified in the related Pricing Certificate or Purchase Contract, the Board shall cause CUSIP numbers to be assigned to, and reproduced on, the Series 2026 Bonds, but errors or omissions in the printing of such numbers shall have no effect on the validity of such Bonds.

Section 2.3. Execution. Each of the Series 2026 Bonds shall be executed by and on behalf of the Board as general obligations of the State with the manual or facsimile signatures of the Chairwoman of the Board and the Executive Secretary of the Board, and the manual or facsimile seal of the Board shall be placed thereon. The facsimile signatures of the Chairwoman and Executive Secretary of the Board and the facsimile seal of the Board shall have the same effect as if each of said Bonds had been manually signed by such officers and said seal had been manually impressed on each such Bond. Series 2026 Bonds bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Board shall bind the State and the Board, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Bonds or did not hold such offices at the date of such Bonds.

Section 2.4. Approval by Attorney General; Registration by Comptroller. After any Initial Series 2026 Bonds shall have been executed, it shall be the duty of the Authorized Representatives to deliver such Series 2026 Bonds to the Attorney General for examination and approval, and after such Series 2026 Bonds shall have been approved by the Attorney General, they shall be delivered to the Comptroller for registration. Series 2026 Bonds thus registered shall remain in the custody of the Chairwoman of the Board or subject to her order, until the delivery thereof to the Initial Purchaser thereof.

Section 2.5. Form of Bond. The form of all Weekly Rate Bonds, including the forms of (i) Comptroller's Registration Certificate to accompany each Initial Series 2026 Bond that is a Weekly Rate Bond, (ii) Registrar's Authentication Certificate, and (iii) Assignment, shall be, respectively, substantially as set forth in Exhibit A hereto, with such appropriate variations, omissions, or insertions as are permitted or required by this Resolution. The form of all Fixed Rate Bonds, including the forms of (i) Comptroller's Registration Certificate to accompany each Initial Series 2026 Bond that is a Fixed Rate Bond, (ii) Registrar's Authentication Certificate, and (iii) Assignment, shall be, respectively, substantially as set forth in Exhibit B hereto, with such appropriate variations, omissions, or insertions as are permitted or required by this Resolution or set forth in a Pricing Certificate. The form of all Variable Rate Bonds, including

the forms of (i) Comptroller's Registration Certificate to accompany each Initial Series 2026 Bond that is a Variable Rate Bond, (ii) Registrar's Authentication Certificate, and (iii) Assignment, shall be, respectively, substantially as set forth in Exhibit C hereto, with such appropriate variations, omissions, or insertions as are permitted or required by this Resolution or set forth in a Pricing Certificate. At the direction of an Authorized Representative, a portion of the text of Series 2026 Bonds may be printed on the back of the bond certificates, in which event the following phrase shall be inserted in the place where such text would otherwise appear: "Reference is hereby made to the further provisions of this Bond set forth on the reverse side hereof and such further provisions shall for all purposes have the same effect as if set forth at this place."

Section 2.6. Registration, Transfer and Exchange. (a) With respect to each series of Series 2026 Bonds, the Board shall keep or cause to be kept at the designated corporate trust office of the Person named in the related Pricing Certificate or Purchase Contract, or at the designated office of any other banking institution named in accordance with the provisions of Section 5.2(a) hereof (in any event, a "Registrar"), books or records of the registration and transfer of such Series 2026 Bonds (each, a "Bond Register"), and each Registrar shall act as registrar and transfer agent to keep such Bond Register and make such transfers and registrations under such reasonable regulations as the Board may prescribe, and to convert and exchange or replace the applicable Series 2026 Bonds; and the Registrar shall make such transfers and registrations as herein provided. It shall be the duty of a Registrar to obtain from the Holder of each applicable Series 2026 Bond and record in the related Bond Register the address of such Holder to which payments with respect to the applicable Series 2026 Bonds shall be mailed, as herein provided. Each Registrar shall keep the related Bond Register confidential and, unless otherwise required by law, shall not permit their inspection by any entity other than the Board or its designee, which shall have the right to inspect such Bond Register during regular business hours of such Registrar. Registration of each Series 2026 Bond may be transferred in the applicable Bond Register only upon presentation and surrender of such Series 2026 Bond to the applicable Registrar for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to such Registrar, evidencing the assignment of such Series 2026 Bond, or any portion thereof in any Authorized Denomination, to the assignee or assignees thereof, and the right of such assignee or assignees to have such Series 2026 Bond or any such portion thereof registered in the name of such assignee or assignees. Upon the assignment and transfer of any Series 2026 Bond or any portion thereof, a new substitute Series 2026 Bond or Series 2026 Bonds of the same series and maturity shall be issued in conversion and exchange therefor in the manner herein provided.

(b) The entity in whose name any Series 2026 Bond shall be registered in the related Bond Register at any time shall be treated as the absolute owner thereof for all purposes of this Resolution, whether or not such Series 2026 Bond shall be overdue, and the Board and the applicable Paying Agent and Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of and premium, if any, and interest on any such Series 2026 Bond shall be made only to such Holder. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Series 2026 Bond to the extent of the sum or sums so paid.

(c) Unless otherwise set forth in a Pricing Certificate or Purchase Contract, the Board hereby appoints the Comptroller in Austin, Texas, or any banking institution named in accordance with the provisions of Section 5.2(a) hereof (in either case, the “Paying Agent”), to act as the paying agent for paying the principal of and premium, if any, and interest on the Series 2026 Bonds, all as provided in this Resolution. Each Paying Agent shall keep proper records of all payments made by the Board and such Paying Agent with respect to the applicable Series 2026 Bonds, as provided in this Resolution. For any Series 2026 Bond that has a CUSIP number, the applicable Paying Agent shall provide the CUSIP number for such Series 2026 Bond with each payment of interest on and the principal or the redemption price of such Series 2026 Bond, specifying the amount paid in respect of such CUSIP number.

(d) Each Series 2026 Bond may be converted into and exchanged for fully registered bonds in the manner set forth herein. Each Series 2026 Bond may, upon surrender thereof to the applicable Registrar, together with a written request therefor duly executed by the Holder or the assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Registrar, at the option of the Holder or such assignee or assignees, as appropriate, be converted into and exchanged for a substitute Series 2026 Bond or Series 2026 Bonds having the same series, maturity date, bearing interest at the same rate and in any Authorized Denomination which may be requested in writing by such Holder or such assignee or assignees, in an aggregate principal amount equal to the principal amount of the Series 2026 Bond or Series 2026 Bonds so surrendered, and payable to the appropriate Holder, assignee, or assignees, as the case may be. If only a portion of any Series 2026 Bond shall be redeemed prior to its scheduled maturity as provided herein, a substitute Series 2026 Bond or Series 2026 Bonds having the same series, maturity date, bearing interest at the same rate, in any Authorized Denomination at the request of the Holder, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder upon surrender thereof for cancellation. If any Series 2026 Bond or portion thereof is assigned and transferred or converted, each Series 2026 Bond issued in exchange therefor shall have the same series, principal maturity date and bear interest at the same rate as the Series 2026 Bond for which it is being exchanged. Each substitute Series 2026 Bond shall bear a number to distinguish it from each other Series 2026 Bond. Each Registrar shall convert and exchange or replace Series 2026 Bonds as provided herein, and each fully registered bond delivered in conversion of and exchange for or replacement of any Series 2026 Bond or portion thereof as permitted or required by any provision of this Resolution shall constitute one of the Series 2026 Bonds for all purposes of this Resolution, and may again be converted and exchanged or replaced. It is specifically provided, however, that any Series 2026 Bond delivered in conversion of and exchange for or replacement of another Series 2026 Bond prior to the first scheduled Interest Payment Date of the related series of Series 2026 Bonds shall be dated the same date as such Series 2026 Bond, but each substitute Series 2026 Bond so delivered on or after such first scheduled Interest Payment Date shall be dated as of the Interest Payment Date preceding the date on which such substitute Series 2026 Bond is delivered, unless such Series 2026 Bond is delivered on an Interest Payment Date therefor, in which case it shall be dated as of such date of delivery; provided, however, that if at the time of delivery of any substitute Series 2026 Bond the interest on the Series 2026 Bond for which it is being exchanged has not been paid, then such Series 2026 Bond shall be dated as of the date to which such interest has been paid in full; and provided, further, that any Series 2026 Bond issued in exchange for an Initial Series 2026 Bond shall be dated the date specified in the related Pricing Certificate or Purchase Contract. On each

substitute Series 2026 Bond issued in conversion of and exchange for or replacement of any Series 2026 Bond or Series 2026 Bonds there shall be printed a Registrar's Authentication Certificate, in the form hereinafter set forth. An authorized representative of the applicable Registrar shall, before the delivery of any such Series 2026 Bond, date such Series 2026 Bond in the manner set forth above, and manually sign and date the Registrar's Authentication Certificate, and no such Series 2026 Bond shall be deemed to be issued or Outstanding unless such Registrar's Authentication Certificate is so executed and dated. Each Registrar promptly shall cancel all applicable Series 2026 Bonds surrendered for transfer, conversion and exchange or replacement. No additional orders or resolutions need be passed or adopted by the Board or any other body or Person so as to accomplish the foregoing conversion and exchange or replacement of any Series 2026 Bond or portion thereof, and each Registrar shall provide for the execution and delivery of substitute Series 2026 Bonds in the manner prescribed herein. Pursuant to Chapter 1201, and particularly Sections 1201.061 through 1201.063 and 1201.067 thereof, the duty of conversion and exchange or replacement of Series 2026 Bonds as aforesaid is hereby imposed upon the related Registrar, and, upon the execution and dating of the above described Registrar's Authentication Certificate, the transferred, converted and exchanged or replaced Series 2026 Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Series 2026 Bonds which originally were delivered pursuant to this Resolution, approved by the Attorney General, and registered by the Comptroller. Except in the case of tenders of Weekly Rate Bonds pursuant to Section 9.4 hereof or of the remarketing of Purchased Bonds, neither the Board nor any Registrar shall be required (i) to issue, transfer, replace or exchange any Series 2026 Bond subject to redemption in whole or in part during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of such series of Series 2026 Bonds and ending at the close of business on the day of such mailing, or (ii) to replace, transfer or exchange any Series 2026 Bond so selected for redemption, in whole or in part, when such redemption is scheduled to occur within 30 calendar days; except that at the option of the Holder of at least \$1,000,000 in principal amount of a series of Series 2026 Bonds, the applicable Registrar shall be required to transfer or exchange any such Series 2026 Bond of such Holder which has been selected, in whole or in part, for redemption upon surrender thereof. A Registrar may make such arrangements as it deems appropriate for notation on each new Series 2026 Bond issued in exchange for or upon the transfer of the Series 2026 Bond so selected for redemption of an appropriate legend to the effect that such new Series 2026 Bond has been so selected for redemption.

(e) All Series 2026 Bonds issued in conversion and exchange or replacement of any other Series 2026 Bond or portion thereof, (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Series 2026 Bonds to be payable only to the Holders thereof, (ii) may be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Series 2026 Bonds, (v) shall have the characteristics, (vi) shall be signed and sealed, (vii) shall be authenticated, and (viii) shall provide that the principal of and interest on such Series 2026 Bonds shall be payable, all as provided, and in the manner required or indicated, in this Resolution.

(f) The Board shall pay each Registrar's reasonable and standard or customary fees and charges for making transfers of Series 2026 Bonds, but the Holder of any related Series 2026 Bond requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto. The Holder of any Series 2026 Bond requesting any conversion and

exchange shall pay the applicable Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Series 2026 Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Series 2026 Bond or Series 2026 Bonds or any portion or portions thereof in any Authorized Denomination, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Series 2026 Bond that has been redeemed in part prior to maturity, as provided in this Resolution, such fees and charges will be paid by the Board.

Section 2.7. Damaged and Missing Bonds. (a) In the event any Outstanding Series 2026 Bond is damaged, mutilated, lost, stolen, or destroyed, the applicable Registrar shall cause to be printed, executed, authenticated and delivered, a new Series 2026 Bond of the same series, principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Series 2026 Bond in the manner hereinafter provided.

(b) Application for replacement of a damaged, mutilated, lost, stolen, or destroyed Series 2026 Bond shall be made by the Holder thereof to the applicable Registrar. In every case of loss, theft, or destruction of a Series 2026 Bond, the Holder applying for a replacement Series 2026 Bond shall furnish to the Board and to the applicable Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Series 2026 Bond, the Holder shall furnish to the Board and to the applicable Registrar evidence to their satisfaction of the loss, theft, or destruction of such Series 2026 Bond, as the case may be. In every case of damage or mutilation of a Series 2026 Bond, the Holder shall surrender to the applicable Registrar for cancellation the Series 2026 Bond so damaged or mutilated.

(c) Notwithstanding the foregoing provisions of this Section, in the event any such Series 2026 Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of and premium, if any, or interest on the Series 2026 Bond, the Board may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Series 2026 Bond, provided security or indemnity is furnished as provided above in this Section.

(d) Prior to the issuance of any replacement Series 2026 Bond pursuant to the provisions of this Section, the applicable Registrar shall charge the Holder of such Series 2026 Bond with all legal, printing, and other expenses in connection therewith. Every replacement Series 2026 Bond issued pursuant to the provisions of this Section by virtue of the fact that any Series 2026 Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Board whether or not the lost, stolen, or destroyed Series 2026 Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Series 2026 Bonds duly issued under this Resolution.

(e) In accordance with Section 1201.062 of Chapter 1201, this Section shall constitute authority for the issuance of any such replacement Series 2026 Bond without the necessity of further action by the Board or any other body or Person, and the duty of the replacement of such Series 2026 Bond is hereby authorized and imposed upon the applicable

Registrar, and such Registrar shall authenticate and deliver such replacement Series 2026 Bonds in the form and manner and with the effect, as provided in Section 2.6(d) of this Resolution for Series 2026 Bonds issued in conversion and exchange for other Series 2026 Bonds.

Section 2.8. Sale and Delivery of Series 2026 Bonds. The Series 2026 Bonds may be sold publicly or privately on a negotiated basis, as determined by the Authorized Representatives to assure that the Series 2026 Bonds are sold on advantageous terms. Pursuant to Chapter 1371, the Authorized Representatives are hereby severally authorized and directed to act for and on behalf of the Board in connection with other matters relating to the issuance of the Series 2026 Bonds. In such capacity, the Authorized Representatives, acting for and on behalf of the Board, shall determine the date of issuance and sale of each series of the Series 2026 Bonds, and are also hereby severally authorized and directed to approve, execute and deliver the related Purchase Contract or Pricing Certificate, and to approve the principal amounts and maturities of such Series 2026 Bonds and whether such Series 2026 Bonds shall be issued initially as Fixed Rate Bonds, Weekly Rate Bonds or Variable Rate Bonds, the redemption provisions and such other terms applicable to such Series 2026 Bonds, the Purchase Contract or Pricing Certificate to be approved by the Authorized Representative executing the Purchase Contract or Pricing Certificate, such approval to be conclusively evidenced by such Authorized Representative's execution thereof; provided that (i) the final maturity and aggregate principal amount of such Series 2026 Bonds shall comply with Section 2.2 hereof, and (ii) the interest rate on such Series 2026 Bonds shall not exceed the Ceiling Rate, subject to the unqualified approving opinion as to the legality of such Series 2026 Bonds of the Attorney General and of Bond Counsel. The Authorized Representatives and all other officers, agents and representatives of the Board are hereby authorized to do any and all other things necessary or desirable to satisfy the conditions set out in the Purchase Contract or otherwise required by the Initial Purchaser and to provide for the issuance and delivery of Series 2026 Bonds. One definitive Series 2026 Bond for each series and maturity date, in the principal amount for such series and maturity date as set forth in the related Purchase Contract or Pricing Certificate, shall be delivered to or as directed by the Initial Purchaser thereof. It is further provided, however, that notwithstanding the foregoing provisions, a series of Series 2026 Bonds shall not be delivered unless prior to delivery such Series 2026 Bonds have been rated by a Rating Agency in one of the four highest rating categories for long-term obligations or in one of the three highest rating categories for short-term obligations, as required by Chapter 1371.

Section 2.9. Preliminary Official Statement and Official Statement. For any Series 2026 Bonds to be sold initially in a public offering, prior to the execution of the Purchase Contract, the Chairwoman of the Board, acting for and on behalf of the Board, (i) if requested by the Initial Purchaser thereof, shall cause a preliminary official statement (the "Preliminary Official Statement") to be prepared for distribution by the Underwriters to prospective purchasers of such Series 2026 Bonds, such document to be in the form as an Authorized Representative may deem necessary or appropriate, and each Authorized Representative is hereby authorized for and on behalf of the Board to approve and deem final the Preliminary Official Statement as of its date, except for such omissions as are permitted by the Rule (as defined in Section 8.1 hereof); within seven business days after the execution of the related Purchase Contract, the Chairwoman of the Board, acting for and on behalf of the Board, shall cause the final Official Statement, in substantially the form of the Preliminary Official Statement, with such changes as the Chairwoman of the Board may approve, such approval to be

conclusively evidenced by her execution thereof, to be provided to the Underwriters in compliance with the Rule, or (ii) if such Initial Purchaser does not request a Preliminary Official Statement, the Chairwoman of the Board, acting for and on behalf of the Board, shall cause an official statement to be prepared for distribution by the Underwriters to prospective purchasers of such Series 2026 Bonds, such document to be in the form as an Authorized Representative may deem necessary or appropriate.

Section 2.10. Book-Entry System. As provided in Section 2.8 of this Resolution, each series of Series 2026 Bonds initially shall be delivered against payment to the Initial Purchaser thereof. The Series 2026 Bonds so delivered to such Initial Purchaser shall be registered in accordance with the instructions of such Initial Purchaser. Each Initial Purchaser shall be required to promptly surrender any Initial Series 2026 Bond received by such Initial Purchaser for exchange. Series 2026 Bonds issued in exchange shall be registered in the name of Cede & Co., as nominee of DTC, as Holder, and held in the custody or on behalf of DTC. Unless otherwise requested by DTC, a single certificate will be issued and delivered to DTC or its designee for each series and maturity and of the Series 2026 Bonds. Beneficial owners of Series 2026 Bonds will not receive physical delivery of Series 2026 Bond certificates except as provided hereinafter. For so long as DTC shall continue to serve as securities depository for the Series 2026 Bonds as provided herein, all transfers of beneficial ownership interests therein will be made by book entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Series 2026 Bonds is to receive, hold or deliver any Series 2026 Bond certificate.

With respect to Series 2026 Bonds registered in the name of Cede & Co., as nominee of DTC, none of the Board or the applicable Paying Agent or Registrar shall have any responsibility or obligation to any DTC Participant or to any Person on whose behalf a DTC Participant holds an interest in the Series 2026 Bonds. Without limiting the immediately preceding sentence, none of the Board or any Paying Agent or Registrar shall have any responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Series 2026 Bonds, (ii) the delivery to any DTC Participant or any other Person, other than a Holder, as shown on the Bond Register, of any notice with respect to the Series 2026 Bonds, including any notice of redemption, and (iii) the payment to any DTC Participant or any other Person, other than a Holder, of any amount with respect to principal of and premium, if any, or interest on the Series 2026 Bonds.

Replacement Series 2026 Bonds may be issued directly to beneficial owners of Series 2026 Bonds other than DTC, or its nominee, but only in the event that (i) DTC determines not to continue to act as securities depository for the Series 2026 Bonds (which determination shall become effective no less than 90 days after written notice to such effect to the Board and the applicable Paying Agent and Registrar), or (ii) the Board has advised DTC of its determination (which determination is conclusive as to DTC and the beneficial owners of the Series 2026 Bonds) that DTC is incapable of discharging its duties as securities depository for the Series 2026 Bonds, or (iii) the Board has determined (which determination is conclusive as to DTC and the beneficial owners of the Series 2026 Bonds) that the interests of the beneficial owners of the Series 2026 Bonds might be adversely affected if such book entry only system of transfer is continued. Upon occurrence of any event described in (i) or (ii) above, the Board shall use its best efforts to attempt to locate another qualified securities depository. If the Board

fails to locate another qualified securities depository to replace DTC, the Board shall cause to be executed, authenticated and delivered replacement Series 2026 Bonds, in certificated form, to the DTC Participants having an interest in the Series 2026 Bonds as shown on the records of DTC provided by DTC to the Board. In the event that the Board makes the determination noted in (iii) above and has made provisions to notify the beneficial owners of the Series 2026 Bonds of such determination by mailing an appropriate notice to DTC, it shall cause to be issued replacement Series 2026 Bonds in certificated form to the DTC Participants having an interest in the Series 2026 Bonds as shown on the records of DTC provided by DTC to the Board. The Board undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the Board to make any determination described in (ii) or (iii) above.

Whenever, during the term of the Series 2026 Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), the requirements in this Resolution of holding, registering, delivering, exchanging or transferring Series 2026 Bonds shall be deemed modified to require the appropriate Person to meet the requirements of DTC (or such successor securities depository) as to holding, registering, delivering, exchanging or transferring the book entry to produce the same effect.

Whenever, during the term of the Weekly Rate Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), tenders of Weekly Rate Bonds shall be made pursuant to DTC's (or any successor securities depository's) deliver order procedures or repayment option procedures, as applicable, as are in effect from time to time. Upon remarketing of Weekly Rate Bonds, payment of the Purchase Price thereof shall be made to DTC (or any successor securities depository), and no surrender of Weekly Rate Bonds is required. Such sales shall be made through the DTC Participants (which may include the Remarketing Agent) to the new beneficial owners of such Weekly Rate Bonds, and the DTC Participants shall transmit payment to beneficial owners whose Weekly Rate Bonds were purchased pursuant to a remarketing. The Board and each Registrar, Paying Agent, Tender Agent, Liquidity Provider and Remarketing Agent are not responsible for transfer of payment to the DTC Participants or beneficial owners.

If at any time DTC ceases to hold the Series 2026 Bonds, all references herein to DTC shall be of no further force or effect.

Anything to the contrary contained herein notwithstanding, this Section 2.10 shall not apply to a series of the Series 2026 Bonds if so provided in the Pricing Certificate therefor.

ARTICLE III

REDEMPTION OF SERIES 2026 BONDS

Section 3.1. Redemption. (a) Series 2026 Bonds (including Purchased Bonds) shall be subject to scheduled mandatory sinking fund redemption and shall be redeemed on the dates and in the respective principal amounts set forth in the related Purchase Contract or Pricing Certificate, at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date fixed for redemption. The principal amount of Series 2026 Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall

be reduced, at the option of the Board, by the principal amount of any Series 2026 Bonds of the same series and having the same stated maturity which (A) at least 45 days prior to such mandatory sinking fund redemption date, (1) shall have been acquired by the Board and delivered to the applicable Registrar for cancellation, or (2) shall have been acquired and canceled by such Registrar at the direction of the Board, or (3) shall have been redeemed pursuant to any redemption provision set forth below and (B) shall have not been previously credited against a scheduled mandatory sinking fund redemption.

(b) The Weekly Rate Bonds (including Purchased Bonds) shall be subject to redemption prior to maturity on the first Business Day of any month, at the option and direction of the Board, in whole or in part, at a redemption price of par plus accrued interest. In the case of any such redemption, the Board shall select the maturity or maturities of the Weekly Rate Bonds to be redeemed and the amounts thereof in Authorized Denominations.

(c) Any series of Series 2026 Bonds issued as other than Weekly Rate Bonds shall be subject to redemption prior to maturity, at the option and direction of the Board, during the periods and at the redemption prices set forth in the related Purchase Contract or Pricing Certificate, plus accrued interest to the date fixed for redemption.

(d) Converted Fixed Rate Bonds shall be subject to redemption prior to maturity, at the option and direction of the Board, during the periods specified by an Authorized Representative, in whole at any time or in part from time to time, at the redemption prices (expressed as a percentage of principal amount) determined by such Authorized Representative, plus accrued interest, if any, to the redemption date. In the case of any such redemption, the Board shall select the maturity or maturities of the Fixed Rate Bonds to be redeemed and the amounts thereof in Authorized Denominations.

(e) In the case of any redemption of less than all of the Series 2026 Bonds of a particular series and maturity, the particular Series 2026 Bonds within each such series and maturity to be redeemed shall be selected by the applicable Registrar by lot in such manner as such Registrar shall deem fair and appropriate; provided that during any period in which ownership of such Series 2026 Bonds is determined only by a book entry at a securities depository, if less than the entire principal amount Outstanding of all Series 2026 Bonds of the same series and maturity is to be redeemed, the interests to be redeemed of the beneficial owners of such Series 2026 Bonds shall be selected in accordance with the arrangements between the Board and the securities depository.

(f) Anything in this Section 3.1 to the contrary notwithstanding, in the event of any (i) optional redemption of Weekly Rate Bonds, Purchased Bonds of the same series shall be selected first for such redemption to the extent there are any such Purchased Bonds, provided that the Board may select the maturity or maturities of Purchased Bonds to be so redeemed and the amounts thereof in Authorized Denominations, and (ii) mandatory sinking fund redemption of Weekly Rate Bonds, Purchased Bonds of the same series and maturity being redeemed shall be selected first for such redemption to the extent there are any such Purchased Bonds.

Section 3.2. Notice of Redemption. At least 30 days prior to the date fixed for any redemption of Series 2026 Bonds, a written notice of such redemption shall be sent by first class

mail, postage prepaid by the Registrar to the Holders of the applicable series of Series 2026 Bonds to be redeemed on such date. All notices of redemption shall state: (1) the date of redemption and general mailing of such notices; (2) the redemption price; (3) the identification (including complete official name and series designation and issue date), the CUSIP number, if any, certificate number (and in the case of partial redemption, the respective principal amounts), interest rates and maturity dates of the Series 2026 Bonds to be redeemed; (4) that on the redemption date the redemption price will become due and payable on each such Series 2026 Bond, and that interest thereon shall cease to accrue from and after such date; and (5) the name and address of the applicable Paying Agent, including the name and telephone number of a contact person and the place where such Series 2026 Bonds are to be surrendered for payment of the redemption price. By the date fixed for any such redemption, due provision shall be made by the Board with the applicable Paying Agent for the payment of the required redemption price for such Series 2026 Bonds or the portions thereof which are to be so redeemed. If such written notice of redemption is given, and if due provision for such payment is made, all as provided above, such Series 2026 Bonds, or the portions thereof which are to be so redeemed, thereby automatically shall be redeemed prior to their scheduled maturities, and shall not bear interest after the date fixed for their redemption, and shall not be regarded as being Outstanding except for the right of the Holders thereof to receive the redemption price therefor from the applicable Paying Agent out of the funds provided for such payment. The applicable Registrar shall record in the related Bond Register all such redemptions of principal of the Series 2026 Bonds or any portion thereof. If only a portion of any Series 2026 Bond shall be redeemed, a substitute Series 2026 Bond or Series 2026 Bonds, having the same series and maturity date, bearing interest at the same rate, in any Authorized Denomination which may be requested by the Holder thereof, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder thereof upon the surrender thereof for cancellation, at the expense of the Board, all as provided in this Resolution. For all purposes of this Resolution, unless the context otherwise requires, all provisions relating to the redemption of Series 2026 Bonds shall relate, in the case of any Series 2026 Bond redeemed or to be redeemed only in part, to the portion of the principal of such Series 2026 Bond that has been or is to be redeemed.

In addition to the notice of redemption required above, the applicable Registrar shall send notice of redemption by certified or registered mail, return receipt requested, postage prepaid, or by overnight delivery service contemporaneously with such mailing: (1) to any Holder of \$1,000,000 or more in principal amount of the applicable series of Series 2026 Bonds; (2) to two or more information services of national recognition that disseminate redemption information with respect to municipal bonds; and (3) to any securities depository that is a Holder of such Series 2026 Bonds. In addition, in the event of a redemption caused by an advance refunding of Series 2026 Bonds, the applicable Registrar shall send a second notice of redemption to all Holders of such Series 2026 Bonds at least thirty (30) days but not more than ninety (90) days prior to the actual redemption date. Any notice required to be sent to any registered securities depositories or national information services shall be sent so that it is received at least two (2) days prior to the general mailing date of such notice. A Registrar shall also send a notice of redemption to the Holder of any applicable Series 2026 Bond called for redemption who has not sent such Series 2026 Bond in for redemption sixty (60) days after the redemption date.

Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this Section or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Series 2026 Bonds.

ARTICLE IV

FUNDS AND INVESTMENTS

Section 4.1. Establishment of Fund II. The Comptroller (as successor to the Treasurer of the State) has established in the State Treasury the “Veterans’ Housing Assistance Fund II,” referred to herein as “Fund II.” The Board hereby confirms and ratifies the establishment of Fund II and agrees to maintain Fund II until all Bonds have been paid in full.

Section 4.2. Deposits to Fund II. Fund II is and shall be comprised of, and where feasible it is the duty of the Board, and the officers of the Board are hereby authorized and directed, to deposit into Fund II, the following:

- (i) any interest of the Board in Home Loans made from money in Fund II pursuant to the Program including proceeds of any insurance thereon or on the homes;
- (ii) the proceeds derived from the sale or other disposition of the Board’s interest in Home Loans;
- (iii) the money attributable to any Bonds (except Expenses Attributable to Bonds) issued and sold by the Board to provide money for Fund II which shall include, but shall not be limited to, the proceeds from the issuance and sale of such Bonds;
- (iv) income, rents, and any other pecuniary benefit received by the Board as a result of making Home Loans;
- (v) sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any Bonds to comply with the person’s bid and accept and pay for such Bonds;
- (vi) payments received by the Board under bond enhancement agreements with respect to the Bonds;
- (vii) interest received from investments of any such money; and
- (viii) any equitable interest of the Board in properties encumbered by Home Loans and attributable to Fund II.

The Board may deposit other moneys to the credit of Fund II, including moneys transferred by the Board from the Veterans’ Land Fund and Fund I, which are eligible under the Constitution and applicable laws of the State for such deposit or transfer.

Section 4.3. Home Loans. (a) Money in Fund II, including the proceeds from the sale of Bonds, may be used by the Board in the making of Home Loans as provided in the Act, the

payment of Expenses Attributable to Home Loans and Expenses Attributable to Bonds, and, as herein provided, the payment of the principal of and premium, if any, and interest on the Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds; provided, that the language of this paragraph shall not be construed to prevent the investment of the moneys in Fund II when permitted by the Constitutional Provision or the Act.

(b) The Board will fix interest rates to be charged Veterans receiving Home Loans from the Board which will assure that the proceeds from payments and repayments of Home Loans, together with other legally available moneys, including, without limitation, anticipated transfers from the Veterans' Land Fund or Fund I, will exceed the amount of payments the Board is required to make from Fund II for the payment of interest on and principal of the Bonds as such come due and mature, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, and to the extent permitted by the Constitution and applicable laws of the State, the Board covenants to transfer such amounts from the Veterans' Land Fund and Fund I as are necessary to cause available amounts in Fund II to be sufficient for such payment.

Section 4.4. Source of Payment. (a) The principal of and interest on the Series 2026 Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Series 2026 Bonds, shall be and are hereby made general obligations of the State pursuant to the Constitutional Provision, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and interest on each of the Series 2026 Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Series 2026 Bonds, when due the resources of the Board to the extent herein provided and the full faith and credit of the State are hereby pledged.

(b) All payments of the principal of and interest on the Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, shall be made from Fund II; provided, that if the Legislature of the State shall later provide additional sources from which the principal of or the interest on the Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, may be paid, the Board, its officers, the Comptroller and all other officers and employees of the State are hereby authorized and requested, and, to the extent that they are under the jurisdiction of this Board, directed to take all steps necessary to accomplish the use of such additional funds for such purpose, without releasing the continuing right of the Holders to the present sources prescribed by the Constitutional Provision and the Act for the payment of such principal and interest.

(c) The Board recognizes the absolute and ultimate obligation of the State to provide during each Fiscal Year all moneys necessary to pay the principal of and interest on the Bonds, including money to make payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, and recognizes that the Constitutional Provision provides that to the extent there is not money in Fund II available for payment of principal of and interest on the Bonds, including money to make payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, "there is appropriated out of the

first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, an amount that is sufficient to pay the principal of and interest on the general obligation bonds that mature or come due during that fiscal year or to make bond enhancement payments with respect to those bonds.”

Section 4.5. Other Uses of Fund II Moneys. (a) The Constitutional Provision provides that receipts of all kinds of Fund II determined by the Board not to be required for the payment of principal of and interest on Bonds or other general obligation bonds hereafter authorized by the Constitution of the State to provide money for Fund II, including payments by the Board under bond enhancement agreements with respect to principal of or interest on Bonds and such other general obligation bonds, may be used by the Board, to the extent not inconsistent with the proceedings authorizing such bonds, to (1) make temporary transfers to either the Veterans’ Land Fund or Fund I to avoid a temporary cash deficiency in that fund or make a transfer to either of those funds for the purposes of that fund; (2) pay the principal of and interest on general obligation bonds issued to provide money for either the Veterans’ Land Fund or Fund I or make bond enhancement payments with respect to such bonds; or (3) pay the principal of and interest on revenue bonds of the Board or make bond enhancement payments with respect to such bonds. In accordance with the Constitutional Provision, the Board reserves the right to use the moneys in Fund II for such purposes, or for any other purpose from time to time authorized by the Constitutional Provision.

(b) The Constitutional Provision also provides that if the Board determines that assets from Fund II are not required for the purposes of Fund II, the Board may (i) transfer the assets to either the Veterans’ Land Fund or Fund I, (ii) use the assets to secure revenue bonds issued by the Board under the Constitutional Provision, (iii) use the assets to plan and design, operate, maintain, enlarge or improve veterans cemeteries, or (iv) use the assets to plan and design, construct, acquire, own, operate, maintain, enlarge, improve, furnish, or equip veterans homes. In accordance with the Constitutional Provision, the Board reserves the right to use the assets from Fund II for such purposes, or for any other purpose from time to time authorized by the Constitutional Provision.

Section 4.6. Program Administration. The Program may be administered on behalf of the Board by one or more administrators, each of which shall be a nationally recognized institution with previous experience in the administration of mortgage lending programs, and whose duties shall be specified in an agreement between the Board and the administrator named therein. Currently, the Program administrators are Gateway Mortgage Group, LLC as “Loan Origination Administrator” and Nationstar Mortgage LLC as “Master Servicer.” Home Loans may (i) be originated by the Board, or (ii) be originated and serviced through qualified lending institutions in the State, which shall be subject to the approval of the Board.

Section 4.7. Investments. The moneys of Fund II which are not immediately committed to the payment of principal of and interest on the Bonds, the making of Home Loans as herein provided, or the payment of expenses as herein provided may be invested in Eligible Investments until such funds are needed for such purposes.

ARTICLE V

COVENANTS OF THE BOARD

Section 5.1. Payment Procedures. (a) The Board hereby covenants that it shall establish procedures with the Comptroller whereby sufficient moneys shall be withdrawn from Fund II and forwarded to each Paying Agent for the payment of interest on and principal of the Series 2026 Bonds coming due on each interest or principal payment date. In addition, the Board covenants that as of each principal payment date and Interest Payment Date for a series of Series 2026 Bonds it will make available to the applicable Paying Agent the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due. Notwithstanding the foregoing, during any period in which ownership of a series of Series 2026 Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, payments made to the securities depository, or its nominee, shall be made in accordance with arrangements between the Board and the securities depository.

