How to complete your HUB Subcontracting Plan (HSP)

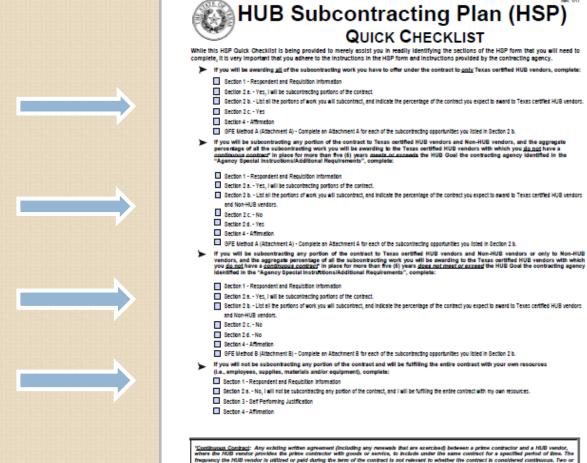

HUB SUBCONTRACTING PLAN (HSP) IS A REQUIREMENT

- Once the agency determines that HUB subcontracting opportunities are probable in the Scope of Work, a completed HUB Subcontracting Plan must be returned with your Bid/Proposal.
- If the HSP is not submitted with your response or fails to meet good faith effort requirements, your response will not proceed to the evaluation team.

HUB SUBCONRACTING PLAN (HSP)

- > Read the HUB Subcontracting Plan (HSP) form before you begin.
- The HUB GOAL is identified in the "Special Instructions" section of the HSP.
- Decide whether or not you will need to subcontract parts of the contract in order to complete the agency's scope of work.
- ➤ Read the four different options on the HUB Subcontracting Plan (HSP) checklist and determine which options best fits your response. Answer each section within that option.
- ➤ Note: HSP Good Faith Effort Method B (Attachment B) will require you to provide a Good Faith Effort notification and contact HUBs, trade organization or development centers.

- Option #2 You will <u>meet</u> or <u>exceed</u> the HUB goal using Texas certified HUBs and Non-HUB subcontractors.
- Option #3 You will <u>not</u> meet the stated HUB goal using Texas Certified HUBs and Non-HUB subcontractors.
- Option #4 You will <u>self-perform</u> the entire contract with your own resources. (own employees, supplies, materials and/or equipment, to include transportation and delivery)

Special Instructions: The GLO encourages each Respondent to select multiple subcontractors for each subcontracting opportunity who are able to perform work Respondent plans to subcontract. This will allow the selected Providers to make needed changes to their original HSPs and allow the GLO to quickly approve such changes.

Any questions regarding the proper completion of the HSP may be made to the GLO HUB Team as the only exception to the single point of contact. Use your best industry related experience and judgment when estimating the percentage of the subcontracts. HUBs and Non-HUBs must complete and submit a HUB Subcontracting Plan.
