AUSTIN — Today, Texas Land Commissioner George P. Bush released the following statement after signing the Executive Committee resolution to finalize the Alamo Plan, calling upon San Antonio Mayor Nirenberg to add his signature to the final document.

"I would like to thank the committed members of the Alamo Citizens Advisory Committee who donated countless hours to help make this plan a reality. Their selfless efforts will ensure a plan of consensus that will restore dignity and reverence to the original battlefield site of 1836. I would also like to thank the Alamo Management Committee for your commitment to the process and for bringing forward the plan that will ensure future Texans will always "Remember The Alamo." We will be forever grateful to all Texans who provided their input and feedback on the plan. I ask the mayor to join me in executing this plan to treat the Alamo with the respect and reverence it deserves. God Bless the Alamo and God Bless Texas."