If the date for the payment of the principal of or interest on the Series 2026 Bonds is a day other than a Business Day, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

Section 5.2. Paying Agent and Registrar. (a) The Board covenants with the Holders that at all times while the Series 2026 Bonds are Outstanding, the Board will provide a competent and legally qualified Paying Agent and Registrar for each series of Series 2026 Bonds under this Resolution, and that the Paying Agent and Registrar for such series shall be one entity, except during any period when such Series 2026 Bonds are registered only by means of a book entry at a securities depository. The Board reserves the right to, and may, at its option, change any Paying Agent or Registrar upon not less than 30 days written notice to such Paying Agent or Registrar. In the event that an entity at any time acting as Paying Agent or Registrar (or the successor thereto by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Board covenants that it will appoint promptly a competent and legally qualified national or state banking institution which shall be an entity organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, subject to supervision or examination by federal or state authority, and, if the previous Paying Agent or Registrar was a banking institution, whose qualifications substantially are similar to the previous Paying Agent or Registrar, as appropriate, to act as Paying Agent or Registrar under this Resolution. Upon any change in a Registrar, the previous Registrar promptly shall transfer and deliver the related Bond Register (or a copy thereof), along with all other pertinent books and records relating to the applicable Series 2026 Bonds, to the new Registrar designated and appointed by the Board. Upon any change in a Paying Agent, the previous Paying Agent promptly shall transfer and deliver the records regarding payments of principal of and interest on the applicable Series 2026 Bonds (or a copy thereof) it has kept and maintained, along with all other pertinent books and records relating to payments made regarding such Series 2026 Bonds, to the new Paying Agent designated and appointed by the Board. Upon any change in Paying Agent or Registrar, the Board promptly will cause a written notice thereof to be sent by the new Registrar to each applicable Holder by first class mail, postage prepaid, which notice also shall give the address of the new Paying Agent or Registrar, as appropriate.

By accepting the position and performing as such, each Paying Agent and Registrar shall be deemed to have agreed to the provisions of this Resolution, and a certified copy of this Resolution shall be delivered to each Paying Agent and Registrar.

In addition, the Board hereby covenants with the Holders that it will (i) pay the reasonable and standard or customary fees and charges of each Paying Agent for its services with respect to the payment of the principal of and interest on the Series 2026 Bonds, when due, and (ii) pay the fees and charges of each Registrar for services with respect to the transfer of registration of Series 2026 Bonds solely to the extent provided in Section 2.6(f), and with respect to the conversion and exchange of Series 2026 Bonds solely to the extent provided in Section 2.6(f).

Section 5.3. Tax Covenants. The Board does not intend to issue the Series 2026 Bonds in a manner such that the Series 2026 Bonds would constitute obligations described in Section 103(a) of the Internal Revenue Code of 1986 (as amended, the “Code”), and all applicable temporary, proposed and final regulations and procedures promulgated thereunder or promulgated under the Internal Revenue Code of 1954, to the extent applicable to the Code. Accordingly, the Board covenants to take such actions, or refrain from such actions, as to assure that the Series 2026 Bonds are not obligations described in Section 103(a) of the Code.

ARTICLE VI

SUPPLEMENTS AND AMENDMENTS

Section 6.1. Amendment of Resolution With Consent of Holders. (a) The Holders of a series of Series 2026 Bonds aggregating a majority in principal amount of the aggregate principal amount of such Series 2026 Bonds at the time Outstanding (but not including in any case Series 2026 Bonds which may then be held or owned by or for the account of the Board) shall have the right from time to time to approve an amendment of this Resolution affecting such Series 2026 Bonds which may be deemed necessary or desirable by the Board; provided, however, that nothing herein contained shall permit or be construed to permit the amendment of the terms and conditions contained in this Resolution or in such Series 2026 Bonds so as to:

- (i) make any change in the maturity of any of the Series 2026 Bonds of such series;
- (ii) reduce the rate of interest borne by any of the Series 2026 Bonds of such series;
- (iii) reduce the amount of the principal payable on any of the Series 2026 Bonds of such series;
- (iv) modify the terms of payment of principal of or interest on such Series 2026 Bonds, or any of them, or impose any conditions with respect to such payment;
- (v) change the minimum percentage of the principal amount of such Series 2026 Bonds necessary for consent to such amendment; or

(vi) affect the rights of the Holders of less than all of the Series 2026 Bonds of such series then Outstanding,

unless such amendment or amendments be approved by the Holders of all of such Series 2026 Bonds at the time Outstanding.

(b) If at any time the Board shall desire to amend this Resolution under this Section, the Board shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in the City of New York, New York, or the City of Austin, Texas, once during each calendar week for at least four successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Board and the designated office of the Registrar for inspection by all holders of such Series 2026 Bonds. Such publication is not required, however, if notice in writing is given to each Holder of the applicable series of Series 2026 Bonds.

(c) Whenever at any time, within one year from the date of this publication of said notice or other service of written notice, the Board shall receive an instrument or instruments executed by the Holders of a majority in aggregate principal amount of Series 2026 Bonds of the applicable series then Outstanding, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and approve such amendment in substantially the form of the copy thereof on file with the Registrar, the Board may adopt the amendatory resolution in substantially the same form.

(d) Any consent given by the Holder of a Series 2026 Bond pursuant to the provisions of this Resolution shall be irrevocable for a period of six months from the date of the first publication or mailing of the notice provided for in this Resolution, and shall be conclusive and binding upon all future Holders of the same Series 2026 Bond during such period. Such consent may be revoked at any time after six months from the date of the first publication or mailing of such notice by the holder who gave such consent, or by a successor in title, by filing notice of such revocation with the Registrar and the Board, but such revocation shall not be effective if the Holders of a majority in aggregate principal amount of the Series 2026 Bonds of the applicable series Outstanding as in this Section defined have, prior to the attempted revocation, consented to and approved the amendment.

(e) For the purposes of this Section, proof of ownership of any Series 2026 Bond shall be established by the registration of any such Series 2026 Bond on the Bond Register kept and maintained by the applicable Registrar.

Section 6.2. Amendment of Resolution Without Consent of Holders. The foregoing provisions of this Article notwithstanding, the Board may, without the consent of the Holders, pursuant to amendatory resolution, from time to time:

(i) impose conditions or restrictions additional to, but not in diminution of, those contained in this Resolution, respecting the issuance of Bonds;

(ii) undertake covenants additional to but not inconsistent with those contained in this Resolution;

(iii) correct any ambiguity or correct or supplement any inconsistent or defective provision contained in this Resolution or any amendatory resolution;

(iv) adopt amendments to this Resolution that become effective as to a series of Series 2026 Bonds following a mandatory tender of all of such Series 2026 Bonds then Outstanding; or

(v) adopt amendments to this Resolution that, in the opinion of Bond Counsel, do not adversely affect the Holders.

Section 6.3. Effect of Amendatory Resolutions. Upon the adoption of any amendatory resolution pursuant to the provisions of this Section, this Resolution shall be deemed to be amended in accordance with such amendatory resolution, and the respective rights, duties and obligations of the Board under this Resolution and all the holders of Outstanding Series 2026 Bonds of the applicable series shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such amendments.

Section 6.4. Bonds May Bear Notation of Changes. Series 2026 Bonds of the applicable series authenticated and delivered after the execution of any amendatory resolution pursuant to this Article may bear a notation in form approved by the applicable Registrar as to any matter provided for in such amendatory resolution. If the Board or the applicable Registrar shall so determine, new Series 2026 Bonds of the applicable series so modified as to conform, in the opinion of the Board and such Registrar, to any such amendatory resolution may be prepared and executed by the Board and authenticated and delivered by such Registrar in exchange for Series 2026 Bonds of the applicable series then Outstanding.

ARTICLE VII

FIXED RATE BONDS DEEMED PAID

Section 7.1. Fixed Rate Bonds Deemed Paid. Any Fixed Rate Bond shall be deemed to be paid and no longer Outstanding when payment of the principal of and premium, if any, on such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity, redemption, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided by irrevocably depositing with a paying agent, in trust and irrevocably set aside exclusively for such payment, (1) money sufficient to make such payment or (2) Defeasance Obligations, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to make such payment, and all necessary and proper fees, compensation and expenses of such paying agent for such Fixed Rate Bonds, with respect to which such deposit is made, shall have been paid or the payment thereof provided for. At such time as a Fixed Rate Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Resolution, except for the purposes of any such payment from such money or Defeasance Obligations.

Section 7.2. Application of Trust Money. (a) The deposit under clause (ii) of Section 7.1 shall be deemed a payment of a Fixed Rate Bond as aforesaid when proper notice of redemption of such Bond shall have been given, in accordance with this Resolution. Any money so deposited with a paying agent as provided in this Section may at the discretion of the Board also be invested in Defeasance Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Obligations in possession of a paying agent pursuant to this Section which is not required for the payment of such Bond and premium, if any, and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Board.

(b) Notwithstanding any provision of any other Section of this Resolution which may be contrary to the provisions of this Section, all money or Defeasance Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the particular Fixed Rate Bonds and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Fixed Rate Bonds and premium, if any, and interest thereon, with respect to which such money or Defeasance Obligations have been so set aside in trust.

(c) Notwithstanding anything elsewhere in this Resolution contained, if money or Defeasance Obligations have been deposited or set aside with a paying agent pursuant to this Section for the payment of Fixed Rate Bonds and such Fixed Rate Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Section shall be made without the consent of the Holder of each Fixed Rate Bond affected thereby.

The Board shall notify the MSRB, in a timely manner, of any failure by the Board to provide financial information or operating data in accordance with Section 8.2 of this Resolution by the time required by such Section.

Section 8.4. Limitations, Disclaimers and Amendments. The Board shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the Board remains an “obligated person” with respect to a series of Series 2026 Bonds within the meaning of the Rule, except that the Board in any event will give the notice required by Section 8.3 of any Series 2026 Bond calls and defeasance of the applicable series that cause the Board to be no longer such an “obligated person.”

The provisions of this Article are for the sole benefit of the Holders and beneficial owners of the Series 2026 Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Board undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Board's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The Board does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Series 2026 Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE BOARD BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY SERIES 2026 BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE BOARD, WHETHER FROM NEGLIGENCE OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the Board under federal and state securities laws.

The provisions of this Article may be amended by the Board from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Board, but only if (1) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Series 2026 Bonds in the primary offering of a series of Series 2026 Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Resolution that authorizes such an amendment) of the Outstanding Series 2026 Bonds of the applicable series consent to such amendment or (b) a Person that is unaffiliated with the Board (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the applicable series of Series 2026 Bonds. If the Board so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 8.2 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

Anything in this Resolution to the contrary notwithstanding, the provisions of this Article may be modified for a particular series of Series 2026 Bonds as set forth in the Pricing Certificate relating thereto.

Section 8.5. Continuing Disclosure Relating to Other Obligated Persons. The Board hereby determines that an Other Obligated Person would be an "obligated person" (as defined in

the Rule) for whom financial information and operating data would be presented in any final official statement relating to a series of Series 2026 Bonds had such Person been known at the time of the offering thereof. Based upon the objective criteria specified in the definition of Other Obligated Person, the Board concludes that no Veteran eligible to participate in the Program would be an Other Obligated Person.

Section 8.6. Agreement Regarding Assumption of Certain Home Loans. The Board agrees not to permit the assumption of any Home Loan that would cause any Person to become an Other Obligated Person.

ARTICLE IX

(b) Payment and Calculation of Interest. Interest on the Series 2026 Bonds shall be paid in arrears. Interest on Weekly Rate Bonds (including Purchased Bonds) shall be computed on the basis of a 365/366-day year, for the number of days actually elapsed. Interest on Variable Rate Bonds shall be computed as set forth in the related Purchase Contract or Pricing Certificate.

(c) Ceiling Rate. Anything to the contrary contained herein notwithstanding, the maximum rate of interest on the Series 2026 Bonds at any time shall be the Ceiling Rate.

(d) Purchased Bonds. All Purchased Bonds shall bear interest at the Purchased Bond Rate therefor, which shall be payable at such times, in such amounts and in such manner as is provided in the related Liquidity Facility. The maximum rate of interest permitted on Purchased Bonds shall be the Maximum Purchased Bond Rate. Any determination of the Purchased Bond

Rate pursuant to a Liquidity Facility shall be conclusive and binding on the Board. Anything contained in this Resolution notwithstanding, it is the express intention of the Board that the purchase of Purchased Bonds by the Comptroller, as Liquidity Provider pursuant to a Liquidity Facility, shall not extinguish the debt represented by such Purchased Bonds, which under such circumstances shall remain Outstanding and unpaid for all purposes of this Resolution.

Section 9.2. Determination of Weekly Interest Rate. (a) Weekly Rate Bonds shall bear interest at the Weekly Interest Rate, which shall be determined by the applicable Remarketing Agent by 4:30 p.m., New York City time, on Tuesday of each week during such Weekly Interest Rate Period, or if such day shall not be a Business Day, then on the next succeeding Business Day, provided that the first Weekly Interest Rate for a series of Weekly Rate Bonds shall be determined by the Initial Purchaser thereof on the date of execution of the related Purchase Contract in the manner set forth in this paragraph. The first Weekly Interest Rate for a series of Weekly Rate Bonds shall apply to the period commencing on the Settlement Date therefor and ending on the next succeeding Tuesday. Thereafter, each Weekly Interest Rate shall apply to the period commencing on Wednesday and ending on the next succeeding Tuesday, unless such Weekly Interest Rate Period shall end on a day other than Tuesday, in which event the last Weekly Interest Rate for such Weekly Interest Rate Period shall apply to the period commencing on the Wednesday preceding the last day of such Weekly Interest Rate Period and ending on the last day of such Weekly Interest Rate Period. The Weekly Interest Rate for a series of Weekly Rate Bonds shall be the rate of interest per annum determined by the Remarketing Agent therefor (based on then prevailing market conditions) to be the minimum interest rate which, if borne by such Weekly Rate Bonds, would enable such Remarketing Agent to sell such Weekly Rate Bonds on such date of determination at a price (without regarding accrued interest) equal to the principal amount thereof. In the event that such Remarketing Agent fails to establish a Weekly Interest Rate for any week, then the Weekly Interest Rate for such week shall be the same as the Weekly Interest Rate for the immediately preceding week if the Weekly Interest Rate for such preceding week was determined by such Remarketing Agent. In the event that the Weekly Interest Rate for the immediately preceding week was not determined by such Remarketing Agent, or in the event that the Weekly Interest Rate determined by such Remarketing Agent shall be held to be invalid or unenforceable by a court of law, then the interest rate for such week shall be equal to the most recently available SOFR rate plus 0.25% per annum, or if such rate is no longer available, or no such rate was so made available for the week preceding the date of determination, 100% of the interest rate on 30-day high grade unsecured commercial paper notes sold through dealers by major corporations as reported in The Wall Street Journal on the day the Weekly Interest Rate would otherwise be determined as provided herein for such Weekly Interest Rate Period.

(b) The first Interest Rate Period for a series of Weekly Rate Bonds shall commence on the Settlement Date and shall be a Weekly Interest Rate Period. The initial Weekly Interest Rate to be borne by such Weekly Rate Bonds shall be determined by the Initial Purchaser thereof in the manner set forth in the preceding paragraph.

(c) Notices. On each date on which a Remarketing Agent determines the interest rate on any Weekly Rate Bond, such Remarketing Agent shall give the Board and the applicable Tender Agent, Paying Agent and Liquidity Provider notice by facsimile or e-mail transmission of the interest rate determined by such Remarketing Agent on such date. Upon telephonic request,

such Remarketing Agent will give any Holder of the applicable series of Weekly Rate Bonds notice of the interest rate on such Weekly Rate Bonds owned by such Holder.

(d) Binding Effect. Each determination of the interest rate for the Weekly Rate Bonds, as provided herein, shall be conclusive and binding upon the owners of the Weekly Rate Bonds, the Board and the applicable Remarketing Agent, Tender Agent, Liquidity Provider and Paying Agent. Upon telephonic request to a Remarketing Agent from the Board, the Paying Agent, the applicable Liquidity Provider or any Holder of any Weekly Rate Bond of the applicable series, the Remarketing Agent shall inform such Person of the interest rate then in effect on such Weekly Rate Bonds. Failure of such Remarketing Agent to give any notice described in this Section, or any defect therein, shall not affect the interest rate to be borne by any of any Weekly Rate Bonds of the applicable series nor in any way change the rights of the Holders of such Weekly Rate Bonds to tender their Weekly Rate Bonds for purchase in accordance with this Resolution.

Section 9.3. Fixed Interest Rate. (a) Determination of Fixed Interest Rate. During a Fixed Interest Rate Period, each Series 2026 Bond shall bear interest at the Fixed Interest Rate therefor. The Fixed Interest Rate for each stated maturity of Series 2026 Bonds issued as Weekly Rate Bonds shall be determined by the applicable Remarketing Agent on a Business Day not less than 15 days prior to the effective date of the Fixed Interest Rate Period therefor. The Fixed Interest Rate for each stated maturity shall be the rate of interest per annum determined by such Remarketing Agent (based on then prevailing market conditions) to be the minimum interest rate, if any, at which such Remarketing Agent will agree to purchase the applicable series of Series 2026 Bonds on such effective date for resale at a price (without regarding accrued interest) equal to the principal amount thereof. If, for any reason, the Fixed Interest Rate for each stated maturity is not so determined for such Series 2026 Bonds by such Remarketing Agent at least 15 days prior to the first day of the Fixed Interest Rate Period therefor, then such Series 2026 Bonds shall bear interest at a Weekly Interest Rate as provided in Section 9.2, and shall continue to bear interest at a Weekly Interest Rate determined in accordance with Section 9.2 until such time as the interest rate on such Series 2026 Bonds shall have been adjusted to a Fixed Interest Rate, and such Series 2026 Bonds shall continue to be subject to purchase upon notice from the Holders thereof as described in Section 9.4(a). The related Liquidity Facility shall be terminated as to such Fixed Rate Bonds.

(b) Adjustment to Fixed Interest Rate Period.

(i) At any time, the Board, by written direction to the applicable Registrar, Tender Agent, Paying Agent, Liquidity Provider and Remarketing Agent, may elect that a series of Weekly Rate Bonds shall be subject to a Fixed Interest Rate Period. The direction of the Board required by the first sentence of this paragraph (i) shall specify the effective date of the Fixed Interest Rate Period, which date shall be (A) a Business Day not earlier than the 30th day following the second Business Day after receipt by the applicable Registrar of such direction, and (B) the day immediately following the last day of a Weekly Interest Rate Period.

(ii) Such direction of the Board shall be accompanied by a form of the notice to be mailed by the applicable Registrar to the Holders of the series of Weekly Rate Bonds to be converted as provided in Section 9.3(c).

(iii) If the Board shall deliver to the applicable Registrar, Remarketing Agent and Tender Agent on or prior to the date that the interest rate for the Fixed Interest Rate Period is determined a notice to the effect that the Board elects to rescind its election to have the series of Weekly Rate Bonds to be converted become subject to a Fixed Interest Rate Period, then such Series 2026 Bonds shall not become subject to a Fixed Interest Rate Period, and such Series 2026 Bonds shall bear interest at a Weekly Interest Rate as in effect prior to such event.

(c) Notice of Adjustment to Fixed Interest Rate Period. The applicable Registrar shall give notice by first class mail of an adjustment to a Fixed Interest Rate Period to the Holders of the series of Weekly Rate Bonds to be converted not less than 30 days prior to the effective date of such Fixed Interest Rate Period. Such notice shall state: (1) that the Interest Rate Period on such Series 2026 Bonds shall be adjusted to a Fixed Interest Rate Period unless the Board shall elect, on or prior to the date of determination of the Fixed Interest Rate, to rescind its election to cause the adjustment of the Interest Rate Period on such Series 2026 Bonds to the Fixed Interest Rate Period, in which case such Series 2026 Bonds shall continue to bear interest at a Weekly Interest Rate as in effect immediately prior to such proposed adjustment in the Interest Rate Period, (2) the effective date of the Fixed Interest Rate Period, (3) that such Series 2026 Bonds are subject to mandatory tender for purchase on such effective date and the purchase price applicable thereto, (4) that the related Liquidity Facility will be terminated as of the effective date of such Fixed Interest Rate Period, and (5) if ownership of such Series 2026 Bonds is no longer determined only by a book entry at a securities depository for the Series 2026 Bonds, information with respect to the required delivery of bond certificates and payment of purchase price under Section 9.4(f) hereof.

(d) If the Board elects to convert a series of Weekly Rate Bonds to Fixed Rate Bonds, then the written direction furnished by the Board to the applicable Liquidity Provider, Registrar, Tender Agent and Remarketing Agent shall be made by registered or certified mail, or by e-mail or fax, confirmed by registered or certified mail. Any such direction of the Board shall be accompanied by a copy of the notice required to be given by the applicable Registrar pursuant to Section 9.3(c) hereof.

Section 9.4. Purchase of Weekly Rate Bonds. (a) Optional Tender for Purchase. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, a Beneficial Owner (through its DTC Participant) may tender his interest in a Weekly Rate Bond of such series on any Business Day at a purchase price equal to the principal amount thereof plus accrued interest, if any, from and including the Interest Payment Date immediately preceding the date of purchase through and including the day immediately preceding the date of purchase, unless the date of purchase shall be an Interest Payment Date, in which case at a purchase price equal to the principal amount thereof, payable in immediately available funds, upon delivery to the applicable Tender Agent at its designated corporate trust office for delivery of notices, with a copy to the applicable Remarketing Agent, of an irrevocable written notice or telephonic notice, promptly confirmed in writing, which states

the principal amount of such Weekly Rate Bond and the date on which the same shall be purchased, which date shall be a Business Day not prior to the seventh day next succeeding the date of the delivery of such notice to such Tender Agent. Any notice delivered to such Tender Agent after 4:00 p.m., New York City time, shall be deemed to have been received on the next succeeding Business Day.

Such Tender Agent shall promptly (but no later than the next Business Day) send a copy of any notice delivered to it pursuant to this Section 9.4(a) by fax or other electronic means to the applicable Remarketing Agent and Liquidity Provider. On the date for purchase specified in the notice, the Beneficial Owner shall effect delivery of such Series 2026 Bonds by causing the DTC Participant through which such Beneficial Owner owns such Series 2026 Bonds to transfer its interest in such Series 2026 Bonds equal to such Beneficial Owner's interest on the records of DTC to the participant account of the applicable Tender Agent with DTC.

If ownership of a series of Weekly Rate Bonds is not determined only by a book entry at a securities depository for such Series 2026 Bonds, a Holder of a Weekly Rate Bond of such series may tender its Series 2026 Bond by delivery of the notice described above by the time set forth above and shall also deliver such Series 2026 Bond to the Tender Agent on the date specified for purchase.

(b) Mandatory Tender for Purchase on First Day of Fixed Interest Rate Period. A series of Weekly Rate Bonds shall be subject to mandatory tender for purchase on the first day of the Fixed Interest Rate Period therefor, or on the day which would have been the first day of such Fixed Interest Rate Period had the event specified in Section 9.3(b)(iii) not occurred which resulted in the interest rate on such Series 2026 Bonds not being adjusted, at a purchase price, payable in immediately available funds, equal to the principal amount of such Series 2026 Bonds, plus accrued interest (if any).

(c) Mandatory Tender for Purchase Upon Termination, Expiration, Suspension, Modification or Replacement of Liquidity Facility. If at any time the Registrar for a series of Weekly Rate Bonds shall give notice in accordance with Section 9.7 that such Weekly Rate Bonds which, at such time, are subject to purchase under the related Liquidity Facility as then in effect, shall on the date specified in such notice cease to be subject to purchase from such Liquidity Facility as a result of (A) the termination or expiration of the term of such Liquidity Facility, or (B) such Liquidity Facility being suspended, replaced or modified with the effect that the purchase price of such Series 2026 Bonds is no longer payable from such Liquidity Facility (in each case, whether or not any Alternate Liquidity Facility has been obtained), then on the Business Day the Board specifies to such Registrar that is at least five days and no more than 15 days (or, if no such date is specified, the fifth calendar day (or the immediately preceding Business Day if such day is not a Business Day)) preceding any termination, expiration, suspension, modification or replacement of such Liquidity Facility each such Series 2026 Bond or Series 2026 Bonds shall be purchased or deemed purchased as provided herein. The purchase price for such Series 2026 Bonds shall be equal to the principal amount thereof, plus accrued interest (if any).

(d) Mandatory Tender for Purchase Following Event of Default Under Liquidity Facility. All Weekly Rate Bonds of a series shall be subject to mandatory tender for purchase on

the tenth day (or the next succeeding Business Day if such day is not a Business Day) following receipt by the applicable Tender Agent of notice from the applicable Liquidity Provider that an “Event of Default” has occurred under the applicable Liquidity Facility and directing the mandatory purchase of such Weekly Rate Bonds. No later than the third Business Day following receipt of such notice described above, such Tender Agent shall give notice by first class mail, postage prepaid, to the Holders of such Series 2026 Bonds, the Board and the applicable Remarketing Agent stating that an “Event of Default” has occurred under the Liquidity Facility and that such Series 2026 Bonds are subject to mandatory tender for purchase.

(e) Notice of Mandatory Tender for Purchase. In connection with any mandatory tender for purchase of a series of Weekly Rate Bonds in accordance with Section 9.4(b) or Section 9.4(c), the applicable Registrar shall include notice of a mandatory tender for purchase as a part of the notice given pursuant to Section 9.3(c) or Section 9.7 hereof. Each notice of mandatory tender for purchase shall state (A) in the case of a mandatory tender for purchase pursuant to Section 9.4(c) hereof, that the applicable Liquidity Facility will expire, terminate, be suspended, be replaced or be modified and that the purchase price of such Weekly Rate Bonds shall no longer be payable from such Liquidity Facility then in effect and that any rating applicable thereto may be reduced or withdrawn; (B) in the case of a mandatory tender for purchase pursuant to Section 9.4(d) hereof, that an “Event of Default” has occurred under such Liquidity Facility; (C) that the purchase price of any Weekly Rate Bond so subject to mandatory purchase shall be payable only upon (i) if ownership of such Weekly Rate Bonds is not determined only by a book entry at a securities depository for such Weekly Rate Bonds, surrender of such Weekly Rate Bond to the applicable Tender Agent at its designated corporate trust office for delivery of Weekly Rate Bonds, accompanied by an instrument of transfer thereof, in form satisfactory to such Tender Agent, executed in blank by the Holder thereof or his duly authorized attorney, with such signature guaranteed by a bank, trust company or member firm of the New York Stock Exchange or (ii) if ownership of such Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds, registration of the ownership rights in such Weekly Rate Bond to the applicable Tender Agent on the records of DTC; (D) that, provided that moneys sufficient to effect such purchase have been provided through the remarketing of such Weekly Rate Bonds by the applicable Remarketing Agent or through the applicable Liquidity Facility or otherwise, all Weekly Rate Bonds so subject to mandatory tender for purchase shall be purchased on the mandatory purchase date, and that if any Holder of a Weekly Rate Bond subject to mandatory tender for purchase shall not surrender such Weekly Rate Bond to the applicable Tender Agent for purchase (or if ownership of such Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds, effect the transfer of ownership rights to the applicable Tender Agent on the records of DTC) on such mandatory purchase date, and moneys sufficient to pay the purchase price thereof are on deposit with the applicable Tender Agent, then such Weekly Rate Bond shall be deemed to be an Undelivered Bond, and that no interest shall accrue thereon on and after such mandatory purchase date and that the Holder thereof shall have no rights under this Resolution other than to receive payment of the purchase price thereof; and (E) in the event that moneys sufficient to pay the purchase price of such Weekly Rate Bonds have not been provided to the applicable Tender Agent either through the remarketing of such Weekly Rate Bonds or from the applicable Liquidity Facility or otherwise, that such Weekly Rate Bonds shall not be purchased or deemed purchased and shall bear interest at the rate described in Section 9.15 hereof. In connection with any mandatory tender for purchase of Weekly Rate

Bonds in accordance with Section 9.4(c) hereof as a result of the replacement, termination or expiration of a Liquidity Facility, such notice also shall contain the information required by Section 9.7. The Board shall provide the applicable Registrar with a form of any such notice.

(f) Delivery of Tendered Weekly Rate Bonds. Subject to the provisions of Section 2.10 hereof if ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds, for payment of the purchase price of any such Weekly Rate Bond required to be purchased pursuant to this Section 9.4 on the date specified, such Weekly Rate Bond must be delivered, at or prior to 10:00 a.m., New York City time, on the date specified in such notice, to the applicable Tender Agent at its designated corporate trust office for delivery of Weekly Rate Bonds, accompanied by an instrument of transfer thereof, in form satisfactory to such Tender Agent, executed in blank by the Holder thereof or his duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange. In the event any such Weekly Rate Bond is delivered after 10:00 a.m., New York City time, on such date, payment of the purchase price of such Weekly Rate Bond need not be made until the Business Day following the date of delivery of such Weekly Rate Bond, but such Weekly Rate Bond shall nonetheless be deemed to have been purchased on the date specified in such notice and no interest shall accrue thereon after such date.

(g) Irrevocable Notice Deemed to be Tender of Weekly Rate Bond; Undelivered Bonds.

(i) The giving of notice by an owner of a Weekly Rate Bond as provided in Section 9.4(a) hereof shall constitute the irrevocable tender for purchase of each such Weekly Rate Bond with respect to which such notice shall have been given, regardless of whether such Weekly Rate Bond is delivered to the applicable Tender Agent for purchase on the relevant purchase date as provided in Section 9.4 hereof provided that moneys sufficient to pay the purchase price of such Weekly Rate Bonds are on deposit with the applicable Tender Agent for such purpose.

(ii) A Tender Agent may refuse to accept delivery of any Weekly Rate Bonds for which a proper instrument of transfer has not been provided; such refusal, however, shall not affect the validity of the purchase of such Weekly Rate Bond as herein described. If any owner of a Weekly Rate Bond who shall have given notice of tender of purchase pursuant to Section 9.4(a) hereof, if ownership of the related series of Weekly Rate Bonds is not determined only by a book entry at a securities depository for such Weekly Rate Bonds, shall fail to deliver such Weekly Rate Bond to the applicable Tender Agent at the place and on the applicable date and at the time specified, or shall fail to deliver such Weekly Rate Bond properly endorsed, or if ownership of such Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds, shall fail to cause its beneficial ownership to be transferred to the applicable Tender Agent on the records of DTC, and moneys sufficient to pay the purchase price thereof are on deposit with such Tender Agent for such purpose, such Weekly Rate Bond shall constitute an Undelivered Bond. If funds in the amount of the purchase price of the Undelivered Bonds (including the Undelivered Bonds referred to in Section 9.4(e) hereof) are available for payment to the owner thereof on the date and at the time

specified, from and after the date and time of that required delivery, (1) each Undelivered Bond shall be deemed to be purchased and shall no longer be deemed to be outstanding under this Resolution; (2) interest shall no longer accrue thereon; and (3) funds in the amount of the purchase price of each such Undelivered Bond shall be held by the applicable Tender Agent for the benefit of the owner thereof (provided that the owner shall have no right to any investment proceeds derived from such funds), to be paid on delivery (and proper endorsement) of such Undelivered Bond to such Tender Agent at its designated office for delivery of Weekly Rate Bonds. Any funds held by such Tender Agent as described in clause (3) of the preceding sentence shall be held uninvested and not commingled.

Section 9.5. Amendments to Liquidity Facility. Except with the consent of all the Holders of a series of Weekly Rate Bonds, neither the Board nor the applicable Tender Agent shall permit any amendment, supplement, modification or waiver to the applicable Liquidity Facility that would result in the rating assigned to such Weekly Rate Bonds by the applicable Rating Agency being withdrawn or reduced below that in effect prior to such amendment, supplement, modification or waiver.

Section 9.6. Alternate Liquidity Facility. If at any time there shall be delivered to a Tender Agent (i) an Alternate Liquidity Facility, (ii) written evidence from the applicable Rating Agency stating the ratings of the applicable series of Weekly Rate Bonds after substitution of such Alternate Liquidity Facility, or a statement of the Board that no ratings have been obtained, and (iii) an opinion of counsel to the effect that such Alternate Liquidity Facility is a valid and enforceable obligation of the issuer or provider thereof, then such Tender Agent shall accept such Alternate Liquidity Facility and, if the applicable Liquidity Facility then in effect is a letter of credit, promptly surrender such Liquidity Facility to the Liquidity Provider that issued such Liquidity Facility in accordance with its terms for cancellation. Anything in this Resolution to the contrary notwithstanding, following satisfaction of the requirements set forth in this Section 9.6 and the mandatory tender for purchase of a series of Weekly Rate Bonds pursuant to Section 9.4(c) hereof in connection with the provision of any Alternate Liquidity Facility, (i) such Alternate Liquidity Facility may at any time thereafter specified by the Board to the applicable Tender Agent become the Liquidity Facility for such Weekly Rate Bonds for all purposes of this Resolution, and (ii) the Liquidity Facility replaced by such Alternate Liquidity Facility may be terminated at any time after such replacement.

Section 9.7. Notice of Termination or Other Change in Liquidity Facility. The applicable Registrar shall give notice by mail to the Holders of a series of Weekly Rate Bonds on or before the 15th day preceding (i) the expiration of any applicable Liquidity Facility in accordance with its terms, or (ii) any termination, replacement or modification of the terms of the applicable Liquidity Facility, which notice shall, to the extent applicable, (1) state the date of such replacement, termination, expiration or modification and the date of the proposed substitution of the Alternate Liquidity Facility (if any), and (2) state the date that such Weekly Rate Bonds will be purchased pursuant to Section 9.4(c) hereof as a result of such replacement, termination, expiration or modification. The Board shall provide the applicable Registrar with written notice of any information required to enable such Registrar to give the foregoing notice and shall provide such Registrar with the form of such notice at least five days before such notice is required to be given.

Section 9.8. Remarketing Agent and Tender Agent. (a) Subject to execution of a Remarketing Agreement, the initial Remarketing Agent for a series of Weekly Rate Bonds shall be as designated in the applicable Purchase Contract or Pricing Certificate. The Board shall appoint any successor Remarketing Agent subject to the conditions set forth in Section 9.9(a) hereof. Each Remarketing Agent shall designate its designated office (other than the initial Remarketing Agent whose designated office is listed in Section 9.16 hereof) and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Board under which such Remarketing Agent will agree, particularly, to keep such books and records with respect to its duties as Remarketing Agent as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Board at all reasonable times.

(b) The initial Tender Agent for a series of Weekly Rate Bonds shall be as designated in the applicable Purchase Contract or Pricing Certificate. The Board shall appoint any successor Tender Agent, subject to the conditions set forth in Section 9.9(b) hereof. Each Tender Agent shall designate its designated office(s) for delivery of notices and delivery of Weekly Rate Bonds and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Board and the applicable Registrar, Liquidity Provider and Remarketing Agent. By acceptance of its appointment hereunder, each Tender Agent agrees:

(i) to hold all Weekly Rate Bonds delivered to it pursuant to Section 9.4 hereof, as agent and bailee of, and in escrow for the benefit of, the respective owners which shall have so delivered such Weekly Rate Bonds until moneys representing the purchase price of such Weekly Rate Bonds shall have been delivered to or for the account of or to the order of such owners;

(ii) to establish and maintain a separate segregated trust fund designated as the "State of Texas Veterans Bonds, Taxable Series 2026 Bond Purchase Fund" (each, a "Bond Purchase Fund") (with the specific series designation to replace "2026," if applicable), and to establish and maintain therein a remarketing account (the "Remarketing Account") and a liquidity facility account (the "Purchase Account"), until such time as it has been discharged from its duties as Tender Agent hereunder;

(iii) to hold all moneys (without investment thereof) delivered to it hereunder in the Bond Purchase Fund for the purchase of Weekly Rate Bonds pursuant to Section 9.4 hereof, as agent and bailee of, and in escrow for the benefit of, the Person which shall have so delivered such moneys until the Weekly Rate Bonds purchased with such moneys shall have been delivered to or for the account of such Person;

(iv) to hold all moneys delivered to it by the Board for the purchase of Weekly Rate Bonds pursuant to Section 9.4 hereof, as agent and bailee of, and in escrow for the benefit of, the owners or former owners who shall deliver Weekly Rate Bonds to it for purchase until the Weekly Rate Bonds purchased with such moneys shall have been canceled;

(v) to hold all Weekly Rate Bonds registered in the name of the new owners thereof which have been delivered to it by the applicable Registrar for delivery to the applicable Remarketing Agent in accordance with the provisions of this Resolution; and

(vi) to keep such books and records as shall be consistent with standard industry practice and to make such books and records available for inspection by the Board, the applicable Liquidity Provider and the applicable Remarketing Agent at all reasonable times.

