WHO: Clyde W. Cospers Texas State Veterans Home

WHAT: Veterans Day program

WHERE: 1300 Seven Oaks Rd. Bonham, TX 75418

WHEN: 1:30 p.m. Wednesday, Nov. 11, 2015

Opened in 2001, the Clyde W. Cospers Texas States Veterans Home accommodates veterans with 160 beds and 32 certified Alzheimer's units. This first-rate facility is named in memory of LT Clyde "Sparky" Cospers, a B-17 pilot who remained at the controls of his stricken bomber on Nov. 13, 1943 after the other nine members of the crew had bailed out and in so doing prevented the bomber from crashing into the British community of Princes Risborough in the United Kingdom. Narrowly missing the town, he was killed on impact. Cospers was a native of Dodd City, Texas.

The VLB Texas State Veterans Homes provide affordable, long-term nursing care for Texas Veterans, their spouses and Gold Star parents. Conveniently located across Texas, each first-class facility is designed to enhance quality of life with a clean, caring and dignified setting appropriate to those men and women who have served our country with honor.

Because the VA subsidizes much of a veteran's cost to stay at a VLB Texas State Veterans Home, daily out-of-pocket rates are well below average and include the cost of medications for Veterans. Residents can choose between a spacious private or semi-private room based upon availability. Alzheimer's units at each home provide highly specialized care, including beautifully landscaped, secure courtyards. Like all VLB programs, the Texas State Veterans Homes are self-supporting and cost Texas taxpayers virtually nothing.
