

South Padre Island Dune Restoration Volunteer Program Contract #: 13-048-000-6915

This project is funded by a grant approved
by the Texas Land Commissioner pursuant
to National Oceanic and Atmospheric
Administration Award No.
NA12NO54190164.

Summary

The City of SPI with the help of volunteers successfully completed 21 volunteer events. The goal of program was to enhance the City's continuous dune line. Events were held on Saturday mornings from the Fall of 2012 until May 2014. With the help of 1,791 volunteers totaling 4335 volunteers hours the City was able to plant 192,000 native plants which covered approximately 5.6 acres of unvegetated dunes.