Section 9.9. Qualifications of Remarketing Agent and Tender Agent; Resignation; Removal.

(a) Each Remarketing Agent shall be a member of the Financial Industry Regulatory Authority, having a combined capital stock, surplus and undivided profits of at least \$250,000,000 and authorized by law to perform all the duties imposed upon it by this Resolution. Any successor Remarketing Agent shall have, or be a subsidiary of another entity or a partnership which includes as a general partner an entity which shall have, senior unsecured long-term debt which shall be rated, so long as the Weekly Rate Bonds shall be rated by the Rating Agency, at least Baa3/P-3 (or its equivalent) or otherwise qualified by the Rating Agency. A Remarketing Agent may at any time resign and be discharged of its duties and obligations hereunder upon providing the Board and the applicable Tender Agent, Liquidity Provider, Paying Agent and Registrar with at least 30 days' (or such number of days as is required by the applicable Remarketing Agreement) prior written notice. A Remarketing Agent may be removed at any time, at the direction of the Board with the written consent of the applicable Liquidity Provider, by an instrument signed by the Board and filed with the applicable Tender Agent, Registrar, Liquidity Provider and Remarketing Agent at least 30 days prior to the effective date of such removal. In the event that a Remarketing Agent has resigned or been removed and no successor Remarketing Agent has been appointed by the Board, the applicable Tender Agent shall perform, or engage a Person to perform, the duties of such Remarketing Agent until a successor Remarketing Agent has been appointed by the Board.

(b) Each Tender Agent shall be a bank with trust powers or a trust company duly organized under the laws of the United States of America or any state or territory thereof, and authorized by law to exercise corporate trust powers and otherwise perform all the duties imposed upon it by this Resolution. A Tender Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least 60 days' written notice to the Board and the applicable Registrar, Liquidity Provider and Remarketing Agent. A Tender Agent may be removed at any time by an instrument signed by the Board, filed with the applicable Tender Agent, Registrar, Liquidity Provider and Remarketing Agent. Such resignation or removal shall take effect on the day a successor Tender Agent shall have been appointed by the Board and the successor Tender Agent shall have accepted such appointment.

(c) Upon the effective date of resignation or removal of a Tender Agent, such Tender Agent shall deliver any Weekly Rate Bonds and moneys held by it in such capacity to its successor.

(d) So long as any series of Weekly Rate Bonds are Outstanding, the same entity shall be the Tender Agent and Registrar therefor.

Section 9.10. Notice of Weekly Rate Bonds Delivered for Purchase; Purchase of Weekly Rate Bonds. (a) The Tender Agent for a series of Weekly Rate Bonds shall determine timely and proper delivery of Weekly Rate Bonds of such series pursuant to this Resolution and the proper endorsement of such Weekly Rate Bonds. Such determination shall be binding on the owners of such Weekly Rate Bonds, the Board, the applicable Remarketing Agent and the applicable Liquidity Provider, absent manifest error. Such Tender Agent shall give notice by telephone, e-mail or fax, promptly confirmed by a written notice if given by telephone, to the Board and the applicable Registrar, Remarketing Agent and Liquidity Provider specifying the principal amount of Weekly Rate Bonds, if any, as to which it shall receive notice of tender for purchase in accordance with Section 9.4(a) hereof.

(b) Weekly Rate Bonds required to be purchased in accordance with Section 9.4 hereof shall be purchased from the owners thereof, on the date and at the purchase price at which such Weekly Rate Bonds are required to be purchased. Funds for the payment of such purchase price shall be derived from the following sources in the order of priority indicated:

(i) proceeds of the sale of such Weekly Rate Bonds remarketed to any Person pursuant to Section 9.11 hereof and furnished to the applicable Tender Agent by the purchasers or by the applicable Remarketing Agent for deposit into the Remarketing Account of the applicable Bond Purchase Fund;

(ii) moneys furnished to such Tender Agent for deposit into the Purchase Account of the applicable Bond Purchase Fund representing moneys received from draws on the applicable Liquidity Facility; and

(iii) moneys furnished to such Tender Agent for deposit into the applicable Bond Purchase Fund representing moneys provided by the Board in its discretion.

A Tender Agent may establish separate accounts or sub-accounts within the Bond Purchase Fund for such purposes as such Tender Agent may deem appropriate.

(c) (i) If ownership of a series of Weekly Rate Bonds is no longer determined only by a book entry at a securities depository for such Series 2026 Bonds, the applicable Registrar shall authenticate a new Series 2026 Bond or Series 2026 Bonds of such series in an aggregate principal amount equal to the principal amount of Series 2026 Bonds purchased in accordance with Section 9.10(b) hereof, whether or not the Weekly Rate Bonds so purchased are presented by the owners thereof, bearing a number or numbers not contemporaneously outstanding. Every Series 2026 Bond authenticated and delivered as provided in this Section shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Series 2026 Bonds of the same series duly issued hereunder. The applicable Registrar shall maintain a record of the Weekly Rate Bonds purchased as provided in this Section, together with the names and addresses of the former owners thereof. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, on

any date on which beneficial ownership in such Weekly Rate Bonds is tendered at the option of the owner of such beneficial interest (acting through its DTC Participant) in accordance with Section 9.4(a) hereof (including transfer of the beneficial ownership interest of the tendering owner to the account of the applicable Tender Agent at DTC), the applicable Tender Agent shall transfer ownership of such beneficial ownership on the records of DTC as provided in Section 9.12 hereof. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, on any date on which beneficial ownership interest in such Weekly Rate Bonds is subject to mandatory tender in accordance with Section 9.4 hereof, the applicable Tender Agent shall transfer beneficial ownership of such Series 2026 Bonds on the records of DTC as provided in Section 9.12 hereof, regardless of whether the owners of the beneficial interests subject to mandatory tender transfer their beneficial ownership of such Weekly Rate Bonds to such Tender Agent on the records of DTC, and moneys for the purchase of the beneficial interests subject to mandatory tender shall be transferred by such Tender Agent to DTC for transfer to the owners of such beneficial interests subject to mandatory purchase.

(ii) If ownership of a series of Weekly Rate Bonds is no longer determined only by a book entry at a securities depository for such Series 2026 Bonds, in the event any such Weekly Rate Bonds purchased as provided in this Section shall not be presented to the applicable Tender Agent, such Tender Agent shall segregate and hold the moneys for the purchase price of such Weekly Rate Bonds in trust for the benefit of the former owners of such Weekly Rate Bonds, who shall, except as provided in the following sentence, thereafter be restricted exclusively to such moneys for the satisfaction of any claim for the purchase price of such Weekly Rate Bonds. Any moneys which such Tender Agent shall segregate and hold in trust for the payment of the purchase price of any Weekly Rate Bond and remaining unclaimed for three years after the date of purchase shall, subject to the unclaimed property laws of the State and upon the Board's written request to such Tender Agent, be paid to the Board. After the payment of such unclaimed moneys to the Board, the former owner of such Weekly Rate Bond shall look only to the Board for the payment thereof, and the Board shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, if such Weekly Rate Bonds are subject to mandatory tender in accordance with the terms of this Resolution, then the applicable Tender Agent shall transfer beneficial ownership of such Series 2026 Bonds on the records of DTC as provided in Section 9.12 hereof, regardless of whether the owners of the beneficial interests subject to mandatory tender transfer their beneficial ownership of such Weekly Rate Bonds to such Tender Agent on the records of DTC, and moneys for the purchase of the beneficial interests subject to mandatory tender shall be transferred by such Tender Agent to DTC for transfer to the owners of such beneficial interests subject to mandatory purchase.

Section 9.11. Remarketing of Series 2026 Bonds; Notice of Interest Rates. (a) Upon notice of the tender for purchase of Weekly Rate Bonds, the applicable Remarketing Agent shall offer for sale and use its best efforts to sell such Weekly Rate Bonds, any such sale to be made on the date of such purchase in accordance with Section 9.4 hereof at the price determined in

accordance with Section 9.4 hereof. Each Remarketing Agent agrees that while a Liquidity Facility is in effect it shall not sell knowingly any Series 2026 Bonds tendered to it for purchase pursuant to Section 9.4 hereof to the Board, or to any Person who controls, is controlled by, or is under common control with, the Board. In addition, each Remarketing Agent shall offer for sale and use its best efforts to sell any applicable Weekly Rate Bonds that are Purchased Bonds.

(b) Each Remarketing Agent shall determine the rate of interest to be borne by the applicable Series 2026 Bonds during each Interest Rate Period and shall furnish to the Board and the applicable Registrar on the Business Day of determination each rate of interest so determined by e-mail, telephone or fax, promptly confirmed in writing if given by telephone, or shall make such information available to the Board and such Registrar by other readily accessible electronic means.

(c) Each Remarketing Agent shall advise the applicable Tender Agent and Liquidity Provider in writing or by telephone (promptly confirmed by e-mail or fax if given by telephone) not later than the Business Day preceding the Business Day on which any applicable Weekly Rate Bonds are to be purchased pursuant to Section 9.4 hereof of the aggregate principal amount of such Weekly Rate Bonds subject to purchase that have not been remarketed as of such time, provided that such Remarketing Agent may continue to remarket such Weekly Rate Bonds thereafter. Each Remarketing Agent shall give e-mail or telephonic notice, promptly confirmed by a written notice if given by telephone, to the applicable Registrar and Tender Agent on each date on which applicable Weekly Rate Bonds shall have been purchased pursuant to Section 9.10(b) hereof, specifying the principal amount of Series 2026 Bonds, if any, sold by it pursuant to Section 9.11(a) hereof along with, if the applicable series of Series 2026 Bonds are not registered as described in Section 2.10 hereof, a list of such purchasers showing the names and denominations in which such Series 2026 Bonds shall be registered, and the addresses and social security or taxpayer identification numbers of such purchasers. Each Remarketing Agent will transfer the proceeds received from the purchasers named in such notice to the applicable Tender Agent by 10:00 a.m., New York City time, on the Business Day on which such Weekly Rate Bonds are purchased.

Section 9.12. Delivery of Series 2026 Bonds. (a) Weekly Rate Bonds purchased with moneys described in clause (i) of Section 9.10(b) hereof shall be made available by the applicable Tender Agent to the applicable Remarketing Agent for delivery to the purchasers thereof against payment therefor.

(b) Except as otherwise provided in a Liquidity Facility, Weekly Rate Bonds purchased with moneys described in clause (ii) of Section 9.10(b) hereof shall be held by the applicable Tender Agent on behalf of the applicable Liquidity Provider as Purchased Bonds, and shall not be released following the remarketing thereof unless such Tender Agent has received written confirmation from such Liquidity Provider that the applicable Liquidity Facility has been reinstated with respect to such Series 2026 Bonds.

(c) Weekly Rate Bonds purchased with moneys described in clause (iii) of Section 9.10(b) hereof shall be canceled.

(d) Series 2026 Bonds delivered as provided in this Section shall be registered in the manner directed by the recipient thereof.

Section 9.13. Delivery of Proceeds of Sale. The proceeds of the sale by a Remarketing Agent of any applicable Weekly Rate Bonds delivered to it by any Holder shall be turned over to the applicable Tender Agent.

Section 9.14. Draws on Liquidity Facility to Pay Purchase Price of Weekly Rate Bonds. Each Tender Agent, on each day on which applicable Weekly Rate Bonds are required to be purchased pursuant to Section 9.4 hereof, is directed to make drawings under the applicable Liquidity Facility by such times and in such manner as shall be required to receive in immediately available funds on such date amounts sufficient (based upon the amount on deposit in the Remarketing Account of the applicable Bond Purchase Fund by 10:00 a.m., New York City time, on such day) to pay the purchase price plus accrued interest, if any, of Weekly Rate Bonds tendered for purchase or required to be purchased pursuant to the provisions of this Resolution and that have not been remarketed by the applicable Remarketing Agent, and to deposit the proceeds of such drawings or cause such proceeds to be deposited in the Purchase Account of the applicable Bond Purchase Fund pending application of such moneys to the payment of the purchase price of such Weekly Rate Bonds. In determining the amount of any such purchase price then due, such Tender Agent shall not take into consideration any purchase price due on such Weekly Rate Bonds held by the Board or any affiliate thereof, and no drawings under such Liquidity Facility shall be made or be used to pay the purchase price of any Purchased Bonds or Weekly Rate Bonds held by the Board or any affiliate thereof.

Section 9.15. Insufficient Funds for Purchase of Weekly Rate Bonds. If payment of the purchase price of any Weekly Rate Bond shall not be made to the Holder thereof on any date such Weekly Rate Bond has been tendered for purchase pursuant to Section 9.4 hereof, such Weekly Rate Bond shall be returned by the applicable Tender Agent to the Holder thereof, and shall continue to bear interest at a Weekly Interest Rate determined as provided in Section 9.2 hereof.

The payment of interest on this Bond shall be made by the Paying Agent to the registered owner hereof as shown by the Registration Books kept and maintained by the Registrar for the Bonds, which is initially _____, at the close of business on the Business Day immediately preceding each Interest Payment Date (including each redemption date) (each, a “Record Date”) by check drawn by the Paying Agent on, and payable solely from, funds of the Board required to be on deposit with the Paying Agent for such purpose as hereinafter provided; and such check shall be sent by the Paying Agent by first class United States mail, postage prepaid, on each such Interest Payment Date, to the Holder hereof at its address as it appears on the Registration Books kept and maintained by the Registrar, as hereinafter described. The Board covenants with the Holder of this Bond that as of each Interest Payment Date for this Bond it will make available to the Paying Agent the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due. Notwithstanding the foregoing, during any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, payments made to the securities depository, or its nominee, shall be made in accordance with arrangements between the Board and the securities depository.

THIS BOND is one of a series of bonds of like tenor and effect except as to number, principal amount and scheduled maturity, aggregating _____⁶ Dollars (\$_____)⁶ (the “Bonds”), issued for the purpose of making Home Loans to Texas Veterans, all in accordance with the provisions of the Constitutional Provision, the Act and Chapter 1371, and pursuant to a resolution authorizing the issuance of the series of Bonds of which this is one, adopted by the Board and duly of record in the minutes of the Board (the “Resolution”). The Bonds are issuable solely as fully registered bonds, without interest coupons, in Authorized Denominations as described in the Resolution.

THE SERIES OF BONDS of which this is one shall be and is hereby made a general obligation of the State of Texas, pursuant to the Constitutional Provision and the Act, and for the faithful performance of all covenants, recitals and stipulations herein contained, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and interest on this Bond when due, the full faith and credit of the State of Texas are hereby pledged.

⁶ The original aggregate principal amount of a series of the Series 2026 Bonds set forth in the related Purchase Contract or Pricing Certificate should be set forth here.

PAYMENTS OF THE PRINCIPAL OF and premium, if any, and interest on this Bond, shall be made primarily from the Veterans' Housing Assistance Fund II ("Fund II") governed by the Constitutional Provision, which fund shall be comprised of (a) any interest of the Board in all Home Loans made from money in Fund II pursuant to the Program, including proceeds of any insurance thereon or on the homes, (b) the proceeds derived from the sale or other disposition of the Board's interests in Home Loans, (c) the money attributable to any Housing Assistance Bonds (defined below) (except for certain expenses related to the issuance of Housing Assistance Bonds) issued and sold by the Board to provide money for Fund II which shall include but shall not be limited to the proceeds from the issuance and sale of such Housing Assistance Bonds, (d) income, rents, and any other pecuniary benefit received by the Board as a result of making Home Loans, (e) sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any Housing Assistance Bonds to comply with the person's bid and accept and pay for such Housing Assistance Bonds, (f) payments received by the Board under bond enhancement agreements with respect to the Housing Assistance Bonds, (g) interest received from investments of any such money, and (h) any equitable interest of the Board in properties encumbered by Home Loans and attributable to Fund II. The Bonds and all other bonds issued by the Board pursuant to the Constitution of the State to augment Fund II or to refund any such bonds are referred to herein as "Housing Assistance Bonds." The Constitutional Provision provides that to the extent there is not money in Fund II available for payment of principal of and interest on the Housing Assistance Bonds, there is appropriated out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by the Texas Constitution, an amount which is sufficient to pay the principal of and interest on such Housing Assistance Bonds that mature or become due during that fiscal year.

THE BONDS will initially be issued as Weekly Rate Bonds bearing interest at a Weekly Interest Rate. Thereafter, each Bond, at the election of the Board, may be changed to a Fixed Rate Bond bearing interest at a Fixed Interest Rate determined by the Remarketing Agent in accordance with the Resolution; provided, however, that in no event shall the interest rate on any Bond, including Purchased Bonds, exceed the Ceiling Rate. In addition, the interest rate on Purchased Bonds shall not exceed the Maximum Purchased Bond Rate. The terms of this Bond shall not apply to Fixed Rate Bonds, and as used in this Bond, the term "Bond" or "Bonds" shall not include Fixed Rate Bonds.

THE WEEKLY INTEREST RATE for the Bonds shall be determined by the Remarketing Agent by 4:30 p.m., New York City time, on Tuesday of each week during such Weekly Interest Rate Period, or if such day shall not be a Business Day, then on the next succeeding Business Day. The interest rate so determined shall be effective at the times set forth in the Resolution.

IN DETERMINING each Weekly Interest Rate for the Bonds, the Remarketing Agent shall set such rates at the respective interest rates that, in the sole and exclusive judgment of the Remarketing Agent, would equal (but not exceed) the interest rates necessary to enable the Remarketing Agent to sell such Bonds (exclusive of accrued interest, if any) on the relevant determination date, at a price equal to the principal amount thereof; provided, however, that such interest rate shall not exceed the Ceiling Rate.

NOTWITHSTANDING anything to the contrary contained herein, this Bond, if held by or for the account of the Liquidity Provider as a Purchased Bond, shall bear interest at the Purchased Bond Rate, payable at the times and in the manner and calculated on the basis provided in the Liquidity Facility; provided, however, that the Purchased Bond Rate shall not exceed the Maximum Purchased Bond Rate as provided in the Resolution.

THE BONDS (including Purchased Bonds) shall be subject to scheduled mandatory sinking fund redemption and shall be redeemed on the first Business Day of the months and in the respective principal amounts set forth in the table below, at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date fixed for redemption:

<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u> ⁷
------------------------	-------------------------	------------------------	--------------------------------------

The principal amount of Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall be reduced, at the option of the Board, by the principal amount of any Bonds [of the same stated maturity]⁸ which (i) at least 45 days prior to such mandatory sinking fund redemption date, (a) shall have been acquired by the Board and delivered to the Registrar for cancellation, or (b) shall have been acquired and canceled by the Registrar at the direction of the Board, or (c) shall have been redeemed pursuant to any redemption provision set forth below and (ii) shall have not been previously credited against a scheduled mandatory sinking fund redemption.

THE BONDS (including Purchased Bonds) shall be subject to redemption prior to maturity on the first Business Day of any month, at the option and direction of the Board, in whole or in part, at a redemption price of par plus accrued interest. [In the case of any such redemption, the Board shall select the maturity or maturities of the Bonds to be redeemed and the amounts thereof in Authorized Denominations.]⁸

IN THE EVENT of any redemption of less than all of the Bonds [of a particular maturity]⁸, the particular Bonds [within each such maturity]⁸ to be redeemed are to be selected by the Registrar by lot in such manner as the Registrar shall deem fair and appropriate. During any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, if less than the entire principal amount Outstanding of all the Bonds is to be redeemed, the interests to be redeemed of the beneficial owners of the Bonds [of such maturity]⁹ shall be selected in accordance with the arrangements between the Board and the

⁷ The amounts set forth in the Purchase Contract or Pricing Certificate should be included in the table. Additional tables shall be added if there is more than one stated maturity of a series of Series 2026 Bonds, with a heading above each table identifying the stated maturity of the Series 2026 Bonds to which such table relates.

securities depository. In the event of any redemption of Bonds, Purchased Bonds shall be selected first for redemption in the manner described in the Resolution.

AT LEAST 30 days prior to the date fixed for any such redemption of this Bond, a written notice of such redemption shall be sent by first class mail, postage prepaid, by the Registrar to the Holder hereof. By the date fixed for any such redemption, due provision shall be made by the Board with the Paying Agent for the payment of the required redemption price for this Bond or the portion hereof which is to be so redeemed. If such written notice of redemption is given, and if due provision for such payment is made, all as provided above, this Bond, or the portion hereof which is to be redeemed, thereby automatically shall be redeemed prior to its scheduled maturity, and shall not bear interest after the date fixed for its redemption, and shall not be regarded as being Outstanding except for the right of the Holder to receive the redemption price plus accrued interest to the date fixed for redemption from the Paying Agent out of the funds provided for such payment. The Registrar shall record in the Registration Books all such redemptions of principal of this Bond or any portion hereof. If a portion of any Bond shall be redeemed, a substitute Bond [having the same maturity date,]⁹ in any Authorized Denomination that may be requested by the Holder thereof, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Resolution.

IN ADDITION to the notice of redemption required above, the Registrar shall send notice of redemption of Bonds by certified or registered mail, return receipt requested, postage prepaid, or by overnight delivery service contemporaneously with such mailing: (a) to any registered owner of \$1,000,000 or more in aggregate principal amount of Bonds; (b) to two or more information services of national recognition that disseminate redemption information with respect to municipal bonds; and (c) to any securities depository that is a registered owner of the Bonds. In addition, in the event of a redemption caused by an advance refunding of the Bonds, the Registrar shall send a second notice of redemption to all registered owners of the Bonds at least 30 days but not more than 90 days prior to the actual redemption date. Any notice required to be sent to any registered securities depositories or national information services shall be sent so that it is received at least two (2) days prior to the general mailing date of such notice. The Registrar shall also send a notice of redemption to the registered owner of any Bond who has not sent the Bonds in for redemption 60 days after the redemption date. Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this paragraph or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Bonds.

ANY BONDS, subject to the requirements regarding timely notice and delivery, will be purchased, in accordance with the provisions of the Resolution, on the demand of the Holder thereof as provided in the Resolution and delivery to the Tender Agent of such Bond, endorsed in blank by the Holder thereof or accompanied by an instrument of transfer thereof in form satisfactory to the Tender Agent, executed in blank by the Holder thereof (the Tender Agent being able to refuse to accept delivery of any such Bond not endorsed in blank or for which an instrument of transfer satisfactory to it has not been provided). THE TIMELY DELIVERY OF A PROPERLY COMPLETED TENDER REQUEST NOTICE SHALL CONSTITUTE AN IRREVOCABLE TENDER OF THE BONDS COVERED THEREBY.

THE BONDS WILL BE SUBJECT to mandatory tender for purchase on the Business Days and under the circumstances specified in the Resolution.

EACH BOND SHALL BE SUBJECT to mandatory tender for purchase on the Fixed Rate Conversion Date.

IF THE HOLDER HEREOF FAILS TO DELIVER THIS BOND OR ANY PORTION HEREOF TO THE TENDER AGENT AFTER GIVING NOTICE OF AN OPTIONAL TENDER, OR UPON A MANDATORY TENDER, AND MONEYS SUFFICIENT TO PAY THE PURCHASE PRICE OF THIS BOND ARE ON DEPOSIT WITH THE TENDER AGENT, THIS BOND OR PORTION HEREOF SHALL BE DEEMED TO HAVE PURCHASED, AND THEREAFTER NO FURTHER INTEREST SHALL ACCRUE ON THIS BOND OR SUCH PORTION. THE HOLDER HEREOF SHALL THEREAFTER HAVE RECOURSE SOLELY TO THE FUNDS HELD BY THE TENDER AGENT FOR THE PURCHASE OF THIS BOND, AND THE TENDER AGENT SHALL NOT RECOGNIZE ANY FURTHER TRANSFER HEREOF.

WHENEVER, during the term of the Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), tenders of Bonds shall be made pursuant to DTC's (or any successor securities depository's) deliver order procedures or repayment option procedures, as applicable, as are in effect from time to time. Upon remarketing of Bonds, payment of the purchase price thereof shall be made to DTC (or any successor securities depository) and no surrender of Bonds is required. Such sales shall be made through the DTC Participants (which may include the Remarketing Agent) to the new beneficial owners of such Bonds, and the DTC Participants shall transmit payment to beneficial owners whose Bonds were purchased pursuant to a remarketing. The Board and the Registrar, the Paying Agent, the Tender Agent, the Liquidity Provider and the Remarketing Agent are not responsible for transfer of payment to the DTC Participants or beneficial owners.

THIS BOND or any portion or portions hereof in any Authorized Denomination may be assigned and shall be transferred only in the Registration Books of the Board kept and maintained by the Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof, in any Authorized Denomination, to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. A new Bond or Bonds payable to such assignee (which then will be the new registered owner of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds. Except in the case of tenders of Bonds pursuant to the Resolution or of the

remarketing of Purchased Bonds, neither the Board nor the Registrar shall be required (a) to issue, replace, transfer, or exchange any Bond during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (b) to replace, transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days; except that at the option of the registered owner of at least \$1,000,000 in principal amount of Bonds, the Registrar shall be required to transfer or exchange any Bond of such owner which has been selected in whole or in part for redemption upon surrender thereof. The Registrar may make such arrangements as it deems appropriate for notation on each new Bond issued in exchange for or upon the transfer of the Bond so selected for redemption of an appropriate legend to the effect that such new Bond has been so selected for redemption. The registered owner of this Bond shall be treated by the Issuer, the Board, the Paying Agent and the Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the Issuer, the Board, the Paying Agent and the Registrar shall not be affected by any notice to the contrary. The Board shall pay the Registrar's reasonable and standard or customary fees and charges for making such transfer, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto.

AS PROVIDED in the Resolution, this Bond, or any portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, in the same Interest Mode, bearing interest at the same rate, and in any Authorized Denomination, as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Resolution. The one requesting such conversion and exchange shall pay the Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or any portion or portions thereof in any Authorized Denomination, as described in the previous paragraph, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Bond which has been redeemed in part prior to maturity, as provided herein, such fees and charges will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined only by a book entry at a securities depository for the Bonds, the foregoing requirements of registering, holding, delivering, exchanging or transferring this Bond shall be modified to require the appropriate Person to meet the requirements of the securities depository as to registering, holding, delivering, exchanging or transferring the book entry to produce the same effect.

IN THE EVENT that the initial Paying Agent or Registrar for the Bonds is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, whose qualifications comply with the requirements of the Resolution, and that one entity will

serve as Paying Agent and Registrar, except during periods when the Bonds are registered only by means of a book entry at a securities depository, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE BOARD reserves the right to amend the Resolution, as deemed necessary or desirable by the Board, with the consent of the registered owners of a majority in aggregate principal amount of the Bonds then Outstanding under the terms and conditions stated in the Resolution. The Board may, without the consent of the registered owners of the Bonds, adopt certain amendments to the Resolution as set forth in the Resolution.

IN THE EVENT of any conflict or inconsistency between the terms and provisions of this Bond and the terms and provisions of the Resolution, the terms and provisions of the Resolution shall control.

IT IS HEREBY CERTIFIED and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, that the series of Bonds of which this is a part does not exceed any Constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part by a pledge of the credit of the Issuer and of the funds specified herein.

ON THE MATURITY DATE SPECIFIED ABOVE, the State of Texas (hereinafter sometimes called the “Issuer”), acting by and through the Veterans’ Land Board (the “Board”) of the State of Texas, hereby promises to pay to _____, or to the registered assignee hereof (either being hereinafter called the “registered owner”), the principal amount of _____ DOLLARS and to pay interest thereon, from the bond date stated above to the date of its scheduled maturity or the date of its redemption prior to scheduled maturity, at the rate of interest per annum specified above, with said interest being payable on _____ 1, 20____, and semiannually on each June 1 and December 1 thereafter (computed on the basis of a 360-day year consisting of twelve 30-day months) (each, an “Interest Payment Date”).

the calendar month immediately preceding each Interest Payment Date, or (ii) in the case of a redemption of Bonds prior to maturity, the fifteenth day prior to the mailing of the applicable notice of redemption (each, a “Record Date”), by check drawn by the Paying Agent on, and payable solely from, funds of the Board required to be on deposit with the Paying Agent for such purpose as hereinafter provided; and such check shall be sent by the Paying Agent by first class United States mail, postage prepaid, on each such Interest Payment Date, to the registered owner hereof at its address as it appears on the Registration Books kept and maintained by the Registrar, as hereinafter described. The Paying Agent shall make payment of the principal of and premium, if any, or interest on this Bond by wire transfer in immediately available funds to a bank account located within the United States of Federal Reserve Funds upon request of the registered owner hereof, provided such registered owner is the registered owner of \$1,000,000 or more in aggregate principal amount of Bonds and provides the necessary wire information to the Paying Agent at least 15 days prior to the applicable Record Date. The Board covenants with the registered owner of this Bond that as of each Interest Payment Date for this Bond it will make available to the Paying Agent the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due. Notwithstanding the foregoing, during any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, payments made to the securities depository, or its nominee, shall be made in accordance with arrangements between the Board and the securities depository.

UNLESS OTHERWISE DEFINED herein, capitalized words and terms used in this Bond and not otherwise defined shall have the meanings ascribed to such terms in the Resolution (defined below).

IF THE DATE for the payment of the principal of or interest on this Bond shall not be a Business Day, then the date for such payment shall be the next succeeding Business Day and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is one of a series of bonds of like tenor and effect except as to number, principal amount and scheduled maturity, aggregating _____ Dollars³ (\$_____) (the “Bonds”), issued for the purpose of making Home Loans to Texas Veterans, all in accordance with the provisions of the Constitutional Provision, the Act and Chapter 1371, and pursuant to a resolution authorizing the issuance of the series of Bonds of which this is one, adopted by the Board and duly of record in the minutes of the Board (the “Resolution”). The Bonds are issuable solely as fully registered bonds, without interest coupons, in denominations of any integral multiple of \$5,000 (each, an “Authorized Denomination”).

THE SERIES OF BONDS of which this is one shall be and is hereby made a general obligation of the State of Texas, pursuant to the Constitutional Provision and the Act, and for the faithful performance of all covenants, recitals and stipulations herein contained, and for the faithful performance in proper time and manner of each official or other act required and

necessary to provide for the prompt payment of principal of and interest on this Bond when due, the full faith and credit of the State of Texas are hereby pledged.

PAYMENTS OF THE PRINCIPAL OF and premium, if any, and interest on this Bond, shall be made primarily from the Veterans' Housing Assistance Fund II ("Fund II") created by the Constitutional Provision, which fund shall be comprised of (1) any interest of the Board in all Home Loans made from money in Fund II pursuant to the Program, including proceeds of any insurance thereon or on the homes, (2) the proceeds derived from the sale or other disposition of the Board's interests in Home Loans, (3) the money attributable to any Housing Assistance Bonds (defined below) (except for certain expenses related to the issuance of Housing Assistance Bonds) issued and sold by the Board to provide money for Fund II which shall include but shall not be limited to the proceeds from the issuance and sale of such Housing Assistance Bonds, (4) income, rents, and any other pecuniary benefit received by the Board as a result of making Home Loans, (5) sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any Housing Assistance Bonds to comply with the person's bid and accept and pay for such Housing Assistance Bonds, (6) payments received by the Board under bond enhancement agreements with respect to the Housing Assistance Bonds, (7) interest received from investments of any such money, and (8) any equitable interest of the Board in properties encumbered by Home Loans and attributable to Fund II. The Bonds and all other bonds issued by the Board pursuant to the Constitution of the State to augment Fund II or to refund any such bonds are referred to herein as "Housing Assistance Bonds." The Constitutional Provision provides that to the extent there is not money in Fund II available for payment of principal of and interest on the Housing Assistance Bonds, there is appropriated out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by the Texas Constitution, an amount which is sufficient to pay the principal of and interest on such Housing Assistance Bonds that mature or become due during that fiscal year.

THE BONDS are subject to scheduled mandatory sinking fund redemption, and shall be redeemed on the dates and in the respective principal amounts set forth in the table below, at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date fixed for redemption:

<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u> ⁴
------------------------	-------------------------	------------------------	--------------------------------------

*Stated maturity

⁴ For Converted Fixed Rate Bonds, the remaining amounts set forth in the applicable Purchase Contract or Pricing Certificate should be included in the table, and additional tables shall be added if there is more than one stated maturity of such Series 2026 Bonds, with a heading above each table identifying the stated maturity of the Series 2026 Bonds to which such table relates; for Series 2026 Bonds issued as Fixed Rate Bonds, the amounts set forth in the Purchase Contract or Pricing Certificate shall be set forth here.

The principal amount of Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall be reduced, at the option of the Board, by the principal amount of any Bonds [of the same stated maturity]⁵ which (A) at least 45 days prior to such mandatory sinking fund redemption date, (1) shall have been acquired by the Board and delivered to the Registrar for cancellation, or (2) shall have been acquired and canceled by the Registrar at the direction of the Board, or (3) shall have been redeemed pursuant to any optional redemption and (B) shall have not been previously credited against a scheduled mandatory sinking fund redemption.

THE BONDS shall be subject to redemption and may be redeemed prior to the scheduled maturities thereof, at the option and direction of the Board, at any time and from time to time on and after _____ 1, 20__, in whole or in part, at the redemption prices set forth below (expressed as a percentage of the principal amount of the Bonds or portions thereof to be redeemed), plus accrued interest to the date fixed for redemption:

Redemption Dates

Redemption Price

[In the case of any such redemption, the Board shall select the maturity or maturities of the Bonds to be redeemed and the amounts thereof in Authorized Denominations.]⁵

IN THE EVENT of any redemption of less than all of the Bonds [of a particular maturity]⁵, the particular Bonds [within such maturity]⁵ to be redeemed are to be selected by the Registrar by lot in such manner as the Registrar shall deem fair and appropriate. During any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, if less than the entire principal amount Outstanding of all the Bonds [of the same maturity are to be redeemed]⁵, the interests to be redeemed of the beneficial owners of the Bonds of such maturity shall be selected in accordance with the arrangements between the Board and the securities depository.

AT LEAST 30 days prior to the date fixed for any such redemption of this Bond, a written notice of such redemption shall be sent by first class mail, postage prepaid, by the Registrar to the Holder hereof. By the date fixed for any such redemption, due provision shall be made by the Board with the Paying Agent for the payment of the required redemption price for this Bond or the portion hereof which is to be so redeemed. If such written notice of redemption is given, and if due provision for such payment is made, all as provided above, this Bond, or the portion hereof which is to be redeemed, thereby automatically shall be redeemed prior to its scheduled maturity, and shall not bear interest after the date fixed for its redemption, and shall not be regarded as being Outstanding except for the right of the Holder to receive the redemption price plus accrued interest to the date fixed for redemption from the Paying Agent out of the funds provided for such payment. The Registrar shall record in the Registration Books all such redemptions of principal of this Bond or any portion hereof. If a portion of any Bond shall be

redeemed, a substitute Bond [having the same stated maturity,]⁶ in any Authorized Denomination that may be requested by the Holder thereof, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Resolution.

