

Field Observer (FO) Assignment List	1. Incident Name	2. Date/Time Prepared
3. Unit Name	4. Unit Leader	5. For Operational Period

Purpose

FOs will be used to scout for new shoreline impact or re-impacts and to render preliminary cleanup recommendations.

Duties

- make quick visual assessments of the level of contamination and/or the threat of impact
- identify sensitive resources and access restrictions
- make preliminary shoreline cleanup recommendations
- monitor cleanup effectiveness and effects and make recommendations accordingly
- record observations and recommendations on a FO form (see attachment)
- immediately communicate the information back to the FO Coordinator in the situation unit

Field Observer (FO) Assignment List	1. Incident Name	2. Date/Time Prepared
3. Unit Name	4. Unit Leader	5. For Operational Period

FOs will continue to be used to scout for new shoreline impact or re-impacts and to render preliminary cleanup recommendations. Over time, their focus will shift more to monitoring cleanup effectiveness and effects.