IN ADDITION to the notice of redemption required above, the Registrar shall send notice of redemption of Bonds by certified or registered mail, return receipt requested, postage prepaid, or by overnight delivery service contemporaneously with such mailing: (1) to any registered owner of \$1,000,000 or more in aggregate principal amount of Bonds; (2) to two or more information services of national recognition that disseminate redemption information with respect to municipal bonds; and (3) to any securities depository that is a registered owner of the Bonds. In addition, in the event of a redemption caused by an advance refunding of the Bonds, the Registrar shall send a second notice of redemption to all registered owners of the Bonds at least 30 days but not more than 90 days prior to the actual redemption date. Any notice required to be sent to any registered securities depositories or national information services shall be sent so that it is received at least two (2) days prior to the general mailing date of such notice. The Registrar shall also send a notice of redemption to the registered owner of any Bond who has not sent the Bonds in for redemption 60 days after the redemption date. Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this paragraph or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Bonds.

THIS BOND or any portion or portions hereof in any Authorized Denomination may be assigned and shall be transferred only in the Registration Books of the Board kept and maintained by the Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof, in any Authorized Denomination, to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. A new Bond or Bonds payable to such assignee (which then will be the new registered owner of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds. Neither the Board nor the Registrar shall be required (1) to issue, replace, transfer, or exchange any Bond during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (2) to replace, transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days; except that at the option of the registered owner of at least \$1,000,000 in principal amount

⁶ Bracketed text to be deleted if there only one stated maturity of the series of Series 2026 Bonds.

of Bonds, the Registrar shall be required to transfer or exchange any Bond of such owner which has been selected in whole or in part for redemption upon surrender thereof. The Registrar may make such arrangements as it deems appropriate for notation on each new Bond issued in exchange for or upon the transfer of the Bond so selected for redemption of an appropriate legend to the effect that such new Bond has been so selected for redemption. The registered owner of this Bond shall be treated by the Issuer, the Board, the Paying Agent and the Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the Issuer, the Board, the Paying Agent and the Registrar shall not be affected by any notice to the contrary. The Board shall pay the Registrar's reasonable and standard or customary fees and charges for making such transfer, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto.

AS PROVIDED in the Resolution, this Bond, or any portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, bearing interest at the same rate, and in any Authorized Denomination, as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Resolution. The one requesting such conversion and exchange shall pay the Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or any portion or portions thereof in any Authorized Denomination, as described in the previous paragraph, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Bond which has been redeemed in part prior to maturity, as provided herein, such fees and charges will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined only by a book entry at a securities depository for the Bonds, the foregoing requirements of registering, holding, delivering, exchanging or transferring this Bond shall be modified to require the appropriate Person to meet the requirements of the securities depository as to registering, holding, delivering, exchanging or transferring the book entry to produce the same effect.

IN THE EVENT that the initial Paying Agent or Registrar for the Bonds is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, whose qualifications comply with the requirements of the Resolution, and that one entity will serve as Paying Agent and Registrar, except during periods when the Bonds are registered only by means of a book entry at a securities depository, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such

terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE BOARD reserves the right to amend the Resolution, as deemed necessary or desirable by the Board, with the consent of the registered owners of a majority in aggregate principal amount of the Bonds then Outstanding under the terms and conditions stated in the Resolution. The Board may, without the consent of the registered owners of the Bonds, adopt certain amendments to the Resolution as set forth in the Resolution.

IN THE EVENT of any conflict or inconsistency between the terms and provisions of this Bond and the terms and provisions of the Resolution, the terms and provisions of the Resolution shall control.

IT IS HEREBY CERTIFIED and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, that the series of Bonds of which this is a part does not exceed any Constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part by a pledge of the credit of the Issuer and of the funds specified herein.

The principal of and premium, if any, on this Bond shall be paid to the registered owner hereof upon presentation and surrender of this Bond at maturity or upon the date fixed for its redemption prior to maturity, at the designated office of the Paying Agent for the Bonds (defined below), which is initially the Comptroller of Public Accounts of the State of Texas in Austin, Texas. The payment of interest on this Bond shall be made by the Paying Agent to the registered owner hereof as shown by the Registration Books kept and maintained by the Registrar for the Bonds, which is initially _____, at the close of business on the Business Day immediately preceding each Interest Payment Date (including each redemption date) (each, a “Record Date”) by check drawn by the Paying Agent on, and payable solely from, funds of the Board required to be on deposit with the Paying Agent for such purpose as hereinafter provided; and such check shall be sent by the Paying Agent by first class United States mail, postage prepaid, on each such Interest Payment Date, to the Holder hereof at its address as it appears on the Registration Books kept and maintained by the Registrar, as hereinafter described. The Paying Agent shall make payment of the principal of and premium, if any, or interest on any Bond by wire transfer in immediately available funds to a bank account located within the United States of Federal Reserve Funds to the Liquidity Provider (in the case of any Purchased Bond) and to any Holder of \$1,000,000 or more in aggregate principal amount of Bonds requesting such payment and providing the necessary wire information to the Paying Agent at least 15 days prior to the applicable Record Date. The Board covenants with the Holder of this Bond that as of each Interest Payment Date for this Bond it will make available to the Paying Agent the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due. Notwithstanding the foregoing, during any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, payments made to the securities depository, or its nominee, shall be made in accordance with arrangements between the Board and the securities depository.

THIS BOND is one of a series of bonds of like tenor and effect except as to number, principal amount and scheduled maturity, aggregating _____²⁴ Dollars (\$_____)⁷ (the “Bonds”), issued for the purpose of making Home Loans to Texas Veterans, all in accordance with the provisions of the Constitutional Provision, the Act and Chapter 1371, and pursuant to a resolution authorizing the issuance of the series of Bonds of which this is one, adopted by the Board and duly of record in the minutes of the Board (the “Resolution”). The Bonds are issuable solely as fully registered bonds, without interest coupons, in denominations of _____²⁵ (each, an “Authorized Denomination”).

THE SERIES OF BONDS of which this is one shall be and is hereby made a general obligation of the State of Texas, pursuant to the Constitutional Provision and the Act, and for the faithful performance of all covenants, recitals and stipulations herein contained, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and interest on this Bond when due, the full faith and credit of the State of Texas are hereby pledged.

²⁴ The original aggregate principal amount of a series of the Series 2026 Bonds set forth in the related Purchase Contract or Pricing Certificate should be set forth here.

²⁵ The Authorized Denominations set forth in the related Pricing Certificate should be set forth here.

PAYMENTS OF THE PRINCIPAL OF and premium, if any, and interest on this Bond, shall be made primarily from the Veterans’ Housing Assistance Fund II (“Fund II”) governed by the Constitutional Provision, which fund shall be comprised of (a) any interest of the Board in all Home Loans made from money in Fund II pursuant to the Program, including proceeds of any insurance thereon or on the homes, (b) the proceeds derived from the sale or other disposition of the Board’s interests in Home Loans, (c) the money attributable to any Housing Assistance Bonds (defined below) (except for certain expenses related to the issuance of Housing Assistance Bonds) issued and sold by the Board to provide money for Fund II which shall include but shall not be limited to the proceeds from the issuance and sale of such Housing Assistance Bonds, (d) income, rents, and any other pecuniary benefit received by the Board as a result of making Home Loans, (e) sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any Housing Assistance Bonds to comply with the person’s bid and accept and pay for such Housing Assistance Bonds, (f) payments received by the Board under bond enhancement agreements with respect to the Housing Assistance Bonds, (g) interest received from investments of any such money, and (h) any equitable interest of the Board in properties encumbered by Home Loans and attributable to Fund II. The Bonds and all other bonds issued by the Board pursuant to the Constitution of the State to augment Fund II or to refund any such bonds are referred to herein as “Housing Assistance Bonds.” The Constitutional Provision provides that to the extent there is not money in Fund II available for payment of principal of and interest on the Housing Assistance Bonds, there is appropriated out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by the Texas Constitution, an amount which is sufficient to pay the principal of and interest on such Housing Assistance Bonds that mature or become due during that fiscal year.²⁶

THE BONDS shall be subject to scheduled mandatory sinking fund redemption and shall be redeemed on _____²⁷ and in the respective principal amounts set forth in the table below, at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date fixed for redemption:

<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u> ²⁸
------------------------	-------------------------	------------------------	---------------------------------------

The principal amount of Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall be reduced, at the option of the Board, by the principal amount of any Bonds [of the same stated maturity]²⁹ which (i) at least 45 days prior to such

Additional tables shall be added if there is more than one stated maturity of the series of Series 2026 Bonds, with a heading above each table identifying the stated maturity of the Series 2026 Bonds to which such table relates.

mandatory sinking fund redemption date, (a) shall have been acquired by the Board and delivered to the Registrar for cancellation, or (b) shall have been acquired and canceled by the Registrar at the direction of the Board, or (c) shall have been redeemed pursuant to any redemption provision set forth below and (ii) shall have not been previously credited against a scheduled mandatory sinking fund redemption.³⁰

IN THE EVENT of any redemption of less than all of the Bonds [of a particular maturity]³¹, the particular Bonds [within each such maturity]¹⁴ to be redeemed are to be selected by the Registrar by lot in such manner as the Registrar shall deem fair and appropriate. During any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, if less than the entire principal amount Outstanding of all the Bonds is to be redeemed, the interests to be redeemed of the beneficial owners of the Bonds [of such maturity]¹⁴ shall be selected in accordance with the arrangements between the Board and the securities depository. In the event of any redemption of Bonds, Purchased Bonds shall be selected first for redemption in the manner described in the Resolution.

AT LEAST 30 days prior to the date fixed for any such redemption of this Bond, a written notice of such redemption shall be sent by first class mail, postage prepaid, by the Registrar to the Holder hereof. By the date fixed for any such redemption, due provision shall be made by the Board with the Paying Agent for the payment of the required redemption price for this Bond or the portion hereof which is to be so redeemed. If such written notice of redemption is given, and if due provision for such payment is made, all as provided above, this Bond, or the portion hereof which is to be redeemed, thereby automatically shall be redeemed prior to its scheduled maturity, and shall not bear interest after the date fixed for its redemption, and shall not be regarded as being Outstanding except for the right of the Holder to receive the redemption price plus accrued interest to the date fixed for redemption from the Paying Agent out of the funds provided for such payment. The Registrar shall record in the Registration Books all such redemptions of principal of this Bond or any portion hereof. If a portion of any Bond shall be redeemed, a substitute Bond [having the same maturity date,]¹⁴ in any Authorized Denomination that may be requested by the Holder thereof, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Resolution.

IN ADDITION to the notice of redemption required above, the Registrar shall send notice of redemption of Bonds by certified or registered mail, return receipt requested, postage prepaid, or by overnight delivery service contemporaneously with such mailing: (a) to any registered owner of \$1,000,000 or more in aggregate principal amount of Bonds; (b) to two or more information services of national recognition that disseminate redemption information with respect to municipal bonds; and (c) to any securities depository that is a registered owner of the Bonds. In addition, in the event of a redemption caused by an advance refunding of the Bonds, the Registrar shall send a second notice of redemption to all registered owners of the Bonds at least 30 days but not more than 90 days prior to the actual redemption date. Any notice required to be sent to any registered securities depositories or national information services shall be sent so that it is received at least two (2) days prior to the general mailing date of such notice. The

³⁰ Optional redemption provisions, if any, specified in the related Pricing Certificate to be added here.

³¹ Bracketed text to be deleted if there is only one stated maturity of the series of Series 2026 Bonds.

Registrar shall also send a notice of redemption to the registered owner of any Bond who has not sent the Bonds in for redemption 60 days after the redemption date. Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this paragraph or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Bonds.

WHENEVER, during the term of the Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), tenders of Bonds shall be made pursuant to DTC's (or any successor securities depository's) deliver order procedures or repayment option procedures, as applicable, as are in effect from time to time. Upon remarketing of Bonds, payment of the purchase price thereof shall be made to DTC (or any successor securities depository) and no surrender of Bonds is required. Such sales shall be made through the DTC Participants (which may include the Remarketing Agent) to the new beneficial owners of such Bonds, and the DTC Participants shall transmit payment to beneficial owners whose Bonds were purchased pursuant to a remarketing. The Board and the Registrar, the Paying Agent, the Tender Agent, the Liquidity Provider and the Remarketing Agent are not responsible for transfer of payment to the DTC Participants or beneficial owners.

THIS BOND or any portion or portions hereof in any Authorized Denomination may be assigned and shall be transferred only in the Registration Books of the Board kept and maintained by the Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof, in any Authorized Denomination, to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. A new Bond or Bonds payable to such assignee (which then will be the new registered owner of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds. Neither the Board nor the Registrar shall be required (a) to issue, replace, transfer, or exchange any Bond during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (b) to replace, transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days; except that at the option of the registered owner of at least \$1,000,000 in principal amount of Bonds, the Registrar shall be required to transfer or exchange any Bond of such owner which has been selected in whole or in part for redemption upon surrender thereof. The Registrar may make such arrangements as it deems appropriate for notation on each new Bond issued in exchange for or upon the transfer of the Bond so selected for redemption of an appropriate legend to the effect that such new Bond has been so selected for redemption. The registered owner of this Bond shall be treated by the Issuer, the Board, the Paying Agent and the Registrar

as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the Issuer, the Board, the Paying Agent and the Registrar shall not be affected by any notice to the contrary. The Board shall pay the Registrar's reasonable and standard or customary fees and charges for making such transfer, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto.

AS PROVIDED in the Resolution, this Bond, or any portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, in the same Interest Mode, bearing interest at the same rate, and in any Authorized Denomination, as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Resolution. The one requesting such conversion and exchange shall pay the Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or any portion or portions thereof in any Authorized Denomination, as described in the previous paragraph, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Bond which has been redeemed in part prior to maturity, as provided herein, such fees and charges will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined only by a book entry at a securities depository for the Bonds, the foregoing requirements of registering, holding, delivering, exchanging or transferring this Bond shall be modified to require the appropriate Person to meet the requirements of the securities depository as to registering, holding, delivering, exchanging or transferring the book entry to produce the same effect.

IN THE EVENT that the initial Paying Agent or Registrar for the Bonds is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, whose qualifications comply with the requirements of the Resolution, and that one entity will serve as Paying Agent and Registrar, except during periods when the Bonds are registered only by means of a book entry at a securities depository, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE BOARD reserves the right to amend the Resolution, as deemed necessary or desirable by the Board, with the consent of the registered owners of a majority in aggregate principal amount of the Bonds then Outstanding under the terms and conditions stated in the Resolution. The Board may, without the consent of the registered owners of the Bonds, adopt certain amendments to the Resolution as set forth in the Resolution.

IN THE EVENT of any conflict or inconsistency between the terms and provisions of this Bond and the terms and provisions of the Resolution, the terms and provisions of the Resolution shall control.

IT IS HEREBY CERTIFIED and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, that the series of Bonds of which this is a part does not exceed any Constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part by a pledge of the credit of the Issuer and of the funds specified herein.³²

[UNLESS THE REGISTRAR'S AUTHENTICATION CERTIFICATE hereon has been executed by the Registrar by manual signature, this Bond shall not be entitled to any benefit under the Resolution or be valid or obligatory for any purpose.]³⁴

MEMORANDUM

TEXAS VETERANS LAND BOARD • CHAIRWOMAN DAWN BUCKINGHAM, M.D.

Date: February 3, 2026

To: Dawn Buckingham, M.D., Chairwoman
James Rothfelder, Member
Judson Scott, Member

From: John Barton, Director of VLB Bond Funds Management

Subject: Agenda Item 13 e - Consideration and possible action on the adoption of a resolution authorizing the issuance and sale of State of Texas Veterans Bonds, Taxable Refunding Series 2026, in one or more series and installments, in an aggregate principal amount not to exceed \$200,000,000, and providing for other matters relating to the subject.

Recommendation

Staff recommends that the Board authorize the issuance up to \$200,000,000 in taxable refunding general obligation bonds in the Veterans Housing Assistance Program (VHAP) between February 4, 2026 and February 3, 2027. In addition, staff recommends that the final maturity of the bonds not exceed December 1, 2057, and that the bond True Interest Cost not exceed 6.00%.

Summary

Historically, VLB has issued variable-rate bonds combined with a floating-to-fixed rate swap which creates a synthetic fixed-rate bond. The fixed-leg of the swap rate (which roughly translates to the overall fixed-rate cost for the bonds) for many series of bonds issued by VLB was set in very different market conditions compared to today. With the recent rise in interest rates both in bonds and mortgages, VLB limited the amount of loans it purchased associated with several of its bond series due to federal tax law limitations on earnings for tax-exempt bonds.

The change in interest rates and IRS limitations on tax-exempt bond issuances have effectively restricted the VHAP from recycling proceeds from certain bond series, but in the current market VLB has an opportunity to convert certain tax-exempt bonds to taxable synthetic-fixed rate bonds at substantially lower interest costs rather than issuing new taxable synthetic fixed-rate bonds. Moreover, this conversion will continue to allow the VLB to provide below-market interest rate loans to Veterans in-line with the loan rate formula established by the VLB.

In August 2024, VLB issued a similar transaction that refunded \$35,000,000 and \$100,000,000 of the Series 2017 and Series 2021 bonds, respectively, and transferred a like portion of their existing swaps to the Series 2024A Taxable Refunding Bonds. The Series 2024A transaction has been performing as expected.

There are currently seven bond series that are attractive for a full or partial conversion from tax-exempt financing to taxable financing although others may be added if conditions allow.

Bond Series	Swap (Fixed) Rate
Series 2011C	1.9170%
Series 2012A	1.6920%
Series 2015A	1.5100%
Series 2016	1.5640%
Series 2017	1.1750%
Series 2020	1.0847%
Series 2021	0.6490%

Any newly issued replacement or refunding taxable bonds will be a one-to-one replacement of the current tax-exempt bonds and match exactly the amortizations of the replaced tax-exempt bonds. Additionally, the swaps currently associated with the tax-exempt bonds will be transferred to the new taxable bonds.

RESOLUTION

BY THE VETERANS' LAND BOARD OF THE STATE OF TEXAS AUTHORIZING THE ISSUANCE AND SALE OF STATE OF TEXAS VETERANS BONDS, TAXABLE REFUNDING SERIES 2026 IN ONE OR MORE SERIES AND INSTALLMENTS, AND PROVIDING FOR OTHER MATTERS RELATING TO THE SUBJECT

WHEREAS, pursuant to the provisions of Article III, Section 49-b (the "Constitutional Provision") of the Constitution (the "State Constitution") of the State of Texas (the "State"), and implemented by Chapter 162, Texas Natural Resources Code, as amended (the "Act"), the Veterans' Land Board (the "Board") of the State has been authorized, subject to the limitations set forth in the Constitutional Provision, to issue general obligation bonds ("Bonds") of the State from time to time for the purpose of providing funding for the Veterans' Housing Assistance Fund II ("Fund II"), which funds are to be used for the purpose of making home mortgage loans to Veterans (as such term is defined in the Act); and

WHEREAS, the Board has previously caused to be issued the Bonds (collectively, the "Prior Bonds") identified in Exhibit E hereto for the purpose of augmenting Fund II; and

WHEREAS, there are on deposit in Fund II unexpended proceeds and "recycled" proceeds (in general, amounts representing payments and prepayments of Home Loans not needed to pay debt service on the related Prior Bonds) of the Prior Bonds ("Prior Bond Proceeds"); and

WHEREAS, under federal income tax law, the amount that may be earned on Home Loans funded with the proceeds of tax-exempt Bonds, such as the Prior Bonds, is limited to 1.125% in excess of the yield on the related Bonds (the "Permitted Spread"), and the Board is unable to retain any such amount in excess of the Permitted Spread; and

WHEREAS, as a result of the current interest rate environment and the low yield on certain of the Prior Bonds, the amount earned on new Home Loans funded with Prior Bond Proceeds is significantly greater than the Permitted Spread; and

WHEREAS, the amount that may be earned on Home Loans funded with the proceeds of taxable Bonds is not limited; and

WHEREAS, the Board desires to restructure the amortization of some or all of the Prior Bonds in order to better match expected payments on the Home Loans (defined herein) relating to such Prior Bonds; and

WHEREAS, the Board is authorized pursuant to Section 162.046 of the Act and Chapter 1207, Texas Government Code, as amended ("Chapter 1207"), to provide by resolution for the issuance of refunding bonds for the purpose of refunding outstanding Bonds; and

WHEREAS, the Board has determined that it is necessary and desirable at this time and in the best interests of the Board that taxable Bonds (hereinafter defined as the "Series 2026

Bonds”) be issued in one or more series and installments for the purpose of refunding Prior Bonds; and

WHEREAS, because the Prior Bonds bear, and the Series 2026 Bonds will bear, interest at a variable rate, the manner in which the refunding of any Prior Bonds is being executed does not make it practicable to determine the maximum amount by which or whether the aggregate amount of payments to be made under a series of Series 2026 Bonds exceeds the aggregate amount of payments that would have been made under the terms of the related Prior Bonds; and

WHEREAS, pursuant to the Constitutional Provision, the Act, Chapter 1207 and Chapter 1371, Texas Government Code, as amended (“Chapter 1371”), the Board hereby determines to issue the Series 2026 Bonds; and

WHEREAS, the Board hereby finds that the purpose for which the Board may issue the Series 2026 Bonds constitutes “public works,” as contemplated by Chapter 1371;

NOW, THEREFORE, BE IT RESOLVED BY THE VETERANS’ LAND BOARD OF THE STATE OF TEXAS:

ARTICLE I

DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

Section 1.1. Definitions. (a) For all purposes of this Resolution, except as otherwise expressly provided or unless the context otherwise requires:

(i) “This Resolution” means this resolution as originally adopted or as it may from time to time be supplemented or amended by one or more resolutions supplemental hereto adopted pursuant to the applicable provisions hereof.

An authorized representative of the applicable Registrar shall, before the delivery of any such Series 2026 Bond, date such Series 2026 Bond in the manner set forth above, and manually sign and date the Registrar's Authentication Certificate, and no such Series 2026 Bond shall be deemed to be issued or Outstanding unless such Registrar's Authentication Certificate is so executed and dated. Each Registrar promptly shall cancel all applicable Series 2026 Bonds surrendered for transfer, conversion and exchange or replacement. No additional orders or resolutions need be passed or adopted by the Board or any other body or Person so as to accomplish the foregoing conversion and exchange or replacement of any Series 2026 Bond or portion thereof, and each Registrar shall provide for the execution and delivery of substitute Series 2026 Bonds in the manner prescribed herein. Pursuant to Chapter 1201, and particularly Sections 1201.061 through 1201.063 and 1201.067 thereof, the duty of conversion and exchange or replacement of Series 2026 Bonds as aforesaid is hereby imposed upon the related Registrar, and, upon the execution and dating of the above described Registrar's Authentication Certificate, the transferred, converted and exchanged or replaced Series 2026 Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Series 2026 Bonds which originally were delivered pursuant to this Resolution, approved by the Attorney General, and registered by the Comptroller. Except in the case of tenders of Weekly Rate Bonds pursuant to Section 9.4 hereof or of the remarketing of Purchased Bonds, neither the Board nor any Registrar shall be required (i) to issue, transfer, replace or exchange any Series 2026 Bond subject to redemption in whole or in part during a

period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of such series of Series 2026 Bonds and ending at the close of business on the day of such mailing, or (ii) to replace, transfer or exchange any Series 2026 Bond so selected for redemption, in whole or in part, when such redemption is scheduled to occur within 30 calendar days; except that at the option of the Holder of at least \$1,000,000 in principal amount of a series of Series 2026 Bonds, the applicable Registrar shall be required to transfer or exchange any such Series 2026 Bond of such Holder which has been selected, in whole or in part, for redemption upon surrender thereof. A Registrar may make such arrangements as it deems appropriate for notation on each new Series 2026 Bond issued in exchange for or upon the transfer of the Series 2026 Bond so selected for redemption of an appropriate legend to the effect that such new Series 2026 Bond has been so selected for redemption.

(e) All Series 2026 Bonds issued in conversion and exchange or replacement of any other Series 2026 Bond or portion thereof, (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Series 2026 Bonds to be payable only to the Holders thereof, (ii) may be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Series 2026 Bonds, (v) shall have the characteristics, (vi) shall be signed and sealed, (vii) shall be authenticated, and (viii) shall provide that the principal of and interest on such Series 2026 Bonds shall be payable, all as provided, and in the manner required or indicated, in this Resolution.

(f) The Board shall pay each Registrar's reasonable and standard or customary fees and charges for making transfers of Series 2026 Bonds, but the Holder of any related Series 2026 Bond requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto. The Holder of any Series 2026 Bond requesting any conversion and exchange shall pay the applicable Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Series 2026 Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Series 2026 Bond or Series 2026 Bonds or any portion or portions thereof in any Authorized Denomination, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Series 2026 Bond that has been redeemed in part prior to maturity, as provided in this Resolution, such fees and charges will be paid by the Board.

Section 2.7. Damaged and Missing Bonds. (a) In the event any Outstanding Series 2026 Bond is damaged, mutilated, lost, stolen, or destroyed, the applicable Registrar shall cause to be printed, executed, authenticated and delivered, a new Series 2026 Bond of the same series, principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Series 2026 Bond in the manner hereinafter provided.

(b) Application for replacement of a damaged, mutilated, lost, stolen, or destroyed Series 2026 Bond shall be made by the Holder thereof to the applicable Registrar. In every case of loss, theft, or destruction of a Series 2026 Bond, the Holder applying for a replacement Series 2026 Bond shall furnish to the Board and to the applicable Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Series 2026 Bond, the

Holder shall furnish to the Board and to the applicable Registrar evidence to their satisfaction of the loss, theft, or destruction of such Series 2026 Bond, as the case may be. In every case of damage or mutilation of a Series 2026 Bond, the Holder shall surrender to the applicable Registrar for cancellation the Series 2026 Bond so damaged or mutilated.

(c) Notwithstanding the foregoing provisions of this Section, in the event any such Series 2026 Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of and premium, if any, or interest on the Series 2026 Bond, the Board may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Series 2026 Bond, provided security or indemnity is furnished as provided above in this Section.

(d) Prior to the issuance of any replacement Series 2026 Bond pursuant to the provisions of this Section, the applicable Registrar shall charge the Holder of such Series 2026 Bond with all legal, printing, and other expenses in connection therewith. Every replacement Series 2026 Bond issued pursuant to the provisions of this Section by virtue of the fact that any Series 2026 Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Board whether or not the lost, stolen, or destroyed Series 2026 Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Series 2026 Bonds duly issued under this Resolution.

(e) In accordance with Section 1201.062 of Chapter 1201, this Section shall constitute authority for the issuance of any such replacement Series 2026 Bond without the necessity of further action by the Board or any other body or Person, and the duty of the replacement of such Series 2026 Bond is hereby authorized and imposed upon the applicable Registrar, and such Registrar shall authenticate and deliver such replacement Series 2026 Bonds in the form and manner and with the effect, as provided in Section 2.6(d) of this Resolution for Series 2026 Bonds issued in conversion and exchange for other Series 2026 Bonds.

Section 2.8. Sale and Delivery of Series 2026 Bonds. The Series 2026 Bonds may be sold publicly or privately on a negotiated basis, as determined by the Authorized Representatives to assure that the Series 2026 Bonds are sold on advantageous terms. Pursuant to Chapter 1371, the Authorized Representatives are hereby severally authorized and directed to act for and on behalf of the Board in connection with other matters relating to the issuance of the Series 2026 Bonds. In such capacity, the Authorized Representatives, acting for and on behalf of the Board, shall determine the date of issuance and sale of each series of the Series 2026 Bonds, and are also hereby severally authorized and directed to approve, execute and deliver the related Purchase Contract or Pricing Certificate, and to approve the principal amounts and maturities of such Series 2026 Bonds and whether such Series 2026 Bonds shall be issued initially as Fixed Rate Bonds, Weekly Rate Bonds or Variable Rate Bonds, the redemption provisions and such other terms applicable to such Series 2026 Bonds, the Purchase Contract or Pricing Certificate to be approved by the Authorized Representative executing the Purchase Contract or Pricing Certificate, such approval to be conclusively evidenced by such Authorized Representative's execution thereof; provided that (i) the final maturity and aggregate principal amount of such Series 2026 Bonds shall comply with Section 2.2 hereof, and (ii) the interest rate on such Series 2026 Bonds shall not exceed the Ceiling Rate, subject to the unqualified approving opinion as to the legality of such Series 2026 Bonds of the Attorney General and of Bond

Counsel. The Authorized Representatives and all other officers, agents and representatives of the Board are hereby authorized to do any and all other things necessary or desirable to satisfy the conditions set out in the Purchase Contract or otherwise required by the Initial Purchaser and to provide for the issuance and delivery of Series 2026 Bonds. One definitive Series 2026 Bond for each series and maturity date, in the principal amount for such series and maturity date as set forth in the related Purchase Contract or Pricing Certificate, shall be delivered to or as directed by the Initial Purchaser thereof. It is further provided, however, that notwithstanding the foregoing provisions, a series of Series 2026 Bonds shall not be delivered unless prior to delivery such Series 2026 Bonds have been rated by a Rating Agency in one of the four highest rating categories for long-term obligations or in one of the three highest rating categories for short-term obligations, as required by Chapter 1371.

Section 2.9. Preliminary Official Statement and Official Statement. For any Series 2026 Bonds to be sold initially in a public offering, prior to the execution of the Purchase Contract, the Chairwoman of the Board, acting for and on behalf of the Board, (i) if requested by the Initial Purchaser thereof, shall cause a preliminary official statement (the “Preliminary Official Statement”) to be prepared for distribution by the Underwriters to prospective purchasers of such Series 2026 Bonds, such document to be in the form as an Authorized Representative may deem necessary or appropriate, and each Authorized Representative is hereby authorized for and on behalf of the Board to approve and deem final the Preliminary Official Statement as of its date, except for such omissions as are permitted by the Rule (as defined in Section 8.1 hereof); within seven business days after the execution of the related Purchase Contract, the Chairwoman of the Board, acting for and on behalf of the Board, shall cause the final Official Statement, in substantially the form of the Preliminary Official Statement, with such changes as the Chairwoman of the Board may approve, such approval to be conclusively evidenced by her execution thereof, to be provided to the Underwriters in compliance with the Rule, or (ii) if such Initial Purchaser does not request a Preliminary Official Statement, the Chairwoman of the Board, acting for and on behalf of the Board, shall cause an official statement to be prepared for distribution by the Underwriters thereof to prospective purchasers of such Series 2026 Bonds, such document to be in the form as an Authorized Representative may deem necessary or appropriate.

Section 2.10. Book-Entry System. As provided in Section 2.8 of this Resolution, each series of Series 2026 Bonds initially shall be delivered against payment to the Initial Purchaser thereof. The Series 2026 Bonds so delivered to such Initial Purchaser shall be registered in accordance with the instructions of such Initial Purchaser. Each Initial Purchaser shall be required to promptly surrender any Initial Series 2026 Bond received by such Initial Purchaser for exchange. Series 2026 Bonds issued in exchange shall be registered in the name of Cede & Co., as nominee of DTC, as Holder, and held in the custody or on behalf of DTC. Unless otherwise requested by DTC, a single certificate will be issued and delivered to DTC or its designee for each series and maturity and of the Series 2026 Bonds. Beneficial owners of Series 2026 Bonds will not receive physical delivery of Series 2026 Bond certificates except as provided hereinafter. For so long as DTC shall continue to serve as securities depository for the Series 2026 Bonds as provided herein, all transfers of beneficial ownership interests therein will be made by book entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Series 2026 Bonds is to receive, hold or deliver any Series 2026 Bond certificate.

With respect to Series 2026 Bonds registered in the name of Cede & Co., as nominee of DTC, none of the Board or the applicable Paying Agent or Registrar shall have any responsibility or obligation to any DTC Participant or to any Person on whose behalf a DTC Participant holds an interest in the Series 2026 Bonds. Without limiting the immediately preceding sentence, none of the Board or any Paying Agent or Registrar shall have any responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Series 2026 Bonds, (ii) the delivery to any DTC Participant or any other Person, other than a Holder, as shown on the Bond Register, of any notice with respect to the Series 2026 Bonds, including any notice of redemption, and (iii) the payment to any DTC Participant or any other Person, other than a Holder, of any amount with respect to principal of and premium, if any, or interest on the Series 2026 Bonds.

Replacement Series 2026 Bonds may be issued directly to beneficial owners of Series 2026 Bonds other than DTC, or its nominee, but only in the event that (i) DTC determines not to continue to act as securities depository for the Series 2026 Bonds (which determination shall become effective no less than 90 days after written notice to such effect to the Board and the applicable Paying Agent and Registrar), or (ii) the Board has advised DTC of its determination (which determination is conclusive as to DTC and the beneficial owners of the Series 2026 Bonds) that DTC is incapable of discharging its duties as securities depository for the Series 2026 Bonds, or (iii) the Board has determined (which determination is conclusive as to DTC and the beneficial owners of the Series 2026 Bonds) that the interests of the beneficial owners of the Series 2026 Bonds might be adversely affected if such book entry only system of transfer is continued. Upon occurrence of any event described in (i) or (ii) above, the Board shall use its best efforts to attempt to locate another qualified securities depository. If the Board fails to locate another qualified securities depository to replace DTC, the Board shall cause to be executed, authenticated and delivered replacement Series 2026 Bonds, in certificated form, to the DTC Participants having an interest in the Series 2026 Bonds as shown on the records of DTC provided by DTC to the Board. In the event that the Board makes the determination noted in (iii) above and has made provisions to notify the beneficial owners of the Series 2026 Bonds of such determination by mailing an appropriate notice to DTC, it shall cause to be issued replacement Series 2026 Bonds in certificated form to the DTC Participants having an interest in the Series 2026 Bonds as shown on the records of DTC provided by DTC to the Board. The Board undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the Board to make any determination described in (ii) or (iii) above.

Whenever, during the term of the Series 2026 Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), the requirements in this Resolution of holding, registering, delivering, exchanging or transferring Series 2026 Bonds shall be deemed modified to require the appropriate Person to meet the requirements of DTC (or such successor securities depository) as to holding, registering, delivering, exchanging or transferring the book entry to produce the same effect.

Whenever, during the term of the Weekly Rate Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), tenders of Weekly Rate Bonds shall be made pursuant to DTC's (or any successor securities depository's) deliver order procedures or repayment option procedures, as applicable, as are in effect from time to time. Upon remarketing of Weekly Rate Bonds, payment of the Purchase Price thereof shall be

made to DTC (or any successor securities depository), and no surrender of Weekly Rate Bonds is required. Such sales shall be made through the DTC Participants (which may include the Remarketing Agent) to the new beneficial owners of such Weekly Rate Bonds, and the DTC Participants shall transmit payment to beneficial owners whose Weekly Rate Bonds were purchased pursuant to a remarketing. The Board and each Registrar, Paying Agent, Tender Agent, Liquidity Provider and Remarketing Agent are not responsible for transfer of payment to the DTC Participants or beneficial owners.

If at any time DTC ceases to hold the Series 2026 Bonds, all references herein to DTC shall be of no further force or effect.

Anything to the contrary contained herein notwithstanding, this Section 2.10 shall not apply to a series of the Series 2026 Bonds if so provided in the Pricing Certificate therefor.

ARTICLE III

REDEMPTION OF SERIES 2026 BONDS

Section 3.1. Redemption. (a) Series 2026 Bonds (including Purchased Bonds) shall be subject to scheduled mandatory sinking fund redemption and shall be redeemed on the dates and in the respective principal amounts set forth in the related Purchase Contract or Pricing Certificate, at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date fixed for redemption. The principal amount of Series 2026 Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall be reduced, at the option of the Board, by the principal amount of any Series 2026 Bonds of the same series and having the same stated maturity which (A) at least 45 days prior to such mandatory sinking fund redemption date, (1) shall have been acquired by the Board and delivered to the applicable Registrar for cancellation, or (2) shall have been acquired and canceled by such Registrar at the direction of the Board, or (3) shall have been redeemed pursuant to any redemption provision set forth below and (B) shall have not been previously credited against a scheduled mandatory sinking fund redemption.

(b) The Weekly Rate Bonds (including Purchased Bonds) shall be subject to redemption prior to maturity on the first Business Day of any month, at the option and direction of the Board, in whole or in part, at a redemption price of par plus accrued interest. In the case of any such redemption, the Board shall select the maturity or maturities of the Weekly Rate Bonds to be redeemed and the amounts thereof in Authorized Denominations.

(c) Any series of Series 2026 Bonds issued as other than Weekly Rate Bonds shall be subject to redemption prior to maturity, at the option and direction of the Board, during the periods and at the redemption prices set forth in the related Purchase Contract or Pricing Certificate, plus accrued interest to the date fixed for redemption.

(d) Converted Fixed Rate Bonds shall be subject to redemption prior to maturity, at the option and direction of the Board, during the periods specified by an Authorized Representative, in whole at any time or in part from time to time, at the redemption prices (expressed as a percentage of principal amount) determined by such Authorized Representative,

plus accrued interest, if any, to the redemption date. In the case of any such redemption, the Board shall select the maturity or maturities of the Fixed Rate Bonds to be redeemed and the amounts thereof in Authorized Denominations.

(e) In the case of any redemption of less than all of the Series 2026 Bonds of a particular series and maturity, the particular Series 2026 Bonds within each such series and maturity to be redeemed shall be selected by the applicable Registrar by lot in such manner as such Registrar shall deem fair and appropriate; provided that during any period in which ownership of such Series 2026 Bonds is determined only by a book entry at a securities depository, if less than the entire principal amount Outstanding of all Series 2026 Bonds of the same series and maturity is to be redeemed, the interests to be redeemed of the beneficial owners of such Series 2026 Bonds shall be selected in accordance with the arrangements between the Board and the securities depository.

(f) Anything in this Section 3.1 to the contrary notwithstanding, in the event of any (i) optional redemption of Weekly Rate Bonds, Purchased Bonds of the same series shall be selected first for such redemption to the extent there are any such Purchased Bonds, provided that the Board may select the maturity or maturities of Purchased Bonds to be so redeemed and the amounts thereof in Authorized Denominations, and (ii) mandatory sinking fund redemption of Weekly Rate Bonds, Purchased Bonds of the same series and maturity being redeemed shall be selected first for such redemption to the extent there are any such Purchased Bonds.

Section 3.2. Notice of Redemption. At least 30 days prior to the date fixed for any redemption of Series 2026 Bonds, a written notice of such redemption shall be sent by first class mail, postage prepaid by the Registrar to the Holders of the applicable series of Series 2026 Bonds to be redeemed on such date. All notices of redemption shall state: (1) the date of redemption and general mailing of such notices; (2) the redemption price; (3) the identification (including complete official name and series designation and issue date), the CUSIP number, if any, certificate number (and in the case of partial redemption, the respective principal amounts), interest rates and maturity dates of the Series 2026 Bonds to be redeemed; (4) that on the redemption date the redemption price will become due and payable on each such Series 2026 Bond, and that interest thereon shall cease to accrue from and after such date; and (5) the name and address of the applicable Paying Agent, including the name and telephone number of a contact person and the place where such Series 2026 Bonds are to be surrendered for payment of the redemption price. By the date fixed for any such redemption, due provision shall be made by the Board with the applicable Paying Agent for the payment of the required redemption price for such Series 2026 Bonds or the portions thereof which are to be so redeemed. If such written notice of redemption is given, and if due provision for such payment is made, all as provided above, such Series 2026 Bonds, or the portions thereof which are to be so redeemed, thereby automatically shall be redeemed prior to their scheduled maturities, and shall not bear interest after the date fixed for their redemption, and shall not be regarded as being Outstanding except for the right of the Holders thereof to receive the redemption price therefor from the applicable Paying Agent out of the funds provided for such payment. The applicable Registrar shall record in the related Bond Register all such redemptions of principal of the Series 2026 Bonds or any portion thereof. If only a portion of any Series 2026 Bond shall be redeemed, a substitute Series 2026 Bond or Series 2026 Bonds, having the same series and maturity date, bearing interest at the same rate, in any Authorized Denomination which may be requested by the Holder

thereof, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder thereof upon the surrender thereof for cancellation, at the expense of the Board, all as provided in this Resolution. For all purposes of this Resolution, unless the context otherwise requires, all provisions relating to the redemption of Series 2026 Bonds shall relate, in the case of any Series 2026 Bond redeemed or to be redeemed only in part, to the portion of the principal of such Series 2026 Bond that has been or is to be redeemed.

In addition to the notice of redemption required above, the applicable Registrar shall send notice of redemption by certified or registered mail, return receipt requested, postage prepaid, or by overnight delivery service contemporaneously with such mailing: (1) to any Holder of \$1,000,000 or more in principal amount of the applicable series of Series 2026 Bonds; (2) to two or more information services of national recognition that disseminate redemption information with respect to municipal bonds; and (3) to any securities depository that is a Holder of such Series 2026 Bonds. In addition, in the event of a redemption caused by an advance refunding of Series 2026 Bonds, the applicable Registrar shall send a second notice of redemption to all Holders of such Series 2026 Bonds at least thirty (30) days but not more than ninety (90) days prior to the actual redemption date. Any notice required to be sent to any registered securities depositories or national information services shall be sent so that it is received at least two (2) days prior to the general mailing date of such notice. A Registrar shall also send a notice of redemption to the Holder of any applicable Series 2026 Bond called for redemption who has not sent such Series 2026 Bond in for redemption sixty (60) days after the redemption date.

Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this Section or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Series 2026 Bonds.

ARTICLE IV

FUNDS AND INVESTMENTS

Section 4.1. Establishment of Fund II. The Comptroller (as successor to the Treasurer of the State) has established in the State Treasury the “Veterans’ Housing Assistance Fund II,” referred to herein as “Fund II.” The Board hereby confirms and ratifies the establishment of Fund II and agrees to maintain Fund II until all Bonds have been paid in full.

Section 4.2. Deposits to Fund II. Fund II is and shall be comprised of, and where feasible it is the duty of the Board, and the officers of the Board are hereby authorized and directed, to deposit into Fund II, the following:

(v) sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any Bonds to comply with the person's bid and accept and pay for such Bonds;

(vi) payments received by the Board under bond enhancement agreements with respect to the Bonds;

(vii) interest received from investments of any such money; and

(viii) any equitable interest of the Board in properties encumbered by Home Loans and attributable to Fund II.

The Board may deposit other moneys to the credit of Fund II, including moneys transferred by the Board from the Veterans' Land Fund and Fund I, which are eligible under the Constitution and applicable laws of the State for such deposit or transfer.

Section 4.3. Home Loans. (a) Money in Fund II, including the proceeds from the sale of Bonds, may be used by the Board in the making of Home Loans as provided in the Act, the payment of Expenses Attributable to Home Loans and Expenses Attributable to Bonds, and, as herein provided, the payment of the principal of and premium, if any, and interest on the Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds; provided, that the language of this paragraph shall not be construed to prevent the investment of the moneys in Fund II when permitted by the Constitutional Provision or the Act.

(b) The Board will fix interest rates to be charged Veterans receiving Home Loans from the Board which will assure that the proceeds from payments and repayments of Home Loans, together with other legally available moneys, including, without limitation, anticipated transfers from the Veterans' Land Fund or Fund I, will exceed the amount of payments the Board is required to make from Fund II for the payment of interest on and principal of the Bonds as such come due and mature, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, and to the extent permitted by the Constitution and applicable laws of the State, the Board covenants to transfer such amounts from the Veterans' Land Fund and Fund I as are necessary to cause available amounts in Fund II to be sufficient for such payment.

Section 4.4. Source of Payment. (a) The principal of and interest on the Series 2026 Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Series 2026 Bonds, shall be and are hereby made general obligations of the State pursuant to the Constitutional Provision, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and interest on each of the Series 2026 Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Series 2026 Bonds, when due the resources of the Board to the extent herein provided and the full faith and credit of the State are hereby pledged.

(b) All payments of the principal of and interest on the Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, shall be made from Fund II; provided, that if the Legislature of the State shall later provide additional sources from which the principal of or the interest on the Bonds, including payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, may be paid, the Board, its officers, the Comptroller and all other officers and employees of the State are hereby authorized and requested, and, to the extent that they are under the jurisdiction of this Board, directed to take all steps necessary to accomplish the use of such additional funds for such purpose, without releasing the continuing right of the Holders to the present sources prescribed by the Constitutional Provision and the Act for the payment of such principal and interest.

(c) The Board recognizes the absolute and ultimate obligation of the State to provide during each Fiscal Year all moneys necessary to pay the principal of and interest on the Bonds, including money to make payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, and recognizes that the Constitutional Provision provides that to the extent there is not money in Fund II available for payment of principal of and interest on the Bonds, including money to make payments by the Board under bond enhancement agreements with respect to principal of or interest on the Bonds, “there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, an amount that is sufficient to pay the principal of and interest on the general obligation bonds that mature or come due during that fiscal year or to make bond enhancement payments with respect to those bonds.”

Section 4.5. Other Uses of Fund II Moneys. (a) The Constitutional Provision provides that receipts of all kinds of Fund II determined by the Board not to be required for the payment of principal of and interest on Bonds or other general obligation bonds hereafter authorized by the Constitution of the State to provide money for Fund II, including payments by the Board under bond enhancement agreements with respect to principal of or interest on Bonds and such other general obligation bonds, may be used by the Board, to the extent not inconsistent with the proceedings authorizing such bonds, to (1) make temporary transfers to either the Veterans’ Land Fund or Fund I to avoid a temporary cash deficiency in that fund or make a transfer to either of those funds for the purposes of that fund; (2) pay the principal of and interest on general obligation bonds issued to provide money for either the Veterans’ Land Fund or Fund I or make bond enhancement payments with respect to such bonds; or (3) pay the principal of and interest on revenue bonds of the Board or make bond enhancement payments with respect to such bonds. In accordance with the Constitutional Provision, the Board reserves the right to use the moneys in Fund II for such purposes, or for any other purpose from time to time authorized by the Constitutional Provision.

(b) The Constitutional Provision also provides that if the Board determines that assets from Fund II are not required for the purposes of Fund II, the Board may (i) transfer the assets to either the Veterans’ Land Fund or Fund I, (ii) use the assets to secure revenue bonds issued by the Board under the Constitutional Provision, (iii) use the assets to plan and design, operate, maintain, enlarge or improve veterans cemeteries, or (iv) use the assets to plan and design, construct, acquire, own, operate, maintain, enlarge, improve, furnish, or equip veterans homes. In accordance with the Constitutional Provision, the Board reserves the right to use the assets

from Fund II for such purposes, or for any other purpose from time to time authorized by the Constitutional Provision.

Section 4.6. Program Administration. The Program may be administered on behalf of the Board by one or more administrators, each of which shall be a nationally recognized institution with previous experience in the administration of mortgage lending programs, and whose duties shall be specified in an agreement between the Board and the administrator named therein. Currently, the Program administrators are Gateway Mortgage Group, LLC as “Loan Origination Administrator” and Nationstar Mortgage LLC as “Master Servicer.” Home Loans may (i) be originated by the Board, or (ii) be originated and serviced through qualified lending institutions in the State, which shall be subject to the approval of the Board.

Section 4.7. Investments. The moneys of Fund II which are not immediately committed to the payment of principal of and interest on the Bonds, the making of Home Loans as herein provided, or the payment of expenses as herein provided may be invested in Eligible Investments until such funds are needed for such purposes.

ARTICLE V

COVENANTS OF THE BOARD

Section 5.1. Payment Procedures. (a) The Board hereby covenants that it shall establish procedures with the Comptroller whereby sufficient moneys shall be withdrawn from Fund II and forwarded to each Paying Agent for the payment of interest on and principal of the Series 2026 Bonds coming due on each interest or principal payment date. In addition, the Board covenants that as of each principal payment date and Interest Payment Date for a series of Series 2026 Bonds it will make available to the applicable Paying Agent the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due. Notwithstanding the foregoing, during any period in which ownership of a series of Series 2026 Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, payments made to the securities depository, or its nominee, shall be made in accordance with arrangements between the Board and the securities depository.

If the date for the payment of the principal of or interest on the Series 2026 Bonds is a day other than a Business Day, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

Section 5.2. Paying Agent and Registrar. (a) The Board covenants with the Holders that at all times while the Series 2026 Bonds are Outstanding, the Board will provide a competent and legally qualified Paying Agent and Registrar for each series of Series 2026 Bonds under this Resolution, and that the Paying Agent and Registrar for such series shall be one entity, except during any period when such Series 2026 Bonds are registered only by means of a book entry at a securities depository. The Board reserves the right to, and may, at its option, change any Paying Agent or Registrar upon not less than 30 days written notice to such Paying Agent or Registrar. In the event that an entity at any time acting as Paying Agent or Registrar (or the successor thereto by merger, acquisition, or other method) should resign or otherwise cease to act

as such, the Board covenants that it will appoint promptly a competent and legally qualified national or state banking institution which shall be an entity organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, subject to supervision or examination by federal or state authority, and, if the previous Paying Agent or Registrar was a banking institution, whose qualifications substantially are similar to the previous Paying Agent or Registrar, as appropriate, to act as Paying Agent or Registrar under this Resolution. Upon any change in a Registrar, the previous Registrar promptly shall transfer and deliver the related Bond Register (or a copy thereof), along with all other pertinent books and records relating to the applicable Series 2026 Bonds, to the new Registrar designated and appointed by the Board. Upon any change in a Paying Agent, the previous Paying Agent promptly shall transfer and deliver the records regarding payments of principal of and interest on the applicable Series 2026 Bonds (or a copy thereof) it has kept and maintained, along with all other pertinent books and records relating to payments made regarding such Series 2026 Bonds, to the new Paying Agent designated and appointed by the Board. Upon any change in Paying Agent or Registrar, the Board promptly will cause a written notice thereof to be sent by the new Registrar to each applicable Holder by first class mail, postage prepaid, which notice also shall give the address of the new Paying Agent or Registrar, as appropriate. By accepting the position and performing as such, each Paying Agent and Registrar shall be deemed to have agreed to the provisions of this Resolution, and a certified copy of this Resolution shall be delivered to each Paying Agent and Registrar.

In addition, the Board hereby covenants with the Holders that it will (i) pay the reasonable and standard or customary fees and charges of each Paying Agent for its services with respect to the payment of the principal of and interest on the Series 2026 Bonds, when due, and (ii) pay the fees and charges of each Registrar for services with respect to the transfer of registration of Series 2026 Bonds solely to the extent provided in Section 2.6(f), and with respect to the conversion and exchange of Series 2026 Bonds solely to the extent provided in Section 2.6(f).

Section 5.3. Tax Covenants. The Board does not intend to issue the Series 2026 Bonds in a manner such that the Series 2026 Bonds would constitute obligations described in Section 103(a) of the Internal Revenue Code of 1986 (as amended, the “Code”), and all applicable temporary, proposed and final regulations and procedures promulgated thereunder or promulgated under the Internal Revenue Code of 1954, to the extent applicable to the Code. Accordingly, the Board covenants to take such actions, or refrain from such actions, as to assure that the Series 2026 Bonds are not obligations described in Section 103(a) of the Code.

ARTICLE VI

SUPPLEMENTS AND AMENDMENTS

Section 6.1. Amendment of Resolution With Consent of Holders. (a) The Holders of a series of Series 2026 Bonds aggregating a majority in principal amount of the aggregate principal amount of such Series 2026 Bonds at the time Outstanding (but not including in any case Series 2026 Bonds which may then be held or owned by or for the account of the Board) shall have the right from time to time to approve an amendment of this Resolution affecting such Series 2026 Bonds which may be deemed necessary or desirable by the Board; provided,

however, that nothing herein contained shall permit or be construed to permit the amendment of the terms and conditions contained in this Resolution or in such Series 2026 Bonds so as to:

- (i) make any change in the maturity of any of the Series 2026 Bonds of such series;
- (ii) reduce the rate of interest borne by any of the Series 2026 Bonds of such series;
- (iii) reduce the amount of the principal payable on any of the Series 2026 Bonds of such series;
- (iv) modify the terms of payment of principal of or interest on such Series 2026 Bonds, or any of them, or impose any conditions with respect to such payment;
- (v) change the minimum percentage of the principal amount of such Series 2026 Bonds necessary for consent to such amendment; or
- (vi) affect the rights of the Holders of less than all of the Series 2026 Bonds of such series then Outstanding,

unless such amendment or amendments be approved by the Holders of all of such Series 2026 Bonds at the time Outstanding.

(b) If at any time the Board shall desire to amend this Resolution under this Section, the Board shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in the City of New York, New York, or the City of Austin, Texas, once during each calendar week for at least four successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Board and the designated office of the Registrar for inspection by all holders of such Series 2026 Bonds. Such publication is not required, however, if notice in writing is given to each Holder of the applicable series of Series 2026 Bonds.

(c) Whenever at any time, within one year from the date of this publication of said notice or other service of written notice, the Board shall receive an instrument or instruments executed by the Holders of a majority in aggregate principal amount of Series 2026 Bonds of the applicable series then Outstanding, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and approve such amendment in substantially the form of the copy thereof on file with the Registrar, the Board may adopt the amendatory resolution in substantially the same form.

(d) Any consent given by the Holder of a Series 2026 Bond pursuant to the provisions of this Resolution shall be irrevocable for a period of six months from the date of the first publication or mailing of the notice provided for in this Resolution, and shall be conclusive and binding upon all future Holders of the same Series 2026 Bond during such period. Such consent may be revoked at any time after six months from the date of the first publication or mailing of such notice by the holder who gave such consent, or by a successor in title, by filing notice of

such revocation with the Registrar and the Board, but such revocation shall not be effective if the Holders of a majority in aggregate principal amount of the Series 2026 Bonds of the applicable series Outstanding as in this Section defined have, prior to the attempted revocation, consented to and approved the amendment.

(e) For the purposes of this Section, proof of ownership of any Series 2026 Bond shall be established by the registration of any such Series 2026 Bond on the Bond Register kept and maintained by the applicable Registrar.

Section 6.2. Amendment of Resolution Without Consent of Holders. The foregoing provisions of this Article notwithstanding, the Board may, without the consent of the Holders, pursuant to amendatory resolution, from time to time:

(i) impose conditions or restrictions additional to, but not in diminution of, those contained in this Resolution, respecting the issuance of Bonds;

(ii) undertake covenants additional to but not inconsistent with those contained in this Resolution;

(iii) correct any ambiguity or correct or supplement any inconsistent or defective provision contained in this Resolution or any amendatory resolution;

(iv) adopt amendments to this Resolution that become effective as to a series of Series 2026 Bonds following a mandatory tender of all of such Series 2026 Bonds then Outstanding; or

(v) adopt amendments to this Resolution that, in the opinion of Bond Counsel, do not adversely affect the Holders.

Section 6.3. Effect of Amendatory Resolutions. Upon the adoption of any amendatory resolution pursuant to the provisions of this Section, this Resolution shall be deemed to be amended in accordance with such amendatory resolution, and the respective rights, duties and obligations of the Board under this Resolution and all the holders of Outstanding Series 2026 Bonds of the applicable series shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such amendments.

Section 6.4. Bonds May Bear Notation of Changes. Series 2026 Bonds of the applicable series authenticated and delivered after the execution of any amendatory resolution pursuant to this Article may bear a notation in form approved by the applicable Registrar as to any matter provided for in such amendatory resolution. If the Board or the applicable Registrar shall so determine, new Series 2026 Bonds of the applicable series so modified as to conform, in the opinion of the Board and such Registrar, to any such amendatory resolution may be prepared and executed by the Board and authenticated and delivered by such Registrar in exchange for Series 2026 Bonds of the applicable series then Outstanding.

ARTICLE VII

FIXED RATE BONDS DEEMED PAID

Section 7.1. Fixed Rate Bonds Deemed Paid. Any Fixed Rate Bond shall be deemed to be paid and no longer Outstanding when payment of the principal of and premium, if any, on such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity, redemption, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided by irrevocably depositing with a paying agent, in trust and irrevocably set aside exclusively for such payment, (1) money sufficient to make such payment or (2) Defeasance Obligations, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to make such payment, and all necessary and proper fees, compensation and expenses of such paying agent for such Fixed Rate Bonds, with respect to which such deposit is made, shall have been paid or the payment thereof provided for. At such time as a Fixed Rate Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Resolution, except for the purposes of any such payment from such money or Defeasance Obligations.

Section 7.2. Application of Trust Money. (a) The deposit under clause (ii) of Section 7.1 shall be deemed a payment of a Fixed Rate Bond as aforesaid when proper notice of redemption of such Bond shall have been given, in accordance with this Resolution. Any money so deposited with a paying agent as provided in this Section may at the discretion of the Board also be invested in Defeasance Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Obligations in possession of a paying agent pursuant to this Section which is not required for the payment of such Bond and premium, if any, and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Board.

(b) Notwithstanding any provision of any other Section of this Resolution which may be contrary to the provisions of this Section, all money or Defeasance Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the particular Fixed Rate Bonds and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Fixed Rate Bonds and premium, if any, and interest thereon, with respect to which such money or Defeasance Obligations have been so set aside in trust.

(c) Notwithstanding anything elsewhere in this Resolution contained, if money or Defeasance Obligations have been deposited or set aside with a paying agent pursuant to this Section for the payment of Fixed Rate Bonds and such Fixed Rate Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Section shall be made without the consent of the Holder of each Fixed Rate Bond affected thereby.

If the audit of such financial statements is not complete within such period, then the Board shall provide unaudited financial statements by the required time and will provide audited financial statements for the applicable fiscal year to the MSRB, when and if the audit report on such financial statements becomes available.

If the Board changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the Board otherwise would be required to provide financial information and operating data pursuant to this Section.

If the Board changes the accounting principles under which its financial statements to be provided are prepared, it will provide notice of such change to the MSRB, including identification of the new accounting principles and such additional information as may be required under the Rule.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on EMMA or filed with the SEC.

The Board represents that no Veteran eligible to participate in the Program is an “obligated person” (as defined in the Rule) for whom financial information or operating data would be presented in the final Official Statement authorized by Section 2.9 of this Resolution.

Section 8.3. Event Notices. The Board shall notify the MSRB, in a timely manner but in any event within ten Business Days, of any of the following events with respect to a series of Series 2026 Bonds subject to the Rule:

- (G) Modifications to rights of holders of such Series 2026 Bonds, if material;
- (H) Series 2026 Bond calls of the applicable series, if material, and tender offers;

- (J) Release, substitution, or sale of property securing repayment of such Series 2026 Bonds, if material;
- (K) Rating changes;
- (L) Bankruptcy, insolvency, receivership or similar event of the Board;

(N) Appointment of a successor Paying Agent or Registrar or change in the name of the applicable Paying Agent or Registrar, if material.

As used in clause (L) above, the phrase “bankruptcy, insolvency, receivership or similar event” means the appointment of a receiver, fiscal agent or similar officer for the Board in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Board, or if jurisdiction has been assumed by leaving the Board and official or officers of the Board in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Board.

The Board shall notify the MSRB, in a timely manner, of any failure by the Board to provide financial information or operating data in accordance with Section 8.2 of this Resolution by the time required by such Section.

Section 8.4. Limitations, Disclaimers and Amendments. The Board shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the Board remains an “obligated person” with respect to a series of Series 2026 Bonds within the meaning of the Rule, except that the Board in any event will give the notice required by Section 8.3 of any Series 2026 Bond calls and defeasance of the applicable series that cause the Board to be no longer such an “obligated person.”

The provisions of this Article are for the sole benefit of the Holders and beneficial owners of the Series 2026 Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Board undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Board’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The Board does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Series 2026 Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE BOARD BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY SERIES 2026 BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE BOARD, WHETHER FROM NEGLIGENCE OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the Board under federal and state securities laws.

The provisions of this Article may be amended by the Board from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Board, but only if (1) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Series 2026 Bonds in the primary offering of a series of Series 2026 Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Resolution that authorizes such an amendment) of the Outstanding Series 2026 Bonds of the applicable series consent to such amendment or (b) a Person that is unaffiliated with the Board (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the applicable series of Series 2026 Bonds. If the Board so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 8.2 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

Anything in this Resolution to the contrary notwithstanding, the provisions of this Article may be modified for a particular series of Series 2026 Bonds as set forth in the Pricing Certificate relating thereto.

Section 8.5. Continuing Disclosure Relating to Other Obligated Persons. The Board hereby determines that an Other Obligated Person would be an “obligated person” (as defined in the Rule) for whom financial information and operating data would be presented in any final official statement relating to a series of Series 2026 Bonds had such Person been known at the time of the offering thereof. Based upon the objective criteria specified in the definition of Other Obligated Person, the Board concludes that no Veteran eligible to participate in the Program would be an Other Obligated Person.

Section 8.6. Agreement Regarding Assumption of Certain Home Loans. The Board agrees not to permit the assumption of any Home Loan that would cause any Person to become an Other Obligated Person.

ARTICLE IX

ADDITIONAL PROVISIONS RELATING TO SERIES 2026 BONDS

Section 9.1. Interest Rates and Payment. (a) General. Each Outstanding Weekly Rate Bond shall bear interest at the Weekly Interest Rate therefor, each Fixed Rate Bond shall bear interest at the Fixed Interest Rate therefor, each Purchased Bond shall bear interest at the Purchased Bond Rate therefor, and each Variable Rate Bond shall bear interest as provided in the related Purchase Contract or Pricing Certificate; provided, however, that in no event shall the interest rate on any Series 2026 Bond exceed the Ceiling Rate; and provided further that in no event shall the Purchased Bond Rate exceed the Maximum Purchased Bond Rate. Unless provided to the contrary in the related Purchase Contract or Pricing Certificate, each Series 2026 Bond shall bear interest from its date (except for an Initial Series 2026 Bond that is not a Fixed Rate Bond, which shall bear interest from the Settlement Date), and interest on each Series 2026

Bond for each Interest Accrual Period shall be payable on each Interest Payment Date applicable to such Series 2026 Bond; provided, however, that the Holder (other than a Liquidity Provider) of a Weekly Rate Bond shall be paid interest thereon for an Interest Accrual Period only in the amount that would have accrued thereon at the Weekly Interest Rate, regardless of whether such Weekly Rate Bond was a Purchased Bond during any portion of such Interest Accrual Period, and the amount, if any, accrued as interest on such Weekly Rate Bond at the Purchased Bond Rate in excess of the amount required to be paid to such Holder shall be paid by the Board to a Liquidity Provider in accordance with the related Liquidity Facility.

(b) Payment and Calculation of Interest. Interest on the Series 2026 Bonds shall be paid in arrears. Interest on Weekly Rate Bonds (including Purchased Bonds) shall be computed on the basis of a 365/366-day year, for the number of days actually elapsed. Interest on Fixed Rate Bonds shall be computed on the basis of a 360-day year consisting of twelve (12) thirty (30) day months. Interest on Variable Rate Bonds shall be computed as set forth in the related Purchase Contract or Pricing Certificate.

(c) Ceiling Rate. Anything to the contrary contained herein notwithstanding, the maximum rate of interest on the Series 2026 Bonds at any time shall be the Ceiling Rate.

(d) Purchased Bonds. All Purchased Bonds shall bear interest at the Purchased Bond Rate therefor, which shall be payable at such times, in such amounts and in such manner as is provided in the related Liquidity Facility. The maximum rate of interest permitted on Purchased Bonds shall be the Maximum Purchased Bond Rate. Any determination of the Purchased Bond Rate pursuant to a Liquidity Facility shall be conclusive and binding on the Board. Anything contained in this Resolution notwithstanding, it is the express intention of the Board that the purchase of Purchased Bonds by the Comptroller, as Liquidity Provider pursuant to a Liquidity Facility, shall not extinguish the debt represented by such Purchased Bonds, which under such circumstances shall remain Outstanding and unpaid for all purposes of this Resolution.

Section 9.2. Determination of Weekly Interest Rate. (a) Weekly Rate Bonds shall bear interest at the Weekly Interest Rate, which shall be determined by the applicable Remarketing Agent by 4:30 p.m., New York City time, on Tuesday of each week during such Weekly Interest Rate Period, or if such day shall not be a Business Day, then on the next succeeding Business Day, provided that the first Weekly Interest Rate for a series of Weekly Rate Bonds shall be determined by the Initial Purchaser thereof on the date of execution of the related Purchase Contract in the manner set forth in this paragraph. The first Weekly Interest Rate for a series of Weekly Rate Bonds shall apply to the period commencing on the Settlement Date therefor and ending on the next succeeding Tuesday. Thereafter, each Weekly Interest Rate shall apply to the period commencing on Wednesday and ending on the next succeeding Tuesday, unless such Weekly Interest Rate Period shall end on a day other than Tuesday, in which event the last Weekly Interest Rate for such Weekly Interest Rate Period shall apply to the period commencing on the Wednesday preceding the last day of such Weekly Interest Rate Period and ending on the last day of such Weekly Interest Rate Period. The Weekly Interest Rate for a series of Weekly Rate Bonds shall be the rate of interest per annum determined by the Remarketing Agent therefor (based on then prevailing market conditions) to be the minimum interest rate which, if borne by such Weekly Rate Bonds, would enable such Remarketing Agent to sell such Weekly Rate Bonds on such date of determination at a price (without regarding

accrued interest) equal to the principal amount thereof. In the event that such Remarketing Agent fails to establish a Weekly Interest Rate for any week, then the Weekly Interest Rate for such week shall be the same as the Weekly Interest Rate for the immediately preceding week if the Weekly Interest Rate for such preceding week was determined by such Remarketing Agent. In the event that the Weekly Interest Rate for the immediately preceding week was not determined by such Remarketing Agent, or in the event that the Weekly Interest Rate determined by such Remarketing Agent shall be held to be invalid or unenforceable by a court of law, then the interest rate for such week shall be equal to the most recently available SOFR rate plus 0.25% per annum, or if such rate is no longer available, or no such rate was so made available for the week preceding the date of determination, 100% of the interest rate on 30-day high grade unsecured commercial paper notes sold through dealers by major corporations as reported in The Wall Street Journal on the day the Weekly Interest Rate would otherwise be determined as provided herein for such Weekly Interest Rate Period.

(b) The first Interest Rate Period for a series of Weekly Rate Bonds shall commence on the Settlement Date and shall be a Weekly Interest Rate Period. The initial Weekly Interest Rate to be borne by such Weekly Rate Bonds shall be determined by the Initial Purchaser thereof in the manner set forth in the preceding paragraph.

(c) Notices. On each date on which a Remarketing Agent determines the interest rate on any Weekly Rate Bond, such Remarketing Agent shall give the Board and the applicable Tender Agent, Paying Agent and Liquidity Provider notice by facsimile or e-mail transmission of the interest rate determined by such Remarketing Agent on such date. Upon telephonic request, such Remarketing Agent will give any Holder of the applicable series of Weekly Rate Bonds notice of the interest rate on such Weekly Rate Bonds owned by such Holder.

(d) Binding Effect. Each determination of the interest rate for the Weekly Rate Bonds, as provided herein, shall be conclusive and binding upon the owners of the Weekly Rate Bonds, the Board and the applicable Remarketing Agent, Tender Agent, Liquidity Provider and Paying Agent. Upon telephonic request to a Remarketing Agent from the Board, the Paying Agent, the applicable Liquidity Provider or any Holder of any Weekly Rate Bond of the applicable series, the Remarketing Agent shall inform such Person of the interest rate then in effect on such Weekly Rate Bonds. Failure of such Remarketing Agent to give any notice described in this Section, or any defect therein, shall not affect the interest rate to be borne by any of any Weekly Rate Bonds of the applicable series nor in any way change the rights of the Holders of such Weekly Rate Bonds to tender their Weekly Rate Bonds for purchase in accordance with this Resolution.

Section 9.3. Fixed Interest Rate. (a) Determination of Fixed Interest Rate. During a Fixed Interest Rate Period, each Series 2026 Bond shall bear interest at the Fixed Interest Rate therefor. The Fixed Interest Rate for each stated maturity of Series 2026 Bonds issued as Weekly Rate Bonds shall be determined by the applicable Remarketing Agent on a Business Day not less than 15 days prior to the effective date of the Fixed Interest Rate Period therefor. The Fixed Interest Rate for each stated maturity shall be the rate of interest per annum determined by such Remarketing Agent (based on then prevailing market conditions) to be the minimum interest rate, if any, at which such Remarketing Agent will agree to purchase the applicable series of Series 2026 Bonds on such effective date for resale at a price (without regarding

accrued interest) equal to the principal amount thereof. If, for any reason, the Fixed Interest Rate for each stated maturity is not so determined for such Series 2026 Bonds by such Remarketing Agent at least 15 days prior to the first day of the Fixed Interest Rate Period therefor, then such Series 2026 Bonds shall bear interest at a Weekly Interest Rate as provided in Section 9.2, and shall continue to bear interest at a Weekly Interest Rate determined in accordance with Section 9.2 until such time as the interest rate on such Series 2026 Bonds shall have been adjusted to a Fixed Interest Rate, and such Series 2026 Bonds shall continue to be subject to purchase upon notice from the Holders thereof as described in Section 9.4(a). The related Liquidity Facility shall be terminated as to such Fixed Rate Bonds.

(b) Adjustment to Fixed Interest Rate Period.

(i) At any time, the Board, by written direction to the applicable Registrar, Tender Agent, Paying Agent, Liquidity Provider and Remarketing Agent, may elect that a series of Weekly Rate Bonds shall be subject to a Fixed Interest Rate Period. The direction of the Board required by the first sentence of this paragraph (i) shall specify the effective date of the Fixed Interest Rate Period, which date shall be (A) a Business Day not earlier than the 30th day following the second Business Day after receipt by the applicable Registrar of such direction, and (B) the day immediately following the last day of a Weekly Interest Rate Period.

(ii) Such direction of the Board shall be accompanied by a form of the notice to be mailed by the applicable Registrar to the Holders of the series of Weekly Rate Bonds to be converted as provided in Section 9.3(c).

(iii) If the Board shall deliver to the applicable Registrar, Remarketing Agent and Tender Agent on or prior to the date that the interest rate for the Fixed Interest Rate Period is determined a notice to the effect that the Board elects to rescind its election to have the series of Weekly Rate Bonds to be converted become subject to a Fixed Interest Rate Period, then such Series 2026 Bonds shall not become subject to a Fixed Interest Rate Period, and such Series 2026 Bonds shall bear interest at a Weekly Interest Rate as in effect prior to such event.

(c) Notice of Adjustment to Fixed Interest Rate Period. The applicable Registrar shall give notice by first class mail of an adjustment to a Fixed Interest Rate Period to the Holders of the series of Weekly Rate Bonds to be converted not less than 30 days prior to the effective date of such Fixed Interest Rate Period. Such notice shall state: (1) that the Interest Rate Period on such Series 2026 Bonds shall be adjusted to a Fixed Interest Rate Period unless the Board shall elect, on or prior to the date of determination of the Fixed Interest Rate, to rescind its election to cause the adjustment of the Interest Rate Period on such Series 2026 Bonds to the Fixed Interest Rate Period, in which case such Series 2026 Bonds shall continue to bear interest at a Weekly Interest Rate as in effect immediately prior to such proposed adjustment in the Interest Rate Period, (2) the effective date of the Fixed Interest Rate Period, (3) that such Series 2026 Bonds are subject to mandatory tender for purchase on such effective date and the purchase price applicable thereto, (4) that the related Liquidity Facility will be terminated as of the effective date of such Fixed Interest Rate Period, and (5) if ownership of such Series 2026 Bonds is no longer determined only by a book entry at a securities depository for the Series 2026

Bonds, information with respect to the required delivery of bond certificates and payment of purchase price under Section 9.4(f) hereof.

(d) If the Board elects to convert a series of Weekly Rate Bonds to Fixed Rate Bonds, then the written direction furnished by the Board to the applicable Liquidity Provider, Registrar, Tender Agent and Remarketing Agent shall be made by registered or certified mail, or by e-mail or fax, confirmed by registered or certified mail. Any such direction of the Board shall be accompanied by a copy of the notice required to be given by the applicable Registrar pursuant to Section 9.3(c) hereof.

Section 9.4. Purchase of Weekly Rate Bonds. (a) Optional Tender for Purchase. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, a Beneficial Owner (through its DTC Participant) may tender his interest in a Weekly Rate Bond of such series on any Business Day at a purchase price equal to the principal amount thereof plus accrued interest, if any, from and including the Interest Payment Date immediately preceding the date of purchase through and including the day immediately preceding the date of purchase, unless the date of purchase shall be an Interest Payment Date, in which case at a purchase price equal to the principal amount thereof, payable in immediately available funds, upon delivery to the applicable Tender Agent at its designated corporate trust office for delivery of notices, with a copy to the applicable Remarketing Agent, of an irrevocable written notice or telephonic notice, promptly confirmed in writing, which states the principal amount of such Weekly Rate Bond and the date on which the same shall be purchased, which date shall be a Business Day not prior to the seventh day next succeeding the date of the delivery of such notice to such Tender Agent. Any notice delivered to such Tender Agent after 4:00 p.m., New York City time, shall be deemed to have been received on the next succeeding Business Day.

Such Tender Agent shall promptly (but no later than the next Business Day) send a copy of any notice delivered to it pursuant to this Section 9.4(a) by fax or other electronic means to the applicable Remarketing Agent and Liquidity Provider. On the date for purchase specified in the notice, the Beneficial Owner shall effect delivery of such Series 2026 Bonds by causing the DTC Participant through which such Beneficial Owner owns such Series 2026 Bonds to transfer its interest in such Series 2026 Bonds equal to such Beneficial Owner's interest on the records of DTC to the participant account of the applicable Tender Agent with DTC.

If ownership of a series of Weekly Rate Bonds is not determined only by a book entry at a securities depository for such Series 2026 Bonds, a Holder of a Weekly Rate Bond of such series may tender its Series 2026 Bond by delivery of the notice described above by the time set forth above and shall also deliver such Series 2026 Bond to the Tender Agent on the date specified for purchase.

(b) Mandatory Tender for Purchase on First Day of Fixed Interest Rate Period. A series of Weekly Rate Bonds shall be subject to mandatory tender for purchase on the first day of the Fixed Interest Rate Period therefor, or on the day which would have been the first day of such Fixed Interest Rate Period had the event specified in Section 9.3(b)(iii) not occurred which resulted in the interest rate on such Series 2026 Bonds not being adjusted, at a purchase price,

payable in immediately available funds, equal to the principal amount of such Series 2026 Bonds, plus accrued interest (if any).

(c) Mandatory Tender for Purchase Upon Termination, Expiration, Suspension, Modification or Replacement of Liquidity Facility. If at any time the Registrar for a series of Weekly Rate Bonds shall give notice in accordance with Section 9.7 that such Weekly Rate Bonds which, at such time, are subject to purchase under the related Liquidity Facility as then in effect, shall on the date specified in such notice cease to be subject to purchase from such Liquidity Facility as a result of (A) the termination or expiration of the term of such Liquidity Facility, or (B) such Liquidity Facility being suspended, replaced or modified with the effect that the purchase price of such Series 2026 Bonds is no longer payable from such Liquidity Facility (in each case, whether or not any Alternate Liquidity Facility has been obtained), then on the Business Day the Board specifies to such Registrar that is at least five days and no more than 15 days (or, if no such date is specified, the fifth calendar day (or the immediately preceding Business Day if such day is not a Business Day)) preceding any termination, expiration, suspension, modification or replacement of such Liquidity Facility each such Series 2026 Bond or Series 2026 Bonds shall be purchased or deemed purchased as provided herein. The purchase price for such Series 2026 Bonds shall be equal to the principal amount thereof, plus accrued interest (if any).

(d) Mandatory Tender for Purchase Following Event of Default Under Liquidity Facility. All Weekly Rate Bonds of a series shall be subject to mandatory tender for purchase on the tenth day (or the next succeeding Business Day if such day is not a Business Day) following receipt by the applicable Tender Agent of notice from the applicable Liquidity Provider that an “Event of Default” has occurred under the applicable Liquidity Facility and directing the mandatory purchase of such Weekly Rate Bonds. No later than the third Business Day following receipt of such notice described above, such Tender Agent shall give notice by first class mail, postage prepaid, to the Holders of such Series 2026 Bonds, the Board and the applicable Remarketing Agent stating that an “Event of Default” has occurred under the Liquidity Facility and that such Series 2026 Bonds are subject to mandatory tender for purchase.

(e) Notice of Mandatory Tender for Purchase. In connection with any mandatory tender for purchase of a series of Weekly Rate Bonds in accordance with Section 9.4(b) or Section 9.4(c), the applicable Registrar shall include notice of a mandatory tender for purchase as a part of the notice given pursuant to Section 9.3(c) or Section 9.7 hereof. Each notice of mandatory tender for purchase shall state (A) in the case of a mandatory tender for purchase pursuant to Section 9.4(c) hereof, that the applicable Liquidity Facility will expire, terminate, be suspended, be replaced or be modified and that the purchase price of such Weekly Rate Bonds shall no longer be payable from such Liquidity Facility then in effect and that any rating applicable thereto may be reduced or withdrawn; (B) in the case of a mandatory tender for purchase pursuant to Section 9.4(d) hereof, that an “Event of Default” has occurred under such Liquidity Facility; (C) that the purchase price of any Weekly Rate Bond so subject to mandatory purchase shall be payable only upon (i) if ownership of such Weekly Rate Bonds is not determined only by a book entry at a securities depository for such Weekly Rate Bonds, surrender of such Weekly Rate Bond to the applicable Tender Agent at its designated corporate trust office for delivery of Weekly Rate Bonds, accompanied by an instrument of transfer thereof, in form satisfactory to such Tender Agent, executed in blank by the Holder thereof or his

duly authorized attorney, with such signature guaranteed by a bank, trust company or member firm of the New York Stock Exchange or (ii) if ownership of such Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds, registration of the ownership rights in such Weekly Rate Bond to the applicable Tender Agent on the records of DTC; (D) that, provided that moneys sufficient to effect such purchase have been provided through the remarketing of such Weekly Rate Bonds by the applicable Remarketing Agent or through the applicable Liquidity Facility or otherwise, all Weekly Rate Bonds so subject to mandatory tender for purchase shall be purchased on the mandatory purchase date, and that if any Holder of a Weekly Rate Bond subject to mandatory tender for purchase shall not surrender such Weekly Rate Bond to the applicable Tender Agent for purchase (or if ownership of such Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds, effect the transfer of ownership rights to the applicable Tender Agent on the records of DTC) on such mandatory purchase date, and moneys sufficient to pay the purchase price thereof are on deposit with the applicable Tender Agent, then such Weekly Rate Bond shall be deemed to be an Undelivered Bond, and that no interest shall accrue thereon on and after such mandatory purchase date and that the Holder thereof shall have no rights under this Resolution other than to receive payment of the purchase price thereof; and (E) in the event that moneys sufficient to pay the purchase price of such Weekly Rate Bonds have not been provided to the applicable Tender Agent either through the remarketing of such Weekly Rate Bonds or from the applicable Liquidity Facility or otherwise, that such Weekly Rate Bonds shall not be purchased or deemed purchased and shall bear interest at the rate described in Section 9.15 hereof. In connection with any mandatory tender for purchase of Weekly Rate Bonds in accordance with Section 9.4(c) hereof as a result of the replacement, termination or expiration of a Liquidity Facility, such notice also shall contain the information required by Section 9.7. The Board shall provide the applicable Registrar with a form of any such notice.

(f) Delivery of Tendered Weekly Rate Bonds. Subject to the provisions of Section 2.10 hereof if ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds, for payment of the purchase price of any such Weekly Rate Bond required to be purchased pursuant to this Section 9.4 on the date specified, such Weekly Rate Bond must be delivered, at or prior to 10:00 a.m., New York City time, on the date specified in such notice, to the applicable Tender Agent at its designated corporate trust office for delivery of Weekly Rate Bonds, accompanied by an instrument of transfer thereof, in form satisfactory to such Tender Agent, executed in blank by the Holder thereof or his duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange. In the event any such Weekly Rate Bond is delivered after 10:00 a.m., New York City time, on such date, payment of the purchase price of such Weekly Rate Bond need not be made until the Business Day following the date of delivery of such Weekly Rate Bond, but such Weekly Rate Bond shall nonetheless be deemed to have been purchased on the date specified in such notice and no interest shall accrue thereon after such date.

(g) Irrevocable Notice Deemed to be Tender of Weekly Rate Bond; Undelivered Bonds.

(i) The giving of notice by an owner of a Weekly Rate Bond as provided in Section 9.4(a) hereof shall constitute the irrevocable tender for purchase of each such

Weekly Rate Bond with respect to which such notice shall have been given, regardless of whether such Weekly Rate Bond is delivered to the applicable Tender Agent for purchase on the relevant purchase date as provided in Section 9.4 hereof provided that moneys sufficient to pay the purchase price of such Weekly Rate Bonds are on deposit with the applicable Tender Agent for such purpose.

(ii) A Tender Agent may refuse to accept delivery of any Weekly Rate Bonds for which a proper instrument of transfer has not been provided; such refusal, however, shall not affect the validity of the purchase of such Weekly Rate Bond as herein described. If any owner of a Weekly Rate Bond who shall have given notice of tender of purchase pursuant to Section 9.4(a) hereof, if ownership of the related series of Weekly Rate Bonds is not determined only by a book entry at a securities depository for such Weekly Rate Bonds, shall fail to deliver such Weekly Rate Bond to the applicable Tender Agent at the place and on the applicable date and at the time specified, or shall fail to deliver such Weekly Rate Bond properly endorsed, or if ownership of such Weekly Rate Bonds is determined only by a book entry at a securities depository for such Weekly Rate Bonds, shall fail to cause its beneficial ownership to be transferred to the applicable Tender Agent on the records of DTC, and moneys sufficient to pay the purchase price thereof are on deposit with such Tender Agent for such purpose, such Weekly Rate Bond shall constitute an Undelivered Bond. If funds in the amount of the purchase price of the Undelivered Bonds (including the Undelivered Bonds referred to in Section 9.4(e) hereof) are available for payment to the owner thereof on the date and at the time specified, from and after the date and time of that required delivery, (1) each Undelivered Bond shall be deemed to be purchased and shall no longer be deemed to be outstanding under this Resolution; (2) interest shall no longer accrue thereon; and (3) funds in the amount of the purchase price of each such Undelivered Bond shall be held by the applicable Tender Agent for the benefit of the owner thereof (provided that the owner shall have no right to any investment proceeds derived from such funds), to be paid on delivery (and proper endorsement) of such Undelivered Bond to such Tender Agent at its designated office for delivery of Weekly Rate Bonds. Any funds held by such Tender Agent as described in clause (3) of the preceding sentence shall be held uninvested and not commingled.

Section 9.5. Amendments to Liquidity Facility. Except with the consent of all the Holders of a series of Weekly Rate Bonds, neither the Board nor the applicable Tender Agent shall permit any amendment, supplement, modification or waiver to the applicable Liquidity Facility that would result in the rating assigned to such Weekly Rate Bonds by the applicable Rating Agency being withdrawn or reduced below that in effect prior to such amendment, supplement, modification or waiver.

Section 9.6. Alternate Liquidity Facility. If at any time there shall be delivered to a Tender Agent (i) an Alternate Liquidity Facility, (ii) written evidence from the applicable Rating Agency stating the ratings of the applicable series of Weekly Rate Bonds after substitution of such Alternate Liquidity Facility, or a statement of the Board that no ratings have been obtained, and (iii) an opinion of counsel to the effect that such Alternate Liquidity Facility is a valid and enforceable obligation of the issuer or provider thereof, then such Tender Agent shall accept such Alternate Liquidity Facility and, if the applicable Liquidity Facility then in effect is a letter

of credit, promptly surrender such Liquidity Facility to the Liquidity Provider that issued such Liquidity Facility in accordance with its terms for cancellation. Anything in this Resolution to the contrary notwithstanding, following satisfaction of the requirements set forth in this Section 9.6 and the mandatory tender for purchase of a series of Weekly Rate Bonds pursuant to Section 9.4(c) hereof in connection with the provision of any Alternate Liquidity Facility, (i) such Alternate Liquidity Facility may at any time thereafter specified by the Board to the applicable Tender Agent become the Liquidity Facility for such Weekly Rate Bonds for all purposes of this Resolution, and (ii) the Liquidity Facility replaced by such Alternate Liquidity Facility may be terminated at any time after such replacement.

Section 9.7. Notice of Termination or Other Change in Liquidity Facility. The applicable Registrar shall give notice by mail to the Holders of a series of Weekly Rate Bonds on or before the 15th day preceding (i) the expiration of any applicable Liquidity Facility in accordance with its terms, or (ii) any termination, replacement or modification of the terms of the applicable Liquidity Facility, which notice shall, to the extent applicable, (1) state the date of such replacement, termination, expiration or modification and the date of the proposed substitution of the Alternate Liquidity Facility (if any), and (2) state the date that such Weekly Rate Bonds will be purchased pursuant to Section 9.4(c) hereof as a result of such replacement, termination, expiration or modification. The Board shall provide the applicable Registrar with written notice of any information required to enable such Registrar to give the foregoing notice and shall provide such Registrar with the form of such notice at least five days before such notice is required to be given.

Section 9.8. Remarketing Agent and Tender Agent. (a) Subject to execution of a Remarketing Agreement, the initial Remarketing Agent for a series of Weekly Rate Bonds shall be as designated in the applicable Purchase Contract or Pricing Certificate. The Board shall appoint any successor Remarketing Agent subject to the conditions set forth in Section 9.9(a) hereof. Each Remarketing Agent shall designate its designated office (other than the initial Remarketing Agent whose designated office is listed in Section 9.16 hereof) and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Board under which such Remarketing Agent will agree, particularly, to keep such books and records with respect to its duties as Remarketing Agent as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Board at all reasonable times.

(b) The initial Tender Agent for a series of Weekly Rate Bonds shall be as designated in the applicable Purchase Contract or Pricing Certificate. The Board shall appoint any successor Tender Agent, subject to the conditions set forth in Section 9.9(b) hereof. Each Tender Agent shall designate its designated office(s) for delivery of notices and delivery of Weekly Rate Bonds and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Board and the applicable Registrar, Liquidity Provider and Remarketing Agent. By acceptance of its appointment hereunder, each Tender Agent agrees:

(i) to hold all Weekly Rate Bonds delivered to it pursuant to Section 9.4 hereof, as agent and bailee of, and in escrow for the benefit of, the respective owners which shall have so delivered such Weekly Rate Bonds until moneys representing the

purchase price of such Weekly Rate Bonds shall have been delivered to or for the account of or to the order of such owners;

(ii) to establish and maintain a separate segregated trust fund designated as the “State of Texas Veterans Bonds, Taxable Refunding Series 2026 Bond Purchase Fund” (each, a “Bond Purchase Fund”) (with the specific series designation to replace “2026,” if applicable), and to establish and maintain therein a remarketing account (the “Remarketing Account”) and a liquidity facility account (the “Purchase Account”), until such time as it has been discharged from its duties as Tender Agent hereunder;

(iii) to hold all moneys (without investment thereof) delivered to it hereunder in the Bond Purchase Fund for the purchase of Weekly Rate Bonds pursuant to Section 9.4 hereof, as agent and bailee of, and in escrow for the benefit of, the Person which shall have so delivered such moneys until the Weekly Rate Bonds purchased with such moneys shall have been delivered to or for the account of such Person;

(iv) to hold all moneys delivered to it by the Board for the purchase of Weekly Rate Bonds pursuant to Section 9.4 hereof, as agent and bailee of, and in escrow for the benefit of, the owners or former owners who shall deliver Weekly Rate Bonds to it for purchase until the Weekly Rate Bonds purchased with such moneys shall have been canceled;

(v) to hold all Weekly Rate Bonds registered in the name of the new owners thereof which have been delivered to it by the applicable Registrar for delivery to the applicable Remarketing Agent in accordance with the provisions of this Resolution; and

(vi) to keep such books and records as shall be consistent with standard industry practice and to make such books and records available for inspection by the Board, the applicable Liquidity Provider and the applicable Remarketing Agent at all reasonable times.

Section 9.9. Qualifications of Remarketing Agent and Tender Agent; Resignation; Removal.

(a) Each Remarketing Agent shall be a member of the Financial Industry Regulatory Authority, having a combined capital stock, surplus and undivided profits of at least \$250,000,000 and authorized by law to perform all the duties imposed upon it by this Resolution. Any successor Remarketing Agent shall have, or be a subsidiary of another entity or a partnership which includes as a general partner an entity which shall have, senior unsecured long-term debt which shall be rated, so long as the Weekly Rate Bonds shall be rated by the Rating Agency, at least Baa3/P-3 (or its equivalent) or otherwise qualified by the Rating Agency. A Remarketing Agent may at any time resign and be discharged of its duties and obligations hereunder upon providing the Board and the applicable Tender Agent, Liquidity Provider, Paying Agent and Registrar with at least 30 days’ (or such number of days as is required by the applicable Remarketing Agreement) prior written notice. A Remarketing Agent may be removed at any time, at the direction of the Board with the written consent of the applicable Liquidity Provider, by an instrument signed by the Board and filed with the applicable Tender

Agent, Registrar, Liquidity Provider and Remarketing Agent at least 30 days prior to the effective date of such removal. In the event that a Remarketing Agent has resigned or been removed and no successor Remarketing Agent has been appointed by the Board, the applicable Tender Agent shall perform, or engage a Person to perform, the duties of such Remarketing Agent until a successor Remarketing Agent has been appointed by the Board.

(b) Each Tender Agent shall be a bank with trust powers or a trust company duly organized under the laws of the United States of America or any state or territory thereof, and authorized by law to exercise corporate trust powers and otherwise perform all the duties imposed upon it by this Resolution. A Tender Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least 60 days' written notice to the Board and the applicable Registrar, Liquidity Provider and Remarketing Agent. A Tender Agent may be removed at any time by an instrument signed by the Board, filed with the applicable Tender Agent, Registrar, Liquidity Provider and Remarketing Agent. Such resignation or removal shall take effect on the day a successor Tender Agent shall have been appointed by the Board and the successor Tender Agent shall have accepted such appointment.

(c) Upon the effective date of resignation or removal of a Tender Agent, such Tender Agent shall deliver any Weekly Rate Bonds and moneys held by it in such capacity to its successor.

(d) So long as any series of Weekly Rate Bonds are Outstanding, the same entity shall be the Tender Agent and Registrar therefor.

Section 9.10. Notice of Weekly Rate Bonds Delivered for Purchase; Purchase of Weekly Rate Bonds. (a) The Tender Agent for a series of Weekly Rate Bonds shall determine timely and proper delivery of Weekly Rate Bonds of such series pursuant to this Resolution and the proper endorsement of such Weekly Rate Bonds. Such determination shall be binding on the owners of such Weekly Rate Bonds, the Board, the applicable Remarketing Agent and the applicable Liquidity Provider, absent manifest error. Such Tender Agent shall give notice by telephone, e-mail or fax, promptly confirmed by a written notice if given by telephone, to the Board and the applicable Registrar, Remarketing Agent and Liquidity Provider specifying the principal amount of Weekly Rate Bonds, if any, as to which it shall receive notice of tender for purchase in accordance with Section 9.4(a) hereof.

(b) Weekly Rate Bonds required to be purchased in accordance with Section 9.4 hereof shall be purchased from the owners thereof, on the date and at the purchase price at which such Weekly Rate Bonds are required to be purchased. Funds for the payment of such purchase price shall be derived from the following sources in the order of priority indicated:

(i) proceeds of the sale of such Weekly Rate Bonds remarketed to any Person pursuant to Section 9.11 hereof and furnished to the applicable Tender Agent by the purchasers or by the applicable Remarketing Agent for deposit into the Remarketing Account of the applicable Bond Purchase Fund;

(ii) moneys furnished to such Tender Agent for deposit into the Purchase Account of the applicable Bond Purchase Fund representing moneys received from draws on the applicable Liquidity Facility; and

(iii) moneys furnished to such Tender Agent for deposit into the applicable Bond Purchase Fund representing moneys provided by the Board in its discretion.

A Tender Agent may establish separate accounts or sub-accounts within the Bond Purchase Fund for such purposes as such Tender Agent may deem appropriate.

(c) (i) If ownership of a series of Weekly Rate Bonds is no longer determined only by a book entry at a securities depository for such Series 2026 Bonds, the applicable Registrar shall authenticate a new Series 2026 Bond or Series 2026 Bonds of such series in an aggregate principal amount equal to the principal amount of Series 2026 Bonds purchased in accordance with Section 9.10(b) hereof, whether or not the Weekly Rate Bonds so purchased are presented by the owners thereof, bearing a number or numbers not contemporaneously outstanding. Every Series 2026 Bond authenticated and delivered as provided in this Section shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Series 2026 Bonds of the same series duly issued hereunder. The applicable Registrar shall maintain a record of the Weekly Rate Bonds purchased as provided in this Section, together with the names and addresses of the former owners thereof. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, on any date on which beneficial ownership in such Weekly Rate Bonds is tendered at the option of the owner of such beneficial interest (acting through its DTC Participant) in accordance with Section 9.4(a) hereof (including transfer of the beneficial ownership interest of the tendering owner to the account of the applicable Tender Agent at DTC), the applicable Tender Agent shall transfer ownership of such beneficial ownership on the records of DTC as provided in Section 9.12 hereof. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, on any date on which beneficial ownership interest in such Weekly Rate Bonds is subject to mandatory tender in accordance with Section 9.4 hereof, the applicable Tender Agent shall transfer beneficial ownership of such Series 2026 Bonds on the records of DTC as provided in Section 9.12 hereof, regardless of whether the owners of the beneficial interests subject to mandatory tender transfer their beneficial ownership of such Weekly Rate Bonds to such Tender Agent on the records of DTC, and moneys for the purchase of the beneficial interests subject to mandatory tender shall be transferred by such Tender Agent to DTC for transfer to the owners of such beneficial interests subject to mandatory purchase.

(ii) If ownership of a series of Weekly Rate Bonds is no longer determined only by a book entry at a securities depository for such Series 2026 Bonds, in the event any such Weekly Rate Bonds purchased as provided in this Section shall not be presented to the applicable Tender Agent, such Tender Agent shall segregate and hold the moneys for the purchase price of such Weekly Rate Bonds in trust for the benefit of the former owners of such Weekly Rate Bonds, who shall, except as provided in the following sentence, thereafter be restricted exclusively to such moneys for the satisfaction of any

claim for the purchase price of such Weekly Rate Bonds. Any moneys which such Tender Agent shall segregate and hold in trust for the payment of the purchase price of any Weekly Rate Bond and remaining unclaimed for three years after the date of purchase shall, subject to the unclaimed property laws of the State and upon the Board's written request to such Tender Agent, be paid to the Board. After the payment of such unclaimed moneys to the Board, the former owner of such Weekly Rate Bond shall look only to the Board for the payment thereof, and the Board shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys. If ownership of a series of Weekly Rate Bonds is determined only by a book entry at a securities depository for such Series 2026 Bonds, if such Weekly Rate Bonds are subject to mandatory tender in accordance with the terms of this Resolution, then the applicable Tender Agent shall transfer beneficial ownership of such Series 2026 Bonds on the records of DTC as provided in Section 9.12 hereof, regardless of whether the owners of the beneficial interests subject to mandatory tender transfer their beneficial ownership of such Weekly Rate Bonds to such Tender Agent on the records of DTC, and moneys for the purchase of the beneficial interests subject to mandatory tender shall be transferred by such Tender Agent to DTC for transfer to the owners of such beneficial interests subject to mandatory purchase.

Section 9.11. Remarketing of Series 2026 Bonds; Notice of Interest Rates. (a) Upon notice of the tender for purchase of Weekly Rate Bonds, the applicable Remarketing Agent shall offer for sale and use its best efforts to sell such Weekly Rate Bonds, any such sale to be made on the date of such purchase in accordance with Section 9.4 hereof at the price determined in accordance with Section 9.4 hereof. Each Remarketing Agent agrees that while a Liquidity Facility is in effect it shall not sell knowingly any Series 2026 Bonds tendered to it for purchase pursuant to Section 9.4 hereof to the Board, or to any Person who controls, is controlled by, or is under common control with, the Board. In addition, each Remarketing Agent shall offer for sale and use its best efforts to sell any applicable Weekly Rate Bonds that are Purchased Bonds.

(b) Each Remarketing Agent shall determine the rate of interest to be borne by the applicable Series 2026 Bonds during each Interest Rate Period and shall furnish to the Board and the applicable Registrar on the Business Day of determination each rate of interest so determined by e-mail, telephone or fax, promptly confirmed in writing if given by telephone, or shall make such information available to the Board and such Registrar by other readily accessible electronic means.

(c) Each Remarketing Agent shall advise the applicable Tender Agent and Liquidity Provider in writing or by telephone (promptly confirmed by e-mail or fax if given by telephone) not later than the Business Day preceding the Business Day on which any applicable Weekly Rate Bonds are to be purchased pursuant to Section 9.4 hereof of the aggregate principal amount of such Weekly Rate Bonds subject to purchase that have not been remarketed as of such time, provided that such Remarketing Agent may continue to remarket such Weekly Rate Bonds thereafter. Each Remarketing Agent shall give e-mail or telephonic notice, promptly confirmed by a written notice if given by telephone, to the applicable Registrar and Tender Agent on each date on which applicable Weekly Rate Bonds shall have been purchased pursuant to Section 9.10(b) hereof, specifying the principal amount of Series 2026 Bonds, if any, sold by it pursuant to Section 9.11(a) hereof along with, if the applicable series of Series 2026 Bonds are not

registered as described in Section 2.10 hereof, a list of such purchasers showing the names and denominations in which such Series 2026 Bonds shall be registered, and the addresses and social security or taxpayer identification numbers of such purchasers. Each Remarketing Agent will transfer the proceeds received from the purchasers named in such notice to the applicable Tender Agent by 10:00 a.m., New York City time, on the Business Day on which such Weekly Rate Bonds are purchased.

Section 9.12. Delivery of Series 2026 Bonds. (a) Weekly Rate Bonds purchased with moneys described in clause (i) of Section 9.10(b) hereof shall be made available by the applicable Tender Agent to the applicable Remarketing Agent for delivery to the purchasers thereof against payment therefor.

(b) Except as otherwise provided in a Liquidity Facility, Weekly Rate Bonds purchased with moneys described in clause (ii) of Section 9.10(b) hereof shall be held by the applicable Tender Agent on behalf of the applicable Liquidity Provider as Purchased Bonds, and shall not be released following the remarketing thereof unless such Tender Agent has received written confirmation from such Liquidity Provider that the applicable Liquidity Facility has been reinstated with respect to such Series 2026 Bonds.

(c) Weekly Rate Bonds purchased with moneys described in clause (iii) of Section 9.10(b) hereof shall be canceled.

(d) Series 2026 Bonds delivered as provided in this Section shall be registered in the manner directed by the recipient thereof.

Section 9.13. Delivery of Proceeds of Sale. The proceeds of the sale by a Remarketing Agent of any applicable Weekly Rate Bonds delivered to it by any Holder shall be turned over to the applicable Tender Agent.

Section 9.14. Draws on Liquidity Facility to Pay Purchase Price of Weekly Rate Bonds. Each Tender Agent, on each day on which applicable Weekly Rate Bonds are required to be purchased pursuant to Section 9.4 hereof, is directed to make drawings under the applicable Liquidity Facility by such times and in such manner as shall be required to receive in immediately available funds on such date amounts sufficient (based upon the amount on deposit in the Remarketing Account of the applicable Bond Purchase Fund by 10:00 a.m., New York City time, on such day) to pay the purchase price plus accrued interest, if any, of Weekly Rate Bonds tendered for purchase or required to be purchased pursuant to the provisions of this Resolution and that have not been remarketed by the applicable Remarketing Agent, and to deposit the proceeds of such drawings or cause such proceeds to be deposited in the Purchase Account of the applicable Bond Purchase Fund pending application of such moneys to the payment of the purchase price of such Weekly Rate Bonds. In determining the amount of any such purchase price then due, such Tender Agent shall not take into consideration any purchase price due on such Weekly Rate Bonds held by the Board or any affiliate thereof, and no drawings under such Liquidity Facility shall be made or be used to pay the purchase price of any Purchased Bonds or Weekly Rate Bonds held by the Board or any affiliate thereof.

Section 9.15. Insufficient Funds for Purchase of Weekly Rate Bonds. If payment of the purchase price of any Weekly Rate Bond shall not be made to the Holder thereof on any date such Weekly Rate Bond has been tendered for purchase pursuant to Section 9.4 hereof, such Weekly Rate Bond shall be returned by the applicable Tender Agent to the Holder thereof, and shall continue to bear interest at a Weekly Interest Rate determined as provided in Section 9.2 hereof.

Section 9.16. Notices. (a) Except as otherwise expressly provided in this Resolution or set forth in the applicable Purchase Contract or Pricing Certificate, it shall be sufficient service of any notice, request, complaint, demand or other paper if the same shall be duly mailed by registered or certified mail, return receipt requested, postage prepaid, or by overnight delivery service, addressed as follows or delivered by facsimile to the numbers provided as follows:

Any provision of this Resolution regarding the consent of, or notice to, or mandating the direction of action by, a Liquidity Provider shall, except as expressly provided, be deemed ineffective (i) if the applicable Liquidity Facility is no longer in effect and no amount is due and owing under such Liquidity Facility, or (ii) as long as such Liquidity Provider has failed to honor a properly presented and conforming drawing under such Liquidity Facility; provided, that except as otherwise expressly set forth herein, for as long as any Purchased Bonds are Outstanding, the applicable Liquidity Provider shall be afforded all the rights and privileges granted hereunder to Holders of the Weekly Rate Bonds of the applicable series.

Section 10.8. Liquidity Facilities Authorized. In connection with the issuance of any series of Weekly Rate Bonds, the Authorized Representatives are hereby severally authorized and directed, in the name and on behalf of the Board, to cause to be issued a Liquidity Facility in accordance with the “Resolution of the Veterans’ Land Board of the State of Texas Authorizing Liquidity Facilities Relating to Bonds Issued or to be Issued in Connection with the Veterans’ Land Program or the Veterans’ Housing Assistance Program, and Providing for Other Matters Relating to the Subject” adopted by the Board on this date or in any comparable resolution adopted by the Board hereafter.

(b) If any Refunded Bonds are to be redeemed other than on the Settlement Date for the related Series 2026 Bonds, the deposit made pursuant to this Section 10.13 shall be invested, to the extent, if any, determined to be practicable by an Authorized Representative, in direct obligations of the United States of America that will mature and/or bear interest payable at such times and in such amounts as will be sufficient to provide for the scheduled redemption or payment of such Refunded Bonds. THE PRINCIPAL OF AND PREMIUM, IF ANY, AND INTEREST ON this Bond are payable in lawful money of the United States of America, without exchange or collection charges. The principal of and premium, if any, on this Bond shall be paid to the registered owner hereof upon presentation and surrender of this Bond at maturity or upon the date fixed for its redemption prior to maturity, at the designated office of the Paying Agent for the Bonds (defined below), which is initially the Comptroller of Public Accounts of the State of Texas in Austin, Texas. The payment of interest on this Bond shall be made by the Paying Agent to the registered owner hereof as shown by the Registration Books kept and maintained by the Registrar for the Bonds, which is initially _____, at the close of business on the Business Day immediately preceding each Interest Payment Date (including each redemption date) (each, a “Record Date”) by check drawn by the Paying Agent on, and payable solely from, funds of the Board required to be on deposit with the Paying Agent for such purpose as hereinafter provided; and such check shall be sent by the Paying Agent by first class United States mail, postage prepaid, on each such Interest Payment Date, to the Holder hereof at its address as it appears on the Registration Books kept and maintained by the Registrar, as hereinafter described. The Paying Agent shall make payment of the principal of and premium, if any, or interest on any Bond by wire transfer in immediately available funds to a bank account located within the United States of Federal Reserve Funds to the Liquidity Provider (in the case of any Purchased Bond) and to any Holder of \$1,000,000 or more in aggregate principal amount of Bonds requesting such payment and providing the necessary wire information to the Paying Agent at least 15 days prior to the applicable Record Date. The Board covenants with the Holder of this Bond that as of each Interest Payment Date for this Bond it will make available to the Paying Agent the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due. Notwithstanding the foregoing, during any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, payments made to the securities depository, or its nominee, shall be made in accordance with arrangements between the Board and the securities depository.

THIS BOND is one of a series of bonds of like tenor and effect except as to number, principal amount and scheduled maturity, aggregating _____⁶ Dollars (\$_____) (the “Bonds”), issued for the purpose of refunding Prior Bonds, all in accordance with the provisions of the Constitutional Provision, the Act, Chapter 1207 and Chapter 1371, and pursuant to a resolution authorizing the issuance of the series of Bonds of which this is one, adopted by the Board and duly of record in the minutes of the Board (the “Resolution”). The Bonds are issuable solely as fully registered bonds, without interest coupons, in Authorized Denominations as described in the Resolution.

THE SERIES OF BONDS of which this is one shall be and is hereby made a general obligation of the State of Texas, pursuant to the Constitutional Provision and the Act, and for the faithful performance of all covenants, recitals and stipulations herein contained, and for the faithful performance in proper time and manner of each official or other act required and necessary to provide for the prompt payment of principal of and interest on this Bond when due, the full faith and credit of the State of Texas are hereby pledged.

⁶ The original aggregate principal amount of a series of the Series 2026 Bonds set forth in the related Purchase Contract or Pricing Certificate should be set forth here.

PAYMENTS OF THE PRINCIPAL OF and premium, if any, and interest on this Bond, shall be made primarily from the Veterans' Housing Assistance Fund II ("Fund II") governed by the Constitutional Provision, which fund shall be comprised of (a) any interest of the Board in all Home Loans made from money in Fund II pursuant to the Program, including proceeds of any insurance thereon or on the homes, (b) the proceeds derived from the sale or other disposition of the Board's interests in Home Loans, (c) the money attributable to any Housing Assistance Bonds (defined below) (except for certain expenses related to the issuance of Housing Assistance Bonds) issued and sold by the Board to provide money for Fund II which shall include but shall not be limited to the proceeds from the issuance and sale of such Housing Assistance Bonds, (d) income, rents, and any other pecuniary benefit received by the Board as a result of making Home Loans, (e) sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any Housing Assistance Bonds to comply with the person's bid and accept and pay for such Housing Assistance Bonds, (f) payments received by the Board under bond enhancement agreements with respect to the Housing Assistance Bonds, (g) interest received from investments of any such money, and (h) any equitable interest of the Board in properties encumbered by Home Loans and attributable to Fund II. The Bonds and all other bonds issued by the Board pursuant to the Constitution of the State to augment Fund II or to refund any such bonds are referred to herein as "Housing Assistance Bonds." The Constitutional Provision provides that to the extent there is not money in Fund II available for payment of principal of and interest on the Housing Assistance Bonds, there is appropriated out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by the Texas Constitution, an amount which is sufficient to pay the principal of and interest on such Housing Assistance Bonds that mature or become due during that fiscal year.

THE BONDS will initially be issued as Weekly Rate Bonds bearing interest at a Weekly Interest Rate. Thereafter, each Bond, at the election of the Board, may be changed to a Fixed Rate Bond bearing interest at a Fixed Interest Rate determined by the Remarketing Agent in accordance with the Resolution; provided, however, that in no event shall the interest rate on any Bond, including Purchased Bonds, exceed the Ceiling Rate. In addition, the interest rate on Purchased Bonds shall not exceed the Maximum Purchased Bond Rate. The terms of this Bond shall not apply to Fixed Rate Bonds, and as used in this Bond, the term "Bond" or "Bonds" shall not include Fixed Rate Bonds.

THE WEEKLY INTEREST RATE for the Bonds shall be determined by the Remarketing Agent by 4:30 p.m., New York City time, on Tuesday of each week during such Weekly Interest Rate Period, or if such day shall not be a Business Day, then on the next succeeding Business Day. The interest rate so determined shall be effective at the times set forth in the Resolution.

IN DETERMINING each Weekly Interest Rate for the Bonds, the Remarketing Agent shall set such rates at the respective interest rates that, in the sole and exclusive judgment of the Remarketing Agent, would equal (but not exceed) the interest rates necessary to enable the Remarketing Agent to sell such Bonds (exclusive of accrued interest, if any) on the relevant determination date, at a price equal to the principal amount thereof; provided, however, that such interest rate shall not exceed the Ceiling Rate.

NOTWITHSTANDING anything to the contrary contained herein, this Bond, if held by or for the account of the Liquidity Provider as a Purchased Bond, shall bear interest at the Purchased Bond Rate, payable at the times and in the manner and calculated on the basis provided in the Liquidity Facility; provided, however, that the Purchased Bond Rate shall not exceed the Maximum Purchased Bond Rate as provided in the Resolution.

THE BONDS (including Purchased Bonds) shall be subject to scheduled mandatory sinking fund redemption and shall be redeemed on the first Business Day of the months and in the respective principal amounts set forth in the table below, at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date fixed for redemption:

<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u> ⁷
------------------------	-------------------------	------------------------	--------------------------------------

The principal amount of Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall be reduced, at the option of the Board, by the principal amount of any Bonds [of the same stated maturity]⁸ which (i) at least 45 days prior to such mandatory sinking fund redemption date, (a) shall have been acquired by the Board and delivered to the Registrar for cancellation, or (b) shall have been acquired and canceled by the Registrar at the direction of the Board, or (c) shall have been redeemed pursuant to any redemption provision set forth below and (ii) shall have not been previously credited against a scheduled mandatory sinking fund redemption.

THE BONDS (including Purchased Bonds) shall be subject to redemption prior to maturity on the first Business Day of any month, at the option and direction of the Board, in whole or in part, at a redemption price of par plus accrued interest. [In the case of any such redemption, the Board shall select the maturity or maturities of the Bonds to be redeemed and the amounts thereof in Authorized Denominations.]⁸

IN THE EVENT of any redemption of less than all of the Bonds [of a particular maturity]⁸, the particular Bonds [within each such maturity]⁸ to be redeemed are to be selected by the Registrar by lot in such manner as the Registrar shall deem fair and appropriate. During any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, if less than the entire principal amount Outstanding of all the Bonds is to be redeemed, the interests to be redeemed of the beneficial owners of the Bonds [of such maturity]⁹ shall be selected in accordance with the arrangements between the Board and the

⁷ The amounts set forth in the Purchase Contract or Pricing Certificate should be included in the table. Additional tables shall be added if there is more than one stated maturity of a series of Series 2026 Bonds, with a heading above each table identifying the stated maturity of the Series 2026 Bonds to which such table relates.

securities depository. In the event of any redemption of Bonds, Purchased Bonds shall be selected first for redemption in the manner described in the Resolution.

AT LEAST 30 days prior to the date fixed for any such redemption of this Bond, a written notice of such redemption shall be sent by first class mail, postage prepaid, by the Registrar to the Holder hereof. By the date fixed for any such redemption, due provision shall be made by the Board with the Paying Agent for the payment of the required redemption price for this Bond or the portion hereof which is to be so redeemed. If such written notice of redemption is given, and if due provision for such payment is made, all as provided above, this Bond, or the portion hereof which is to be redeemed, thereby automatically shall be redeemed prior to its scheduled maturity, and shall not bear interest after the date fixed for its redemption, and shall not be regarded as being Outstanding except for the right of the Holder to receive the redemption price plus accrued interest to the date fixed for redemption from the Paying Agent out of the funds provided for such payment. The Registrar shall record in the Registration Books all such redemptions of principal of this Bond or any portion hereof. If a portion of any Bond shall be redeemed, a substitute Bond [having the same maturity date,]⁹ in any Authorized Denomination that may be requested by the Holder thereof, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Resolution.

IN ADDITION to the notice of redemption required above, the Registrar shall send notice of redemption of Bonds by certified or registered mail, return receipt requested, postage prepaid, or by overnight delivery service contemporaneously with such mailing: (a) to any registered owner of \$1,000,000 or more in aggregate principal amount of Bonds; (b) to two or more information services of national recognition that disseminate redemption information with respect to municipal bonds; and (c) to any securities depository that is a registered owner of the Bonds. In addition, in the event of a redemption caused by an advance refunding of the Bonds, the Registrar shall send a second notice of redemption to all registered owners of the Bonds at least 30 days but not more than 90 days prior to the actual redemption date. Any notice required to be sent to any registered securities depositories or national information services shall be sent so that it is received at least two (2) days prior to the general mailing date of such notice. The Registrar shall also send a notice of redemption to the registered owner of any Bond who has not sent the Bonds in for redemption 60 days after the redemption date. Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this paragraph or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Bonds.

ANY BONDS, subject to the requirements regarding timely notice and delivery, will be purchased, in accordance with the provisions of the Resolution, on the demand of the Holder thereof as provided in the Resolution and delivery to the Tender Agent of such Bond, endorsed in blank by the Holder thereof or accompanied by an instrument of transfer thereof in form satisfactory to the Tender Agent, executed in blank by the Holder thereof (the Tender Agent being able to refuse to accept delivery of any such Bond not endorsed in blank or for which an instrument of transfer satisfactory to it has not been provided). THE TIMELY DELIVERY OF A PROPERLY COMPLETED TENDER REQUEST NOTICE SHALL CONSTITUTE AN IRREVOCABLE TENDER OF THE BONDS COVERED THEREBY.

THE BONDS WILL BE SUBJECT to mandatory tender for purchase on the Business Days and under the circumstances specified in the Resolution.

EACH BOND SHALL BE SUBJECT to mandatory tender for purchase on the Fixed Rate Conversion Date.

IF THE HOLDER HEREOF FAILS TO DELIVER THIS BOND OR ANY PORTION HEREOF TO THE TENDER AGENT AFTER GIVING NOTICE OF AN OPTIONAL TENDER, OR UPON A MANDATORY TENDER, AND MONEYS SUFFICIENT TO PAY THE PURCHASE PRICE OF THIS BOND ARE ON DEPOSIT WITH THE TENDER AGENT, THIS BOND OR PORTION HEREOF SHALL BE DEEMED TO HAVE PURCHASED, AND THEREAFTER NO FURTHER INTEREST SHALL ACCRUE ON THIS BOND OR SUCH PORTION. THE HOLDER HEREOF SHALL THEREAFTER HAVE RECOURSE SOLELY TO THE FUNDS HELD BY THE TENDER AGENT FOR THE PURCHASE OF THIS BOND, AND THE TENDER AGENT SHALL NOT RECOGNIZE ANY FURTHER TRANSFER HEREOF.

WHENEVER, during the term of the Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), tenders of Bonds shall be made pursuant to DTC's (or any successor securities depository's) deliver order procedures or repayment option procedures, as applicable, as are in effect from time to time. Upon remarketing of Bonds, payment of the purchase price thereof shall be made to DTC (or any successor securities depository) and no surrender of Bonds is required. Such sales shall be made through the DTC Participants (which may include the Remarketing Agent) to the new beneficial owners of such Bonds, and the DTC Participants shall transmit payment to beneficial owners whose Bonds were purchased pursuant to a remarketing. The Board and the Registrar, the Paying Agent, the Tender Agent, the Liquidity Provider and the Remarketing Agent are not responsible for transfer of payment to the DTC Participants or beneficial owners.

THIS BOND or any portion or portions hereof in any Authorized Denomination may be assigned and shall be transferred only in the Registration Books of the Board kept and maintained by the Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof, in any Authorized Denomination, to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. A new Bond or Bonds payable to such assignee (which then will be the new registered owner of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds. Except in the case of tenders of Bonds pursuant to the Resolution or of the

remarketing of Purchased Bonds, neither the Board nor the Registrar shall be required (a) to issue, replace, transfer, or exchange any Bond during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (b) to replace, transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days; except that at the option of the registered owner of at least \$1,000,000 in principal amount of Bonds, the Registrar shall be required to transfer or exchange any Bond of such owner which has been selected in whole or in part for redemption upon surrender thereof. The Registrar may make such arrangements as it deems appropriate for notation on each new Bond issued in exchange for or upon the transfer of the Bond so selected for redemption of an appropriate legend to the effect that such new Bond has been so selected for redemption. The registered owner of this Bond shall be treated by the Issuer, the Board, the Paying Agent and the Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the Issuer, the Board, the Paying Agent and the Registrar shall not be affected by any notice to the contrary. The Board shall pay the Registrar's reasonable and standard or customary fees and charges for making such transfer, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto.

AS PROVIDED in the Resolution, this Bond, or any portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, in the same Interest Mode, bearing interest at the same rate, and in any Authorized Denomination, as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Resolution. The one requesting such conversion and exchange shall pay the Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or any portion or portions thereof in any Authorized Denomination, as described in the previous paragraph, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Bond which has been redeemed in part prior to maturity, as provided herein, such fees and charges will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined only by a book entry at a securities depository for the Bonds, the foregoing requirements of registering, holding, delivering, exchanging or transferring this Bond shall be modified to require the appropriate Person to meet the requirements of the securities depository as to registering, holding, delivering, exchanging or transferring the book entry to produce the same effect.

IN THE EVENT that the initial Paying Agent or Registrar for the Bonds is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, whose qualifications comply with the requirements of the Resolution, and that one entity will

serve as Paying Agent and Registrar, except during periods when the Bonds are registered only by means of a book entry at a securities depository, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE BOARD reserves the right to amend the Resolution, as deemed necessary or desirable by the Board, with the consent of the registered owners of a majority in aggregate principal amount of the Bonds then Outstanding under the terms and conditions stated in the Resolution. The Board may, without the consent of the registered owners of the Bonds, adopt certain amendments to the Resolution as set forth in the Resolution.

IN THE EVENT of any conflict or inconsistency between the terms and provisions of this Bond and the terms and provisions of the Resolution, the terms and provisions of the Resolution shall control.

IT IS HEREBY CERTIFIED and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, that the series of Bonds of which this is a part does not exceed any Constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part by a pledge of the credit of the Issuer and of the funds specified herein.

[UNLESS THE REGISTRAR'S AUTHENTICATION CERTIFICATE hereon has been executed by the Registrar by manual signature, this Bond shall not be entitled to any benefit under the Resolution or be valid or obligatory for any purpose.]¹¹

¹⁰ To be included in an Initial Series 2026 Bond only.

¹¹ To be included in all Series 2026 Bonds of a series other than the Initial Series 2026 Bond.

the calendar month immediately preceding each Interest Payment Date, or (ii) in the case of a redemption of Bonds prior to maturity, the fifteenth day prior to the mailing of the applicable notice of redemption (each, a “Record Date”), by check drawn by the Paying Agent on, and payable solely from, funds of the Board required to be on deposit with the Paying Agent for such purpose as hereinafter provided; and such check shall be sent by the Paying Agent by first class United States mail, postage prepaid, on each such Interest Payment Date, to the registered owner hereof at its address as it appears on the Registration Books kept and maintained by the Registrar, as hereinafter described. The Paying Agent shall make payment of the principal of and premium, if any, or interest on this Bond by wire transfer in immediately available funds to a bank account located within the United States of Federal Reserve Funds upon request of the registered owner hereof, provided such registered owner is the registered owner of \$1,000,000 or more in aggregate principal amount of Bonds and provides the necessary wire information to the Paying Agent at least 15 days prior to the applicable Record Date. The Board covenants with the registered owner of this Bond that as of each Interest Payment Date for this Bond it will make available to the Paying Agent the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due. Notwithstanding the foregoing, during any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, payments made to the securities depository, or its nominee, shall be made in accordance with arrangements between the Board and the securities depository.

UNLESS OTHERWISE DEFINED herein, capitalized words and terms used in this Bond and not otherwise defined shall have the meanings ascribed to such terms in the Resolution (defined below).

IF THE DATE for the payment of the principal of or interest on this Bond shall not be a Business Day, then the date for such payment shall be the next succeeding Business Day and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is one of a series of bonds of like tenor and effect except as to number, principal amount and scheduled maturity, aggregating _____ Dollars³ (\$_____) (the “Bonds”), issued for the purpose of refunding Prior Bonds, all in accordance with the provisions of the Constitutional Provision, the Act, Chapter 1207 and Chapter 1371, and pursuant to a resolution authorizing the issuance of the series of Bonds of which this is one, adopted by the Board and duly of record in the minutes of the Board (the “Resolution”). The Bonds are issuable solely as fully registered bonds, without interest coupons, in denominations of any integral multiple of \$5,000 (each, an “Authorized Denomination”).

THE SERIES OF BONDS of which this is one shall be and is hereby made a general obligation of the State of Texas, pursuant to the Constitutional Provision and the Act, and for the faithful performance of all covenants, recitals and stipulations herein contained, and for the faithful performance in proper time and manner of each official or other act required and

necessary to provide for the prompt payment of principal of and interest on this Bond when due, the full faith and credit of the State of Texas are hereby pledged.

PAYMENTS OF THE PRINCIPAL OF and premium, if any, and interest on this Bond, shall be made primarily from the Veterans' Housing Assistance Fund II ("Fund II") created by the Constitutional Provision, which fund shall be comprised of (1) any interest of the Board in all Home Loans made from money in Fund II pursuant to the Program, including proceeds of any insurance thereon or on the homes, (2) the proceeds derived from the sale or other disposition of the Board's interests in Home Loans, (3) the money attributable to any Housing Assistance Bonds (defined below) (except for certain expenses related to the issuance of Housing Assistance Bonds) issued and sold by the Board to provide money for Fund II which shall include but shall not be limited to the proceeds from the issuance and sale of such Housing Assistance Bonds, (4) income, rents, and any other pecuniary benefit received by the Board as a result of making Home Loans, (5) sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any Housing Assistance Bonds to comply with the person's bid and accept and pay for such Housing Assistance Bonds, (6) payments received by the Board under bond enhancement agreements with respect to the Housing Assistance Bonds, (7) interest received from investments of any such money, and (8) any equitable interest of the Board in properties encumbered by Home Loans and attributable to Fund II. The Bonds and all other bonds issued by the Board pursuant to the Constitution of the State to augment Fund II or to refund any such bonds are referred to herein as "Housing Assistance Bonds." The Constitutional Provision provides that to the extent there is not money in Fund II available for payment of principal of and interest on the Housing Assistance Bonds, there is appropriated out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by the Texas Constitution, an amount which is sufficient to pay the principal of and interest on such Housing Assistance Bonds that mature or become due during that fiscal year.

THE BONDS are subject to scheduled mandatory sinking fund redemption, and shall be redeemed on the dates and in the respective principal amounts set forth in the table below, at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date fixed for redemption:

<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u> ⁴
------------------------	-------------------------	------------------------	--------------------------------------

*Stated maturity

⁴ For Converted Fixed Rate Bonds, the remaining amounts set forth in the applicable Purchase Contract or Pricing Certificate should be included in the table, and additional tables shall be added if there is more than one stated maturity of such Series 2026 Bonds, with a heading above each table identifying the stated maturity of the Series 2026 Bonds to which such table relates; for Series 2026 Bonds issued as Fixed Rate Bonds, the amounts set forth in the Purchase Contract or Pricing Certificate shall be set forth here.

The principal amount of Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall be reduced, at the option of the Board, by the principal amount of any Bonds [of the same stated maturity]⁵ which (A) at least 45 days prior to such mandatory sinking fund redemption date, (1) shall have been acquired by the Board and delivered to the Registrar for cancellation, or (2) shall have been acquired and canceled by the Registrar at the direction of the Board, or (3) shall have been redeemed pursuant to any optional redemption and (B) shall have not been previously credited against a scheduled mandatory sinking fund redemption.

THE BONDS shall be subject to redemption and may be redeemed prior to the scheduled maturities thereof, at the option and direction of the Board, at any time and from time to time on and after _____ 1, 20__, in whole or in part, at the redemption prices set forth below (expressed as a percentage of the principal amount of the Bonds or portions thereof to be redeemed), plus accrued interest to the date fixed for redemption:

Redemption Dates

Redemption Price

[In the case of any such redemption, the Board shall select the maturity or maturities of the Bonds to be redeemed and the amounts thereof in Authorized Denominations.]⁵

IN THE EVENT of any redemption of less than all of the Bonds [of a particular maturity]⁵, the particular Bonds [within such maturity]⁵ to be redeemed are to be selected by the Registrar by lot in such manner as the Registrar shall deem fair and appropriate. During any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, if less than the entire principal amount Outstanding of all the Bonds [of the same maturity are to be redeemed]⁵, the interests to be redeemed of the beneficial owners of the Bonds of such maturity shall be selected in accordance with the arrangements between the Board and the securities depository.

AT LEAST 30 days prior to the date fixed for any such redemption of this Bond, a written notice of such redemption shall be sent by first class mail, postage prepaid, by the Registrar to the Holder hereof. By the date fixed for any such redemption, due provision shall be made by the Board with the Paying Agent for the payment of the required redemption price for this Bond or the portion hereof which is to be so redeemed. If such written notice of redemption is given, and if due provision for such payment is made, all as provided above, this Bond, or the portion hereof which is to be redeemed, thereby automatically shall be redeemed prior to its scheduled maturity, and shall not bear interest after the date fixed for its redemption, and shall not be regarded as being Outstanding except for the right of the Holder to receive the redemption price plus accrued interest to the date fixed for redemption from the Paying Agent out of the funds provided for such payment. The Registrar shall record in the Registration Books all such redemptions of principal of this Bond or any portion hereof. If a portion of any Bond shall be

redeemed, a substitute Bond [having the same stated maturity,]⁶ in any Authorized Denomination that may be requested by the Holder thereof, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Holder upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Resolution.

IN ADDITION to the notice of redemption required above, the Registrar shall send notice of redemption of Bonds by certified or registered mail, return receipt requested, postage prepaid, or by overnight delivery service contemporaneously with such mailing: (1) to any registered owner of \$1,000,000 or more in aggregate principal amount of Bonds; (2) to two or more information services of national recognition that disseminate redemption information with respect to municipal bonds; and (3) to any securities depository that is a registered owner of the Bonds. In addition, in the event of a redemption caused by an advance refunding of the Bonds, the Registrar shall send a second notice of redemption to all registered owners of the Bonds at least 30 days but not more than 90 days prior to the actual redemption date. Any notice required to be sent to any registered securities depositories or national information services shall be sent so that it is received at least two (2) days prior to the general mailing date of such notice. The Registrar shall also send a notice of redemption to the registered owner of any Bond who has not sent the Bonds in for redemption 60 days after the redemption date. Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this paragraph or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Bonds.

THIS BOND or any portion or portions hereof in any Authorized Denomination may be assigned and shall be transferred only in the Registration Books of the Board kept and maintained by the Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof, in any Authorized Denomination, to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. A new Bond or Bonds payable to such assignee (which then will be the new registered owner of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds. Neither the Board nor the Registrar shall be required (1) to issue, replace, transfer, or exchange any Bond during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (2) to replace, transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days; except that at the option of the registered owner of at least \$1,000,000 in principal amount

⁶ Bracketed text to be deleted if there only one stated maturity of the series of Series 2026 Bonds.

of Bonds, the Registrar shall be required to transfer or exchange any Bond of such owner which has been selected in whole or in part for redemption upon surrender thereof. The Registrar may make such arrangements as it deems appropriate for notation on each new Bond issued in exchange for or upon the transfer of the Bond so selected for redemption of an appropriate legend to the effect that such new Bond has been so selected for redemption. The registered owner of this Bond shall be treated by the Issuer, the Board, the Paying Agent and the Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the Issuer, the Board, the Paying Agent and the Registrar shall not be affected by any notice to the contrary. The Board shall pay the Registrar's reasonable and standard or customary fees and charges for making such transfer, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto.

AS PROVIDED in the Resolution, this Bond, or any portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, bearing interest at the same rate, and in any Authorized Denomination, as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Resolution. The one requesting such conversion and exchange shall pay the Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or any portion or portions thereof in any Authorized Denomination, as described in the previous paragraph, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Bond which has been redeemed in part prior to maturity, as provided herein, such fees and charges will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined only by a book entry at a securities depository for the Bonds, the foregoing requirements of registering, holding, delivering, exchanging or transferring this Bond shall be modified to require the appropriate Person to meet the requirements of the securities depository as to registering, holding, delivering, exchanging or transferring the book entry to produce the same effect.

IN THE EVENT that the initial Paying Agent or Registrar for the Bonds is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, whose qualifications comply with the requirements of the Resolution, and that one entity will serve as Paying Agent and Registrar, except during periods when the Bonds are registered only by means of a book entry at a securities depository, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such

terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE BOARD reserves the right to amend the Resolution, as deemed necessary or desirable by the Board, with the consent of the registered owners of a majority in aggregate principal amount of the Bonds then Outstanding under the terms and conditions stated in the Resolution. The Board may, without the consent of the registered owners of the Bonds, adopt certain amendments to the Resolution as set forth in the Resolution.

IN THE EVENT of any conflict or inconsistency between the terms and provisions of this Bond and the terms and provisions of the Resolution, the terms and provisions of the Resolution shall control.

IT IS HEREBY CERTIFIED and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, that the series of Bonds of which this is a part does not exceed any Constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part by a pledge of the credit of the Issuer and of the funds specified herein.

UNLESS THE REGISTRAR'S AUTHENTICATION CERTIFICATE hereon has been executed by the Registrar by manual signature, this Bond shall not be entitled to any benefit under the Resolution or be valid or obligatory for any purpose.

IN TESTIMONY HEREOF, this Bond is executed with the manual or facsimile signatures of the Chairwoman of the Board and of the Executive Secretary of the Board, and the seal of said Board impressed, lithographed or printed hereon.

³¹ Bracketed text to be deleted if there is only one stated maturity of the series of Series 2026 Bonds.

Registrar shall also send a notice of redemption to the registered owner of any Bond who has not sent the Bonds in for redemption 60 days after the redemption date. Notwithstanding the foregoing, the failure to give any notice of redemption set forth in this paragraph or any defect in such notice or the mailing thereof shall not affect the validity of any proceedings for redemption of Bonds.

WHENEVER, during the term of the Bonds, the beneficial ownership thereof is determined by a book entry at DTC (or any successor securities depository), tenders of Bonds shall be made pursuant to DTC's (or any successor securities depository's) deliver order procedures or repayment option procedures, as applicable, as are in effect from time to time. Upon remarketing of Bonds, payment of the purchase price thereof shall be made to DTC (or any successor securities depository) and no surrender of Bonds is required. Such sales shall be made through the DTC Participants (which may include the Remarketing Agent) to the new beneficial owners of such Bonds, and the DTC Participants shall transmit payment to beneficial owners whose Bonds were purchased pursuant to a remarketing. The Board and the Registrar, the Paying Agent, the Tender Agent, the Liquidity Provider and the Remarketing Agent are not responsible for transfer of payment to the DTC Participants or beneficial owners.

THIS BOND or any portion or portions hereof in any Authorized Denomination may be assigned and shall be transferred only in the Registration Books of the Board kept and maintained by the Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof, in any Authorized Denomination, to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. A new Bond or Bonds payable to such assignee (which then will be the new registered owner of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds. Neither the Board nor the Registrar shall be required (a) to issue, replace, transfer, or exchange any Bond during a period beginning at the opening of business 30 days before the day of the first mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or (b) to replace, transfer or exchange any Bond so selected for redemption in whole or in part when such redemption is scheduled to occur within 30 calendar days; except that at the option of the registered owner of at least \$1,000,000 in principal amount of Bonds, the Registrar shall be required to transfer or exchange any Bond of such owner which has been selected in whole or in part for redemption upon surrender thereof. The Registrar may make such arrangements as it deems appropriate for notation on each new Bond issued in exchange for or upon the transfer of the Bond so selected for redemption of an appropriate legend to the effect that such new Bond has been so selected for redemption. The registered owner of this Bond shall be treated by the Issuer, the Board, the Paying Agent and the Registrar

as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the Issuer, the Board, the Paying Agent and the Registrar shall not be affected by any notice to the contrary. The Board shall pay the Registrar's reasonable and standard or customary fees and charges for making such transfer, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto.

AS PROVIDED in the Resolution, this Bond, or any portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, in the same Interest Mode, bearing interest at the same rate, and in any Authorized Denomination, as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Resolution. The one requesting such conversion and exchange shall pay the Registrar's reasonable and standard or customary fees and charges for converting and exchanging any Bond or portion thereof, together with any taxes or governmental charges required to be paid with respect thereto, all as a condition precedent to the exercise of such privilege of conversion and exchange; except, however, that in the case of the conversion and exchange of an assigned and transferred Bond or Bonds or any portion or portions thereof in any Authorized Denomination, as described in the previous paragraph, and in the case of the conversion and exchange of a portion of the unredeemed portion of a Bond which has been redeemed in part prior to maturity, as provided herein, such fees and charges will be paid by the Board.

WHENEVER the beneficial ownership of this Bond is determined only by a book entry at a securities depository for the Bonds, the foregoing requirements of registering, holding, delivering, exchanging or transferring this Bond shall be modified to require the appropriate Person to meet the requirements of the securities depository as to registering, holding, delivering, exchanging or transferring the book entry to produce the same effect.

IN THE EVENT that the initial Paying Agent or Registrar for the Bonds is changed by the Board, resigns, or otherwise ceases to act as such, the Board has covenanted in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, whose qualifications comply with the requirements of the Resolution, and that one entity will serve as Paying Agent and Registrar, except during periods when the Bonds are registered only by means of a book entry at a securities depository, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Resolution, agrees to be bound by such terms and provisions, acknowledges that the Resolution is duly recorded and available for inspection in the official minutes and records of the Board, and agrees that the terms and provisions of this Bond and the Resolution constitute a contract between each registered owner hereof and the Board.

THE BOARD reserves the right to amend the Resolution, as deemed necessary or desirable by the Board, with the consent of the registered owners of a majority in aggregate principal amount of the Bonds then Outstanding under the terms and conditions stated in the Resolution. The Board may, without the consent of the registered owners of the Bonds, adopt certain amendments to the Resolution as set forth in the Resolution.

IN THE EVENT of any conflict or inconsistency between the terms and provisions of this Bond and the terms and provisions of the Resolution, the terms and provisions of the Resolution shall control.

IT IS HEREBY CERTIFIED and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it forms a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas and the Resolution, that the series of Bonds of which this is a part does not exceed any Constitutional or statutory limitation, and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part by a pledge of the credit of the Issuer and of the funds specified herein.³²

MEMORANDUM

TEXAS VETERANS LAND BOARD • CHAIRWOMAN DAWN BUCKINGHAM, M.D.

Date: February 3, 2026

To: Dawn Buckingham, MD, Chairwoman
Judson Scott, Member
James Rothfelder, Member

From: John Barton, Director of VLB Bond Funds Management

Subject: Agenda Item 13 f - Consideration and possible adoption of resolution authorizing the sale of loans in the Veterans' Land Program and Veterans' Housing Assistance Program, and other matters relating to the subject.

Recommendation

Staff recommends that the Board rescind the remaining authority approved in 2019 and approve up to \$1 billion in loan sales in the Veterans' Land Program (VLP) and Veterans' Housing Assistance Program (VHAP), in one or more sales with a minimum overall weighted average purchase price for each sale at 80.00% of par.

Summary

In June 2002, the Board implemented a funding mechanism that allows loans originated to veterans in the VHAP to be pooled into GNMA pass-through certificates and subsequently sells them in the secondary market. The proceeds from the GNMA sales are then used to originate new loans to veterans, and the process is repeated. Since the inception of this funding mechanism through December 2025, there have been 90 GNMA MBS sales totaling approximately \$3.53 billion (average price of approximately 96.69). In addition, the Board has executed whole loan sales of approximately \$1.23 billion in the VHAP (average price of 100.7) and two whole loan sales totaling approximately \$96.3 million in the VLP (weighted average price of approximately 102.60).

From November 2003 to April 2019, the Board has delegated the authority to staff to sell up to \$4 billion of housing and land loans, in one or more sales. The delegation of this authority allows staff to eliminate the need to obtain Board approval before each transaction, affording the flexibility to enter the market on a timely basis. In April 2019, the Board authorized up to an additional \$2 billion of housing and land loans. Since that approval, 10 loans sales have been conducted, selling \$1.05 billion in principal balance. Approximately, \$1.15 billion of loan sale authority from the April 2019 approval remains.

Gateway will continue to convert existing housing loans into GNMA certificates with various pass-through rates and will also continue to act as the Board's bidding agent for the sale of the GNMA's at no charge. Gateway will offer the GNMA certificates to a group of investors that are active participants in the GNMA secondary market; thus, we expect to continue to receive very

attractive bids. In addition, staff is analyzing prospects for privately negotiated whole loan sales for loans that do not qualify for GNMA pooling.

In 2018 and 2019, approximately \$100 million of land mortgages originated in the Veterans' Land Program were sold. Staff is exploring options to redevelop the market for land loan sales and would expect loans to be sold through a series of privately negotiated whole loan sales.

Shortly before the remaining proposed authority is used, staff will once again seek similar authority from the Board.

From: John Barton, Director of VLB Bond Funds Management

Subject: Agenda Item 13 g - Consideration and possible action on redemption of outstanding bonds.

Recommendation

Staff recommends the Board approve the resolution authorizing the redemption of bonds issued in connection with the Veterans Housing Assistance Program (VHAP).

Summary

Staff seeks approval for the redemption of bond series previously issued in connection with the VHAP. The bonds would be redeemed either in conjunction with a refunding bond issuance or using available cash on hand.

With the volatile markets over the past several years, there are opportunities to align VLB's current debt structure to its bond maturities. Redeeming bonds can be done for several reasons including:

- matching bond debt service cash flows with current mortgages,
- matching future lending proceeds to current interest rate environment,
- create a net present value savings, and
- eliminating restrictive covenants of prior bonds.

As interest rates increased over the past few years and remained elevated, certain bonds have restrictions that do not allow for the efficient use of recycled proceeds in the current interest rate environment. Redeeming and/or restructuring these bonds would allow the VLB to receive proceeds in line with its current cash flow and make loans that are consistent with today's rates.

In Fiscal Years 2024 and 2025, bonds were redeemed as part of refunding transactions to eliminate restrictive covenants and to create a net present value savings. This requested authorization is expected to be used to redeem bonds in a new transaction like the Series 2024A Taxable Refunding bonds to match loans to current interest rates and eliminate restrictive covenants.

TEXAS VETERANS LAND BOARD • CHAIRWOMAN DAWN BUCKINGHAM, M.D.

From: John Barton, Director of VLB Bond Funds Management

Subject: Agenda Item 13 h - Consideration and possible adoption of resolution authorizing liquidity facilities relating to bonds issued or to be issued in connection with the Veterans' Land Program or the Veterans' Housing Assistance Program and providing for other matters relating to the subject.

Recommendation

Staff recommends that the Board authorize staff to execute new liquidity facilities and substitute existing liquidity facilities and amend or supplement certain bond resolutions to accommodate such substitutions, as necessary, for the period beginning February 4, 2026, and ending February 3, 2027.

Summary

In keeping with past practices, the Board approved a resolution in May 2025 that authorized staff to: (1) substitute, over a one-year period, as necessary, various liquidity facilities provided by various liquidity providers on existing VLB variable-rate bond issues; (2) execute new liquidity facilities related to any new VLB bond issues during the one-year period; and (3) amend or supplement the resolutions associated with any such VLB bond issues.

During the past year, staff renewed five liquidity agreements, entered into one new liquidity agreements, and have eight liquidity agreements that will be up for renewal during the one-year approval period. Staff also intends to enter into new liquidity agreements in conjunction with any new bond transactions.

Although it remains slightly challenging to find large, creditworthy banks willing to provide liquidity at pricing levels similar to those of the previous few years, staff expects to continue to meet projected liquidity facility needs during the next year at prices that are reasonable.

RESOLUTION

OF THE VETERANS' LAND BOARD OF THE STATE OF TEXAS
AUTHORIZING LIQUIDITY FACILITIES RELATING TO BONDS ISSUED
OR TO BE ISSUED IN CONNECTION WITH THE VETERANS' LAND
PROGRAM OR THE VETERANS' HOUSING ASSISTANCE PROGRAM,
AND PROVIDING FOR OTHER MATTERS RELATING TO THE SUBJECT

WHEREAS, the Veterans' Land Board (the "Board") of the State of Texas has caused to be issued from time to time and has currently outstanding variable rate demand bonds (the "Variable Rate Bonds") in connection with the Veterans' Housing Assistance Program and the Veterans' Land Program; and

WHEREAS, to provide liquidity for Variable Rate Bonds that are tendered for purchase but not remarketed, the Board has obtained liquidity facilities (the "Prior Liquidity Facilities") for each series of Variable Rate Bonds; and

WHEREAS, due to current market conditions, the Board has determined it is necessary and desirable to authorize the substitution from time to time of liquidity facilities for one or more series of Variable Rate Bonds or the extension of any of the Prior Liquidity Facilities; and

WHEREAS, the Board anticipates the issuance of up to \$250,000,000 in original principal amount of tax-exempt bonds and of up to \$250,000,000 in original principal amount of taxable bonds (collectively, the "Series 2026 Bonds") in calendar year 2026 in one or more series and installments in connection with the Veterans' Housing Assistance Program (the "Housing Program"); and

WHEREAS, the Board has authorized the issuance of refunding bonds (the "Refunding Bonds") to refund certain bonds previously issued in connection with the Housing Program; and

WHEREAS, the Board has determined it is necessary and desirable to authorize liquidity facilities for any Refunding Bonds and Series 2026 Bonds that are issued as Variable Rate Bonds; and

WHEREAS, the Board desires to authorize the Chairwoman, the Executive Secretary, the Director of VLB Bond Funds Management and the Assistant Director of VLB Bond Funds Management of the Board (collectively, the "Authorized Representatives") to act on behalf of the Board in entering into and delivering new or substitute liquidity facilities (in any event, "New Liquidity Facilities") or extensions of the Prior Liquidity Facilities and such other documentation required in connection therewith;

NOW, THEREFORE, BE IT RESOLVED BY THE VETERANS' LAND BOARD OF THE STATE OF TEXAS, THAT:

1. Incorporation of Recitals. All of the above recitals are found and determined to be true and correct and are incorporated into the body of this Resolution as if copied in their entirety.

2. Approval of New Liquidity Facilities. Each Authorized Representative is hereby severally authorized to act on behalf of the Board in obtaining and executing New Liquidity Facilities (i) for any Series 2026 Bonds or Refunding Bonds issued as Variable Rate Bonds, or (ii) when, in his judgment, the substitution of such New Liquidity Facility for an existing Prior Liquidity Facility is in the best interests of the Board given the market conditions at that time. Each such New Liquidity Facility shall be substantially in the form of, or shall contain substantially the same provisions as, one or more of the Prior Liquidity Facilities, with such changes therein as, in the judgment of an Authorized Representative, with the advice and counsel of bond counsel to the Board and the financial advisor to the Board, are necessary or desirable (i) to carry out the intent of the Board expressed in this Resolution, (ii) to accommodate the requirements of a particular liquidity provider or the type of the New Liquidity Facility, or (iii) to incorporate comments received or anticipated to be received from any credit rating agency relating to the New Liquidity Facility. The principal amount of each New Liquidity Facility shall be the same as the related Variable Rate Bonds, shall have an initial term not to exceed seven years with extensions not to exceed the lesser of seven years and the maturity date of the related Variable Rate Bonds, and shall have a facility fee not to exceed 150 basis points at the time of inception or extension, as applicable. Each New Liquidity Facility shall be with a provider rated not less than A-1 with S&P Global Ratings, a division of S&P Global Inc., or P1 with Moody's Investors Service, Inc., and shall have the same source of payment and security as the Prior Liquidity Facilities. For purposes of this Resolution, the change in form of a Prior Liquidity Facility, such as from a standby bond purchase agreement to a letter of credit with a related reimbursement agreement with the same liquidity provider, shall be considered the substitution of a Prior Liquidity Facility with a New Liquidity Facility.

3. Amendment of Resolutions. In connection with any substitution pursuant to this Resolution, on the substitution date the bond resolution for the related Variable Rate Bonds shall, in the discretion of an Authorized Representative, be deemed to be amended to the extent necessary to cause the variable rate provisions to be consistent with the State of Texas Veterans Bonds, Series 2025B in the case of any tax-exempt Variable Rate Bonds, or with the State of Texas Veterans Bonds, Taxable Refunding Series 2025C in the case of any taxable Variable Rate Bonds. Any such amendment shall be subject to any further requirements set forth in the related bond resolution.

4. Extension of Prior Liquidity Facilities. Each Authorized Representative is hereby severally authorized to act on behalf of the Board in connection with the extension of the term of any Prior Liquidity Facility, the terms of such extension subject to the parameters provided for a New Liquidity Facility in Section 1 of this Resolution. In connection with any such extension, each Authorized Representative is hereby severally authorized to act on behalf of the Board in executing any amendment to the related Prior Liquidity Facility to contain provisions substantially similar to another Prior Liquidity Facility or a new Liquidity Facility or as required under then-applicable law, and any such amendments heretofore executed by the Authorized Representatives are hereby ratified, approved and confirmed in all respects.

5. Authorization and Ratification of Additional Acts. The Authorized Representatives are hereby severally authorized and directed from time to time and at any time, in the name and on behalf of the Board, to do and perform or cause to be done and performed all acts and things and to execute, deliver, and if requested by the provider of a New Liquidity

Facility, attest or affix the seal of the Board to, all certificates, instruments and other papers as they may determine to be necessary or desirable in connection with the delivery of a New Liquidity Facility, including, without limitation (i) in the case of a substitution, preparation and distribution of a supplement to the official statement relating to the related Variable Rate Bonds, and (ii) the submission of a transcript of proceedings for approval of the Attorney General of the State of the proceedings authorizing each New Liquidity Facility as a “credit agreement” under Chapter 1371 of the Texas Government Code, as amended, such determination to be conclusively evidenced by the performance of such acts and things and the execution and delivery of any such certificate, instrument or other paper, and any such actions heretofore performed or caused to be performed by the Authorized Representatives are hereby ratified, approved and confirmed in all respects.

6. Open Meeting. It is hereby officially found and determined that the meeting at which this resolution was adopted and approved was open to the public as required by law and public notice of the time, place and purpose of said meeting was given as required by Chapter 551 of the Texas Government Code, as amended.

7. Effective Date. This Resolution shall be in full force and effect on and as of the date hereof. The delegation to each Authorized Representative to act on behalf of the Board under this Resolution shall expire on February 2, 2027, and shall supersede and replace in its entirety the resolution of the same title adopted by the Board on May 13, 2025.

Subject: Agenda Item 13 i - Consideration and possible action on the adoption of a resolution authorizing interest rate swap transactions relating to bonds issued or to be issued in connection with the Veterans' Land Program or the Veterans' Housing Assistance Program and other related matters.

Recommendation

Staff recommends that the Board authorize staff to execute interest rate swap transactions upon notice to the Executive Secretary of the Veterans' Land Board for the period beginning February 4, 2026, and ending February 3, 2027.

Summary

This agenda item constitutes the Board's annual renewal of its authorization for staff to execute certain interest rate swap transactions upon notice to the Executive Secretary of the Veterans Land Board for a one-year period.

In May 2025, the Board approved a resolution authorizing staff to execute certain interest rate swap transactions. During that time, staff executed one new swap related to the Series 2025C Bonds.

Financial markets continue to be volatile and are likely to remain so in the future. Volatile financial markets can create attractive, but fleeting, opportunities for entities that are sophisticated, experienced, and well-positioned to take advantage of them before they are arbitrated away by market participants. However, the Board's quarterly meeting schedule is not conducive to executing quickly upon attractive market opportunities before they disappear.

In recognition of this problem, the Board authorized staff, beginning in January 2009, to execute interest rate swap transactions as attractive opportunities arise for rolling one-year periods.

Staff believes that the annual adoption of this resolution will continue to serve as a powerful tool that provides the flexibility necessary to take advantage of attractive opportunities as they arise.

RESOLUTION

OF THE VETERANS' LAND BOARD OF THE STATE OF TEXAS AUTHORIZING INTEREST RATE SWAP TRANSACTIONS RELATING TO BONDS ISSUED OR TO BE ISSUED IN CONNECTION WITH THE VETERANS' HOUSING ASSISTANCE PROGRAM OR THE VETERANS' LAND PROGRAM; AND PROVIDING FOR OTHER MATTERS RELATING TO THE SUBJECT

WHEREAS, pursuant to the provisions of Article III, Section 49-b (the "Constitutional Provision") of the Constitution of the State of Texas (the "State"), and implemented by Chapters 161 ("Chapter 161") and 162 ("Chapter 162"), Texas Natural Resources Code, as amended, the Veterans' Land Board (the "Board") of the State has been authorized, subject to the limitations set forth in the Constitutional Provision, to issue general obligation bonds ("Bonds") of the State from time to time for the purpose of providing funding for the Veterans' Housing Assistance Fund, the Veterans' Housing Assistance Fund II and the Veterans' Land Fund, which funds are to be used for the purpose of making home mortgage loans, and purchasing land to be resold or making loans for the purchase of land, to Veterans (as such term is defined in Chapter 161 and Chapter 162); and

WHEREAS, pursuant to Section 161.074 of Chapter 161 and Section 162.052 of Chapter 162, the Board is authorized to enter into one or more bond enhancement agreements the Board determines to be necessary or appropriate to place the obligation of the Board, as represented by the Bonds, in whole or in part, on the interest rate, currency, cash flow or other basis desired by the Board; and

WHEREAS, the Board desires to authorize the Chairwoman, the Executive Secretary, the Director of VLB Bond Funds Management and the Assistant Director of VLB Bond Funds Management of the Board (collectively, the "Authorized Representatives") to act on behalf of the Board to enter into Bond Enhancement Agreements from time to time, all as provided in this Resolution;

NOW, THEREFORE, BE IT RESOLVED BY THE VETERANS' LAND BOARD OF THE STATE OF TEXAS, THAT:

1. Authorization of Bond Enhancement Agreements.

(a) Delegation. Pursuant to Section 161.074(b) of Chapter 161 and Section 162.052(b) of Chapter 162, each Authorized Representative is hereby severally authorized to act on behalf of the Board in accepting and executing new or amended confirmations (each, a "Confirmation" and, collectively with the applicable Master Agreement (defined below), a "Bond Enhancement Agreement") under one or more of the Existing Master Agreements and the New Master Agreements (each as defined below) (collectively, the "Master Agreements") when, in his or her judgment, the execution of such Confirmation is consistent with this Resolution and the Board's Debt and Derivatives Policy Statement and either (i) the transaction is expected to reduce the net interest to be paid by the Board with respect to any then outstanding Bonds or Bonds

anticipated to be issued in the future over the term of the Bond Enhancement Agreement or (ii) the transaction is in the best interests of the Board given the market conditions at that time. Each Authorized Representative is also severally authorized to execute any required novation agreement related to the execution and delivery of a new or amended Confirmation undertaken in conjunction with the novation of an existing Confirmation.

(b) Determination as Bond Enhancement Agreement. The Board hereby determines that any such Bond Enhancement Agreement entered into by an Authorized Representative pursuant to this Resolution is necessary or appropriate to place the Board's obligations with respect to outstanding Bonds or Bonds anticipated to be issued in the future on the interest rate, currency, cash flow or other basis set forth in such Bond Enhancement Agreement as approved and executed on behalf of the Board by an Authorized Representative. Each Bond Enhancement Agreement constitutes a "bond enhancement agreement" under Section 161.074 of Chapter 161 or Section 162.052 of Chapter 162, as applicable. Pursuant to Section 161.074(c) of Chapter 161 or Section 162.052(c) of Chapter 162, as applicable, a Bond Enhancement Agreement authorized and executed by an Authorized Representative under this Resolution shall not be considered a "credit agreement" under Chapter 1371 of the Texas Government Code, as amended, unless specifically designated as such by the Board.

(c) Maximum Term. The maximum term of each Bond Enhancement Agreement authorized by this Resolution shall not exceed the maturity date of the then outstanding related Bonds or the related Bonds anticipated to be issued in the future, as applicable.

(d) Notional Amount. The notional amount of any Bond Enhancement Agreement authorized by this Resolution shall not at any time exceed the aggregate principal amount of the then outstanding related Bonds or related Bonds anticipated to be issued in the future, as applicable; provided that the aggregate notional amount of multiple Bond Enhancement Agreements relating to the same Bonds may exceed the principal amount of the related Bonds if such Bond Enhancement Agreements are for different purposes, as evidenced for example by different rates for calculating payments owed, and the aggregate notional amount of any such Bond Enhancement Agreements for the same purpose otherwise satisfies the foregoing requirements.

(e) Early Termination. No Confirmation entered into pursuant to this Resolution shall contain early termination provisions at the option of the counterparty except upon the occurrence of an event of default or a termination event, as prescribed in the applicable Master Agreement. In addition to subsections (a) and (b) of Section 3 hereof, each Authorized Representative is hereby severally authorized to terminate any Bond Enhancement Agreement in whole or in part when, in his or her judgment, such termination is in the best interests of the Board given the market conditions at that time.

(f) Maximum Rate. No Bond Enhancement Agreement authorized by this Resolution shall be payable at a rate greater than the maximum rate allowed by law.

2. Authorization for Specific Transactions. In addition to the authority otherwise granted in this Resolution, each Authorized Representative is hereby severally granted continuing authority to enter into the following specific transactions pursuant to a Confirmation (or other agreement or instrument deemed necessary by an Authorized Representative) upon satisfaction of the following respective conditions:

(a) Floating-to-fixed rate interest rate swap transactions under which the Board would pay an amount based upon a fixed rate of interest and the counterparty would pay an amount based upon a variable rate of interest with respect to Bonds then outstanding bearing interest at a variable rate or any Bonds anticipated to be issued in the future that will bear interest at a variable rate, as applicable. Prior to an Authorized Representative other than the Chairwoman of the Board entering into any such transaction, such Authorized Representative must deliver to the Chairwoman of the Board or the Chief Clerk of the General Land Office a certificate to the effect that (i) the synthetic fixed rate to the Board pursuant to the swap transaction is lower than the rate available to the Board for comparable fixed rate debt at the time of the swap transaction, and (ii) if the variable rate being paid or expected to be paid by the Board on the applicable Bonds is computed on a basis different from the calculation of the variable rate to be received under the swap transaction over the stated term of such swap transaction, the basis risk of the transaction is expected to be minimal based upon historical relationships between such bases;

(b) Fixed-to-floating rate interest rate swap transactions under which the Board would pay an amount based upon a variable rate of interest and the counterparty would pay an amount based upon a fixed rate of interest, with respect to Bonds then outstanding bearing interest at a fixed rate or Bonds anticipated to be issued in the future that will bear interest at a fixed rate, as applicable, including a synthetic fixed rate in either case. Prior to an Authorized Representative other than the Chairwoman of the Board entering into any such transaction, such Authorized Representative must deliver to the Chairwoman of the Board or the Chief Clerk of the General Land Office a certificate to the effect that converting such portion of fixed rate Bonds to a variable rate pursuant to the fixed-to-floating interest rate swap transaction would be beneficial to the Board by (i) lowering the anticipated net interest cost on the Bonds to be swapped against or (ii) assisting in the Board's asset/liability management by matching a portion of its variable rate assets with variable rate Bonds;

(c) Basis swap transactions under which the Board would pay a variable rate of interest computed on one basis, such as the Securities Industry and Financial Markets Association Municipal Swap Index, and the counterparty would pay a variable rate of interest computed on a different basis, such as an index based on the Secured Overnight Financing Rate ("SOFR"), with respect to a given principal amount of Bonds then outstanding or Bonds anticipated to be issued in the future, as applicable. Prior to an Authorized Representative other than the Chairwoman of the Board entering into any such transaction, such Authorized Representative must deliver to the Chairwoman of the Board or the Chief Clerk of the General Land Office a certificate to the effect that by entering into the basis swap transaction the Board is expected to be able to (i) achieve spread income or upfront cash payments, (ii) preserve call option and advance refunding

capability on Bonds, (iii) lower net interest cost on Bonds by layering tax risk on top of a traditional fixed rate financing, (iv) preserve liquidity capacity, or (v) avoid the mark to market volatility of a fixed-to-floating or floating-to-fixed swaps in changing interest rate environments; and

(d) Interest rate locks, caps, floors, and collars for the purpose of limiting the exposure of the Board to adverse changes in interest rates in connection with outstanding Bonds or additional Bonds anticipated to be issued in the future. Prior to an Authorized Representative other than the Chairwoman of the Board entering into any such transaction, such Authorized Representative must deliver to the Chairwoman of the Board or the Chief Clerk of the General Land Office a certificate to the effect that such transaction is expected to limit or eliminate such exposure.

3. Bond Enhancement Agreements in Connection with Anticipated Bonds.

(a) Requirement to Terminate or Modify Agreement for Non-issuance of Anticipated Bonds. In the event a Bond Enhancement Agreement is entered into under this Resolution in connection with the anticipated issuance of Bonds and such Bonds are not actually issued on or prior to the effective date of such agreement, an Authorized Representative shall either terminate such Bond Enhancement Agreement or amend such Bond Enhancement Agreement in such event (i) to delay the effective date of such Bond Enhancement Agreement; or (ii) to replace such anticipated Bonds with any then outstanding Bonds having the same types of interest rates (fixed or variable) as the anticipated Bonds.

(b) Requirement to Terminate or Modify Agreement for Notional Amount in Excess of Anticipated Bonds as Issued. In the event a Bond Enhancement Agreement is entered into under this Resolution in connection with the anticipated issuance of Bonds and such Bond Enhancement Agreement has a notional amount that at any time exceeds the principal amount to be outstanding of such anticipated Bonds as actually issued, an Authorized Representative shall either terminate such Bond Enhancement Agreement or amend such Bond Enhancement Agreement (i) to reduce the notional amount of such Bond Enhancement as appropriate so that such notional amount does not exceed at any time the principal amount to be outstanding of such anticipated Bonds as actually issued or (ii) supplement or replace all or a portion of such anticipated Bonds with any then outstanding Bonds having the same types of interest rates (fixed or variable) as the anticipated Bonds as necessary to ensure that the notional amount of such Bond Enhancement Agreement does not exceed at any time the principal amount of the applicable Bonds.

(c) Board Recognition of Anticipated Bonds. No Bond Enhancement Agreement may be entered into under this Resolution with respect to the Board's obligations under an anticipated future issuance of Bonds unless such anticipated issuance of future debt shall have been recognized by official action of the Board pursuant to either (i) the Board's prior adoption of a resolution authorizing the issuance of such debt, including but not limited to a resolution delegating the parameters of such issuance to an Authorized Representative or a resolution authorizing the issuance of

commercial paper notes, or (ii) the Board's action pursuant to subsection (e) hereof with respect to Bonds anticipated to be issued to refund outstanding Bonds.

(d) Required Description of Anticipated Bonds. To the extent that an Authorized Representative other than the Chairwoman of the Board enters into an Bond Enhancement Agreement under this Resolution with respect to the Board's obligations under an anticipated future issuance of Bonds, such Authorized Representative must also deliver to the Chairwoman of the Board or the Chief Clerk of the General Land Office at the time such agreement is entered into a certificate with respect to such anticipated Bonds stating: (i) the anticipated issuance date of such Bonds or a range of anticipated dates of up to six months for such issuance, provided that such date or range of dates may not be more than seventy-two (72) months after the date of the applicable Confirmation; (ii) whether such Bonds will bear interest at a fixed or variable rate; (iii) if such Bonds will bear interest at a fixed rate, what fixed interest rate or range of interest rates with respect to such Bonds is anticipated; (iv) if such Bonds will bear interest at a variable rate, what basis is anticipated to be used to compute such variable rate; and (v) the assumed maturity schedule and amortization for such Bonds, including the assumed interest cost.

(e) Board's Statement of Intent to Issue Advance Refunding Debt for Savings. If the conditions in this Resolution are otherwise satisfied, the Board hereby authorizes each Authorized Representative to enter into a Bond Enhancement Agreement in connection with Bonds anticipated to be issued for the purpose of advance refunding any existing Bonds, provided that prior to any Authorized Representative other than the Chairwoman of the Board entering into any such agreement, such Authorized Representative must deliver to the Chairwoman of the Board a certificate to the effect that such refunding issue of Bonds, when taking into consideration the effect of such Bond Enhancement Agreement, is anticipated to result in a present value savings in connection with such advance refunding of at least 3.0%, and in such event, the Board hereby declares its intention to cause such refunding Bonds to be issued. No such certification or declaration shall be required in connection with Bonds anticipated to be issued for the purpose of currently refunding any existing Bonds within ninety (90) days of the date of issuance of such refunding Bonds.

4. Master Agreements.

(a) New Master Agreements. Each Authorized Representative is hereby severally authorized to enter into ISDA Master Agreements and Schedules thereto (the "New Master Agreements") with counterparties satisfying the ratings requirements of the Board's Debt and Derivatives Policy Statement. Such New Master Agreements shall be in substantially the same form as any of the ISDA Master Agreements and Schedules thereto (the "Existing Master Agreements") to which the Board is currently a party, with such changes as, in the judgment of an Authorized Representative, with the advice and counsel of Bond Counsel or Financial Advisor to the Board, are necessary or desirable (i) to carry out the intent of the Board as expressed in this Resolution, (ii) to accommodate the credit structure or requirements of a particular counterparty or (iii) to incorporate comments received or anticipated to be received from any credit rating

agency relating to a New Master Agreement. Each Authorized Representative is authorized to enter into such New Master Agreements and to enter into Confirmations thereunder in accordance with this Resolution and in furtherance of and to carry out the intent hereof.

(b) Amendments to Master Agreements. Each Authorized Representative is hereby further severally authorized to enter into amendments to the Master Agreements to allow Confirmations thereunder to be issued and entered into with respect to any then outstanding Bonds or Bonds anticipated to be issued in the future and to make such other amendments in accordance with the terms of the respective Master Agreements as in the judgment of such Authorized Representative, with the advice and counsel of Bond Counsel to the Board, are necessary or desirable to allow the Board to achieve the benefits of the Bond Enhancement Agreements in accordance with and subject to the Board's Debt and Derivatives Policy Statement and this Resolution.

5. ISDA Protocols. Each Authorized Representative is hereby severally authorized to take such actions as are necessary or desirable as an Authorized Representative determines in his or her judgment are appropriate to enable the Board or any of its counterparties to comply with or adhere to any protocols developed by the International Swaps and Derivatives Association, Inc.

6. Bond Retirement Change. If a proposed "Bond Retirement Change" occurs with respect to an interest rate swap transaction (each, a "Transaction") of the Board, each Authorized Representative is hereby severally authorized to take such actions in connection with such Bond Retirement Change as an Authorized Representative determines are necessary or desirable. If an Authorized Representative determines to designate additional Bonds in connection with any such Bond Retirement Change, such Authorized Representative shall, on behalf of the Board, make such findings or determinations with respect to such Bonds as are then required pursuant to the Constitutional Provision, Chapter 161 and Chapter 162, and any such findings or determinations shall be deemed to be findings or determinations by the Board for all purposes. Any actions in connection with a Bond Retirement Change heretofore performed by the Authorized Representatives are hereby ratified, approved and confirmed in all respects.

7. Authorization of Additional Acts. The Authorized Representatives are hereby severally authorized and directed from time to time and at any time, in the name and on behalf of the Board, to do and perform all acts and things and to execute, deliver, and if requested by a counterparty, attest or affix the seal of the Board to, all certificates, instruments and other papers as they may determine to be necessary or desirable in connection with the consummation of any Bond Enhancement Agreement, such determination to be conclusively evidenced by the performance of such acts and things and the execution and delivery of any such certificate, instrument or other paper, and any such actions heretofore performed by the Authorized Representatives are hereby ratified, approved and confirmed in all respects.

8. Open Meeting. It is hereby officially found and determined that the meeting at which this resolution was adopted and approved was open to the public as required by law and public notice of the time, place and purpose of said meeting was given as required by Chapter 551 of the Texas Government Code, as amended.

9. Effective Date. This Resolution shall be in full force and effect on and as of the date hereof. The delegation to each Authorized Representative to act on behalf of the Board under this Resolution shall expire on February 2, 2027, and shall supersede and replace in its entirety the resolution of the same title adopted by the Board on May 13, 2025.

From: Morris Karam, Attorney, GLO/VLB

Subject: Agenda Item 14 c - Consideration and possible action on proposed amendments to 40 Texas Administrative Code §175.3 and §175.4, concerning the Veterans Land Program

RECOMMENDATION: Staff recommends the Board approve the proposed amendments to update requirements for land selection, land description, and surveys tied to transactions through the Veterans Land Program.

Summary

Pursuant to Board authority under Section 161.063 of the Natural Resources Code, Staff proposes amendments to the Texas Administrative Code, Title 40, Part 5, §175.3 and §175.4. These rules pertain to the Board's Veterans Land Program ("Program"). Broadly, these proposed amendments aim to facilitate land transactions for veterans.

Rule §175.3

Rule §175.3 contains requirements for veterans when selecting land for purchase or financing. Primarily, the proposed amendments moderate and clarify requirements for access easements not abutting publicly maintained roads that would expedite land transactions: they i) specify that these easements can be either public or private, and in addition to the Board, can also be conveyed to the veteran borrowers; ii) remove the general warranty deed requirement for these easements to allow for their conveyance by other instruments; and iii) allow easement width requirements to be waived.

In addition, the proposed amendments i) clarify usability requirements during inclement weather; ii) add requirements should a veteran want to purchase a flagpole tract; and, for documentation purposes, iii) add a requirement that copies of instruments dedicating easements to public or subdivision owners be provided to the Board. The proposed amendments also remove unnecessary language and update language to improve the rule's readability.

Rule §175.4

Rule §175.4 contains requirements for land descriptions in surveys tied to proposed tracts. The proposed amendments remove unnecessary requirements that i) survey documentation contain

MEMORANDUM

TEXAS VETERANS LAND BOARD • CHAIRWOMAN DAWN BUCKINGHAM, M.D.

the surveyor's seal and signature, ii) proposed tracts to be marked by monuments, and iii) certain roadways and easements be described sufficiently. These amendments repeat standard requirements of surveyors in the Texas Board of Professional Engineers and Land Surveyors Practice Acts and Rules. The proposed amendments remove further unnecessary requirements that the Board examine property descriptions and subdivision plats of proposed tracts for closure and sufficiency. Those are the responsibility of the surveyor.

The proposed amendments to Rule §175.4 also remove requirements that a surveyor provide a license to copy and use field notes and survey plats for a proposed tract. Those requirements allow for future transactions without updated surveys. Currently, any proposed tract's survey without these requirements must meet them, causing transaction delays and additional expenses to would-be veteran purchasers. Staff notes that removing this requirement may translate to additional expenses: i) veterans seeking to refinance or sell a property may need to pay for a new survey and ii) a Board foreclosure on a property may require a new survey for resale. However, the benefits of removing these requirements would outstrip these expenses. Staff further notes that foreclosures occur on approximately one percent of Program properties. In addition, Staff does not foresee any issues performing surveys for foreclosures.

If approved by the Board, Staff will start the rulemaking process and submit the proposed amendments to the Texas Register for notice and public comment. At the end of this period, Staff will seek final approval from the Board to adopt the proposed amendments, either as provided herein, or considering any appropriate, applicable public comment.

The proposed amendments follow.

TEXAS VETERANS LAND BOARD • CHAIRWOMAN DAWN BUCKINGHAM, M.D.

Proposed Amendments – Texas Administrative Code, Title 40, Chapter 175, Part 5

Rule §175.3 Land Selection

(a) Land selected by a veteran for purchase or financing through the program must:

(1) be situated entirely in Texas;

(2) contain at least one (1) net acre (excluding, as determined [defined] by the board, inundated or submerged land, or otherwise unusable land);

(3) have insurable title under conditions acceptable to the board;

(4) if more than one tract of land is selected the tracts must be contiguous [as defined by the board]; or, if not contiguous, then one tract must meet the minimum acreage requirement, and the use, location, and value of the tracts would permit the board, in its sole discretion, to consider the combination of the tracts as one tract; [and]

(5) have direct access to a publicly maintained [public] road. If the tract does not directly abut a publicly maintained [public] road:

(i) access may be provided by way of a public or private perpetual access easement and either conveyed to the borrower or board or dedicated to the public or subdivision owners;

(ii) all roadway easements must be at least 60 feet wide or meet the county's minimum width requirement for a publicly maintained road, whichever is greater. The width requirement may be waived by the chairman, but in no event can an easement be less than 30 feet in width;

(iii) easements being conveyed to the borrower or board must be described by metes and bounds. The description must contain specific tie calls to both the tract and publicly maintained road;

(iv) if the easement is dedicated to the public or subdivision owners, it must refer to the recording information of the subdivision plat or other dedication instrument and a copy of the instrument must be provided to the board; and

(v) easement and roads must be usable by two (2)-wheel drive automobiles during inclement weather, including snow, rain, and freezing temperatures.

MEMORANDUM

TEXAS VETERANS LAND BOARD • CHAIRWOMAN DAWN BUCKINGHAM, M.D.

(6) in the case of flagpole tracts, or tracts with a similar configuration, where the pole portion of the tract provides access to the main body (flag portion) of the tract, the pole portion of the tract must meet the width and drivability requirements for an access easement, and the main body of the tract must meet the requirement of one (1) net acre, as determined by the board.

~~[, a perpetual access easement appurtenant must be conveyed to the board, or other board approved access must be provided. This easement must meet the county width requirement for publicly maintained roads and, in any event, must be at least 60 feet wide. The easement must be conveyed to the board by general warranty deed or dedicated to the public or subdivision owners. If the easement is conveyed to the board by deed, it must be described by metes and bounds. This description must contain specific tie calls to both the tract and a public road. If the easement is dedicated, the deed to the board must refer to the recording information of the subdivision plat or other dedication instrument. If the board finances the transaction the tract must have similar easement rights. Easements and roads must be usable by standard automobiles during inclement weather.]~~

(b) The board will not purchase or finance a tract of land that was wholly owned by the veteran or his spouse, separately or jointly, within three (3) ~~[3]~~ years of the date of application.

(c) If the veteran or his or her spouse owns an undivided interest in the land that he or she has selected, the board may approve the application after the tract has been partitioned, and a copy of the recorded partition deed is furnished to the board. The board may purchase only that interest not owned by the applicant or the applicant's spouse. If the land is not partitioned because the applicant is purchasing the remaining undivided interest not currently owned by the applicant or the applicant's spouse, the board may nonetheless approve the purchase or financing of the tract. In such cases, the purchase price or loan amount will be limited to the value of the interest not previously owned by the applicant or the applicant's spouse. Whether or not the land is partitioned, however, title to the entire tract must be conveyed to the board, or the board must be in a first lien position as to the entire tract.

(d) Except as provided in subsection (c) of this section, the board will not purchase or finance land in which the seller or any prior owner is to retain any interest, other than a mineral interest or an access or utility easement.

(e) The board will not approve any application that will result in a refinancing of a prior purchase by a veteran or his or her spouse.

(f) A tract must be free and clear of all liens when the board takes title or perfects its lien.

(g) The board reserves the right to refuse to purchase or finance any tract for any reason.

TITLE 40	SOCIAL SERVICES AND ASSISTANCE
PART 5	TEXAS VETERANS LAND BOARD
CHAPTER 175	GENERAL RULES OF THE VETERANS LAND BOARD
SUBCHAPTER A	GENERAL RULES AND CONTRACTING FINANCING
RULE §175.3	Land Selection

- (a) Land selected by a veteran for purchase or financing through the program must:
- (1) be situated entirely in Texas;
 - (2) contain at least one net acre (excluding, as determined by the board, inundated or submerged land, or otherwise unusable land);
 - (3) have insurable title under conditions acceptable to the board;
 - (4) if more than one tract of land is selected the tracts must be contiguous . If not contiguous, then one tract must meet the minimum acreage requirement, and the use, location, and value of the tracts would permit the board, in its sole discretion, to consider the combination of the tracts as one tract; and
 - (5) have direct access to a publicly maintained road:
 - (i) If the tract does not directly abut a publicly maintained road, access may be provided by way of a public or private perpetual access easement.
 - (ii) All roadway easements must be at least 60 feet wide or meet the county's minimum width requirement for a publicly maintained road. The width requirement may be waived, but in no event can an easement be less than 30 feet in width.
 - (iii) Easements being conveyed to the borrower or VLB must be described by metes and bounds. The description must contain specific tie calls to both the tract and publicly maintained road.
 - (iv) If the easement is dedicated the deed conveying the tract to the borrower or VLB must refer to the recording information of the subdivision plat or other dedication instrument.
 - (v) Easement and roads must be usable by standard automobiles during inclement weather, including snow, rain, and freezing temperatures.
- (6) Flagpole tracts, or tracts with a similar configuration, where the pole portion of the tract provides access to the main body (flag portion) of the tract. In the case of flagpole tracts, or similar tracts, the pole portion of the tract must meet the width and drivability requirements for an access easement, and the main body of the tract must meet the requirement of one net acre, as determined by the board.

- (b) The board will not purchase or finance a tract of land that was wholly owned by the veteran or his spouse, separately or jointly, within 3 years of the date of application.
- (c) If the veteran or his or her spouse owns an undivided interest in the land that he or she has selected, the board may approve the application after the tract has been partitioned, and a copy of the recorded partition deed is furnished to the board. The board may purchase only that interest not owned by the applicant or the applicant's spouse. MEMORANDUM

TEXAS VETERANS LAND BOARD • CHAIRWOMAN DAWN BUCKINGHAM, M.D.

Date: February 3, 2026

To: Dawn Buckingham, M.D., Chairwoman
James Rothfelder, Member
Judson Scott, Member

From: Dr. John Kelley, Director, Texas State Veterans Cemeteries

Subject: Agenda item 15 a - Report on Texas State Veteran Cemetery operations.

Recommendation: This agenda item requires no action from the Board.

U.S. Veterans Affairs (VA) Developments:

- The Coastal Bend State Veterans Cemetery expansion project (TX-23-33) is complete. A National Cemetery Administration (NCA) Project Manager will conduct a walk through on 25 Feb.
- The West Texas State Veterans Cemetery in Lubbock, construction project (TX-23-34), is delayed for opening due to construction issues. Once the construction issues are resolved, a new opening date will be selected and publicized with at least a month's notice. There are a significant number of pre-registrations which are indicative of public interest. Construction photos are provided below.
- The expansion of the Central Texas State Veterans Cemetery in Killeen (TX-23-35) has commenced. The contractual finish date is 11 July, 2027 with Space Force required early completion at the 180 day mark in June 26 and two crypt fields, sections 11 and 12, required completion at 240 days in early August 26.
- While awaiting the land donation to complete in east Texas, a grant opportunity was provided by the NCA on 3 December with a required acceptance or declination on 17 December. The grant opportunity was declined, but it will remain on the priority list for funding in FY 27.
- An NCA triennial inspection was conducted at the Texas State Veterans Cemetery in Abilene on 6-7 Jan 26 with the cemetery receiving a National Operational Excellence award. The cemetery leadership and an NCA representative will attend the VLB Board in April for recognition. The cemeteries in Corpus Christi and Mission will both be inspected during the last week in February 26. The cemetery in Killeen will be inspected in FY 27 and received an Operational Excellence Award during their last inspection in FY 24. We congratulate the staff at the Abilene cemetery and a picture of the summary scorecard is available below.

VLB Initiatives:

- Construction work at the Rio Grande Valley State Veterans Cemetery in Mission has commenced. This project will replace both the Administration Building and the Committal Shelter roofs, execute some repairs at the Committal Shelter, integrate Space Force, install automatic gates, install a big, beautiful Texas star in the assembly area. This project is entirely VLB-funded and will be completed by 29 March 2026.
- Work continues on an online donations capability for the Veterans Homes and Cemeteries. The project is moving into the User Testing and Acceptance phase.
- The donation of 64 acres by a private citizen for the purpose of constructing a Texas State Veterans Cemetery in east Texas is nearing the completion of a lengthy legal process. Once completed, the landowner will attend a VLB Board meeting to be recognized by this body.

Other Items of Interest:

- We currently receive no plot allowance for family member interments at the cemeteries. This represents approximately 30% of our burials (814 of 2,529 in FY 25). The FY 26 Plot Allowance rate for Veterans is \$1,002 so, if this allowance was in place for family members, it would represent a substantive increase in federal funding for the cemetery program. Although NCA has been trying to get family member plot allowances at the same rate as veteran interments, they have been unsuccessful and recommend requesting support from elected officials in Washington. We have requested support from our Government Relations Team.
